I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt: a Resolution amending Resolution No. R-2011-0548 for the Bayhill Estates Water Distribution System, reducing the individual assessment from \$8,550 per parcel to \$5,966.36 per parcel.

Summary: On April 5, 2011, the Board adopted Resolution R-2011-0548 confirming the Bayhill Estates Water Distribution System assessment. Pursuant to Section 9 of Ordinance No. 2001-0010, property owners are entitled to a reduction in their individual assessment if the final cost of the project falls below the original estimate. The assessment adopted by the Board was based upon an estimated cost of \$2,299,950, while the final assessable cost is \$1,604,950.84. This project is based on 269 residential properties, the individual cost to the property owners is decreased from \$8,550 per parcel to \$5,966.36 per parcel. (WUD Project No. 11-025) District 6 (MJ)

Background and Justification: The estimated construction cost for Bayhill Estates was \$1,716,380. The final construction cost was \$1,438,128.71. This construction cost under-run (\$278,251.29) combined with decrease in contingencies (\$171,638), decrease in Engineering fees (\$63,309.62), decrease in inspection fees (\$16,882.57), decrease in administration fees (\$21,103.21) and 10% decrease due to financial support (\$143,812.87) as per the agreement between the County and Indian Trails Improvement District, in which the County will provide for 10% of the total project cost, resulting in a total project assessable cost of \$1,604,950.84. Fees decreased the total assessable cost by the net amount of \$694,999.16. All other portions of Resolution No. R-2011-0548, remain in full force and effect.
