LICENSEE shall not allow any minor person to participate in or attend any activities on the Premises, or to otherwise be present on the Premises; except that minor persons shall be allowed to participate in non-high-risk, public safety career exploration programs organized and designed for minors if the nature of said program and the inclusion of minors is clearly disclosed in a Use Agreement approved by the Administrator and if a properly executed **Student Registration Agreement for Non-High-Risk Public Safety Career Exploration Training** (attached hereto as **Exhibit C** and incorporated herein) is provided to the Administrator for each minor participant prior to the commencement of the applicable training period. These obligations shall continue throughout the Training Period, including a final inspection at the conclusion of LICENSEE's use of the Premises every day during each Training Period.

If directed by COUNTY, LICENSEE shall postpone any or all of its use of the Premises until COUNTY notifies LICENSEE that it may commence or resume its use. Failure of LICENSEE to inspect the Premises or notify the Administrator shall not relieve LICENSEE of its obligation to pay for damages pursuant to Section 4.01.

Section 2.04 Waste or Nuisance

LICENSEE shall not commit or suffer to be committed upon the Premises any waste, nuisance or other act or thing which may result in damage or depreciation of value of the Premises, or which may result in an unsightly condition, or which may affect COUNTY's interest in the Premises. The Regional Training Center Manual, which may be revised from time to time at the sole discretion of the Administrator, is hereby incorporated by reference as a part of this License Agreement. The Regional Training Center Manual may be reviewed by LICENSEE at the Regional Training Center.

LICENSEE shall ensure that its officers, employees, volunteers, instructors, students, trainees, agents, contractors, invitees, and all other persons entering the Premises with or without LICENSEE's consent or knowledge comply with all applicable laws, rules and regulations on the Premises.

Section 2.06 Non-Discrimination

LICENSEE represents and warrants that it shall not discriminate against any individual on the basis of their race, color, national origin, religion, ancestry, sex, age, marital status, familial status, sexual orientation, gender identity or expression, or disability with respect to any activity occurring on the Premises.

Section 2.07 COUNTY's Right to Enter

COUNTY shall have the right to enter the Premises at any time, without notice, for any purpose whatsoever. COUNTY agrees to exercise reasonable efforts to minimize interference with or disruption of LICENSEE's use of the Premises; provided, however, COUNTY shall not be required to expend additional sums of money in order to comply with the foregoing requirement. In the event that a COUNTY work activity will take place on the Premises during LICENSEE's Training Period, which will disrupt or interfere with LICENSEE's operations, COUNTY will endeavor to provide prior notice to LICENSEE. The notice requirements provided under Section 7.02 shall not apply to this Section 2.07.

ARTICLE III FEES

Section 3.01 Fees

The cost for conducting the training events and activities authorized by this License Agreement shall be the full responsibility of LICENSEE. For each use of the Premises, LICENSEE shall pay COUNTY the fees set forth on the Fee Schedule in effect at the time of said use, for all training areas, personnel, equipment, apparatus, props and/or supplies used by LICENSEE, which fees collectively shall be referred to as the "License Fee". As a deposit to hold the Premises for LICENSEE's use, LICENSEE shall pay to COUNTY one-half of the License Fee due upon execution of the corresponding Use Agreement; provided, however, that the Administrator is authorized, but not obligated, to extend the due date of said payment if LICENSEE is a governmental entity.

The full unpaid balance of the License Fee shall be due and payable within thirty (30) days after the expiration or earlier termination of the corresponding Training Period. In the event that LICENSEE's actual use of the training area(s), personnel, equipment, apparatus, props, and/or supplies exceeds that anticipated on the Use Agreement, LICENSEE shall be invoiced for the extra fees based on actual use, which shall be due and payable as part of, and at the same time as, the balance due on the License Fee.

In addition to the License Fee, LICENSEE shall reimburse COUNTY for any and all damages to the Premises resulting from LICENSEE's use, as set forth in Section 4.01. LICENSEE shall reimburse COUNTY for all said expenses within thirty (30) days after receipt of a written invoice for reimbursement from COUNTY.

Section 3.02 Offset of License Fee

If LICENSEE provides COUNTY with a tuition discount for a training program provided by LICENSEE to COUNTY fire-rescue employees, then the Administrator may in exchange offset a License Fee by an amount not to exceed the value of the tuition discount provided to COUNTY, provided that this License Fee offset shall not exceed fifty percent (50%) of the License Fee and that LICENSEE has not otherwise been compensated by COUNTY for the tuition discount. The basis and value of any such License Fee offset shall be clearly documented by the Administrator on the applicable Use Agreement.

ARTICLE IV REPAIRS AND MAINTENANCE OF PREMISES

Section 4.01 Repairs and Maintenance; Surrender of Premises

COUNTY shall not be obligated or required to make or conduct any improvements, maintenance or repairs whatsoever to the Premises. All portions of the Premises shall be kept in good repair and condition by LICENSEE during each Training Period. LICENSEE shall maintain the Premises free of trash and debris.

At the conclusion of each Training Period, and at the conclusion of LICENSEE's use of the Premises on each day of the Training Period, LICENSEE, at its sole cost and expense, shall surrender the Premises to COUNTY in good repair and condition and otherwise in the same condition the Premises were in at the date and time that the Training Period commenced. The foregoing includes, but is not limited to, transporting trash to a designated dumpster, leaving the Premises in broom-swept condition, and removing all LICENSEE's personal property from the Premises; provided, however, that with the prior written consent of the Administrator, LICENSEE may leave its personal property on the Premises at the end of a training day, if it is not the conclusion of the Training Period, in accordance with any direction of the Administrator. COUNTY shall not be responsible for any personal property left by LICENSEE.

Notwithstanding anything herein to the contrary, LICENSEE shall not repair or attempt to repair any damage to the Premises. In the event of any damage to the Premises arising in any way from LICENSEE's use of the Premises, COUNTY shall determine the cost of making the necessary repairs or maintenance, including administrative expenses. LICENSEE shall pay said amount to COUNTY within thirty (30) days after receipt of a written invoice from COUNTY.

Damage to the Premises shall be presumed to have arisen from LICENSEE's use if said damage was not noted in writing by LICENSEE at the commencement of its use of the Premises each day of the Training Period pursuant to Section 2.03.

Section 4.02 Utilities

COUNTY shall be responsible for all charges and assessments for providing water, gas, electricity, trash collection and removal, or any other utility used or consumed on the Premises; however COUNTY shall not be obligated to provide for, or pay for, any utilities that it does not ordinarily provide or offer at the Regional Training Center.

Section 4.03 Security

LICENSEE shall be fully responsible for prohibiting unauthorized persons from entering the Premises during the Training Period, and for leaving the Premises in a safe condition at the end of its use each day of the Training Period.

High-risk activities shall be as defined in **Section 5.05** herein.

_____ LICENSEE hereby agrees and warrants that it shall not conduct, cause or allow, and shall prohibit, any high-risk activities on the Premises for the entire duration of this License Agreement.
[LICENSEE must sign if applicable.]

LICENSEE agrees to maintain Business Automobile Liability at a limit of liability not less than \$500,000 Each Occurrence. Coverage shall include liability for Owned, Non-Owned & Hired automobiles. In the event LICENSEE does not own automobiles, LICENSEE agrees to maintain coverage for Hired & Non-Owned Auto Liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy. Coverage shall be provided on a primary basis. The requirements of this paragraph shall not apply if LICENSEE affirms in the space below that, for the entire duration of this License Agreement, it shall not cause or allow, and shall prohibit, the use and/or inclusion of any operable automobile or vehicle, whether owned by LICENSEE, COUNTY or otherwise, as part of any training event or activity conducted on the Premises under this License Agreement.

 _____ LICENSEE hereby agrees and warrants that, for the entire duration of this License Agreement, it shall not cause or allow, and shall prohibit, the use and/or inclusion of any operable automobile or vehicle, whether owned by LICENSEE, COUNTY or otherwise, as part of any training event or activity conducted on the Premises under this License Agreement. **[LICENSEE must sign if applicable.]**

LICENSEE may satisfy the minimum liability limits required above for General Liability and Business Auto Liability under an Umbrella or Excess Liability policy. There is no minimum Per Occurrence limit of liability under the Umbrella or Excess Liability; however, the Annual Aggregate limit shall not be less than the highest "Each Occurrence" limit for the General Liability and Business Auto Liability. LICENSEE agrees to endorse COUNTY as an "Additional Insured" on the Umbrella or Excess Liability, unless the Certificate of Insurance states the Umbrella or Excess Liability provides coverage on a pure/true "Follow-Form" basis.

If LICENSEE is self-insured for any or all of the coverages listed above, a Certification of Self-Insurance must be provided to COUNTY prior to the commencement of this License

Agreement. The Certification of Self-Insurance must demonstrate sufficient financial resources and ability for LICENSEE to meet its financial obligations and compensate for damages that may be awarded in professional liability judgments.

If LICENSEE contracts with, or otherwise uses, a third-party to provide instruction or otherwise conduct any portion of the training events or activities at the Premises, then LICENSEE shall require and assure that said third-party also meets all the insurance requirements set out in this Article V either through their own policies or through LICENSEE's policies.

Section 5.02 General Provisions

Except for Workers' Compensation, all insurance policies of LICENSEE, if not a governmental entity, and all insurance policies of LICENSEE's non-governmental subcontractors, shall name COUNTY as an Additional Insured. The Additional Insured endorsement shall read "Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, Employees and Agents." The Additional Insured endorsement coverage shall be provided on a primary basis.

All insurance shall be with an insurance company licensed to do business in the State of Florida and subject to the approval of COUNTY's Risk Management Department. A Certificate of Insurance evidencing such insurance coverage shall be provided to COUNTY at least fifteen (15) days prior to the Commencement Date for LICENSEE, and at least fifteen days (15) days prior to the applicable Training Period for any approved third-party conducting instruction or other training events or activities for LICENSEE. Such Certificate must indicate that at least thirty (30) days prior notice of cancellation or adverse material change in coverage shall be given to COUNTY.

COUNTY, by and through its Risk Management Department, reserves the right to review, modify, reject or accept any required policies of insurance, including limits, coverages, or endorsements, from time to time throughout the term of this License Agreement. COUNTY reserves the right, but not the obligation, to review and reject any insurer providing coverage because of its poor financial condition or failure to operate legally.

The requirements contained herein, as well as COUNTY's review or acceptance of insurance maintained by LICENSEE, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by LICENSEE under this License Agreement. In no event shall the limits of said insurance policies be considered as limiting the liability of LICENSEE under this License Agreement.

In the event that LICENSEE shall fail to meet the insurance requirements hereunder, then COUNTY may immediately terminate this License Agreement, notwithstanding any provisions herein to the contrary. Notwithstanding the foregoing, LICENSEE shall and does nevertheless, to the extent permitted by law, indemnify, defend and hold COUNTY harmless from any loss and damage incurred or suffered by COUNTY from LICENSEE's failure to meet the requirements of this Article V, and acknowledges that LICENSEE's liability is not limited to the amount of its insurance coverage.

Section 5.03 Waiver by LICENSEE and LICENSEE's Insurers of Subrogation

In the event of loss or damage to or on the Premises, including damage to equipment and personal injuries, LICENSEE shall look solely to any insurance in its favor without making any claim against COUNTY. LICENSEE hereby waives any and all rights of Subrogation against COUNTY, its officers, employees and agents for each required policy. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then LICENSEE shall agree to notify the insurer and request the policy be endorsed with a Waiver of Transfer or Rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy, which a condition to the policy specifically prohibits such an endorsement, or voids coverage should LICENSEE enter into such an agreement on a pre-loss basis.

Section 5.04 Liability and Indemnification

To the extent permitted by law, LICENSEE shall be fully and solely responsible and liable for its own acts and omissions, including those of its officers, employees, volunteers, instructors, students, trainees, agents, contractors, invitees, and all other parties it allows onto the Premises. COUNTY assumes no such responsibility or liability.

Nothing in this License Agreement shall be construed to create or impose upon COUNTY any responsibility or obligation for any wages, salary, workers' compensation, disability benefits, or other compensation, remuneration or benefits to LICENSEE, including its officers, employees, volunteers, instructors, students, trainees, agents, contractors, invitees, and all other parties it allows onto the Premises. To the extent permitted by law, LICENSEE assumes full responsibility and liability for any and all injuries or damages to its officers, employees, volunteers, instructors, students, trainees, agents, contractors, invitees, and all other parties it allows onto the Premises, and for any and all damage to its equipment and its other property. LICENSEE shall provide workers' compensation coverage in accordance with Chapter 440, Florida Statutes, for its own employees and volunteers, if any, while they are attending or participating in training events and activities on the Premises. COUNTY shall have no such responsibility or liability to either LICENSEE or said employees, volunteers, or other persons.

To the extent permitted by law, LICENSEE shall release, hold harmless, indemnify, defend, and agree not to sue COUNTY, including its officers, employees, volunteers, agents and contractors, from and for any and all claims, liabilities, damages of any kind, attorney's fees, expenses, and causes of actions of any nature whatsoever, foreseen or unforeseen, including but not limited to personal injury, illness, death and property damage, which arise directly or indirectly from LICENSEE's use of, or presence at, the Regional Training Center, the Premises, and training events and activities thereon, whether caused in whole or in part by LICENSEE, including its officers, employees, volunteers, instructors, students, trainees, agents, contractors, invitees and other parties it allows on the Premises, or by any other student, trainee, instructor or third-party, or by COUNTY based on premise liability, strict liability or negligence of any kind, including but not limited to COUNTY's maintenance, operation, supervision, instruction and/or emergency response at, of, or relating to, the Regional Training Center, the Premises and training events and activities thereon, or by any other cause whatsoever. This paragraph shall not apply to damage to COUNTY property, or injury to on-duty COUNTY employees or volunteers acting within the scope of their duties, to the extent that such damage or injury arises directly from an act or omission of COUNTY. LICENSEE recognizes the broad nature of this indemnification provision and specifically acknowledges the receipt of good and valuable consideration in support thereof.

Nothing herein shall constitute a waiver of sovereign immunity beyond the limits allowed by law for any party legally entitled to sovereign immunity. If LICENSEE is a governmental agency, then the immediately preceding paragraph shall be limited to the negligent acts or omissions attributable to LICENSEE, including its officers, employees, volunteers, instructors, students, trainees, agents, contractors, invitees, and all other parties it allows onto the Premises, to the extent permitted by law.

Section 5.05 High-Risk Training

This Section 5.05 shall apply if LICENSEE's use of the Premises includes any high-risk training events or activities. For purposes relating to this License Agreement, high-risk activity, event or training shall mean an activity, event or training that involves live fire exercises, hazardous materials, above-and-below-grade rescue, or evolutions that involve the use of power tools, as determined by the Administrator. LICENSEE acknowledges that certain training events or activities at the Premises may involve high-risk activities, which may include but are not limited to the following: live fire evolutions, exposure to high heat, working with power tools, confined space, elevated victim rescue, and water rescue. Such training will involve difficult, strenuous and dangerous physical activities to be undertaken by participating students. LICENSEE agrees and warrants that all students in high-risk training shall be Florida certified Firefighters; familiar with the type of activities involved; and medically and physically fit to engage in the type of activities contemplated by the training. If LICENSEE is aware of any condition that might make a student unfit to engage in such activities on the day of training, then LICENSEE shall not permit that student to participate.

LICENSEE shall assure that each student supplies his or her own personal protective gear, which meets NFPA standards and has been properly fit-tested. COUNTY reserves the right to perform a safety inspection on such gear, but assumes no responsibility relating to the gear. COUNTY may rent a self-contained breathing apparatus to students at an additional cost. LICENSEE shall assure that each student is properly hydrated before and during each class and is aware that the training is subject to the rules in the Regional Training Center Manual and any other rules identified by COUNTY.

LICENSEE acknowledges that the nature of its intended high-risk training, including the buildings, props, equipment and materials at the Premises, will expose participants and observers to inherent dangers and risks. Unanticipated dangers may arise given the fast-paced, high-stress and dynamic nature of such fire-rescue activities. Unintentional negligent mistakes may be made by instructors, supervisors, students or COUNTY during the training. The risks include, but are not limited to, personal injury, illness, death, and property damage. LICENSEE understands, and to the extent permitted by law, accepts and expressly assumes in full these and all other risks relating to the training and the Premises, whether known or unknown, inherent or not inherent, anticipated or unanticipated. COUNTY shall not be responsible for any such injury, illness, death, or property damage.

For each high-risk training event or activity, LICENSEE shall require a **Student Registration Agreement for High-Risk Fire-Rescue Training** (attached hereto as **Exhibit D** and incorporated herein) to be executed by each registered student, and a **Release, Indemnification and Assumption of Risks Agreement for Observing High-Risk Fire-Rescue Training** (attached hereto as **Exhibit E** and incorporated herein) to be executed by any other person attending said event or activity, unless said student or other person is identified and scheduled by LICENSEE as an employee or volunteer of LICENSEE to attend the training on-duty as a part of his or her official duties with LICENSEE; or identified and scheduled by COUNTY as an employee or volunteer of COUNTY to attend the training on-duty as a part of

his or her official duties with COUNTY; or identified and scheduled by another public safety agency as an employee or volunteer of said agency to attend the training on-duty as part of his or her official duties with said agency. Prior to the commencement of each Training Period, LICENSEE shall provide the Administrator with all registration and release agreements required herein and with a written list of all on-duty employees and volunteers identified by LICENSEE or another public safety agency.

Section 5.06 No releases from the parties' employees/volunteers

In the mutual interest of promoting training of public safety personnel, each party agrees that it shall not require or request from the other party's on-duty employees or volunteers any type of release, indemnification or assumption of risk agreement, acknowledgment or other statement, relating to any public safety personnel training, whether high-risk or not, conducted by or for either party, at any location, or otherwise conducted on either party's property; provided that such employee or volunteer is identified and scheduled by the employing party to attend the training on-duty as a part of his or her official duties with said employing party. Rather, notwithstanding anything in this Agreement that is or may be construed to the contrary, each party agrees to be responsible for its own on-duty employees and volunteers whom it schedules to attend such training on-duty as part of his or her official duties with said party. It is recognized by the parties that this Section 5.06 includes but is not limited to training provided pursuant to this License Agreement. Rather this Section 5.06 is intended to apply to any training for public safety personnel conducted by or for either party at any location or otherwise conducted on either party's property.

**ARTICLE VI
REVOCATION OF LICENSE/USE AGREEMENT; TERMINATION FOR
CONVENIENCE; DEFAULT**

Section 6.01 Revocation of License/Use Agreement

Notwithstanding anything herein to the contrary, the rights granted to LICENSEE hereunder amount only to a non-exclusive license(s) to use the Premises during the Training Period, as approved in a Use Agreement, which license(s)/Use Agreement(s) is expressly revocable by COUNTY for any reason whatsoever upon notice to LICENSEE and without recourse, damages or rights of recovery to LICENSEE. Upon LICENSEE's receipt of notice from COUNTY of the revocation of any such license/Use Agreement, LICENSEE's right to utilize said Premises shall terminate immediately, or at a later date if such date is identified by COUNTY. LICENSEE shall surrender the Premises to COUNTY immediately upon termination.

Notwithstanding anything herein to the contrary, if COUNTY revokes a license/Use Agreement prior to or during its corresponding Training Period for any reason not relating directly or indirectly to the activities, acts or omissions of LICENSEE, as determined by the Administrator, then COUNTY will reimburse LICENSEE on a pro-rata basis for the corresponding License Fee and/or deposit paid by LICENSEE, less any fees and expenses due to COUNTY.

Section 6.02 Termination for Convenience

COUNTY may terminate this License Agreement for convenience at any time upon written notice to LICENSEE and without any recourse, damages or rights of recovery to

LICENSEE. LICENSEE may terminate this License Agreement for convenience upon thirty (30) days written notice to COUNTY. If either party terminates this License Agreement for convenience as provided herein, then both parties shall be relieved of all further obligations accruing hereunder subsequent to the date of termination.

Without terminating the full License Agreement, COUNTY may terminate any Use Agreement for convenience in accordance with Section 6.01, and LICENSEE may terminate any Use Agreement for convenience upon written notice to the Administrator at least 5 business days prior to the commencement of the Training Period approved by said Use Agreement. LICENSEE's right to utilize the Premises under said Use Agreement shall cease, and LICENSEE shall surrender the Premises to COUNTY, immediately upon termination. If either party terminates a Use Agreement for convenience as permitted herein, then both parties shall be relieved of all further obligations accruing under said Use Agreement subsequent to the date of its termination. All other obligations arising under this License Agreement, including non-terminated Use Agreements, shall remain in place.

If LICENSEE terminates a Use Agreement for convenience with the requisite 5 business days written notice, then COUNTY shall refund the corresponding License Fee deposit paid by LICENSEE. If LICENSEE terminates a Use Agreement without the requisite 5 business days written notice, then COUNTY shall retain the full deposit and also may take any other action to protect or enforce its rights, including but not limited to seeking damages for the full License Fee and other damages.

Section 6.03 Default

LICENSEE's violation of, or failure to perform or observe, any of the agreements, covenants, obligations, representations, or conditions contained herein, including any agreements and documents incorporated into this License Agreement, to be performed or observed by LICENSEE shall constitute a default of this License Agreement by LICENSEE. In such case, COUNTY may, in its sole discretion, immediately terminate this License Agreement in full, or it may terminate any Use Agreement(s) without terminating the full License Agreement, without any recourse, damages or rights of recovery to LICENSEE, and/or take any other legal action to protect and enforce its rights.

For any Palm Beach County sponsored training: Any applicable registration fee must be paid at time of registration. Failure to cancel your registration by 5:00 p.m. on _____ will result in the loss of registration payment.

I enter into this Agreement as a condition of, and in consideration for, being permitted to participate in, attend and/or observe one or more non-high-risk public safety career exploration classes, activities or events (the "Training") at the Palm Beach County Fire-Rescue Regional Training Center, located at the Herman W. Brice Fire-Rescue Complex, 405 Pike Road, West Palm Beach, Florida (the "Facility"). I understand that I am not authorized to, and agree that I shall not, participate in, attend, and/or observe any high-risk classes, activities or events at the Facility. At all times, I shall remain in the area(s) of the Facility authorized for the non-high-risk public safety career exploration Training contemplated herein and shall limit my activities to said Training.

The Training may involve difficult and strenuous physical activities to be undertaken by me, including fire-rescue training activities. I am familiar with the type of activities involved with the Training. I am currently medically and physically fit to engage in such activities, and am not aware of any condition that might make me unfit to engage in such activities. I shall not participate in the Training unless I am fit to do so at the time of said Training. I shall assure I am properly hydrated before and during each class. The Training is subject to the rules in the Regional Training Center Procedures Manual and any other rules identified by the County.

The County shall not be responsible for any wages, salary, workers' compensation, disability benefits, or other compensation, remuneration or benefits to me relating to this Training. I shall not be deemed to be an employee or volunteer of the County for any purpose relating to this Training. If I am otherwise an employee or volunteer of the County, then I am attending the Training voluntarily and off duty, the Training is not directly related to my current position with the County, and the Training is not undertaken for the benefit of, or required by, the County. I shall not perform any productive work for the County during the Training.

Release and Indemnification: I shall, and hereby do, release, hold harmless, indemnify and agree not to sue the County from and for any and all claims, liabilities, damages of any kind, attorney's fees, costs and causes of action of any nature whatsoever, foreseen or unforeseen, now existing or hereafter accruing, including but not limited to personal injury, illness, death and property damage, which arise directly or indirectly from my participation in, attendance at and/or observation of the Training, whether caused, in whole or in part, by me, any other student, invitee, or third-party, or by the County based on premise liability, strict liability or negligence of any kind, including but not limited to the County's maintenance, operation, supervision, instruction and/or emergency response at, of, or relating to, the Training or the Facility, or by any other cause whatsoever.

Assumption of Risks: The nature of the Training and the buildings, props, equipment and materials at the Facility will expose me to inherent dangers and risks. Unanticipated dangers may arise given the fast-paced, high-stress and dynamic nature of fire-rescue activities. Unintentional negligent mistakes may be made by the County, instructors, supervisors or students during the Training. The risks to me include, but are not limited to, personal injury, illness, death and property damage. I understand, accept, and expressly assume in full these and all other risks relating to the Training and/or the Facility, whether known or unknown, inherent or not inherent, anticipated or unanticipated. The County shall not be responsible for any such injury, illness, death or property damage.

This Agreement is intended to be a complete release and indemnification in favor of the County to the greatest extent allowed by law, and I am knowingly giving up substantial rights. Any reference to the "County" in this Agreement shall mean Palm Beach County, Florida, its officers, employees, agents, representatives and contract instructors, in both their official and personal capacities, and their respective heirs, successors and assigns. I am legally competent to sign this Agreement. This Agreement shall be binding on me and my heirs, assigns, executors, legal representatives and anyone else claiming through me.
