Summary:

The Construction Industry Licensing Board was established by Special Act, Chapter 67-1876, Laws of Florida as amended. The Special Act and subsequently Florida State Statute sets forth the membership of the Board, which consists of fifteen (15) members. The above named members have been recommended by the International Association of Electrical Inspectors (IAEI) (Mr. Sharkey); the Associated Builders of America Inc (ABC) (Mr. Lynch); and the Florida Engineering Society (FES) (Mr. Desnoyers). Mr. Donald Sharkey was nominated to replace Mr. Nelson Dozier who is unable to continue to serve. Mr. Edward Lynch was nominated to replace Mr. Ezra Saffold who resigned. The Florida Engineering Society recommends the re-appointment of Mr. John Desnoyers to complete a second term. Mr. Stanley Goodman has also expressed a willingness to continue serving the board. The nominations represent the seats for an Electrical Contractor, a Building Contractor, an Engineer and a Consumer Member as cited in the Special Act and F.S. § 489.131 establishing the Construction Industry Licensing Board. Memorandums were sent to the Board of County Commissioners on September 10, 2012 advising of the vacant position; No other nominations were received. Countywide (SF)

Background and Justification:

The membership of the construction board consists of 15 members: two (2) general contractors, one (1) member of the following categories; building; residential; electrical; plumbing; HARV; roofing; swimming pool; architect; engineer and a building official. In addition, F.S. § 489.131 requires that we have three (3) consumer representatives. The Board is to establish qualifications and competency of contractors that work within the County. The Board also provides for the testing and licensing of these contractors and is empowered to discipline licenses. The CILB has 14 member seats currently filled and a diversity count of White: 12 (85.72%) Black: 1 (7.14%) and Hispanic: 1 (7.14%). The gender ratio (male: female) is 12:2.

At our August 21, 2012 meeting, after a short discussion, the members voted to support our well respected and longtime member, Donald G. Sharkey. Don is the qualifier for his local electrical contracting business, Current Connections, and has been in business in PBC for 28 years. We know Don to be very conscientious and knowledgeable of the Codes, along with a good common sense approach to issues. We also know that he previously served with distinction on the CILB.

This Division of IA EI does not know anyone else that we could recommend more to serve on the PBC CILB.
