Summary: The Unified Land Development Code (ULDC) Article 2, Chapter G, Section 3-H provides for the membership of the HRRB. Seats 6, 7 and 8 need to be filled at this time due to resignations. Seats 1, 2, 3, 5 and 9 need to be reappointed at this time. Seat 4 is currently filled by Friederike Mittner. All HRRB seats are at-large positions to be appointed by the Board of County Commissioners (BCC). A memo requesting nominations was sent to the BCC on September 13, 2012. Unincorporated (RPB)

Background and Justification: The HRRB was established by the Historic Preservation Ordinance adopted on February 2, 1993, to make recommendations to the BCC regarding historic designations and related matters. The ULDC provides for the HRRB to be composed of nine (9) members. The code provides that five members must be from among ten specific historic preservation related disciplines. The four remaining seats are among those with no specific professional requirements, but consideration is to be given to individuals with a demonstrated interest in history, architecture, or the following related disciplines: business person, engineer, contractor in a construction trade, landscape architect, urban planner, attorney, and resident of areas identified by 1990 PBC Historic Sites Survey as containing twenty-five (25) or more structures with potential for historic preservation. The HRRB has one member seat currently filled with a diversity count of White: 1 (100%). The gender ratio (male:female) is 1:0.

TO: Chris Davenport
County Archaeologist
Palm Beach County (PBC)

FROM: Jud Laird
Historic Resources Review Board (HRRB)

DATE: August 20, 2012

SUBJECT: NOTES ON MY HISTORY

I have actually lived in Palm Beach County for 42 years but my history in PBC actually begins in the late 1800s when my great-grandfather, A.L. Pennock, Jr., moved from the Philadelphia area to Jupiter. He started what become the Pennock Plantation and for many years it was the economic engine of the Jupiter area.

My father grew up in Jupiter and graduated from Palm Beach High School in the 1920s. I attended Palm Beach High in the 10th grade.

I was largely responsible for early organizational efforts and construction of the museum building of the Loxahatchee River Historical Society in Burt Reynolds park. It has been a great source of satisfaction to see how that organization has grown and been successful over the years.

My service on the HRRB goes back a number of years and while it's rarely been easy, I am pleased with the things we have gotten done.

There's probably at least a decade left in me to continue our good work so I look forward to continue working with you and the HRRB.

A hearing officer shall have the following duties:

- a. to conduct hearings and issue administrative orders on such matters as may be requested by the BCC;
- b. to render to the BCC a written report containing a summary of the testimony and evidence given and findings and recommendations regarding the specific standards applicable to the particular application for development permit;
- c. to issue subpoenas to compel the attendance of witnesses and production of documents, and to administer oaths to witnesses appearing at the hearing; and
- d. to perform such other tasks and duties as the BCC may assign.

The term of Seat 4 is to 2013 and is currently filled by Frederike Mittner.

New Appointment of three HRRB members:

Vacant (Seat 7): Per the County's CLG program, this membership has no specific requirements but consideration is given for individuals showing interest in history, architecture or related disciplines. This seat is vacated by Katharine Dickenson who is not seeking reappointment. This position will have a three year term.

Former member Dale Erickson resigned this position. This position will have a three year term.
