AREA AGENCY ON AGING OF PALM BEACH/TREASURE COAST, INC.

STANDARD AGREEMENT

ALZHEIMER'S DISEASE INITIATIVE

THIS AGREEMENT is entered into between the Area Agency on Aging of Palm Beach/Treasure, Inc., hereinafter referred to as the "Agency," and Palm Beach County Board of County Commissioners hereinafter referred to as the "Provider", and collectively referred to as the "Parties."

A. Purpose of Agreement

The purpose of this Agreement is to provide services in accordance with the terms and conditions specified in this agreement including all attachments and exhibits, which constitute the agreement document.

B. Incorporation of Documents within the Agreement

The Agreement will incorporate attachments, proposal(s), state plan(s), grant agreements, relevant Department of Elder Affairs handbooks, manuals or desk books, as an integral part of the Agreement, except to the extent that the agreement explicitly provides to the contrary. In the event of conflict in language among any of the documents referenced above, the specific provisions and requirements of the Agreement document(s) shall prevail over inconsistent provisions in the proposal(s) or other general materials not specific to this Agreement document and identified attachments.

C. Term of Agreement

This is a three-year Agreement which shall begin on July 1, 2012 or on the date on which the Agreement has been signed by the last party required to sign it, whichever is later. It shall end at midnight, local time in Tallahassee, FL on June 30, 2015.

D. Agreement Amount

The Agency agrees to pay for contracted services according to the terms and conditions of this Agreement in an amount not to exceed \$230,810.00, or the rate schedule, with expenditures to be based upon an approved annual budget, subject to adjustment in accordance with Attachment II and subject to the availability of funds. Any costs or services paid for under any other contract or agreement or from any other source are not eligible for payment under this agreement.

Funding Allocation				
Program Title	Year	Funding Sources	CSFA	Amount
Alzheimer's Disease Initiative (ADI)	2012	General Revenue	65.004	\$230,810.00
TOTAL AGREEMENT AMOUNT:				\$230,810.00

E. Renewals

By mutual agreement of the Parties, in accordance with s.287.058(1)(f), F.S., the Agency may renew this Agreement for a period not to exceed three years, or the term of the original Agreement, whichever is longer. The renewal price, or method of determining a renewal price, is set forth in the bid, proposal, or reply. No other costs for the renewal may be charged. Any renewal is subject to the same terms and conditions as the original Agreement and contingent upon satisfactory performance evaluations by the Agency and the availability of funds.

In the event that a subsequent agreement may not be executed prior to the July 1st start date, the Agency may, at its discretion, extend this Agreement upon written notice for up to 180 days to ensure continuity of service. Services provided under this extension will be paid for out of the succeeding contract amount.

F. Use of Service Dollars / Wait List Management

The Provider is expected to spend all federal, state and other funds provided by the Agency for the purpose specified in

each Agreement. For each program managed by the Provider, the Provider must manage the service dollars in such a manner so as to avoid having a wait list and a surplus of funds at the end of the agreement period. If the Agency determines that the Provider is not spending service dollars accordingly, the Agency may transfer funds to other providers during the year and/ or adjust subsequent funding allocations accordingly, as allowable under federal and state law. The Agency reserves the right to redirect funding throughout the area in order to serve consumers that are at greatest risk of institutional placement, irrespective of CCSA boundaries. The providers are therefore urged to outreach to consumers in greatest need in their CCSAs.

G. Consumer Choice

The Agency is committed to ensuring consumer choice in services and for providing redundancy of services in preparation for disaster/emergency situations. For this reason, the Provider must have vendor agreements with no less than two vendors for each service it provides. If the Provider is unable to meet this requirement, the Provider must document the reason why as well as stipulate plans for complying with this requirement. **Any services where there are less than two vendors with the execution of this Agreement must be identified and documented to the Consumer Services Consultant within 30 days of the execution of this Agreement.** The Provider must provide the following services as required by State statute: case management, homemaker and chore services, respite care, adult day care, personal care services, home delivered meals, counseling, information and referral, and emergency home repair services.

H. Compliance with Federal Law

1. If this Agreement contains federal funds the following shall apply:
- 1.2 The Provider shall comply with the provisions of 45 CFR 74 and/or 45 CFR 92, and other applicable regulations.
- 1.3 If this Agreement contains federal funds and is over \$100,000.00, the Provider shall comply with all applicable standards, orders, or regulations issued under s. 306 of the Clean Air Act as amended (42 U.S.C. 7401, et seq.), s. 508 of the Federal Water Pollution Control Act as amended (33 U.S.C. 1251, et seq.), Executive Order 11738, as amended, and where applicable Environmental Protection Agency regulations 40 CFR 30. The Provider shall report any violations of the above to the Agency.
- 1.4 The Provider, or agent acting for the Provider, may not use any federal funds received in connection with this Agreement to influence legislation or appropriations pending before the Congress or any state legislature. All disclosure forms as required by the Certification Regarding Lobbying form must be completed and returned to the Contract Compliance Officer, prior to payment under this Agreement.
- 1.5 In accordance with Appendix A to 2 CFR 215, the Provider shall comply with Executive Order 11246, Equal Employment Opportunity, as amended by Executive Order 11375 and others, and as supplemented in Department of Labor regulation 41 CFR 60 and 45 CFR 92, if applicable.
- 1.6 If this Agreement contains federal funds and provides services to children up to age 18, the Provider shall comply with the Pro-Children Act of 1994 (20 U.S.C. 6081).
- 1.7 An Agreement award with an amount expected to equal or exceed \$25,000.00 and certain other agreement awards will not be made to parties listed on the government-wide Excluded Parties List System, in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 and 12689, "Debarment and Suspension." The Excluded Parties List System contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The Provider will comply with these provisions before doing business or entering into subcontracts receiving federal funds pursuant to this Agreement. The Provider shall complete and sign Attachment IX prior to the execution of this Agreement.

- 1.8 The Provider shall not employ an unauthorized alien. The Agency shall consider the employment of unauthorized aliens a violation of the Immigration and Nationality Act (8 U.S.C. 1324a) and the Immigration Reform and Control Act of 1986 (8 U.S.C. 1101). Such violation shall be cause for unilateral cancellation of this Agreement by the Agency.
- 1.9 If the Provider is a non-profit provider and is subject to Internal Revenue Service (IRS) tax exempt organization reporting requirements (filing a Form 990 or Form 990-N) and has its tax exempt status revoked for failing to comply with the filing requirements of the 2006 Pension Protection Act or for any other reason, the Provider must notify the Agency in writing within thirty (30) days of receiving the IRS notice of revocation.
- 1.10 The Provider shall comply with Title 2 CFR Part 175 regarding Trafficking in Persons.

- 1.12 To comply with Presidential Executive Order 12989 and State of Florida Executive Order Number 11116, the Provider agrees to utilize the U.S. Department of Homeland Security's E-verify system to verify the employment of all new employees hired by the Provider during the Agreement term. The Provider shall include in related subcontracts a requirement that subcontractors performing work or providing services pursuant to this Agreement utilize the E-verify system to verify employment of all new employees hired by the subcontractor during the Agreement term. Providers meeting the terms and conditions of the E-Verify System are deemed to be in compliance with this provision. The Provider shall complete and sign ATTACHMENT XVI, Verification of Employment Status Certification, prior to the execution of this Agreement.

I. Compliance with State Law

1. This Agreement is executed and entered into in the State of Florida, and shall be construed, performed and enforced in all respects in accordance with the Florida law, including Florida provisions for conflict of laws.
2. The Provider shall comply with the requirements of s. 287.058, F.S. as amended.
 - 2.1. The Provider shall provide units of deliverables, including various client services, and in some instances may include reports, findings, and drafts, as specified in this Agreement, which the Grant Manager must receive and accept in writing prior to payment in accordance with s.215.971, F.S. (1) and (2).
 - 2.2. The Provider will submit bills for fees or other compensation for services or expenses in sufficient detail for a proper pre-audit and post-audit.
 - 2.3. If itemized payment for travel expenses is permitted in this Agreement, the Provider will submit bills for any travel expenses in accordance with s. 112.061, F.S., or at such lower rates as may be provided in this Agreement.
 - 2.4. The Provider will allow public access to all documents, papers, letters, or other public records as defined in subsection 119.011(12), F.S., made or received by the Provider in conjunction with this Agreement except for those records which are made confidential or exempt by law. The Provider's refusal to comply with this provision shall constitute an immediate breach of contract for which the Agency may unilaterally terminate the Agreement.
3. If clients are to be transported under this Agreement, the Provider shall comply with the provisions of Chapter 427, F.S., and Rule 41-2, F. A. C.
4. Providers who are on the discriminatory vendor list may not transact business with any public entity, in accordance with the provisions of s. 287.134, F.S.

5. The Provider will comply with the provisions of s. 11.062, F.S., and s. 216.347, F.S., which prohibit the expenditure of Agreement funds for the purpose of lobbying the legislature, judicial branch or a state agency.
6. In accordance with s. 287.135 F.S., any Provider on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List (Lists), created pursuant to s. 215.473 F.S., is ineligible to enter into or renew an agreement with the Agency for goods or services of \$1 million or more. Pursuant to s. 287.135 F.S., the Agency may terminate this agreement if the Provider is found to have submitted a false certification of its status on the Lists or has been placed on the Lists. Further, the Provider is subject to civil penalties, attorney's fees and costs and any costs for investigations that led to the finding of false certification. If this Agreement contains \$1 million or more, the Provider shall complete and sign ATTACHMENT XV, Certification Regarding Scrutinized Companies Lists, prior to the execution of this agreement.

J. Compliance with Agency Quality Assurance Requirements

This agreement contains numerous performance requirements that on the whole indicate the Provider's relative degree of success in achieving quality contract administration and service delivery. It is the obligation of the Agency to assist the Provider in attaining its highest level of quality performance. Thus, it is the expectation of the Agency that when deficiencies in performance are observed, the Agency will communicate such observations to the Provider and that the Provider in turn will act to remedy the deficiency within the required time frame. Key performance issues include, but are not restricted to, timely report submission in accordance with Attachment IV to this agreement; accurate CIRTS data entry; timely response to APS high risk referrals; adherence to DoEA nutrition program standards; performance specifications outlined in section D of Attachment I, accurate completion of program-required forms; collection of co-payments as required; accurate maintenance of client case files; and submission of corrective action plans as may be required following monitoring examinations or the Provider's required annual audit.

1. The Agency, at its discretion, may impose sanctions on the Provider within the Agreement period, including withholding of Agreement payments, when repeated deficiencies in the same area go uncorrected as follows:
 - 1.1 First sanction – A written corrective action instruction is issued to the Provider's chief executive officer. The corrective action must be timely completed and acceptable to the Agency. Failure to comply may result in the Provider's payments being held until compliance is achieved. Once achieved, payments would be released.
 - 1.2 Second sanction – If any previously reported program deficiencies continue and program performance is considered unsatisfactory. Funds withheld will be permanently retained for distribution to other providers in the network. Once the Provider becomes fully compliant, then payments can restart but the Provider will not recover any of the permanently retained payments.
 - 1.3 Third sanction – The Agreement is terminated as described in section AAA.

K. Grievance Procedures

The Provider shall develop and implement, and ensure through contract provisions that its subcontractors and vendors have established grievance procedures to process and resolve client dissatisfaction with or denial of service(s), and address complaints regarding the termination, suspension or reduction of services, as required for receipt of funds. These provisions must ensure that the Minimum Guidelines for Recipient Grievance Procedures outlined in the current DoEA Programs and Services Handbook are followed.

It is expressly understood that a finding that the Provider materially and substantially has not complied with any of the provisions of this section shall constitute a breach of this Agreement

L. Audits, Inspections, Investigations, Public Records and Retention

1. The Provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income, interest and expenditures of funds provided by the Agency under this Agreement. Whenever appropriate, financial information should be related to performance and unit cost data.
2. The Provider shall retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Agreement for a period of six (6) years after completion of the Agreement or longer when required by law. In the event an audit is required by this Agreement, records shall be retained for a minimum period of six (6) years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of this Agreement, at no additional cost to the Agency.
3. Upon demand, at no additional cost to the Agency, the Provider will facilitate the duplication and transfer of any records or documents during the required retention specified in this Agreement.
4. The Provider will assure that the records described in this section shall be subject at all reasonable times to inspection, review, copying, or audit by federal, state, or other personnel duly authorized by the Agency.
5. At all reasonable times for as long as records are maintained, persons duly authorized by the Agency, the Department of Elder Affairs, and Federal auditors, pursuant to 45 CFR 92.36(i)(10), shall be allowed full access to and the right to examine any of the Provider's contracts, agreements and related records and documents pertinent to this specific Agreement, regardless of the form in which kept.
6. The Provider shall provide a financial and compliance audit to the Agency as specified in this agreement and in **ATTACHMENT VII** and ensure that all related third-party transactions are disclosed to the auditor.
7. The Provider shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Office of the Inspector General pursuant to s. 20.055, F.S.
8. The Provider must implement the necessary policies and procedures, to promote the security of information, including protection from loss, damage, defacement or unauthorized access.

M. Nondiscrimination-Civil Rights Compliance

1. The Provider will execute assurances in **ATTACHMENT X** that it will not discriminate against any person in the provision of services or benefits under this Agreement or in employment because of age, race, religion, color, disability, national origin, marital status or sex in compliance with state and federal law and regulations. The Provider further assures that all subcontractors, subgrantees, or others with whom it arranges to provide services or benefits in connection with any of its programs and activities are not discriminating against clients or employees because of age, race, religion, color, disability, national origin, marital status or sex.
2. The Provider will retain, on file, during the term of this Agreement a timely, complete and accurate Civil Rights Compliance Checklist in **ATTACHMENT XI**. The Provider will submit to the Agency a copy at the time the Agreement is executed.
3. The Provider agrees to establish procedures pursuant to federal law to handle complaints of discrimination involving services or benefits through this Agreement. These procedures shall include notifying clients, employees, and participants of the right to file a complaint with the appropriate federal or state entity.
4. If this Agreement contains federal funds, these assurances are a condition of continued receipt of or benefit from federal financial assistance, and are binding upon the Provider, its successors, transferees, and assignees for the period during which such assistance is provided. The Provider further assures that all subcontractors, vendors, or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above statutes, regulations, guidelines, and standards. In the event of failure to

comply, the Provider understands that the Agency may, at its discretion, seek a court order requiring compliance with the terms of this assurance or seek other appropriate judicial or administrative relief, including but not limited to, termination of and denial of further assistance.

N. Provision of Services

The Provider will provide services in the manner described in **ATTACHMENT I**.

O. Monitoring by the Agency

1. The Provider will permit persons duly authorized by the Agency to inspect and copy any records, papers, documents, facilities, goods and services of the Provider which are relevant to this Agreement, and to interview any clients, employees and subcontractor employees of the Provider to assure the Agency and/or the Department of Elder Affairs of the satisfactory performance of the terms and conditions of this Agreement. Following such review, the Agency will deliver to the Provider a written report of its findings and request for development, by the Provider, of a corrective action plan where appropriate. The Provider hereby agrees to correct all deficiencies identified in the corrective action plan in a timely manner as determined by the Consumer Services Consultant. The Provider's failure to correct or justify deficiencies within a reasonable time as specified by the Agency may result in the Agency taking any of the actions identified in this Agreement. Failure to meet output measures as specified in the Service Provider Application or consecutive monitoring reports which reflect repeated calls for the same corrective action will also result in the agency taking any of the actions identified in Section AAA.

Coordinated Monitoring with Other Agencies

2. If the Provider receives funding from one or more of the State of Florida other human service agencies, in addition to the Agency, then a joint monitoring visit including such other agencies may be scheduled. For the purposes of this Agreement, and pursuant to s 287.0575, F.S. as amended, Florida's human services agencies shall include the Department of Children and Families, the Department of Health, the Agency for Persons with Disabilities, The Department of Veterans Affairs, and the Department of Elder Affairs. Upon notification and the subsequent scheduling of such a visit by the designated agency's lead administrative coordinator, the Provider shall comply and cooperate with all monitors, inspectors, and/or investigators.

P. Background Screening

The Provider shall ensure that the requirements of s. 430.0402 and ch. 435, F.S., as amended, are met regarding background screening for all persons who meet the definition of a direct service provider and who are not exempted from the Department of Elder Affairs' level 2 background screening pursuant to s. 430.0402(2)-(3), F.S. The Provider must also comply with any applicable rules promulgated by the Department of Elder Affairs and the Agency for Health Care Administration regarding implementation of s. 430.0402 and ch. 435, F.S.

Q. Indemnification

1. The Provider shall indemnify, save, defend, and hold harmless the Agency and its agents and employees from any and all claims, demands, actions, causes of action of whatever nature or character, arising out of or by reason of the execution of this Agreement or performance of the services provided for herein. It is understood and agreed that the Provider is not required to indemnify the Agency for claims, demands, actions or causes of action arising solely out of the Agency's negligence.

R. Insurance and Bonding

1. The Provider shall provide continuous adequate liability insurance coverage during the existence of this Agreement and any renewal(s) and extension(s) of it. By execution of this Agreement, unless it is a state agency or subdivision as defined by subsection 768.28(2), F.S., the Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance

necessary to provide reasonable financial protections for the Provider and the clients to be served under this Agreement. The limits of coverage under each policy maintained by the Provider do not limit the Provider's liability and obligations under this Agreement. The Provider shall ensure that the Agency has the most current written verification of insurance coverage throughout the term of this Agreement. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Agency reserves the right to require additional insurance as specified in this Agreement. The Provider must submit their most recent certificate of insurance at the time the Agreement is executed.

2. Throughout the term of this Agreement, the Provider agrees to maintain an insurance bond from a responsible commercial insurance company covering all officers, directors, employees and agents of the Provider authorized to handle funds received or disbursed under all agreements and/or contracts incorporating this Agreement by reference in an amount commensurate with the funds handled, the degree of risk as determined by the insurance company and consistent with good business practices.
3. Where the Provider employs staff credentialed in professions outside their job description, the Provider must obtain liability insurance for the non-work-related profession or include wording in staff job descriptions which preclude them from performing activities of their profession which are not within the scope of their job description. (i.e. nursing liability for case manager). The Provider must ensure that waivers of liability are in place for all applicable situations. (i.e. volunteer companion who drives is covered for client but not client's friend.)

S. Confidentiality of Information

The Provider shall not use or disclose any information concerning a recipient of services under this agreement for any purpose prohibited by state or federal law or regulations except with the written consent of a person legally authorized to give that consent or when authorized by law.

T. Health Insurance Portability and Accountability Act

Where applicable, the Provider will comply with the Health Insurance Portability and Accountability Act (42 USC 1320d.), as well as all regulations promulgated thereunder (45 CFR 160, 162, and 164).

If the Provider will receive client's protected health information as a result of this Agreement, then the Agency recognizes that the Agency and the Provider are "Business Associates" of each other under the terms of the Health Insurance Portability Act (HIPAA) of 1996.

U Incident Reporting

Such notice shall be made orally to the Consumer Services Consultant (by telephone) with an email to immediately follow. The e-mail notice shall include a brief summary of the problem(s), a statement of the action taken or contemplated, timeframes for implementation, and any assistance needed to resolve the situation. The notification shall include the following information: (1) contracting state agency; (2) contract name and number; (3) contract start and end dates; (4) contract amount; (5) contract description and commodity or service; and (6) Contract Manager name and number. 2. The State of Florida shall at all times be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this agreement to another governmental agency in the State of Florida, upon giving prior written notice to the Provider. In the event the Agency approves transfer of the Provider's obligations, the Provider remains responsible for all work performed and all expenses incurred in connection with the Agreement.
3. This Agreement shall remain binding upon the successors in interest of either the Provider or the Agency.

Y. Subcontracts

1. The Provider is responsible for all work performed and for all commodities produced pursuant to this agreement, whether actually furnished by the provider or its subcontractors. Any subcontracts shall be evidenced by a written document and subject to any conditions of approval the Agency deems necessary. The Provider further agrees that the agency shall not be liable to the subcontractor in any way or for any reason. The Provider, at its expense, will defend the Agency against any such claims.
2. The Provider shall promptly pay any subcontractors upon receipt of payment from the Agency or other state agency. Failure to make payments to any subcontractor in accordance with s. 287.0585, F.S., unless otherwise stated in the agreement between the Provider and subcontractor, will result in a penalty as provided by statute.

FINANCIAL AND COMPLIANCE AUDIT

The administration of resources awarded by the agency to the provider may be subject to audits and/or monitoring by the agency, as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised, and Section 215.97, F.S., (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by the agency staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this agreement, the contractor agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the agency. In the event the agency determines that a limited scope audit of the contractor is appropriate, the provider agrees to comply with any additional instructions provided by the agency to the contractor regarding such audit. The provider further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS**PART I: FEDERALLY FUNDED**

This part is applicable if the contractor is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

In the event that the contractor expends \$500,000.00 or more in Federal awards during its fiscal year, the contractor must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this agreement indicates Federal resources awarded through the agency by this agreement. In determining the Federal awards expended in its fiscal year, the contractor shall consider all sources of Federal awards, including Federal resources received from the agency. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the contractor conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.

In connection with the audit requirements addressed in Part I, paragraph 1, the contractor shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

If the contractor expends less than \$500,000.00 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the contractor expends less than \$500,000.00 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such audit must be paid from contractor resources obtained from other than Federal entities.)

An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the agency shall be based on the agreement's requirements, including any rules, regulations, or statutes referenced in the agreement. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the agency shall be fully disclosed in the audit report with reference to the agency agreement involved. If not otherwise disclosed as required by Section .310(b)(2) of OMB Circular A-133, as revised, the schedule of expenditures of Federal awards shall identify expenditures by agreement number for each agreement with the agency in effect during the audit period. Financial reporting packages required under this part must be submitted within the earlier of 30 days after receipt of the audit report or 8 months after the end of the contractor's fiscal year end.

PART II: STATE FUNDED

This part is applicable if the contractor is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

In the event that the contractor expends a total amount of state financial assistance equal to or in excess of \$500,000.00 in any fiscal year of such contractor (for fiscal years ending September 30, 2004 or thereafter), the contractor must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT I to this agreement indicates state financial assistance awarded through the agency by this agreement. In determining the state financial assistance expended in its fiscal year, the contractor shall consider all sources of state financial assistance, including state financial assistance received from the agency, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

In connection with the audit requirements addressed in Part II, paragraph 1, the contractor shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapter 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

If the contractor expends less than \$500,000.00 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004 or thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the contractor expends less than \$500,000.00 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the provider resources obtained from other than State entities).

An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the agency shall be based on the agreement's requirements, including any applicable rules, regulations, or statutes. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the agency shall be fully disclosed in the audit report with reference to the agency agreement involved. If not otherwise disclosed as required by Rule 69I-5.003, Fla. Admin. Code, the schedule of expenditures of state financial assistance shall identify expenditures by agreement number for each agreement with the agency in effect during the audit period. Financial reporting packages required under this part must be submitted within 45 days after delivery of the audit report, but no later than 12 months after the provider's fiscal year end for local governmental entities. Non-profit or for-profit organizations are required to be submitted within 45 days after delivery of the audit report, but no later than 8 months after the contractor's fiscal year end. Notwithstanding the applicability of this portion, the agency retains all right and obligation to monitor and oversee the performance of this agreement as outlined throughout this document and pursuant to law.

- (3) If this contract includes the provision of hardware, software, firmware, microcode or imbedded chip technology, the undersigned warrants that these products are capable of processing year-date dependent data accurately. All versions of these products offered by the contractor (represented by the undersigned) and purchased by the State will be verified for accuracy and integrity of data prior to transfer.

In the event of any decrease in functionality related to time and date related codes and internal subroutines that impede the hardware or software programs from operating properly, the contractor agrees to immediately make required corrections to restore hardware and software programs to the same level of functionality as warranted herein, at no charge to the State, and without interruption to the ongoing business of the state, time being of the essence.

- (4) The contractor and any sub-contractor(s) of services under this contract warrant their policies and procedures include a disaster plan to provide for service delivery to continue in case of an emergency including emergencies arising from data integrity compliance issues.

Palm Beach County Board of County Commissioners

EMERGENCY CERTIFICATION FOR RETROACTIVE PAYMENT

Background

The Area Agency of Palm Beach/Treasure Coast, Inc. is awarding the Palm Beach County Board of County Commissioners Alzheimer’s Disease Initiative Program funds for the 2012 program year. The purpose of these funds is to service at risk clients who are in danger of nursing home placement. Eligibility guidelines are outlined in the Department of Elder Affairs Client Services Manual.

Justification

The Palm Beach County Board of County Commissioners will be providing ADI services to ADI eligible clients beginning July 1, 2012; however, since the contract will not be signed by that time, it will require certification for retroactive payment back to July 1, 2012. The provision of these services will aid the client and/or caregiver in remaining independent and prevent or delay institutionalization.

The Area Agency on Aging of Palm Beach/Treasure Coast, Inc. will provide reimbursement at the new contract rate and funding back to July 1, 2012 service date as to prevent services from being delayed or interrupted and assure all funds are reimbursed. The extension until December 31, 2012 allows the Division of Senior Services to start utilizing the new contract funding prior to the date signed by all parties.

Certification

I hereby certify this situation to constitute an emergency pursuant to Chapter 287, Florida Statutes, and approve payment of the contract between the Area Agency on Aging and the Palm Beach County Board of County Commissioners starting July 1, 2012.
