  - D. In addition to terms, conditions and limitations of this Permit, Automobile Transport Operations shall be subject to such reasonable temporary or permanent operational restrictions, limitations and requirements as may be imposed by the Department from time to time, at the Department's sole and absolute discretion, and which shall be effective upon written notice to Permittee.

The Department may limit the number of Transport Vehicles operating on the Airport.

- 4.08 Vehicle Identification. Permittee shall not use marks, logos or symbols similar to those used to identify the Airport on any Transport Vehicles. **PERMIT FEES**

- 5.01 Application Fee. Permittee shall pay a non-refundable application fee of Two Hundred Fifty Dollars (\$250.00) with submission of Permittee's application for this Permit. In the event this Permit expires or is otherwise terminated, Permittee shall be required to pay an additional application fee at the then current rate. Permittee acknowledges and agrees that the fees and charges payable hereunder may be modified from time to time and that Permittee shall be responsible for payment of such modified fees without formal amendment to this Permit.
- 5.02 Annual Permit Fee. Permittee shall pay County, for the Permit issued herein, a non-refundable annual permit fee, for the Initial Term and for each Renewal Term, in the amount of One Thousand Dollars (\$1,000.00) (the "Permit Fee"), together with applicable sales taxes thereon. The Permit Fee shall be payable in advance, without demand and without any deduction, holdback or set off whatsoever, on or before the Commencement Date, and on or before October 1 prior to each Renewal Term throughout the Term of this Permit. The Permit Fee shall be made payable to the Palm Beach County Board of County Commissioners and shall be mailed or hand delivered to the Palm Beach County Department of Airports, ATTN: Fiscal Department, 846 Palm Beach International Airport, West Palm Beach, Florida, 33406-1470. - 5.03 Activity Statement. Upon written request by Department, Permittee shall submit to Department, an activity statement certified by an authorized officer of Permittee, in a form and detail satisfactory to Department, which includes the quantity and revenue associated with the transport of vehicles to, or from the Airport during the reporting period specified in the Department's written notice.
- 5.04 Adjustment of Permit Fees. Permittee acknowledges and agrees that Department may modify the amount of Permit Fees, or establish new fees and charges during the Term of this Permit, upon thirty (30) days written notice by County to Permittee, without formal amendment to this Permit.
- 5.05 Permit Recoupment Fee. The fees levied in this Permit are fees imposed on Permittee and not on Permittee's customers. Accordingly, Permittee may not separately charge or collect from its customers, any amount that purports to be a fee, surcharge, tax or any other charge imposed on the customer by County or the Department. Permittee may elect to charge and collect separately a fee to recoup the amounts due County, so long as this fee is not labeled or referred to, nor held out as an "airport fee," "airport tax" or the like. Permittee shall be entitled to charge and collect a fee to recoup from its customers only in accordance with the requirements of this Section 5.05.

**ARTICLE 6**  
**INSURANCE**

Permittee shall, at its sole expense, maintain in full force and effect at all times during the Term of this Permit the insurance limits, coverages and endorsements as set forth in Exhibit "A" attached hereto and made a part hereof. **RELATIONSHIP OF THE PARTIES**

Permittee is and shall be deemed to be an independent contractor and operator and shall be solely responsible to all parties for its respective acts or omissions. County shall in no way be liable or responsible therefor.

**ARTICLE 8**  
**INDEMNIFICATION**

Permittee shall protect, defend, reimburse, indemnify and hold County, its agents, employees and elected officers, free and harmless at all times from and against any and all claims, liability, expenses, losses, costs, fines or damages (including attorney fees at trial and appellate levels), and causes of action of every kind and character against, or in which County is named or joined, arising out of this Permit or Permittee's use of the Airport, including without limitation those arising because of any damage to property or the environment or bodily injury (including death) incurred or sustained by any party hereto, or of any party acquiring any interest hereunder, and any third or other party whomsoever, or any governmental agency, arising out of, incident to or in connection with Permittee's acts, omissions or operations hereunder, or the performance, non-performance or purported performance of Permittee or any breach of the terms of this Permit. Provided, however, Permittee shall not be responsible to County for damages resulting out of damages to property or bodily injury (including death) that are judicially determined to be solely attributable to the negligence of County, its respective employees or agents. Permittee shall also hold harmless and indemnify County for any fines, citations, court judgments, insurance claims, restoration costs or other liability resulting from or in any way arising out of or because of Permittee's activities or operations or use of the Airport whether or not Permittee was negligent or even knowledgeable of any events precipitating a claim or judgment arising as a result of any situation involving the activities. This indemnification shall include all deliverers, suppliers, furnishers of material, or anyone acting for, on behalf of or at the request of Permittee. Permittee recognizes the broad nature of this indemnification and hold-harmless provision, acknowledges that County would not enter into this Permit without the inclusion of such clause, and voluntarily makes this covenant and expressly acknowledges the receipt of Ten Dollars (\$10.00) and such other good and valuable consideration provided by County in support of this indemnification in accordance with laws of the State of Florida. The obligations arising under this Article 8 shall survive the expiration or termination of this Permit.

**ARTICLE 9**

  - C. The discovery by the Department that any information given by Permittee to County relating to this Permit was materially false.
- 10.03 Remedies. In the event Permittee is in violation of this Permit, County, with the Department acting on behalf of County, may immediately terminate this Permit by giving Permittee written notice to this effect. Upon such termination, Permittee shall immediately cease its operations on the Airport. Such termination shall be without prejudice to any of County's remedies for arrearages, payments due herein, or any other damages or remedies whatsoever.
- 10.04 Termination for Convenience. Either party may terminate this Permit for convenience upon five (5) days prior written notice to the other party, whereupon the parties shall be relieved of all further obligations hereunder with the exception of those obligations accruing prior to the date of such termination and those obligations which expressly survive termination of this Permit.
- 10.05 County's Right to Terminate. This Permit is issued upon the terms and conditions required by County for all Permittees on the Airport that engage in the activities permitted herein. Upon ten (10) days' prior written notice, County may, at any time, terminate this Permit and at County's option issue a new Permit to Permittee upon such modified terms and conditions as County shall uniformly apply to all other similarly situated Permittees.

- 11.02 Permits and Licenses. Permittee shall at its sole cost and expense be strictly liable and responsible for obtaining, paying for, fully complying with, and maintaining current any and all permits, licenses or other governmental authorizations, however designated, as may be required at any time throughout the Term of this Permit by any Federal, State or local governmental entity or any court of law having jurisdiction over Permittee or Permittee's operations and activities, for any activity or operation conducted by Permittee on the Airport. Upon written request by the Department, Permittee shall provide to the Department certified copies of any and all permits and licenses that the Department may request.

Permittee shall conduct background checks of its employees to the extent required by any Federal, State or local law or if, to the extent permitted by law, required by County. County shall have the right to order the removal or replacement of any employee of Permittee on the Airport that County has reasonably determined may present a risk to public safety or to the security of the Airport. If as a result of the acts or omissions of Permittee, County incurs any fines and/or penalties

imposed by the FAA or TSA; any expense in enforcing the regulations of the FAA or TSA or the rules or regulations of County; or any expense in enforcing the Airport Security Program, then Permittee agrees to pay to County all such costs and expenses, including all costs of administrative proceedings, court costs, and attorneys fees and all costs incurred by County in enforcing this provision. Permittee further shall rectify any security deficiency or other deficiency as may be determined by County, the FAA or TSA. If Permittee fails to remedy any such deficiency, County may do so at the cost and expense of Permittee. Permittee acknowledges and agrees that County may take whatever action is necessary to rectify any security deficiency or any other deficiency identified by County, the FAA or TSA.

- 15.06 County's Governmental Authority. Nothing in this Permit shall be construed to waive or limit County's governmental authority as a political subdivision of the State of Florida to regulate Permittee or its operations.

- 15.07 Consent or Action. In the event this Permit is silent as to the standard for any consent, approval, determination, or similar discretionary action, the standard shall be at the sole, absolute and unfettered discretion of the County or the Department, rather than any implied standard of good faith, fairness or reasonableness. Wherever this Permit requires the County or Department's consent or approval or permits the County or the Department to act, such consent, approval or action may be given or performed by the Airport Director. If Permittee requests the County or Department's consent or approval pursuant to any provision of this Permit and County or the Department fails or refuses to give such consent, Permittee shall not be entitled to any damages as a result of such failure or refusal, whether or not unreasonable.
- 15.08 County's Right to Develop. County reserves the right to develop or improve the Airport and any and all part thereof as it sees fit, regardless of the desires or views of Permittee and without interference or hindrance.
- 15.09 Rights Reserved to County. All rights not specifically granted Permittee by this Permit are reserved to County.
- 15.10 Invalidity of Clauses. The invalidity of any portion, article, paragraph, provision, clause, or any portion thereof of this Permit shall have no affect upon the validity of any other part or portion hereof.
- 15.11 Venue. To the extent allowed by law, the venue for any action arising from this Permit shall be in Palm Beach County, Florida.
- 15.12 Governing Law. This Permit shall be governed by and in accordance with the laws of the State of Florida.
- 15.13 Remedies Cumulative. The rights and remedies of the parties with respect to any of the terms and conditions of this Permit shall be cumulative and not exclusive, and shall be in addition to all other rights and remedies of the parties.
- 15.14 Paragraph Headings. The headings of the various articles and sections of this Permit are for convenience and ease of reference only, and shall not be construed to define, limit, augment or describe the scope, context or intent of this Permit or any part(s) of this Permit.
- 15.15 Performance. The parties expressly agree that time is of the essence in this Permit and the failure by Permittee to complete performance within the time specified, or within a reasonable time if no time is specified herein, shall, at the option of County without liability, in addition to any other rights or remedies, relieve County of any obligation to accept such performance.

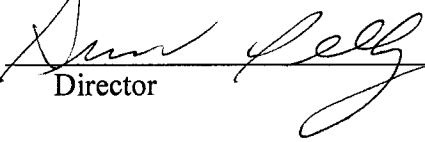

- 15.16 Public Entity Crimes. As provided in Section 287.132-133, Florida Statutes, by entering into this Permit or performing any work in furtherance hereof, Permittee certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the thirty-six (36) months immediately preceding the effective date. This notice is required by Section 287.133(3)(a), Florida Statutes.
- 15.17 Entirety of Permit. The parties agree that this Permit sets forth the entire understanding between the parties and that there are no other promises or understandings apart from those stated herein. None of the provisions, terms and conditions contained in this Permit may be added to, modified, superseded or otherwise altered except by written instrument executed by the parties hereto.
- 15.18 Survival. Upon termination or expiration of this Permit, Permittee shall remain liable for all obligations and liabilities that have accrued prior to the date of termination or expiration. Notwithstanding any provision of this Permit to the contrary, no obligation that accrued but has not been satisfied under any prior agreement between the parties, shall terminate or be considered cancelled upon execution of this Permit. Rather, such obligation shall continue as if it had accrued under this Permit until the obligation is satisfied.
- 15.19 Inspector General. Palm Beach County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of the Permittee, its officers, agents, employees and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud. Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be in violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

Coverage shall be provided on a primary basis.
- B. Business Automobile Insurance. Permittee shall maintain in full force and effect throughout the Term of this Permit automobile liability insurance covering all owned, hired, and non-owned vehicles, with a combined single limit per occurrence for bodily injury (including death) and property damage liability of not less than One Million and 00/100 Dollars (\$1,000,000).

- F. Waiver of Subrogation. Permittee hereby waives its right of subrogation for each of the insurance policies required by this Exhibit "A" during the Term of this Permit. Notwithstanding the foregoing, this waiver of subrogation requirement shall not apply to any policy that includes a condition prohibiting such an endorsement or that voids coverage should Permittee enter into such an agreement on a pre-loss basis.
- G. Deductibles, Coinsurance and Self-Insured Retention. Permittee shall be fully and solely responsible for any deductible, coinsurance penalty or self-insured retention, including any losses, damages or expenses not covered due to an exhaustion of limits or failure to comply with an insurance policy.

In such event, County shall provide Permittee a written notice of rejection, and Permittee shall acknowledge said rejection within thirty (30) days of receipt of the notice.
- I. No Representation of Coverage Adequacy. Permittee acknowledges that the limits, coverages and endorsements stated in and required by this Exhibit "A" are intended to minimize liability for County.
