(b) The Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, and the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five years from the date the audit report is issued, and shall allow the Division or its designee, the State Chief Financial Officer or the State Auditor General access to the records upon request. The Recipient shall ensure that audit working papers are available to them upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Division. The five year period may be extended for the following exceptions:

(c) The Recipient shall maintain all records for the Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Scope of Work - Schedule of Deliverables - Schedule of Payments (Attachment A) and all other applicable laws and regulations.

(d) The Recipient, its employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to the Division, its employees, and agents. "Agents" shall include, but not be limited to, auditors retained by the Division.

(6) AUDIT REQUIREMENTS

(a) The Recipient agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.

(b) These records shall be available at reasonable times for inspection, review, or audit by state personnel and other personnel authorized by the Division. "Reasonable" shall ordinarily mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

(d) If the Recipient is a non-state entity as defined by Section 215.97, Fla. Stat., it shall comply with the following:

If the Recipient expends a total amount of State financial assistance equal to or more than \$500,000 in any fiscal year of such Recipient, the Recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Fla. Stat.; applicable rules of the Executive Office of the Governor and the Chief Financial Officer; and Chapters 10.550 (local government entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Agreement shows the State financial assistance awarded by this Agreement. In determining the State financial assistance expended in its fiscal year, the Recipient shall include all sources of State financial assistance, including State funds received from the Division, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

In connection with the audit requirements addressed in this Paragraph 6(d) above, the Recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Fla. Stat. Stat. and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

If the Recipient expends less than \$500,000 in State financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Fla. Stat. is not required. In the event that the Recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Fla. Stat. the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the Recipient's resources obtained from other than State entities). Additional information on the Florida Single Audit Act may be found at the following website:

<https://apps.fdfs.com/fsaa/singleauditfact.aspx>.

(f) If the audit shows that all or any portion of the funds disbursed hereunder were not spent in accordance with the conditions of this Agreement, the Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty days after the Division has notified the Recipient of such non-compliance.

(g) The Recipient shall have all audits completed in accordance with Section 215.97, Fla. Stat. by an independent certified public accountant (IPA) who shall either be a certified public accountant or a public accountant licensed under Chapter 473, Fla. Stat. The IPA shall state that the audit complied with the applicable provisions noted above. The audit must be submitted to the Division no later than nine (9) months from the end of the Recipient's fiscal year.

(7) REPORTS

(a) If all required deliverables are not sent to the Division or are not completed in a manner acceptable to the Division, the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (11) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Scope of Work - Schedule of Deliverables - Schedule of Payments.

(b) The Recipient shall provide additional program updates or information that may be required by the Division.

The Division may impose a penalty equal to one-percent (1%) of the total grant amount, for each occurrence, if any of the deliverables in the Scope of Work - Schedule of Deliverables - Schedule of Payments (Attachment A) are not submitted in a timely manner. The Recipient may request an extension to any deliverable deadline due to extenuating circumstances. The Division

at its discretion may extend any deliverable deadline upon receipt of a written request from the Recipient.

(8) MONITORING.

The Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement.

In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited Scope of Work audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Division to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement, and shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

(b) Any Recipient which is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT.

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall, if the Division elects, terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (11). However, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(11) REMEDIES.

If an Event of Default occurs, then the Division may, after thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

1. request additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

2. issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

3. advise the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

4. require the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

(f) Exercise any other rights or remedies which may be available under law.

(g) Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in

this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Recipient.

(12) TERMINATION.

(a) The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Division from the Recipient is determined.

(b) This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision

of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

(e) The Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

2. have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
3. are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph 19(g)2. of this certification; and
4. have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

If the Recipient is unable to certify to any of the statements in this certification, then the Recipient shall attach an explanation to this Agreement.

In addition, the Recipient shall send to the Division (by email or by facsimile transmission) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment G) for each intended subcontractor which Recipient plans to fund under this Agreement. (l) If the Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

(n) The Recipient is subject to Florida's Government in the Sunshine Law (Section 286.011, Fla. Stat.) with respect to the meetings of the Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board. (q) Any balances of unobligated cash that have been advanced or paid that are not authorized to be retained for direct program costs in a subsequent period must be refunded to the State.

(20) LOBBYING PROHIBITION

(a) No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

(b) The Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

(e) **Transportation Routes**

List the main route(s) used to transport chemicals to the facility (from the County line to the facility).

(f) **Evacuation Routes**

Based on wind direction from the North, South, East and West, identify the route(s) from the facility to exit the Vulnerable Zone(s).

(g) **Historical Accident Record**

Describe any past releases or incidents that have occurred at the facility. Include date, time, chemical name, quantity and number of persons injured or killed (this information is available from the facility). If it is determined that a facility does not have a historical accident record, that shall be noted.

2. **Hazard Identification**

(a) **Chemical identities**

For each Extremely Hazardous Substance present at the facility at any time up to one year prior to the site visit provide the proper chemical name, Chemical Abstract Service (CAS) number and natural physical state (according to exhibit C of the Technical Guidance for Hazards Analysis).

(b) **Maximum quantity on-site**

Express in exact pounds (not range codes) the maximum quantity of each Extremely Hazardous Substance the facility has on-site.

(c) **Amount in largest container or interconnected containers**

Express in pounds the amount of each Extremely Hazardous Substance stored in the largest container or interconnected containers (this is the release amount used to determine the Vulnerable Zone).

(d) **Type and design of storage container or vessel**

Indicate the type of storage container of each Extremely Hazardous Substance (i.e., drum, cylinder, tank etc.).

(e) **Nature of the hazard**

Describe the type of hazard (i.e., fire, explosion) and health effects (acute and chronic).

3. **Vulnerability Analysis**

(a) **Extent of the Vulnerable Zone**

For each Extremely Hazardous Substance present at a facility, provide the estimated geographical area (vulnerable zone) that may cause

irreversible acute health effects or death to human populations following an accidental release.

(b) Facility Population

Provide the maximum number of employees present at the facility at any given time (**MUST BE AT LEAST ONE**).

(c) Critical Facilities

Identify each critical facility by name and maximum expected occupancy within each vulnerable zone (schools, day cares, public safety facilities, hospitals, etc.). If there are no critical facilities within the vulnerable zone, that shall be noted.

(d) Estimate Total Exposed Population

Provide an estimate of the total exposed population within each vulnerable zone (facility employees + general population + critical facilities).

4. Risk Analysis (the three ratings {Risk Assessment} at the bottom of the CAMEO *fm* Scenario Page will meet the four requirements below)

(a) Probability of release

Rate the probability of release as Low, Moderate, or High based on observations at the facility. Considerations should include history of previous incidents and current conditions and controls at the facility.

(b) Severity of consequences of human injury

Rate the severity of consequences if an actual release were to occur

(c) Severity of consequences of damage to property

Rate the potential damage to the facility, nearby buildings and infrastructure if an actual release were to occur.

(d) Severity of consequences of environmental exposure

Rate the potential damage to the surrounding environmentally sensitive areas, natural habitat and wildlife if an actual release were to occur.

D. Supporting documentation shall be submitted to the Division which lists the facilities for which a hazards analysis was not completed. In addition to the facility name and the State Emergency Response Commission Code identification number, supporting documentation should indicate:

1. Facility has closed or is no longer in business.
2. Facility is not physically located in the County (indicate appropriate County location, if known).

3. If the facility no longer has Extremely Hazardous Substances on-site or is below the Threshold Planning Quantity, notify the facility representative of the requirement to submit to the State Emergency Request Commission a;

The on-site visit form shall be signed by the Recipient and identify the date the Recipient contacted the facility representative. Another on-site visit is not required in subsequent Agreements, unless, the facility reports the presence of another extremely hazardous substance.
 - (3) If a facility representative reports the presence of an extremely hazardous substance other than sulfuric acid in Agreements subsequent to the period of Agreement in which the initial site visit was conducted, the Recipient shall conduct an on-site visit and submit a completed on-site visit form (Attachment E) to the Division.
