I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- A) A Joint Participation and Project Funding Agreement (Agreement) with the Town of Jupiter (Town) in the amount of \$7,400 for water utility adjustments and improvements on Central Boulevard from C-18 Canal to Church Street; and
- B) A Budget Amendment of \$7,400 in the Road Impact Fee Fund – Zone 1 to recognize reimbursement funding from the Town of Jupiter and appropriate it to the Central Boulevard/ Indiantown Road to Longshore Drive project (Project).

SUMMARY: Approval of this Agreement will allow Palm Beach County (County) and the Town to jointly participate in water utility adjustments and improvements for the Project. The Town agrees to reimburse the County for the cost of these utility adjustments and improvements. This Budget Amendment is necessary to reflect the funding by the Town of Jupiter for the utility improvements to be incorporated into the County’s construction of the Project.

District 1 (MRE)

Background and Justification: The construction contract for the Project was awarded by the Board of County Commissioners on September 11, 2012. The Town agrees to pay directly to the County all costs attributable to the utility construction of the Town owned improvements for the Project. The inclusion of these utility adjustments and improvements with the roadway construction will facilitate coordination and minimize disruption by accomplishing both roadway and utility work concurrently.

C. COUNTY shall obtain written approval from the TOWN in advance of any change orders, which increase the cost attributable to the Work to an amount greater than the contract amount as stated in Paragraph A of this Agreement. Approval shall not be unreasonably withheld. The TOWN'S responsibility for change order costs includes any costs associated with the TOWN'S failure to approve change orders in a timely manner.

D. COUNTY shall secure all necessary easements and permits required to perform the Project.

E. COUNTY shall publicly bid, administer, construct and inspect the Project and Work in accordance with the Bid Documents and Exhibit "A".

F. COUNTY shall require the contractor to provide a Public Construction Bond in an amount equal to the contractor's bid for the Project and the Work.

The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Section 768.28, Florida Statutes, nor shall the same be construed to constitute an agreement by the TOWN or COUNTY to indemnify each other for sole negligence, or willful or intentional acts of the other. The foregoing indemnification shall survive termination of this Agreement.
