I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Amendment No. 001 to an Agreement (R2011-1027) with the Palm Beach County Housing Authority extending the expiration date from December 15, 2012 to December 15, 2013.

Summary: On July 19, 2011, the County entered into an Agreement (R2011-1027) with the Palm Beach County Housing Authority to provide \$52,628 in Community Development Block Grant (CDBG) for the replacement of an outdated fire and smoke alarm system at Drexel House Apartments, located at 1745 Drexel Road, West Palm Beach. Additional time is needed in order to revise the specifications and bid documents to replace the entire system rather than certain components of the system as originally attempted. These are Federal CDBG funds which require no local match. (DES Contract Development) District 2 (TKF)

Background and Justification: This project has been determined by the Department of Economic Sustainability to be an eligible activity under the CDBG Program. Allocation of these funds to the Palm Beach County Housing Authority was approved by the Board of County Commissioners on July 20, 2010, through its approval of Palm Beach County's Action Plan for Fiscal Year 2010-2011 (R2010-1156). Drexel House Apartments is a public housing complex built in 1984 that includes housing units for elderly and disabled residents who will be served by the new alarm system.

PART III

COMPENSATION, TIME OF PERFORMANCE, METHOD, AND CONDITIONS OF PAYMENT

1. MAXIMUM COMPENSATION

The Agency agrees to accept as full payment for services rendered pursuant to this Agreement the actual amount of budgeted, eligible, and HCD-approved expenditures and encumbrances made by the Agency under this Agreement. Said services shall be performed in a manner satisfactory to HCD. In no event shall the total compensation or reimbursement to be paid hereunder exceed the maximum and total authorized sum of \$52,628 for the period of July 19, 2011, through and including December 15, 2012. Any funds not obligated by the expiration date of this Agreement shall automatically revert to the County.

The Agency may at any time after the expiration of this agreement request from the County reimbursement for payments made by the Agency during the term of this Agreement by submitting to HCD the aforesaid proper documentation of expenditures, and the Palm Beach County Finance Department shall make payment as stated above, provided that HCD has determined that the funds allocated to the Agency through this agreement are still available for payment, and provided that HCD approves such payment.

4. CONDITIONS ON WHICH PAYMENT IS CONTINGENT

(A) IMPLEMENTATION OF PROJECT ACCORDING TO REQUIRED PROCEDURES

The Agency shall implement this Agreement in accordance with applicable Federal, State, County, and local laws, ordinances and codes and with the procedures outlined in HCD Policies and Procedures memoranda. The Federal, State, and County laws, ordinances and codes are minimal regulations supplemented by more restrictive guidelines set forth by HCD. No payments for projects funded by more than one funding source will be made until a cost allocation plan has been approved by the

HCD Director or designee. Should a project receive additional funding after the commencement of this Agreement, the Agency shall notify HCD in writing within thirty (30) days of receiving notification from the funding source and submit a cost allocation plan for approval by the HCD Director or designee within forty-five (45) days of said official notification.

(B) FINANCIAL ACCOUNTABILITY

The County may have a financial systems analysis and/or an audit of the Agency, or of any of its subcontractors, by an independent auditing firm employed by the County or by the County Internal Audit Department at any time the County deems necessary to determine if the project is being managed in accordance with Federal, State, and County requirements.

(C) SUBCONTRACTS

Any work or services subcontracted hereunder shall be specifically by written contract, written agreement, or purchase order. All subcontracts shall be submitted by the Agency to HCD and approved by HCD prior to execution of any subcontract hereunder. All subcontracts shall be subject to Federal, State and County laws and regulations. This includes ensuring that all consultant contracts and fee schedules meet the minimum standards as established by the Palm Beach County Engineering Department and U.S. HUD. Contracts for architecture, engineering, survey, and planning shall be fixed fee contracts. All additional services shall have prior written approval with support documentation detailing categories of persons performing work plus hourly rates including benefits, number of drawings required, and all items that justify the "Fixed Fee Contract." Reimbursables will be at cost.

None of the work or services covered by this Agreement, including, but not limited to, consultant work or services, shall be subcontracted or reimbursed without prior written approval of the HCD Director or his designee.

(D) PURCHASING

(H) PROGRAM-GENERATED INCOME

All income earned by the Agency from activities financed, in whole or in part, by funds provided hereunder must be reported and returned monthly to HCD. Such income shall only be used to undertake the activities authorized by this Agreement. HCD must verify and approve the eligibility and reasonableness of all expenses which the Agency requests to be deducted. Accounting and disbursement of such income shall comply with OMB Circular A-110 and other applicable regulations incorporated herein by reference. For properties acquired by the Agency for rental, the program income must be reported and returned to the County every month.

The Agency may request that said program income be used to fund other eligible uses, subject to HCD approval, and provided that the Agency is in compliance with its obligations as contained within this Agreement (including the attached Exhibits herein). The Agency shall only use such program income to fund "basic eligible activities" as defined by Federal Community Development Block Grant Regulations (24 CFR Part 570). The Agency hereby agrees that the provisions of this Agreement shall also apply to these "basic eligible activities" as funded with the Agency's program income.

The requirements of this section shall survive the expiration of this Agreement.

PART IV

1. OPPORTUNITIES FOR RESIDENTS AND CIVIL RIGHTS COMPLIANCE

The Agency agrees that no person shall on the ground of race, color, disability, national origin, religion, age, financial status, familial status, marital status, sexual orientation, gender, or gender identity or expression, be excluded from the benefits of, or be subjected to discrimination under any activity carried out by the performance of this Agreement. 3. PROGRAM BENEFICIARIES

At least fifty-one percent (51%) of the beneficiaries of a project funded through this Agreement must be low- and moderate-income persons. If the project is located in an entitlement city, as defined by U.S. HUD, or serves beneficiaries countywide, at least fifty-one percent (51%) of the beneficiaries directly assisted through the use of funds under this Agreement must reside in unincorporated Palm Beach County or in municipalities participating in the County's Urban County Qualification Program. The project funded under this Agreement shall assist the above beneficiaries for the time period designated in this Agreement and its exhibits.

4. EVALUATION AND MONITORING

The Agency agrees that HCD will carry out periodic monitoring and evaluation activities as determined necessary by HCD or the County and that payment, reimbursement, or the continuation of this Agreement is dependent upon satisfactory evaluation conclusions based

on the terms of this Agreement.

Performance requirements as detailed in Exhibit “A” will be closely monitored by HCD. Substandard performance, as determined by HCD, will constitute noncompliance with this Agreement. If corrective action is not undertaken by the Agency within a reasonable period of time after being notified by HCD, contract termination or suspension procedures may be initiated. The Agency agrees that that payment, reimbursement, or the continuation of this Agreement is dependent upon satisfactory evaluation conclusions based on the terms of this Agreement.

Upon request, the Agency agrees to furnish to HCD, the County, or the County's designees copies of transcriptions of such records and information as is determined necessary by HCD or the County. The Agency shall submit status reports required under this Agreement on forms approved by HCD to enable HCD to evaluate progress. Such visits may be scheduled or unscheduled as determined by HCD or HUD.

5. AUDITS AND INSPECTIONS

If during the year, the Agency expends over \$500,000 of Federal awards, the Agency shall comply with the provisions of OMB Circular A-133. The Agency shall submit a single audit, including any management letter, made in accordance with the general program requirements of OMB Circulars A-110, A-122, A-133, and other applicable regulations within the earlier of, 30 days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period in which HCD-administered funds are expended. Said audit shall be made by a Certified Public Accountant of the Agency's choosing, subject to the County's approval. In the event the Agency anticipates a delay in producing such audit, the Agency shall request an extension in advance of the deadline. The cost of said audit shall be borne by the Agency. In the event the Agency is exempt from having an audit conducted under A-133, the Agency shall submit audited financial statements and/or the County reserves the right to conduct a “limited scope audit” of the Agency as defined by A-133. The County will be responsible for providing technical assistance to the Agency, as deemed necessary by the County.

8. DATA BECOMES COUNTY PROPERTY

All reports, plans, surveys, information, documents, maps, and other data procedures developed, prepared, assembled, or completed by the Agency for the purpose of this Agreement shall be made available to the County by the Agency at any time upon request by the County or HCD. Upon completion of all work contemplated under this Agreement copies of all documents and records relating to this Agreement shall be surrendered to HCD if requested. In any event the Agency shall keep all documents and records for five (5) years after expiration of this Agreement.

Notwithstanding any other provision in this Agreement, all documents, records, reports and any other materials produced hereunder shall be subject to disclosure, inspection and audit, pursuant to the Palm Beach County Office of Inspector General Ordinance 2009-049, as may be amended.

9. INDEMNIFICATION

The Agency shall protect, defend, reimburse, indemnify and hold the County, its agents, its employees and elected officers harmless from and against any and all claims, liability, expense, loss, cost, damages or causes of action of every kind or character, including attorney's fees and costs, whether at trial or appellate levels or otherwise, arising during the performance of the terms of this Agreement, or due to the acts or omissions of the Agency. This amended requirement may be satisfied by way of endorsement to the Commercial General Liability, or separate Business Auto coverage form. The Agency shall agree this coverage shall be provided on a primary basis.

The County reserves the right, but not the obligation, to review and reject any insurer providing coverage because of its poor financial condition or failure to operate legally.

11. MAINTENANCE OF EFFORT

The intent and purpose of this Agreement is to increase the availability of the Agency's services. The Agency agrees to maintain a level of activities and expenditures, planned or existing, for projects similar to those being assisted under this Agreement which is not less than that level existing prior to this Agreement.

12. CONFLICT OF INTEREST

The Agency covenants that no person who presently exercises any functions or responsibilities in connection with the Project, has any personal financial interest, direct or indirect, in the target areas or any parcels therein, which would conflict in any manner or degree with the performance of this Agreement and that no person having any conflict of interest shall be employed by or subcontracted by the Agency. Any possible conflict of interest on the part of the Agency or its employees shall be disclosed in writing to HCD provided, however, that this paragraph shall be interpreted in such a manner so as not to unreasonably impede the statutory requirement that maximum opportunity be provided for employment of and participation of low and moderate-income residents of the project target area.

13. CITIZEN PARTICIPATION

The Agency shall cooperate with HCD in the implementation of the Citizen Participation Plan by establishing a citizen participation process to keep residents informed of the activities the Agency is undertaking in carrying out the provisions of this Agreement. EXHIBIT “A”
WORK PROGRAM NARRATIVE

I. THE AGENCY AGREES TO:

- A. **PROFESSIONAL SERVICES:** The Agency shall, at its own expense, retain the services of an architectural/engineering consultant (a Florida professional engineer or a Florida registered architect) for this project to provide design services to create plans and specifications for the below described replacement of a fire alarm system project located at Drexel House Apartments, 1745 Drexel Road, West Palm Beach, FL 33417.

Additionally, the consultant shall prepare, obtain and review bids; prepare contract documents; inspect work in progress; recommend payment to contractors; and provide other professional services customarily provided by similar professionals for this type of project. The consultant shall also coordinate the design and construction work with the asbestos abatement contractor, in the event such abatement becomes necessary.

- B. **PROJECT SCOPE:** The scope of this project, subject to funding availability and HCD approval, shall include the following to modernize fire and smoke alarm equipment to protect all public spaces and one hundred (100) private living spaces within two (2) high-rise buildings at the Agency’s Drexel House Apartments:

- Removal of all existing fire and smoke alarm equipment, including but not limited to: smoke detectors; fire alarm annunciator; fire alarm panels; any incorrectly installed fire alarm wiring; and non-useable accessory equipment;
- Acquisition and installation of new fire and smoke protection equipment and devices, including but not limited to: addressable fire alarm control panel, all necessary notification devices (heat detectors, smoke detectors, alarm horns, chimes, bells and strobe lights), detection devices, power supply module, strobe synchronization module, all necessary pull station devices, monitor modules, relay modules, ground/surge protection module, multi-line annunciator, and mini relay modules; and
- Program each smoke detector within each apartment unit to respond as an independent supervisory signal with exact location information.

NOTE 1: The Agency hereby declares that all of the housing units at Drexel House Apartments are occupied by residential tenants of the Agency, and that the Agency does not anticipate that any of these tenants will be temporarily or permanently displaced as a result of the construction work being funded under this Agreement. The Agency acknowledges that the funds made available under this Agreement are Federal CDBG funds, and that the use of these funds for the project described herein renders the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA) applicable to this project. Accordingly, the Agency shall immediately provide all affected tenants at Drexel House Apartments a General Information Notice as required by the URA whereby such notice shall at least: a) inform these tenants of the intended project described herein and the anticipated dates when the work will be undertaken; b) advise these tenants that they will not be required to relocate as a result of the project; and c) provide these tenants contact information (name and phone number) of HCD personnel, to be identified at a later date by HCD, that they may contact for questions or concerns. The Agency shall provide HCD with a copy of said notice. Should the construction work being funded under this Agreement cause the temporary or permanent displacement of any tenant of the Agency, then the Agency shall provide each such tenant with relocation assistance as required by the URA, document its files accordingly, and provide HCD copies of such documents. All such relocation assistance payments shall be paid by the Agency from its own resources. The Agency understands, that should the temporary or permanent displacement of any tenant becomes necessary, then HCD may withhold its final payment under this Agreement until HCD is assured that the Agency has complied with the URA.

NOTE 2: Should the Agency use brand names in the bid package/drawings/specifications for this project, then these documents must:

- a) Clearly note that the specified brand name is used for descriptive purposes only;
- b) State that “equal” equipment or materials will be accepted; and

c) Identify the minimum requirements to establish equality.

The Agency understands that the use of more than one brand name shall not be regarded as having met the above requirements.

NOTE 3: The Agency shall submit its bid package (drawings/specifications and instructions to bidders), and an itemized opinion of probable construction cost prepared by its consultant, to HCD and obtain a letter of approval prior to bidding the construction work. In submitting the bid package to HCD, the Agency shall also demonstrate that it has submitted its drawings/specifications to the Palm Beach County Building Department for plan review, and that these drawings/specifications comply with all applicable building and zoning codes. Furthermore, the Agency shall obtain HCD approval prior to issuing any addenda to its bid documents for this project.

NOTE 4: The Agency shall prioritize the work in the project, and shall bid such work in a manner that would allow the receipt of itemized costs from bidders which would then allow the award of items that can be funded by the budget provided that the extent of work awarded will result in a functioning facility in the opinion of HCD.

NOTE 5: The Agency shall not award the construction contract for the project until sufficient funding is available to complete the established scope of work. All construction work shall be included in one contract. The Agency shall obtain HCD approval prior to awarding the construction contract to be funded through this Agreement. After awarding such contract, the Agency shall obtain HCD approval prior to executing any change orders to such contract.

NOTE 6: Should the construction contract amount for this project exceed the amount to be funded by the County for construction costs through this Agreement, then the Agency shall fund all amounts in excess of the amount to be funded by the County. The Agency shall not request the County for reimbursement of any of the County's funds for construction costs until after it has expended all amounts in excess of the amount to be funded by the County.

NOTE 7: The Agency shall not request reimbursement from HCD for materials or equipment received and stored on the project site or elsewhere. The Agency shall only request reimbursement for materials and equipment that have been installed.

NOTE 8: The Agency shall assure that neither the prime contractor, nor any subcontractor shall be allowed to perform one hundred percent (100%) of their work on this project on nights, weekends, or County recognized holidays, and shall assure that the prime contractor and all subcontractors shall, at minimum, perform work on this project for the duration of one regular working day. The Agency may request HCD for a waiver to the above requirement should the nature of the project so necessitate, and in such instance, HCD may, at its discretion, grant the Agency such waiver.

The Agency further agrees that HCD, in consultation with any parties it deems necessary, shall be the final arbiter on the Agency's compliance with the above.

- C. **ASBESTOS REQUIREMENTS:** The Agency shall comply with all applicable requirements contained in Exhibit "C", attached hereto, for construction work in connection with the project funded through this Agreement.
- D. **DAVIS-BACON ACT:** The Agency shall request the County to obtain a Davis-Bacon wage decision for the project prior to advertising the construction work. The Agency shall incorporate a copy of the Davis-Bacon wage decision and disclose the requirements of the Davis-Bacon Act in its construction bid solicitation and contract.
- E. **BONDING REQUIREMENTS:** The Agency shall comply with the requirements of OMB Circular A-110 and 24 CFR Part 84 in regard to bid guarantees, performance bonds, and payment bonds.
- F. **CONSTRUCTION PAYMENT RETAINAGE:** The Agency shall apply a retainage of at least 5% on all construction draws which retainages shall be released in conjunction with the final draw upon satisfactory completion of the project. The Agency agrees not to release such retainages until it has obtained approval from the County that the contractor and subcontractors have complied with the requirements of the Davis-Bacon Act.

G. **FORMER PROJECTS:** The Agency shall maintain all previously completed CDBG funded projects. Failure to do so will result in forfeiture of future CDBG funds and will delay funding for ongoing activities.

H. **MONTHLY PERFORMANCE BENCHMARKS:** The time frame for completion of the outlined activities shall be:

Complete Design & Bid Documents by	August 30, 2011
Advertise & Accept Bids by	October 15, 2011
Award Contract by	October 31, 2011
Start Construction/Work by	January 15, 2012
Complete Construction/Work by	August 30, 2012
Submit Final Reimbursement Request by	September 30, 2012

This Agreement may be amended to decrease and/or recapture grant funds from the Agency depending upon the timely completion of the Monthly Performance Benchmarks, as determined by HCD.

The Agency agrees that it may be subject to decrease and/or recapture of project funds by the County if the Monthly Performance Benchmarks herein are not met. Failure by the Agency to comply with these performance benchmarks may negatively impact ability to receive future grant awards.

The Agency further agrees that HCD, in consultation with any parties it deems necessary, shall be the final arbiter of the Agency's compliance with the above.

I. **REPORTS:** The Agency shall submit to HCD detailed Monthly Performance Reports in the form provided as Exhibit "B" to this Agreement. Each Report must account for the total activity for which the Agency is funded under this Agreement. The Performance Reports shall be used by HCD to assess the Agency's progress in implementing the project. The Agency shall provide any other report on this project as requested by HCD.

J. **USE OF THE PROJECT FACILITY:** The Agency agrees in regard to the use of the facility whose acquisition or improvements are being funded in part or in whole by CDBG funds as provided by this Agreement, that it will comply with the provisions of Exhibit "D". Upon execution of this Agreement, the Agency shall execute and deliver to the County Exhibit "D", which the County shall record in the public records. Recording fees associated with this Exhibit shall be charged to the project budget identified in this Agreement.

K. **SECTION 3 REQUIREMENTS:** The Agency agrees to comply with all Section 3 requirements applicable to contracts funded through this Agreement. - (6) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

II. THE COUNTY AGREES TO:

- A. Provide funding for the above specified improvements as described above in "Project Scope" during the term of this Agreement, in the amount of \$52,628. However, the County shall not provide any funding for the construction work until the Agency provides documentation showing that sufficient funds are available to complete the project.

I. DEFINITIONS

ACBM:	Asbestos Containing Building Materials
AHERA:	Asbestos Hazard Emergency Response Act
EPA:	Environmental Protection Agency
FLAC:	Florida Licensed Asbestos Consultant
HCD:	Palm Beach County Department of Housing and Community Development
NESHAP:	National Emission Standards for Hazardous Air Pollutants
NRCA:	National Roofing Contractors Association
NVLAP:	National Voluntary Laboratory Accreditation Program
OSHA:	Occupational Health and Safety Administration
PBCAC:	Palm Beach County Asbestos Coordinator (in Risk Management)

II. ASBESTOS SURVEYS

All properties scheduled for renovation or demolition are required to have a comprehensive asbestos survey conducted by a Florida Licensed Asbestos Consultant, (FLAC). The survey shall be conducted in accordance with AHERA guidelines. Analysis must be performed by a NVLAP accredited laboratory.

For Renovation Projects (projects which will be reoccupied):

- Point counting must be done for all asbestos containing building materials (ACBM) indicating less than 1% asbestos (to determine if any asbestos is present).
- Samples of vinyl floor tile indicating asbestos not detected must be confirmed by transmission electron microscopy (TEM).
- Joint compound shall be analyzed as a separate layer.
- Roofing material shall be sampled only if a renovation requires the roof to be disturbed (in lieu of sampling the roof, it may be presumed to contain asbestos).

For Demolition Projects:

- Point counting must be done for all "friable" asbestos containing building materials (ACBM), indicating less than 1% asbestos. This includes joint compounds (to be analyzed as a separate layer), and vinyl asbestos tile.
- Roof materials shall be presumed to be asbestos containing.

If the Agency has a recent asbestos survey report prepared by a licensed asbestos consultant, a copy may be provided to HCD and PBCAC for review to determine if the survey is adequate to proceed with renovation/demolition work. If no survey is available, a survey may be initiated by the Agency or requested by HCD. A copy of the completed survey will be forwarded to the Agency. All asbestos surveys shall be forwarded to the PBCAC.

III. ASBESTOS ABATEMENT

A. RENOVATION

- (a) Prior to a renovation, all asbestos containing materials that will be disturbed during the renovation, must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC. Exceptions may be granted by HCD prior to the removal, (such as asbestos containing roofs, transite pipe). The Agency must obtain approval for all exceptions from HCD. HCD will request the PBCAC to review and approve all exceptions.
- (b) Asbestos Abatement work may be contracted by the Agency or by HCD upon request.
- (c) If the Agency contracts the asbestos abatement, the following documents are required to be provided to the HCD and the PBCAC.
 1. An Asbestos Abatement Specification (Work Plan), sealed by an FLAC.
 2. Pre and Post Job submittals, reviewed and signed by the FLAC.

- (d) If the Agency requests HCD to contract the asbestos abatement, HCD will initiate the request through the PBCAC who will contract the asbestos abatement. HCD will provide a copy of all contractor and consultant documents to the Agency.
- (e) Materials containing <1% asbestos are not regulated by EPA/NESHAPS. However, OSHA compliance is mandatory. OSHA requirements including training, wet methods, prompt cleanup in leak tight containers, etc. The renovation contractor must comply with US Dept of Labor, Standard Interpretation (OSHA), Compliance requirements for renovation work involving material containing <1% asbestos, 11/24/2003. The renovation contractor must submit a work plan to HCD and the PBCAC prior to removal of the materials.

B. DEMOLITION

All “friable” ACBM must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC prior to demolition. Friable materials include: resilient asbestos tile and mastic which is not intact, linoleum, asbestos containing joint compound, asbestos containing cement panels (e.g. transite), etc.

Intact resilient tile and asbestos roof materials may be demolished with adequate controls (e.g. wet method) by a demolition contractor provided the contractor is aware of the asbestos containing materials present and exercises adequate control techniques (wet methods, etc.). In all cases, demolition work should be monitored by a FLAC to insure proper control measures and waste disposal. Any exceptions to these guidelines may be requested through HCD prior to the removal, (such as asbestos containing roofs, transite pipe). Exceptions may be granted by HCD prior to the removal, (i.e. asbestos containing roofs, transite pipe). The Agency must obtain approval for all exceptions from HCD and the PBCAC.

- (a) Asbestos Abatement work may be contracted by the Agency or by HCD upon request.
- (b) If the Agency contracts the asbestos abatement, the following documents must be provided to the PBC/HCD and reviewed by the PBCAC.
 1. An Asbestos Abatement Specification (Work Plan), sealed by an FLAC.
 2. Pre and Post Job submittals, reviewed and signed by the FLAC.
- (c) If the Agency requests HCD to contract the asbestos abatement, HCD will initiate the request through the PBCAC who will contract the asbestos abatement. HCD will provide a copy of all contractor and consultant documents to the Agency.
- (d) Recycling, salvage or compacting of any asbestos containing materials or the substrate is strictly prohibited.
- (e) In all cases, compliance with OSHA "Requirements for demolition operations involving material containing <1% asbestos is mandatory.
- (f) For all demolitions involving asbestos containing floor tile, asbestos containing roofing material and materials containing <1%, the Demolition Contractor shall submit the following documents to HCD. HCD will provide a copy of these documents to PBCAC.
 1. Signed statement that the demolition contractor has read and understood the requirements for complying with EPA, OSHA and the State of Florida Licensing regulations for demolition of structures with asbestos materials.
 2. Submit a plan for the demolition of asbestos containing roofing and floor tile. State if these materials are likely to remain intact. Include in the plan what shall occur if materials become “not intact”.

6. If the Declarant fails, neglects or refuses to perform any of the provisions, terms and conditions set forth herein, for any breach of this Declaration, the County shall have the right to file in court of competent jurisdiction an action for:

- (a) Forfeiture of all the Declarant's right, title, and interest in the Property for a breach of the restrictive covenants contained in this Declaration; and
- (b) Collection of due and unpaid real estate taxes, assessments, charges and penalties for which the Declarant is obligated to pay.

In addition to any remedy set forth herein the County shall have such other remedies as are available at law or equity. The exercise or attempted exercise by the County of any right or remedy available under this Declaration shall not preclude the County from exercising any other right or remedy so available, nor shall any such exercise or attempted exercise constitute or be construed as an election of remedies. The Declarant shall pay any reasonable expenses, including reasonable attorney's fees and costs incurred by the County, under this Declaration and the preparation and delivery of notices required hereunder. The failure or omission by the County to enforce any of its rights or remedies upon breach of any of the covenants, terms or conditions of this Declaration shall not bar or breach any of the County's rights or remedies on any subsequent default. Before the County shall pursue any of its rights or remedies under this Declaration, the County shall first give the Declarant written notice of the default complained of which such notice shall be given to the Declarant at their address shown above. The Declarant shall then have ten (10) working days from the date such notice is given to cure or correct any default.

7. Declarant shall submit to the County once each year a report detailing the Declarant's compliance with the terms of the grant Agreement and this Declaration of Restrictions.

8. Declarant relinquishes all rights to alter, amend, modify, or release these covenants prior to the completion of the ten (10) year period described above.
