I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: A contract with Transmark, Inc. (Transmark) not to exceed a total value of \$685,000 for task orders which may be issued for the Annual Pavement Marking contract (Project).

SUMMARY: Approval of this contract will provide for the furnishing and installation of pavement marking material, raised reflectorized pavement markers, and traffic paint on an as needed basis for various roadways throughout Palm Beach County. The Small Business Enterprise (SBE) goal for the Project is 15%. None of the three low bidders met the SBE goal for this Project nor did they exceed 7% participation. The award recommendation to Transmark, the second low bidder, is based on the 5% local preference requirement. Transmark has a permanent place of business within Palm Beach County. Use of the local preference is expected to increase the cost by \$31,000.

Countywide (MRE)

Background and Justification: Bids for the Project were received by the Engineering Department on September 25, 2012. Transmark was the second lowest responsive responsible bidder. The lowest responsive, responsible bidder is not a local business. Since Transmark is a local business and their bid was within 5% of the low bid, award to Transmark is recommended per the local preference in purchasing ordinance. The Office of Small Business Assistance issued its Compliance Review on October 23, 2012. This contract is for 18 months, with the possibility of extension for up to a total of 36 months, with approval of the Board of County Commissioners. Transmark has agreed to hold their bid prices for 210 days after bid opening to allow adequate time to award this contract.
