ARTICLE II

THE BONDS

Section 2.01. Authorized Amount of Bonds. No Bonds may be issued under the provisions of this Indenture except in accordance with this Article. The total maximum principal amount of Bonds that may be issued and Outstanding hereunder is expressly limited to \$12,000,000.00. The Bonds shall be designated “\$12,000,000.00 ~~Revenue Bond~~Revenues Bonds (Palm Beach Day Academy, Inc. Project), Series 2013.” While the Bonds bear interest at a Short-Term Rate or a Long-Term Rate, the Bonds shall be in substantially the form of Exhibit A. While the Bonds bear interest at an Index Interest Rate, the Bonds shall be in substantially the form of Exhibit B.

Section 2.02. Issuance of Bonds. The Bonds shall bear interest from the Issue Date, until paid, at the rates set forth in Section 2.03 (computed on the basis of a 365-day year (366 days in a leap year) for the actual days elapsed during any Weekly Rate Period or SIFMA Index Rate Period, a 360-day year of twelve 30-day months during any Long-Term Rate Period and a 360-day year for the actual days elapsed during any Flexible Term Rate Period or LIBOR Index Rate Period (calculated by multiplying the Principal Amount by the interest rate, dividing that sum by 360, and multiplying that amount by the actual days elapsed)), and shall mature, unless sooner paid, on the Maturity Date on which date all unpaid principal, redemption premium, if any, and interest on the Bonds shall be due and payable.

The Bonds shall be issued as fully registered bonds without coupons in Authorized Denominations. The Bonds shall be numbered from R-1 upwards bearing numbers not then contemporaneously outstanding (in order of issuance) according to the records of the Registrar.

The Bonds shall be dated the Issue Date. Interest on the Bonds shall be computed from the Interest Payment Date to which interest has been paid or duly provided for next preceding the date of authentication thereof, unless (a) such date of authentication shall be prior to the first Interest Payment Date, in which case interest shall be computed from the Issue Date, or (b) such date of authentication shall be an Interest Payment Date to which interest on the Bonds has been paid in full or duly provided for, in which case interest shall be computed from such date of authentication; provided, however, that if interest on the Bonds shall be in default, Bonds issued in exchange for Bonds surrendered for registration of transfer or exchange shall bear interest from the last date to which interest has been paid or duly provided for on the Bonds or, if no interest has been paid or duly provided for on the Bonds, from the Issue Date.

The principal of, redemption premium, if any, and the interest on the Bonds shall be payable in lawful currency of the United States of America. The principal of and redemption premium, if any, on the Bonds shall be payable at the designated office of the Paying Agent upon presentation and surrender of the Bonds. Payments of interest on the Bonds will be mailed to the persons in whose names the Bonds are registered on the Register at the close of business on the

Record Date next preceding each Interest Payment Date; provided that, prior to the Fixed Rate Conversion Date, any Holder of a Bond or Bonds in an aggregate principal amount of not less than \$1,000,000 may, by prior written instructions filed with the Paying Agent (which instructions shall remain in effect until revoked by subsequent written instructions), instruct that interest payments for any period prior to the Fixed Rate Conversion Date be made by wire transfer to an account in the continental United States or other means acceptable to the Paying Agent.

Notwithstanding anything herein to the contrary, for so long as the Bonds are held by the Bank and are not held under the Book Entry System, the Issuer and the Trustee agree that all amounts payable to the Bank with respect to any Bonds held by the Bank may be made by the Borrower to the Bank, upon the Bank's written notice to the Trustee and the Borrower (without any presentment thereof, except upon the payment of the final installment of principal, and without any notation of such payment being made thereon), in such manner or at such address in the United States of America as may be designated by the Bank in writing to the Trustee and the Borrower (the "Bank Direct Payment Period"), by the Bank debiting an account of the Borrower, as may be provided in any Continuing Covenant Agreement or Reimbursement Agreement, as applicable. During any Bank Direct Payment Period, (i) any payment made shall be accompanied by sufficient information to identify the source and proper application of such payment, (ii) the Bank shall notify the Trustee in writing of any failure of the Borrower to make any payment of the principal of or interest on the Bonds when due, and the Trustee shall not be deemed to have any notice of such failure unless it has received such notice in writing, and (iii) if any Bonds are sold or transferred, the Bank shall notify the Trustee and the Borrower in writing of the name and address of the transferee, the effective date of the transfer, the principal amount of the Bonds transferred and the payment information notated on the Bonds as hereinafter described, and it will, prior to delivery of such Bonds, make a notation on such Bonds of the date to which interest has been paid thereon and of the amount of any prepayments made on account of the principal thereof. Furthermore, to the extent that the Borrower has made the required payments to the Bank during any Bank Direct Payment Period, the Paying Agent shall have no obligations to make payments of the principal of or interest on the Bonds, nor shall the Trustee be obligated to collect Repayments pursuant to the Agreement, to act as Registrar or to take any other action in respect thereof, except at the express written direction of the Bank or the Issuer.

Section 2.03. Interest Rates on Bonds.

(a) *Initial Rate - General.* The Bonds shall bear interest as provided herein from the Issue Date to the date of payment in full of the Bonds. Interest accrued on the Bonds (or the applicable portion of the Bonds if the Bonds then bear interest at a Flexible Term Rate) shall be paid on each Interest Payment Date (or, if such day is not a Business Day, the next succeeding Business Day) commencing on the earlier of the first Monthly Interest Payment Date following the Issue Date or the first Conversion Date. The interest rate on the Bonds will be determined as provided in this Section except that no rate shall exceed the lesser of (i) the Ceiling Rate or (ii) the maximum rate permitted by applicable law; provided, however, that the interest rate on Credit Provider Bonds and Bonds subject to a Direct Purchase Period shall not be subject to the Ceiling Rate, but shall not, in any event, bear interest at a rate in excess of the maximum rate permitted by applicable law. The Bonds shall initially bear interest at a LIBOR Index Rate from the Issue Date until

the date on which the Interest Rate Determination Method is changed as described in Section 2.04 and interest on the Bonds shall be calculated on the Principal Amount. Notwithstanding anything herein to the contrary, each Interest Rate Determination Method in effect from time to time shall continue in effect until the date on which such Interest Rate Determination Method is changed as described in Sections 2.03(c) or (d) or Section 2.04. The same Interest Rate Determination Method shall apply to all Bonds.

(b) **Weekly Rate.** During any Weekly Rate Period, the Bonds will bear interest at the Weekly Rate. During any Weekly Rate Period, the Remarketing Agent will determine the Weekly Rate for the applicable Weekly Interest Period by 4:00 p.m., Local Time, on the applicable Computation Date. Each Weekly Rate shall be the rate of interest which, if borne by the Bonds, would, in the judgment of the Remarketing Agent, having due regard for the prevailing financial market conditions for revenue bonds or other securities the interest on which is included or excluded (as applicable) from gross income of the holders thereof for federal income tax purposes of the same general nature as the Bonds or securities the interest on which is included or excluded (as applicable) from gross income of the holders thereof for federal income tax purposes that are comparable as to credit and maturity (or comparable with respect to optional tender provisions) with the credit and maturity or the optional tender provisions of the Bonds, be the interest rate necessary, but would not exceed the interest rate necessary, to enable the Remarketing Agent to place the Bonds at a price of par (plus accrued interest, if any) on the first Business Day of such Weekly Interest Period; provided, that, if for any reason the Weekly Rate for any Weekly Interest Period is not established as aforesaid by the Remarketing Agent, no Remarketing Agent shall be serving as such hereunder or the rate so established is held to be invalid or unenforceable with respect to any Weekly Interest Period, then the Weekly Rate for such Weekly Interest Period shall be equal to the Alternate Weekly Index on the date such interest rate was (or would have been) determined as provided above. The Remarketing Agent (or if no Remarketing Agent is serving as such hereunder, the Trustee) shall notify the Borrower immediately by telephone if the Alternate Weekly Index is applicable, with written notice to follow promptly. In connection with any change or deemed change in the Interest Rate Determination Method to a Weekly Rate pursuant to Section 2.03(c) or (d) or Section 2.04(a), the initial Weekly Rate shall be determined as provided above on the applicable Computation Date.

(c) **Flexible Term Rate.** During any Flexible Term Rate Period, each of the Bonds will bear interest at a Flexible Term Rate. With respect to any Flexible Term Rate Period, the Borrower shall determine the Flexible Term Rate Period, and the Remarketing Agent shall determine the Flexible Term Rate to be applicable to each Bond by 1:00 p.m., Local Time, on the applicable Computation Date. No Flexible Term Rate Period applicable to any Bond may (A) be less than one or more than 270 days in length, (B) extend beyond any scheduled Mandatory Purchase Date or the Maturity Date, or (C) end on a day preceding a non-Business Day. The Borrower may assign different Flexible Term Rate Periods to different Flexible Term Rate Bonds. For each Flexible Term Rate Bond, the Flexible Term Rate shall be the rate of interest which, if borne by such Bond for its applicable Flexible Term Rate Period, would, in the judgment of the Remarketing Agent, having due regard for the prevailing financial market conditions for

revenue bonds or other securities the interest on which is included or excluded (as applicable) from gross income of the holders thereof for federal income tax purposes of the same general nature as such Bond or securities the interest on which is included or excluded (as applicable) from gross income of the holders thereof for federal income tax purposes which are comparable as to credit and maturity (or period for tender) with the credit and maturity of such Bond, be the interest rate necessary, but would not exceed the interest rate necessary, to enable the Remarketing Agent to place such Bond at a price of par (plus accrued interest, if any) on the first Business Day of such Flexible Term Rate Period. If for any reason the applicable rate is not established as aforesaid by the Remarketing Agent, no Remarketing Agent shall be serving as such hereunder or the rate so established is held to be invalid or unenforceable, then the Interest Rate Determination Method shall be deemed to have converted to the Weekly Rate on the date such interest rate was (or would have been) determined as provided above. The Remarketing Agent (or if no Remarketing Agent is serving as such hereunder, the Trustee) shall notify the Borrower, the Trustee and the Paying Agent immediately by telephone if such a conversion is deemed to have occurred, with written notice to follow promptly. In connection with any change in the Interest Rate Determination Method to a Flexible Term Rate pursuant to Section 2.04, the initial Flexible Term Rate and Flexible Term Rate Period for each Bond shall be determined as provided above on the applicable Computation Date.

(d) **Medium-Term Rate.** During any Direct Purchase Period where the Bonds bear the Medium-Term Rate the Market Agent shall determine the Medium-Term Rate and during any other Medium-Term Rate Period the Remarketing Agent shall determine the Medium-Term Rate. During any Medium-Term Rate Period, the Bonds shall bear interest at the Medium-Term Rate. The interest rate to be borne by the Bonds from the applicable Conversion Date to the last day of the applicable Medium-Term Rate Period shall be the rate determined by the Remarketing Agent or Market Agent, as applicable, on the applicable Computation Date to be the rate which, if borne by the Bonds would, in the judgment of the Remarketing Agent or Market Agent, as applicable, having due regard for prevailing market conditions for revenue bonds or other securities the interest on which is included or excluded (as applicable) from gross income of the holders thereof for federal income tax purposes and that are comparable as to credit and maturity to the Bonds, be the interest rate necessary, but would not exceed the interest rate necessary, to enable the Remarketing Agent or Market Agent, as applicable, to place the Bonds at a price of par (plus accrued interest, if any) on the applicable Conversion Date. If for any reason the applicable rate is not established as aforesaid by the Remarketing Agent or Market Agent, as applicable, no Remarketing Agent or Market Agent shall be serving as such hereunder or the rate so established is held to be invalid or unenforceable, then the Interest Rate Determination Method shall be deemed to have converted to the Weekly Rate on the date such interest rate was (or would have been) determined as provided above. The Remarketing Agent or Market Agent, as applicable, (or if no Remarketing Agent or Market Agent is serving as such hereunder, the Trustee) shall notify the Borrower, the Trustee and the Paying Agent immediately by telephone if such a conversion is deemed to have occurred, with written notice to follow promptly.

On the Computation Date with respect to a Medium-Term Rate, the Borrower shall determine the Medium-Term Rate Period. No Medium-Term Rate Period may be (A) less than 271 days, (B) extend beyond any scheduled Mandatory Purchase Date or the final maturity of the Bonds or, (C) end on a day preceding a non-Business Day. If the Borrower fails to determine the Medium-Term Rate Period or the Medium-Term Rate Period so established is held to be invalid or unenforceable, the Medium-Term Rate Period shall be (i) if the Interest Rate Determination Method in effect immediately prior to such Conversion Date was a Medium-Term Rate, the shorter of (a) the period equal to the Medium-Term Rate Period for such Medium-Term Rate (provided, however, that if the last day of such period would not be a day immediately preceding a Business Day, such period shall be extended to the next succeeding day that is a day immediately preceding a Business Day) and (b) the remaining maturity of the Bonds, or (ii) if the Interest Rate Determination Method in effect immediately prior to such Conversion Date was not a Medium-Term Rate, the shorter of (a) the period ending on the first date that is a day immediately preceding a Business Day and is at least 271 days after the Conversion Date and (b) the remaining maturity of the Bonds.

If requested in the Conversion Notice by the Borrower, the Remarketing Agent or Market Agent, as applicable, may also determine on the Computation Date redemption premiums different from those set forth in Section 2.18 for optional redemption of the Bonds during the Medium-Term Rate Period. These redemption premiums shall be consistent with the prevailing market conditions in the reasonable judgment of the Remarketing Agent or Market Agent, as applicable. The Remarketing Agent or Market Agent, as applicable, shall not, however, establish redemption premiums different from those set forth in Section 2.18 unless an Approving Opinion shall be furnished.

(e) **Fixed Rate.** The Bonds shall bear interest at the Fixed Rate during the Fixed Rate Period. If the Fixed Rate Period is a Direct Purchase Period the Market Agent shall determine the Fixed Rate and if the Fixed Rate Period is not a Direct Purchase Period, the Remarketing Agent shall determine the Fixed Rate. The interest rate to be borne by the Bonds from the Fixed Rate Conversion Date to the date of payment in full of the Bonds shall be the rate determined by the Remarketing Agent or the Market Agent, as applicable, on the applicable Computation Date to be the rate which, if borne by the Bonds would, in the judgment of the Remarketing Agent or the Market Agent, as applicable, having due regard for the prevailing market conditions for revenue bonds or other securities the interest on which is included or excluded, as applicable, from gross income of the holders thereof for federal income tax purposes and that are comparable as to credit and maturity to the Bonds, be the interest rate necessary, but would not exceed the interest rate necessary, to enable the Remarketing Agent or the Market Agent, as applicable, to place the Bonds at a price of par (plus accrued interest, if any) on the Fixed Rate Conversion Date. If for any reason the Fixed Rate is not established as aforesaid by the Remarketing Agent or the Market Agent, as applicable, or no Remarketing Agent or Market Agent shall be serving as such hereunder, then the provisions of the last paragraph of Section 2.04(e) shall apply; if the Fixed Rate established by the Remarketing Agent or the Market Agent, as applicable, is held to be invalid or unenforceable, the interest rate to be borne by the Bonds from the Fixed Rate Conversion Date to the date of payment in full of the Bonds shall be determined by the Remarketing

Agent or the Market Agent, as applicable, based on the criteria in the preceding sentence and avoiding the cause of invalidity or unenforceability.

If requested in the Conversion Notice by the Borrower, the Remarketing Agent or the Market Agent, as applicable, may also determine on the Computation Date redemption premiums different from those set forth in Section 2.18 for optional redemption of the Bonds during the Fixed Rate Period. These redemption premiums shall be consistent with the prevailing market conditions in the reasonable judgment of the Remarketing Agent or the Market Agent, as applicable. The Remarketing Agent or the Market Agent, as applicable, shall not, however, establish redemption premiums different from those set forth in Section 2.18 unless an Approving Opinion shall be furnished.

(f) ***Index Interest Rates.***

(i) During each SIFMA Index Rate Period, the Bonds shall, subject to Section 2.03(k), bear interest at the SIFMA Index Rate. The Calculation Agent shall determine the SIFMA Index Rate on each Computation Date during the SIFMA Index Rate Period, and such rate shall become effective on the SIFMA Rate Reset Date next succeeding such Computation Date.

(ii) During each LIBOR Index Rate Period, the Bonds shall, subject to Section 2.03(k), bear interest at the LIBOR Index Rate. The Calculation Agent shall determine the LIBOR Index Rate on each Computation Date during the LIBOR Index Rate Period, and such rate shall become effective on the LIBOR Index Reset Date next succeeding such Computation Date and interest at such rate shall accrue each day during such LIBOR Index Rate Period, commencing on and including the first day of such period to but excluding the last day of such period. The LIBOR Index Rate shall be rounded up to the fifth decimal place. The LIBOR Index Rate for the period commencing on and including the Issue Date until but excluding May 1, shall be equal to ____%.

(g) ***Notice of Rates and Deemed Conversions.*** Promptly following the determination of any Rate, the Remarketing Agent, Market Agent or the Calculation Agent, as applicable, shall give notice thereof to the Trustee, the Issuer, the Borrower, the Bank, if any, and the Paying Agent. Promptly upon receipt from the Remarketing Agent or Market Agent of any Medium-Term Rate or Fixed Rate, the Paying Agent shall give each Holder notice of the new Rate. The Borrower and any Holder or Beneficial Owner may obtain any Rate on or after the applicable Computation Date upon request to the Remarketing Agent, Market Agent or the Calculation Agent, as applicable. Promptly upon receipt from the Remarketing Agent or the Trustee of notice of any deemed conversion to the Weekly Rate under this Section, the Paying Agent shall give each Holder, the Credit Provider, if any, and the Rating Agency, if any, then rating the Bonds notice of the deemed conversion.

(h) ***Determination of Rate Conclusive.*** The determination of any Rate by the Remarketing Agent, the Market Agent or the Calculation Agent, as applicable, shall be conclusive and binding upon the Issuer, the Borrower, the Trustee, the Paying Agent, the

Remarketing Agent, if any, Market Agent, if any, the Calculation Agent, the Credit Provider, if any, and the Holders or Beneficial Owners absent manifest error.

(i) **No Liability.** In determining the interest rate or rates that the Bonds shall bear as provided in this Section, neither the Remarketing Agent, the Market Agent nor the Calculation Agent, as applicable, shall have any liability to the Issuer, the Borrower, the Trustee, the Paying Agent, the Registrar, the Credit Provider, if any, or any Holder or Beneficial Owners except for its gross negligence or willful misconduct.

(j) **Credit Provider Bonds.** Notwithstanding anything herein to the contrary, interest on Credit Provider Bonds shall be payable at the rates, on the dates and in the manner provided in the Reimbursement Agreement.

(k) **Adjustments to Interest Rates.** From and after any Taxable Date, the interest rate on Bonds shall be established at a rate at all times equal to the Taxable Rate.

Notwithstanding the foregoing provisions of this Section 2.03 but subject to the interest rate limitations of Section 2.03(a), upon the occurrence and continuation of an Event of Default, from and after the effective date of such Event of Default, the interest rate for Bonds during the Direct Purchase Period shall be established at a rate at all times equal to the greater of (i) the Default Rate and (ii) the interest rate that otherwise would be applicable to the Bonds but for the provisions of this paragraph, payable on demand to the Bank.

Section 2.04. Conversion of Interest Rate Determination Method.

(a) **Conversion Notice.** The Interest Rate Determination Method for the Bonds may be changed under this Section from any Short-Term Rate, Index Interest Rate or Medium-Term Rate to any other Interest Rate Determination Method, or from a Medium-Term Rate to a new Medium-Term Rate, on any Conversion Date by the Borrower giving written notice of such change (a "Conversion Notice") to the Remarketing Agent, if any, Market Agent, if any, the Calculation Agent, the Trustee and during a Direct Purchase Period, the Bank, with a copy to the Issuer, the Paying Agent, the Rating Agency, if any, rating the Bonds and the Credit Provider, if any; provided, however, that during a Direct Purchase Period the Interest Rate Determination Method may not be changed to another Interest Rate Determination Method or from an Index Interest Rate Period to a new Index Interest Rate Period without the prior written consent of the Bank. During a period other than a Direct Purchase Period, the Conversion Notice must be received by the Remarketing Agent or the Calculation Agent, as applicable, and the Trustee at least twenty-five (25) days prior to the proposed Conversion Date, and during a Direct Purchase Period, the Conversion Notice must be received by the Remarketing Agent, if any, the Market Agent, if any, the Calculation Agent, the Trustee and the Bank at least sixty (60) days prior to the proposed Conversion Date.

Each Conversion Notice shall state (i) that the Borrower elects to change the Interest Rate Determination Method to a new Interest Rate Determination Method, or from the interest rate applicable during a Medium-Term Rate Period to a new interest rate

during a new Medium-Term Rate Period, or from an Index Interest Rate Period to a new Index Interest Rate Period, (ii) the proposed Conversion Date, (iii) the Interest Rate Determination Method to be in effect from and after such Conversion Date, (iv) whether a Credit Facility is to be in effect from and after such Conversion Date, and, if so, the terms of such Credit Facility, and (v) if a Long-Term Rate is to be in effect from and after such Conversion Date, and if redemption premiums different from those set forth in Section 2.18 are to be applicable as described in Section 2.03(d) and Section 2.03(e), the redemption premiums to be applicable during such Long-Term Rate Period. In addition, if an Index Interest Rate is to be in effect immediately following such Conversion Date, such Conversion Notice shall state (w) whether such Index Interest Rate shall be a SIFMA Index Rate or a LIBOR Index Rate, (x) the new Bank Purchase Date, (y) the new Applicable Factor and (z) the new Applicable Spread. The new Applicable Spread shall be determined by the Market Agent. In the case of a conversion to a Weekly Rate Period, each Conversion Notice shall be accompanied by evidence satisfactory to the Trustee that a Remarketing Agent shall have been appointed and accepted such appointment.

The Issuer, at the direction of the Borrower, shall, by notice given to the Trustee at the same time and in the same manner as the Conversion Notice is given (which notice may be contained in such Conversion Notice), elect that after the Fixed Rate Conversion Date (A) the Bonds may be converted to have one or more Stated Maturities (as defined below), maturing sequentially in consecutive years, or (B) all or a portion of the Bonds may be converted to one or more term bonds subject to mandatory sinking fund redemption, with principal installments due sequentially in consecutive years; provided, however, that the principal amount of any Bond due either at a Stated Maturity or on a mandatory sinking fund payment date shall be in an Authorized Denomination; provided, further, that prior to electing any combination of (A) and (B) above the Issuer shall obtain an Approving Opinion. For purposes of this paragraph "Stated Maturity" shall mean, when used with respect to any Bond or any installment of interest thereon, the date specified in such Bond as the fixed date on which the principal of such Bond or such installment of interest is due and payable.

(b) ***Opinions With Respect to Conversions.*** The Borrower shall deliver to the Remarketing Agent, if any, the Market Agent, if any, the Calculation Agent, if any, the Bank, if any, and the Trustee, by 10:00 a.m., Local Time, on the proposed Conversion Date under this Section an Approving Opinion.

(c) ***Conversion Date.*** If the Interest Rate Determination Method in effect prior to the proposed Conversion Date under this Section is:

- (i) a Weekly Rate, the Conversion Date may be any Business Day;
- (ii) a Flexible Term Rate, the Conversion Date must be the day that would otherwise be an Interest Payment Date for all of the Bonds, such Interest Payment Date to be determined at the time the Conversion Notice is received by the Remarketing Agent, the Market Agent or the Calculation Agent, as applicable;

(iii) an Index Interest Rate, the Conversion Date (A) must be a day that would otherwise be an Interest Payment Date and (B) shall be subject to any conditions set forth in a Continuing Covenant Agreement; or

(iv) a Medium-Term Rate, the Conversion Date must be the Business Day immediately succeeding the last day of the Medium-Term Rate Period.

(d) **Notice of Conversions to Holders.** The Trustee shall give written notice to the Holders of a proposed Conversion Date (except with respect to a Conversion Date occurring solely due to an event described in clause (iii) of the definition thereof), which notice shall be in substantially the form attached to this Indenture as Exhibit C, appropriately completed, and shall be sent by first-class mail, postage prepaid, at least fifteen (15) days prior to the proposed Conversion Date.

(e) **Failure or Revocation of Conversion.** If (i) the Borrower fails to deliver the Approving Opinion required by Section 2.04(b) to the Trustee, the Bank, if applicable, and the Remarketing Agent, the Market Agent or the Calculation Agent, as applicable, by 10:00 a.m., Local Time, on the proposed Conversion Date, or (ii) an Event of Default shall have occurred and be continuing hereunder, the Interest Rate Determination Method for the Bonds shall not be changed on the proposed Conversion Date and the Trustee shall immediately notify by telephone the Credit Provider, if any, the Remarketing Agent, if any, the Market Agent, if any, the Issuer, the Calculation Agent, the Bank, if any, and the Paying Agent that the Interest Rate Determination Method for the Bonds shall not be changed on the proposed Conversion Date.

Notwithstanding any other provision in this Indenture to the contrary, no conversion of the Interest Rate Determination Method to the Fixed Rate shall occur if the Borrower, not later than 10:00 a.m., Local Time, on the Business Day immediately preceding the applicable Computation Date, directs the Remarketing Agent, or the Market Agent, as applicable, not to change the Interest Rate Determination Method to the Fixed Rate by written notice, with a copy to the Trustee, the Issuer, the Paying Agent, the Remarketing Agent, if any, the Market Agent, if any, the Calculation Agent, the Bank, if any, and the Credit Provider, if any.

If a proposed conversion of the Interest Rate Determination Method is cancelled pursuant to the provisions of the two preceding paragraphs, all Bonds shall nevertheless be tendered for purchase on the proposed Conversion Date and shall be purchased by the Issuer on the proposed Conversion Date. If the Issuer shall fail to so purchase the Bonds on such proposed Conversion Date, such failure shall constitute an Event of Default and, except as otherwise provided in Section 2.03(k), the Bonds shall continue to bear interest in accordance with the Interest Rate Determination Method in effect prior to the proposed Conversion Date and, in the case of a proposed change from a Medium-Term Rate, for a Medium-Term Rate Period ending on the first day that is a day immediately preceding a Business Day and that occurs on or after the day that is the same number of days after the proposed Conversion Date as the number of days in the immediately preceding Medium-Term Rate Period (but in no event later than the maturity of the Bonds);

provided, however, that the rate of interest that the Bonds will bear shall be determined on the proposed Conversion Date.

(f) ***Failure to Mail Certain Notices.*** Failure to mail the notice described in Section 2.04(d), or any defect therein, shall not affect the validity of any interest rate or change in the Interest Rate Determination Method on any of the Bonds or the requirement that the Bonds shall be tendered pursuant to Section 2.06(e) or extend the period for tendering any of the Bonds for purchase, and the Trustee shall not be liable to any Holder by reason of its failure to mail such notice or any defect therein.

(g) ***Compliance with Rule 15c2-12.*** Notwithstanding any provision in this Indenture to the contrary, no conversion of the Interest Rate Determination Method shall be permitted unless the Trustee, the Issuer and the Remarketing Agent, if any, shall have received, at least two (2) Business Days prior to the proposed Conversion Date, either (i) a copy of a continuing disclosure agreement imposing obligations upon the Borrower, the Trustee or any other responsible party to comply with the requirements of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to the Bonds, together with such disclosure documents as the Remarketing Agent, if any, shall require in order to comply with the Rule, if the Rule will be applicable upon such conversion or (ii) an Opinion of Counsel that, notwithstanding such conversion, the Rule will not be applicable to the Bonds as of and after the Conversion Date.

(h) ***Conversion to Flexible Term Rate or a Long-Term Rate.*** The Interest Rate Determination Method may not be converted to (i) a Flexible Term Rate unless the interest component of the Credit Facility to be in effect immediately following such conversion, if any, provides for payment of at least 271 days of interest on the Bonds at the Ceiling Rate or (ii) a Long-Term Rate having a Rate Period which is not a Direct Purchase Period unless the interest component of the Credit Facility to be in effect immediately following such conversion, if any, provides for payment of at least 183 days of interest on the Bonds at such Long-Term Rate. If a rating for the Bonds is to be maintained after any such conversion, the Trustee and the Remarketing Agent, if any, must receive, prior to the effective date of such conversion, written confirmation from each Rating Agency rating the Bonds that such rating will not be reduced or withdrawn.

The following additional conditions must be satisfied before a conversion to a Flexible Term Rate shall become effective:

(A) The Borrower must engage, at its expense, an issuing and paying agent, reasonably acceptable to the Trustee and the Paying Agent, having access to the Securities Depository's electronic money market issuing and payment system and otherwise eligible to serve as an issuing and paying agent under the Securities Depository's policies and procedures for the issuance and payment of Flexible Term Rate;

(B) The Remarketing Agent, the Market Agent or the Calculation Agent, as applicable, must arrange for the execution and delivery to the Securities Depository of the required Security Depository letter of representation for

eligibility of the Bonds in the Flexible Term Rate in the Securities Depository's book entry system and the provision of any needed CUSIP numbers; and

(C) The Issuer and the Borrower shall take all other action needed to comply with the Securities Depository's requirements applicable to the issuance and payment of the Bonds while in the Flexible Term Rate.

(i) ***Exchange of Bonds.*** Upon conversion to an Index Interest Rate from a different Interest Rate Determination Method, or from an Index Interest Rate to a different Interest Rate Determination Method, the Issuer shall execute at the written request and sole expense of the Borrower, and the Trustee shall authenticate and deliver, new Bonds of like dates and denominations and in the form of Exhibit A when converting from an Index Interest Rate Period and Exhibit B when converting to an Index Interest Rate Period, all in accordance with Section 2.20.

Section 2.05. Reserved.

Section 2.06. Tender of Bonds for Purchase.

(a) ***Optional Tender During Weekly Rate Period.*** During any Weekly Rate Period, the Holders of the Bonds shall have the right to tender any such Bond (or portion thereof in an Authorized Denomination, provided that any Bond or portion thereof remaining is also in an Authorized Denomination), for purchase by the Issuer on any Optional Tender Date, but only upon:

(i) delivery to the Remarketing Agent at its designated office, not later than 4:00 p.m., Local Time, on or before the seventh (7th) day (or on the immediately preceding Business Day, if such seventh (7th) day is not a Business Day) next preceding such Optional Tender Date, of an irrevocable written, telephonic (followed by written or facsimile confirmation delivered to the Remarketing Agent no later than the close of business on the next succeeding Business Day), facsimile or telegraphic notice (with a written or facsimile copy to the Trustee) stating (1) that such Holder will tender for purchase all or any portion of his/her Bonds in an Authorized Denomination and the amount of Bonds to be tendered and (2) the Optional Tender Date on which such Bonds will be tendered; and

(ii) delivery of such Bond (with an appropriate instrument of transfer duly executed in blank) to the Trustee at its designated office at or prior to 10:00 a.m., Local Time, on such Optional Tender Date; provided, however, that no Bond (or portion thereof) shall be purchased unless such Bond as delivered to the Trustee shall conform in all respects to the description thereof in the aforesaid notice.

(b) ***Optional Tender by Beneficial Owners.*** If the Bonds are held in a Book Entry System, a purchase notice pursuant to Section 2.06(a)(i) may be delivered by a Beneficial Owner. Such purchase notice must be delivered as set forth in Section 2.06(a)(i) and must state that such Beneficial Owner will cause its beneficial

interest (or portion thereof in an Authorized Denomination) to be tendered, the amount of such interest to be tendered, the Optional Tender Date on which such interest will be tendered and the identity of the Participant through which the Beneficial Owner maintains its interest. Upon delivery of such notice, the Beneficial Owner must make arrangements to have its beneficial ownership interest in the Bonds being tendered transferred to the Trustee at or prior to 10:00 a.m., Local Time, on the Optional Tender Date, but need not otherwise comply with Section 2.06(a)(ii).

(c) ***Election to Tender Irrevocable.*** Any election of a Holder to tender Bonds for purchase on an Optional Tender Date in accordance with Section 2.06(a) above shall be irrevocable and shall be binding on the Holder making such election and on any transferee of such Holder.

(d) ***Notices.*** The Remarketing Agent shall give prompt notice by telephone of receipt of any tender notice received by it in accordance with Section 2.06(a)(i) to the Trustee, the Paying Agent and the Credit Provider, if any.

(e) ***Mandatory Purchase on Mandatory Purchase Date.*** The Bonds (or the applicable portion of the Bonds during any Flexible Term Rate Period) shall be subject to mandatory tender for purchase on each Mandatory Purchase Date at the Purchase Price thereof. Holders of Bonds subject to mandatory tender for purchase shall tender such Bonds to the Trustee by 10:00 a.m., Local Time, on each Mandatory Purchase Date.

(f) ***Bonds Deemed Tendered.*** If (i) with respect to a Mandatory Purchase Date, a Holder fails to deliver such Bond to the Trustee on or before the Mandatory Purchase Date, or (ii) with respect to an Optional Tender Date, a Holder gives notice pursuant to Section 2.06(a) to the Remarketing Agent and thereafter fails to deliver such Bonds (or portion thereof) to the Trustee, as required, then such Bond (or portion thereof) that is not delivered to the Trustee shall be deemed to have been properly tendered (such Bond being hereinafter referred to as an "Untendered Bond") and, to the extent that there shall be on deposit with the Paying Agent on the date purchase thereof is required as provided herein Eligible Funds sufficient to pay the Purchase Price thereof, such Untendered Bond shall cease to constitute or represent a right to payment of principal or interest thereon and shall constitute and represent only the right to the payment of the Purchase Price payable on such date.

(g) ***Source of Funds for Purchase of Bonds.*** On each Optional Tender Date and each Mandatory Purchase Date the Issuer shall purchase (but solely from funds set forth below) the Bonds (or portions thereof), tendered (or deemed tendered) to the Trustee for purchase in accordance with this Section at the applicable Purchase Price. Funds for the payment of the Purchase Price for such Bonds (or, in the case of an Optional Tender Date, portions thereof), shall be paid by the Paying Agent solely from the following sources and in the following order of priority:

(i) proceeds of the remarketing of such Bonds (or portions thereof) pursuant to Section 2.07 that have been transferred to the Paying Agent pursuant to such Section;

(ii) if a Credit Facility is then in effect, moneys drawn under such Credit Facility pursuant to Section 2.07(b) and Section 3.08(a)(ii);

(iii) moneys from the Bond Purchase Fund constituting Eligible Funds, if any, that have been transferred to the Paying Agent pursuant to Section 4.04; and

(iv) any other moneys furnished to the Trustee and available for such purpose.

Bonds (or portions thereof) purchased as provided above shall be registered for transfer as provided in Section 2.08.

(h) ***Notice of Mandatory Purchase Date.*** Not less than fifteen (15) days prior to each Mandatory Purchase Date occurring as a result of a Credit Modification Date, a Bank Purchase Date or at the Borrower's direction, and not less than three (3) days prior to each Mandatory Purchase Date occurring at the Credit Provider's direction, the Trustee shall give written notice of such Mandatory Purchase Date to the Remarketing Agent, Market Agent or the Calculation Agent, as applicable, the Paying Agent and, by first-class mail, postage prepaid, the Holders, which notice shall be in substantially the form of Exhibit D or E, as applicable, appropriately completed. Failure to mail such notice or any defect therein shall not affect the rights or obligations of Holders and the Trustee shall not be liable to any Holder by reason of its failure to mail such notice or any defect therein. With respect to a Mandatory Purchase Date that is a Conversion Date, the Trustee shall provide notice to the Holders as set forth in Section 2.04(d). With respect to a Mandatory Purchase Date that is a Credit Facility Effective Date, the Trustee shall provide notice to the Holders as set forth in Section 3.08(e). With respect to a Mandatory Purchase Date that is the first Business Day immediately succeeding the last day of each Flexible Term Rate Period applicable to a Bond, no notice of such Mandatory Purchase Date shall be sent to the Holder of such Bond.

Section 2.07. Remarketing of Bonds.

(a) ***Best Efforts to Place Bonds.*** The Remarketing Agent shall use its best efforts to place Bonds (or portions thereof) at a price of par plus accrued interest, if any, on each date that such Bonds (or portions thereof) are required to be purchased pursuant to Section 2.06 and if such Bonds are not placed on such date (such Bonds being hereinafter referred to as "Unremarketed Bonds"), the Remarketing Agent shall continue to use its best efforts to place such Unremarketed Bonds at a price of par plus accrued interest, if any. By 12:00 noon, Local Time, on the Business Day prior to each date that the Bonds (or portions thereof) are required to be purchased pursuant to Section 2.06, the Remarketing Agent shall give initial notice by telephone (promptly confirmed by telecopy) of the principal amount of the Bonds for which it has arranged placement, together with the principal amount of the Bonds, if any (and such other particulars with respect thereto as the Trustee may deem necessary), for which it has not arranged placement, to the Trustee, the Borrower, the Credit Provider, if any, and the Paying Agent.

Such initial notice shall be confirmed by telephone notice by 9:00 a.m., Local Time, on the date that such Bonds are to be purchased (such notice to be promptly confirmed in writing) specifying the amount of Bonds not remarketed and the information necessary to enable the Trustee to prepare new Bond certificates with respect to the Bonds that were remarketed. By 9:30 a.m., Local Time, the Remarketing Agent shall transfer to the Paying Agent the proceeds of the remarketing of such Bonds. By 10:30 a.m., Local Time, the Paying Agent shall notify the Trustee of the amount of remarketing proceeds it received from the Remarketing Agent.

Notwithstanding anything herein to the contrary, Bonds may be remarketed only at a price of par plus accrued interest, if any.

(b) ***Draws on Credit Facility.*** In the event that moneys from the source described in Section 2.06(g)(i) are insufficient to pay the Purchase Price of Bonds tendered or deemed tendered on an Optional Tender Date or a Mandatory Purchase Date, if a Credit Facility is then in effect, the Trustee shall, by 11:00 a.m., Local Time, on such Optional Tender Date or Mandatory Purchase Date, take all action required to cause the Purchase Price of such Bonds, to the extent not available from the source described in Section 2.06(g)(i), to be paid from the Credit Facility. In the event the Purchase Price of Bonds is paid from the Credit Facility as described herein, and the Borrower does not reimburse the Credit Provider for such Purchase Price, upon the remarketing of such Bonds as described in Section 2.07(a), the Paying Agent shall deliver the proceeds of the remarketing of such Bonds to the Credit Provider.

(c) ***No Remarketing During Default.*** The Remarketing Agent shall not be required to remarket any Bonds pursuant to this Section if it has actual knowledge that an Event of Default shall have occurred and be continuing hereunder or if the Remarketing Agent determines, in its sole discretion, that the remarketing of the Bonds would be unlawful or would be likely to result in the imposition of liability or damages against the Issuer, the Remarketing Agent, the Paying Agent, the Trustee, the Credit Provider, if any, the Bank, if any, or the Borrower.

(d) ***Remarketing to Borrower or Issuer.*** If a Credit Facility is then in effect, the Remarketing Agent shall not remarket any Bonds to (i) the Borrower, (ii) any other Person obligated (as guarantor or otherwise) to make payments on the Bonds or under the Agreement or the Reimbursement Agreement, (iii) an "affiliate" of the Borrower as defined in Bankruptcy Code Section 101(2) (if the Remarketing Agent has actual knowledge that such Person is an "affiliate" at the time of such remarketing), or (iv) the Issuer, pursuant to this Section prior to the expiration or earlier termination of the Credit Facility unless, prior to such remarketing, the Trustee, the Rating Agency, if any, the Bank, if any, the Credit Provider and the Remarketing Agent shall have received an unqualified Opinion of Counsel experienced in bankruptcy law matters to the effect that such remarketing would not result in a preferential payment pursuant to the provisions of Section 547 of the Bankruptcy Code recoverable from Holders of the Bonds pursuant to Section 550 of the Bankruptcy Code in the event of an Act of Bankruptcy, and if a Rating Agency is rating the Bonds, such Rating Agency has confirmed to the Trustee in writing that its rating will not be withdrawn or reduced as a result of such remarketing.

(e) ***Notice to Proposed Purchasers of Bonds.*** The Remarketing Agent will give any Person to whom Bonds are proposed to be remarketed written notice of any Mandatory Purchase Date, acceleration of maturity of Bonds or redemption of Bonds, notice of which has been given to Holders, prior to remarketing Bonds to such Person.

(f) ***No Remarketing Under Certain Conditions.*** Notwithstanding anything to the contrary herein provided, the Bonds shall not be remarketed unless (i) a Credit Facility providing for the payment of the principal of and interest on, and Purchase Price of, the Bonds will be in effect following the remarketing of such Bonds, (ii) no such Credit Facility will be in effect, but at the time of such remarketing, the Bonds are rated by a Rating Agency and such long-term and/or short-term rating is satisfactory to the Remarketing Agent in its sole discretion, or (iii) no such Credit Facility will be in effect, but following the remarketing of such Bonds, the Bonds will bear interest at a Long-Term Rate or an Index Interest Rate. Notwithstanding anything to the contrary herein provided, the Bonds shall not be remarketed following a Mandatory Purchase Date occurring at the Credit Provider's direction unless and until the Remarketing Agent has received the consent of the Credit Provider to such remarketing.

Section 2.08. Delivery of Purchased Bonds. Bonds (or portions thereof) purchased pursuant to Section 2.06 shall be delivered as follows:

(a) ***Bonds Purchased from Remarketing Proceeds.*** Bonds purchased with moneys described in Section 2.06(g)(i) shall be delivered to the purchasers thereof upon receipt of payment therefor. Prior to such delivery the Registrar shall provide for registration of transfer to the Holders, as provided in a written notice from the Remarketing Agent.

(b) ***Bonds Purchased from Draws Under Credit Facility.*** Credit Provider Bonds shall be surrendered to the Trustee for registration of transfer in the name of the Credit Provider, and no such Bond shall be released, pledged or otherwise transferred or disposed of until the Trustee shall have received written notice from the Credit Provider that amounts so drawn under the Credit Facility for the purchase of such Credit Provider Bonds, together with interest thereon, if any, due pursuant to any Reimbursement Agreement, have been reimbursed to the Credit Provider and that the amount so drawn under the Credit Facility with respect to such Bonds has been, or upon such release will be correspondingly and fully reinstated.

(c) ***Bonds Purchased with Other Moneys.*** Bonds (or portions thereof) purchased with any moneys pursuant to Section 2.06(g)(iii) or (iv) shall be delivered to the Trustee (i) for cancellation and shall be cancelled, or (ii) if the Borrower requests, for registration of transfer to the Borrower.

(d) ***During Book Entry System.*** Notwithstanding anything herein to the contrary, so long as the Bonds are held under the Book Entry System, Bonds will not be delivered as set forth in Section 2.08(a) through (c) (except as set forth in Section 2.08(b)); rather, transfers of beneficial ownership and pledges of the Bonds to the

Persons indicated above will be effected on the books of the Securities Depository and its Participants pursuant to the rules and procedures of the Securities Depository.

Section 2.09. Execution; Limited Obligation. The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of the Mayor or Vice-Mayor or in his or her absence or inability to act, any other member of the Board of County Commissioners of the Issuer and attested by the manual or facsimile signature of the Clerk and Comptroller, or any Deputy thereof, of the Issuer and shall have impressed or imprinted thereon the seal (or a facsimile thereof), if any, of the Issuer. In case any officer whose manual or facsimile signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such manual or facsimile signatures shall nevertheless be valid and sufficient for all purposes.

The Bonds shall be limited obligations of the Issuer. The Bonds and the interest thereon, the Purchase Price, and redemption premium, if any, shall not be deemed to constitute or create an indebtedness, liability or obligation of the Issuer, the State or any political subdivision or agency thereof within the meaning of any State constitutional provision or statutory limitation or a pledge of the faith and credit or the taxing power of the State or any such political subdivision or agency, including the Issuer. The Bonds, the Purchase Price and interest thereon are payable solely from and secured by the Trust Estate, including the moneys available to be drawn by the Trustee under any Credit Facility that may be in effect from time to time to support payments due on or with respect to the Bonds, all as described in and subject to limitations set forth in this Indenture, for the equal and ratable benefit of the Holders, from time to time, of the Bonds.

THE ISSUANCE OF THE BONDS WILL NOT CONSTITUTE A DEBT OR A PLEDGE OF THE FAITH AND CREDIT OF THE ISSUER OR THE STATE, AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF WILL BE PLEDGED TO THE PAYMENT OF THE BONDS. NEITHER THE ISSUER, THE STATE, NOR ANY POLITICAL SUBDIVISION OF THE STATE SHALL IN ANY EVENT BE LIABLE FOR THE PAYMENT OF THE PRINCIPAL OR PURCHASES PRICE OF, PREMIUM, IF ANY, OR INTEREST ON ANY OF THE BONDS OR FOR THE PERFORMANCE OF ANY PLEDGE, OBLIGATION OR AGREEMENT UNDERTAKEN BY THE ISSUER EXCEPT TO THE EXTENT THAT THE MONEYS PLEDGED HEREIN ARE SUFFICIENT THEREFOR. NO OWNER OF ANY BONDS HAS THE RIGHT TO COMPEL ANY EXERCISE OF TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE BONDS OR THE INTEREST THEREON, AND THE BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE ISSUER, THE STATE OR ANY POLITICAL SUBDIVISION OF THE STATE, OR A LOAN OF CREDIT OF ANY OF THE FOREGOING WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION.

Section 2.10. Certificate of Authentication. No Bonds shall be secured hereby or entitled to the benefit hereof or shall be or become valid or obligatory for any purpose unless there shall be endorsed thereon a certificate of authentication, substantially in the form as set forth in the respective forms of Bond referred to in Section 2.11, as applicable, executed by an authorized representative of the Trustee; and such certificate on any Bond issued by the Issuer shall be conclusive evidence and the only competent evidence that it has been duly authenticated and delivered hereunder.

Section 2.11. Form of Bonds.

(a) The Bonds, the Trustee's certificate of authentication and the form of assignment shall be in substantially the forms set forth as Exhibit A or Exhibit B, as applicable, with such appropriate variations, omissions, substitutions and insertions as are permitted or required hereby or are required by law and may have such letters, numbers or other marks of identification and such legends and endorsements placed thereon as may be required to comply with any applicable laws or rules or regulations.

(b) The Bonds shall be in either typewritten or printed form, as the Borrower shall direct, on behalf of the Issuer, with approval of the Trustee; provided that any expenses, including but not limited to expenses of printing, incurred in connection therewith shall be paid by the Borrower.

(c) On and after any Mandatory Purchase Date, Bonds authenticated and delivered hereunder shall have omitted from the text thereof such provisions contained in the forms of the Bonds set forth as Exhibit A or Exhibit B, as applicable, as are not applicable to the Bonds on and after such date or shall include such provisions as will become applicable after such date including, without limitation, any reference to entitlement to any benefit of the Credit Facility, if then in effect, and any redemption provisions made applicable as a result of the occurrence of a Conversion Date relating to a conversion to a Long-Term Rate.

Section 2.12. Delivery of Bonds. Upon the execution and delivery hereof, the Issuer shall execute the Bonds and deliver them to the Trustee, and the Trustee shall authenticate the Bonds and deliver them to such purchaser or purchasers as shall be directed in writing by the Issuer as hereinafter provided in this Section.

Prior to the authentication of and delivery by the Trustee of any of the Bonds, there shall be filed with the Trustee:

(a) A certified copy of all resolutions adopted and proceedings had by the Issuer authorizing execution of this Indenture and the Agreement and the issuance of the Bonds;

(b) An original executed counterpart of this Indenture, the Agreement, the Continuing Covenant Agreement, the Tax Certificate, the Note (endorsed without recourse by the Issuer to the Trustee), and each of the Security Documents;

(c) Copies of any Financing Statements filed to perfect the Security Interests;

(d) An Opinion of Counsel to the Issuer to the effect that this Indenture, the Agreement and the other Bond Documents to which the Issuer is a party have been duly authorized, executed and delivered by the Issuer and are legal, valid and binding agreements of the Issuer enforceable against the Issuer in accordance with their terms;

(e) An Opinion of Counsel given by Bond Counsel to the effect that the Bonds have been duly authorized and validly issued, that the Indenture creates a valid

lien on the Trust Estate and that interest on the Bonds will not be included in gross income of the Holders thereof for federal income tax purposes;

(f) An Opinion of Counsel for the Borrower to the effect that the Agreement, the Note, the Security Documents, the Continuing Covenant Agreement and the other Bond Documents to which the Borrower is a party have been duly authorized, executed and delivered by the Borrower and are legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their terms;

(g) A request and authorization to the Trustee on behalf of the Issuer and signed by a duly authorized officer of the Issuer directing the Trustee to authenticate and deliver the Bonds in such specified denominations as permitted herein to the initial purchaser or purchasers upon payment to the Trustee, but for the account of the Issuer, of a specified sum of money; and

(h) An Investor Letter in the form of Exhibit F signed by a duly authorized officer of the Bank.

Upon receipt of the foregoing, the Trustee shall authenticate and deliver the Bonds as provided above.

Section 2.13. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate and deliver a new Bond of the same maturity, interest rate, principal amount and tenor in lieu of and in substitution for the Bond mutilated, lost, stolen or destroyed; provided, that there shall be first furnished to the Trustee evidence satisfactory to it and the Issuer of the ownership of such Bond and of such loss, theft or destruction (or, in the case of a mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee), together with indemnity satisfactory to the Trustee and the Issuer and compliance with such other reasonable regulations as the Issuer and the Trustee may prescribe. If any such Bond shall have matured or a redemption date pertaining thereto shall have passed, instead of issuing a new Bond the Issuer may pay the same without surrender thereof, upon receipt of such evidence, indemnification and payment of fees and expenses as described herein. The Issuer and the Trustee may charge the Holder of such Bond with their reasonable fees and expenses incurred in connection with this Section.

Section 2.14. Exchangeability and Transfer of Bonds; Persons Treated as Owners. Books for the registration of the Bonds and for the registration of transfer of the Bonds as provided herein shall be kept by the Registrar.

Any Holder of a Bond, in person or by such Holder's duly authorized attorney, may transfer title to such Holder's Bond on the Register upon surrender thereof at an office designated by the Trustee, and by providing the Registrar with a written instrument of transfer (in substantially the form of assignment attached to the Bond) executed by the Holder or such Holder's duly authorized attorney, and thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same aggregate principal amount and tenor as the Bond surrendered (or for which transfer of

registration has been effected) and of any Authorized Denomination or Authorized Denominations.

Bonds may be exchanged upon surrender thereof at the designated office of the Registrar with a written instrument of transfer satisfactory to the Registrar executed by the Holder or such Holder's attorney duly authorized in writing, for an equal aggregate principal amount of Bonds of the same tenor as the Bonds being exchanged and of any Authorized Denomination or Authorized Denominations. The Issuer shall execute and the Trustee shall authenticate and deliver Bonds that the Holder making the exchange is entitled to receive, bearing numbers not contemporaneously then outstanding.

Such registrations of transfer or exchanges of Bonds shall be without charge to the Holders of such Bonds, but any taxes or other governmental charges required to be paid with respect to the same shall be paid by the Holder of the Bond requesting such registration of transfer or exchange as a condition precedent to the exercise of such privilege. Any service charge made by the Registrar for any such registration of transfer or exchange and all reasonable expenses of the Issuer and the Trustee shall be paid by the Borrower.

After notice calling any Bond for redemption has been given and prior to such redemption, the Registrar shall only register the transfer of such Bond pursuant to a tender of such Bond on an Optional Tender Date or a Mandatory Purchase Date. In the case of any Bond to be redeemed in part, the portion thereof to be redeemed shall be subject to the provisions of the immediately preceding sentence. In connection with any such transfer pursuant to a tender of Bonds on an Optional Tender Date or a Mandatory Purchase Date, the Registrar shall deliver to the transferee a copy of the applicable notice of redemption.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of either principal or interest shall be made only to or upon the order of the registered owner thereof or such Holder's duly authorized attorney, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

All Bonds issued upon any registration of transfer or exchange of Bonds shall be legal, valid and binding limited obligations of the Issuer, evidencing the same debt, and entitled to the same security and benefits under this Indenture, as the Bonds surrendered upon such registration of transfer or exchange.

Notwithstanding the foregoing, (i) for so long as the Bonds are held under the Book Entry System, transfers of beneficial ownership will be effected pursuant to rules and procedures established by the Securities Depository, and (ii) during the Direct Purchase Period the Bonds may only be transferred to (x) an affiliate of Wells Fargo Bank, National Association, (y) a trust or custodial arrangement established by the Wells Fargo Bank, National Association, or one of its affiliates the owners of the beneficial interests in which are limited to qualified institutional buyers, as defined in Rule 144A promulgated under the Securities Act of 1933, as amended (the "1933 Act"), or accredited investors, as defined in Rule 501 of Regulation D under the 1933 Act,

or (z) to a Person that has executed and delivered to the Trustee, the Issuer and the Borrower an Investor Letter in the form of Exhibit F.

Section 2.15. Replacement Bonds. Except when the Bonds are held in the Book Entry System, the Issuer shall execute and the Trustee shall authenticate and deliver Replacement Bonds to replace Untendered Bonds. Any such Replacement Bond shall be executed and authenticated as provided in this Indenture. The Borrower shall bear all expenses in connection with the preparation and delivery of the Replacement Bonds.

Section 2.16. Cancellation. All Bonds that have been surrendered to the Registrar pursuant to Sections 2.13, 2.14 or 2.15 or for the purpose of purchase upon an Optional Tender Date or a Mandatory Purchase Date, or for payment upon maturity or redemption prior to maturity, shall be cancelled and destroyed by the Registrar in accordance with its retention policy then in effect.

Section 2.17. Ratably Secured. All Bonds issued hereunder are and are to be, to the extent provided in this Indenture, equally and ratably secured by this Indenture without preference, priority or distinction on account of the actual time or times of the authentication, delivery or maturity of the Bonds so that subject as aforesaid, all Bonds at any time Outstanding shall have the same right, lien and preference under and by virtue of this Indenture and shall all be equally and ratably secured hereby with like effect as if they had all been executed, authenticated and delivered simultaneously on the date hereof, whether the same, or any of them, shall actually be disposed of at such date, or whether they, or any of them, shall be disposed of at some future date. Notwithstanding the foregoing, any Credit Provider Bond or Bonds held by or registered in the name of any Excluded Person shall not be entitled to any benefit of the Credit Facility, if any.

Section 2.18. Redemption of Bonds; Partial Redemption of Bonds.

(a) **Optional Redemption.** During any Weekly Rate Period, the Bonds are subject to redemption, at the direction of the Borrower, on behalf of the Issuer, in whole on any Business Day or in part on any Interest Payment Date at a redemption price equal to the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date.

Subject to any limitations set forth in a Continuing Covenant Agreement, during any Direct Purchase Period, the Bonds are subject to redemption on any Interest Payment Date at the direction of the Borrower, on behalf of the Issuer in whole or in part, at a redemption price equal to the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date.

During any Flexible Term Rate Period, the Bonds are subject to redemption, at the direction of the Borrower, on behalf of the Issuer, in whole or in part on any Interest Payment Date applicable to such Bond to be redeemed, at a redemption price equal to the principal amount of such Bond plus accrued interest thereon to, but not including, the redemption date.

During any Long-Term Rate Period, the Bonds are subject to redemption, at the direction of the Borrower, on behalf of the Issuer, in whole or in part on any Interest Payment Date occurring on or after the First Day of Redemption Period as described below, at the principal amount thereof, plus a redemption premium (expressed as a percentage of the principal amount) plus accrued interest thereon to, but not including, the redemption date as follows; provided, however, if a Credit Facility is then in effect, such redemption premium shall be paid only from Eligible Funds described in clause (i) of the definition of Eligible Funds on deposit in the Bond Fund, unless such Credit Facility provides for payment of such premium:

<u>Length of Long-Term Rate Period From Conversion Date Until End of Rate Period (Expressed in Years)</u>	<u>First Day of Redemption Period</u>	<u>Redemption Premium as a Percentage of Principal Amount of Bonds</u>
More than 15	10th anniversary of Conversion Date	3% declining by 1% every year after the 10th anniversary of the Conversion Date until reaching 0%, and thereafter 0%
More than 10 but not more than 15	7th anniversary of Conversion Date	3% declining by 1% every year after the 7th anniversary of the Conversion Date until reaching 0%, and thereafter 0%
More than 5 but not more than 10	4th anniversary of Conversion Date	2% declining by 1% every year after the 4th anniversary of the Conversion Date until reaching 0%, and thereafter 0%
5 or less	Bonds not redeemable pursuant to this paragraph	N/A

The above premiums may be changed upon the conversion to a Long-Term Rate upon the receipt of an Approving Opinion subject to and in accordance with the provisions of Sections 2.03(d) and (e).

(b) ***Extraordinary Optional Redemption.*** The Bonds are subject to redemption in whole, at the direction of the Borrower, on behalf of the Issuer, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date, on any date for which the requisite notice of redemption can be given, within one hundred eighty (180) days of the occurrence of any of the following events:

- (i) the Property shall have been damaged or destroyed to such an extent that in the judgment of the Borrower (A) it cannot reasonably be restored within a period of three (3) consecutive months to the condition thereof immediately preceding such damage or destruction, (B) the Borrower is thereby prevented from carrying on its normal operations at the Property for a period of

three (3) consecutive months, or (C) it would not be economically feasible for the Borrower to replace, repair, rebuild or restore the same;

(ii) title in and to, or the temporary use of, all or substantially all of the Property shall have been taken under the exercise of the power of eminent domain by any governmental authority or any Person acting under governmental authority (including such a taking as, in the judgment of the Borrower, results in the Borrower being prevented thereby from carrying on its normal operations at the Property for a period of three (3) consecutive months);

(iii) as a result of any changes in the Constitution of the State, or the Constitution of the United States of America or by legislative or administrative action (whether state or federal) or by final decree, judgment, decision or order of any court or administrative body (whether state or federal), the Agreement shall have become void or unenforceable or impossible of performance in accordance with the intent and purpose of the parties as expressed therein;

(iv) unreasonable burdens or excessive liabilities shall have been imposed on the Borrower with respect to the operations of the Property, including, without limitation federal, state or other ad valorem, property, income or other taxes not being imposed on the date of this Indenture that, in the judgment of the Borrower, render the continued operation of the Property uneconomical;

(v) changes which the Borrower cannot reasonably control or overcome in the economic availability of materials, supplies, labor, equipment and other properties and things necessary for the efficient operation of the Property for the purposes contemplated by the Agreement shall have occurred or technological changes that the Borrower cannot reasonably overcome shall have occurred that, in the judgment of the Borrower, render the continued operation of the Property uneconomical;

(vi) legal curtailment of the Borrower's use and occupancy of all or substantially all of the Property for any reason other than that set forth in (ii) above, which curtailment shall, in the judgment of the Borrower, prevent the Borrower from carrying on its normal operations at the Property for a period of three (3) consecutive months; or

(vii) the Agreement is terminated prior to its expiration for any reason other than the occurrence of an Event of Default under the Agreement.

Notwithstanding the foregoing provisions of this paragraph (b), during any Direct Purchase Period, any redemption under this paragraph (b) shall be subject to the provisions of the Continuing Covenant Agreement and the written direction or consent of the Bank.

(c) ***Mandatory Sinking Fund Redemptions.*** The Bonds are not subject to mandatory sinking fund redemption.

(d) ***Selection of Bonds to be Redeemed.*** If less than all the Outstanding Bonds shall be called for redemption, the Registrar or, if the Bonds are held in the Book Entry System, the Securities Depository, shall first select and call for redemption Credit Provider Bonds. If, following such selection, additional Bonds must be selected and called for redemption, the Registrar or, if the Bonds are held in the Book Entry System, the Securities Depository, shall select or arrange for the selection, in such manner as it shall deem fair and equitable and pursuant to its rules and procedures, the Bonds, in Authorized Denominations, provided that any Bond or portion thereof remaining Outstanding shall be in an Authorized Denomination. If there shall be called for redemption less than the principal amount of a Bond, the Issuer shall execute and the Trustee shall authenticate and deliver, upon surrender of such Bond, without charge to the Holder thereof in exchange for the unredeemed principal amount of such Bond at the option of such Holder, Bonds in any of the Authorized Denominations or, if the Bonds are held in the Book Entry System, the Securities Depository shall, acting pursuant to its rules and procedures, reflect in said system the partial redemption and the Trustee shall (i) either exchange the Bond or Bonds held by the Securities Depository for a new Bond or Bonds in the appropriate principal amount, if such Bond is presented to the Trustee by the Securities Depository, or (ii) obtain from the Securities Depository a written confirmation of the reduction in the principal amount of the Bonds held by such Securities Depository.

Section 2.19. Notice of Redemption. The Borrower shall exercise its option to prepay Repayments (and thereby cause a redemption of Bonds) by giving written notice to the Issuer, the Remarketing Agent, the Trustee, the Paying Agent, the Credit Provider, if a Credit Facility is then in effect, and during a Direct Purchase Period, the Bank, not less than forty-five (45)] days prior to the date selected for redemption; provided, however, that, if such redemption is pursuant to Section 2.18, the Borrower shall also deliver a certificate of a Borrower Representative certifying that the conditions precedent to such redemption have been met, and during any Direct Purchase Period, that any conditions to such redemption set forth in a Continuing Covenant Agreement have been met.

To exercise any optional redemption pursuant to Section 2.18(a) so long as a Credit Facility is in effect, at least one day before the Trustee is to give notice of such redemption, the Trustee must have received written consent from the Credit Provider to a drawing on the Credit Facility in the amount of such redemption price if moneys in the Bond Fund constituting Eligible Funds under clause (i) of the definition of Eligible Funds will not be available to reimburse the Credit Provider for such drawing on the date of such redemption. If the Credit Provider does not consent to a drawing for such optional redemption of Bonds pursuant to Section 2.18(a) and/or a redemption premium the payment of which is not provided for in the Credit Facility will be payable in connection with such optional redemption of Bonds pursuant to Section 2.18(a), the Trustee shall condition such call for redemption upon the deposit with the Trustee of sufficient moneys constituting Eligible Funds under clause (i) of the definition of Eligible Funds on or prior to the date selected for redemption to reimburse the Credit Provider for such drawing and/or to pay such redemption premium, and if sufficient moneys constituting Eligible Funds

under clause (i) of the definition of Eligible Funds are not so available on the date selected for redemption, such call for redemption shall be revoked.

Notice of redemption shall be mailed by the Trustee by first-class mail, postage prepaid, at least thirty (30) days before the redemption date to each Holder of the Bonds to be redeemed in whole or in part at such Holder's last address appearing on the Register, but no defect in or failure to give such notice of redemption shall affect the redemption or the validity of the proceedings for the redemption of the Bonds. A notice of optional redemption shall describe whether and the conditions under which the call for redemption shall be revoked. All Bonds properly called for redemption will cease to bear interest on the date fixed for redemption, provided Eligible Funds for their redemption have been duly deposited with the Trustee and, thereafter, the Holders of such Bonds called for redemption shall have no rights in respect thereof except to receive payment of the redemption price from the Trustee and a new Bond for any portion not redeemed.

Notwithstanding the foregoing provisions of this Section 2.19, during any Direct Purchase Period, in the event any of the Bonds are called for redemption, in whole or in part, pursuant to the provisions of Section 2.18, the Borrower shall give notice thereof to the Bank, in the name of the Issuer, at least thirty (30) days prior to the date fixed for redemption, which notice shall specify the anticipated redemption date and the principal amount of the Bonds to be redeemed. On a date no later than the date fixed for redemption in such notice, the Borrower shall pay, on behalf of the Issuer, to the Holder moneys in an amount sufficient, together with other moneys, if any, held by the Holder and available for the redemption of the Bonds, to redeem the Bonds at the redemption price set forth above.

Section 2.20. Book Entry System. Upon the initial issuance of the Bonds, the Trustee shall authenticate and deliver the Bonds to the Bank, as the registered owner and shall not be subject to the Book Entry System. Upon direction of the Bank, if the Bonds are subject to a Direct Purchase Period, on conversion of the Interest Rate Determination Method of the Bonds, the Bonds may be issued, pursuant to a Book Entry System administered by the Securities Depository with no physical distribution of Bond certificates to be made except as provided in this Section. Upon conversion of the Interest Rate Determination Method of the Bonds from a Short-Term Rate or a Long-Term Rate to an Index Interest Rate, the Trustee may, at the direction of the Issuer, withdraw the Bonds from the Book Entry System and authenticate and deliver the Bonds to the Holders thereof. Any provision of this Indenture or the Bonds requiring physical delivery of the Bonds shall, with respect to any Bonds held under the Book Entry System, be deemed to be satisfied by a notation on the Register that such Bonds are subject to the Book Entry System. The Book Entry System shall not be in effect with respect to the Bonds during an Index Interest Rate Period.

So long as a Book Entry System is being used, one Bond in the Principal Amount and registered in the name of the Securities Depository Nominee will be issued and deposited with the Securities Depository and held in its custody. The Book Entry System will be maintained by the Securities Depository and the Participants and Indirect Participants and will evidence beneficial ownership of the Bonds in Authorized Denominations, with registration of transfers of ownership effected on the records of the Securities Depository, the Participants and the Indirect Participants pursuant to rules and procedures established by the Securities Depository, the

Participants and the Indirect Participants. So long as a Book Entry System is being used, the principal of, interest and any premium on each Bond shall be payable to the Securities Depository Nominee or any other person appearing on the Register as the registered Holder of such Bond or such Holder's registered assigns or legal representative at the office of the Registrar designated in accordance with Section 9.04. So long as the Book Entry System is in effect, the Securities Depository will be recognized as the Holder of the Bonds for all purposes (except as provided in Section 2.06(b)). Transfer of principal, interest and any premium payments or notices to Participants and Indirect Participants will be the responsibility of the Securities Depository, and transfer of principal, interest and any premium payments or notices to Beneficial Owners will be the responsibility of the Participants and the Indirect Participants. No other party will be responsible or liable for such transfers of payments or notices or for maintaining, supervising or reviewing such records maintained by the Securities Depository, the Participants or the Indirect Participants. While the Securities Depository Nominee or the Securities Depository, as the case may be, is the registered owner of the Bonds, notwithstanding any other provisions set forth herein, payments of principal of, redemption premium, if any, and interest on the Bonds shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of said Holder as may be specified in the Register or by such other method of payment as the Trustee may determine to be necessary or advisable with the concurrence of the Securities Depository.

If (i) the Securities Depository determines not to continue to administer a Book Entry System for the Bonds, or (ii) the Remarketing Agent, with the consent of the Trustee, elects to remove the Securities Depository, then the Remarketing Agent, with the consent of the Trustee, may appoint a new Securities Depository. The Remarketing Agent may elect to remove the Securities Depository at any time.

If (i) the Securities Depository determines not to continue to administer a Book Entry System for the Bonds or has been removed and the Remarketing Agent fails to appoint a new Securities Depository, or (ii) the Remarketing Agent, with the consent of the Trustee, determines that continuation of a Book Entry System of evidence and transfer of ownership of the Bonds would adversely affect the interests of the Beneficial Owners, the Book Entry System will be discontinued, in which case the Trustee will deliver replacement Bonds in the form of fully registered certificates in Authorized Denominations in exchange for the Outstanding Bonds as required by the Trustee and the Beneficial Owners.

ARTICLE III

SECURITY

Section 3.01. Security. The Bonds and the interest and any premium thereon shall be a limited obligation of the Issuer as provided in Section 2.09, and shall be secured by and payable from the Trust Estate. The Issuer and Trustee agree that the Security Documents shall name the Bank and the Trustee as beneficiary thereunder and that the Trustee shall act in such capacity on behalf and for the benefit of the Holders and Beneficial Owners and any Swap Provider and each other payee or obligee secured by the Trust Estate.

Section 3.02. Payment of Bonds and Performance of Covenants. The Issuer shall promptly pay, but only out of the Trust Estate, the principal of, premium, if any, the Purchase Price of and interest on the Bonds at the place, on the dates and in the manner provided in the Bonds. The Issuer shall promptly perform and observe all covenants, undertakings and obligations set forth herein, in the Agreement or in the Bonds on its part to be performed or observed. The Issuer shall fully cooperate with the Trustee in the enforcement by the Trustee of any such rights granted to the Issuer under the Agreement.

Section 3.03. Authority. The Issuer represents and warrants that (i) it is duly authorized under the Constitution and laws of the State to issue the Bonds, and to execute, deliver and perform the terms of the Agreement and this Indenture; (ii) all action on its part for the issuance of the Bonds and execution and delivery of the Agreement and this Indenture has been duly taken; (iii) the Bonds, upon issuance and authentication, and the Agreement and this Indenture upon delivery, assuming that they are the respective legal, valid, binding and enforceable obligations of the other parties thereto, shall be valid and enforceable obligations of the Issuer in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or other similar laws affecting the enforcement of creditors' rights generally and general equitable principles; (iv) it has not heretofore conveyed, assigned, pledged, granted a Security Interest in or otherwise disposed of the Trust Estate; (v) it has not received any payments under the Agreement or the Note; (vi) without making any independent investigation, it has no knowledge of any right of set-off, defense or counterclaim to payment or performance of the terms or conditions of the Agreement or the Note; and (vii) the execution, delivery and performance of the Agreement and this Indenture and issuance of the Bonds are not in contravention of law or any agreement, instrument, indenture or other undertaking to which it is a party or by which it is bound and no other approval, consent or notice from any governmental agency is required on the part of the Issuer.

Section 3.04. No Litigation. The Issuer represents and warrants that there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending, or, to the best knowledge of the Issuer, threatened against or affecting the Issuer wherein an unfavorable decision, ruling or finding would adversely affect (i) the transactions contemplated by, or the validity or enforceability of, the Bonds, this Indenture or the Agreement or (ii) the tax-exempt status of interest on the Bonds.

Section 3.05. Further Assurances. The Issuer covenants that it will cooperate to the extent necessary with the Borrower, the Trustee, the Bank, if any, and any Credit Provider in their defenses of the Trust Estate against the claims and demands of all Persons and, upon payment or provision for payment of the fees and expenses to be incurred by the Issuer in connection therewith, will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee, the Bank, if any, or any Credit Provider may reasonably require for the better pledging of the Trust Estate. The Issuer shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Agreement or the Note without the prior written consent of the Trustee, which consent shall be governed by Article VIII.

Section 3.06. No Other Encumbrances. The Issuer covenants that, except as otherwise provided herein and in the Agreement, it will not sell, convey, mortgage, encumber or otherwise dispose of any portion of the Trust Estate.

Section 3.07. No Personal Liability. No recourse shall be had for the enforcement of any obligation, promise or agreement of the Issuer contained herein or in the Bonds or the other Bond Documents to which the Issuer is a party or for any claim based hereon or thereon or otherwise in respect hereof or thereof against any director, member, officer, agent, attorney or employee, as such, in his or her individual capacity, past, present or future, of the Issuer or of any successor entity, either directly or through the Issuer or any successor entity whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise. No personal liability whatsoever shall attach to, or be incurred by, any director, member, officer, agent, attorney or employee as such, past, present or future, of the Issuer or of any successor entity, either directly or through the Issuer or any successor entity, under or by reason of any of the obligations, promises or agreements entered into in the Bonds or between the Issuer and the Trustee, whether herein contained or to be implied herefrom as being supplemental hereto; and all personal liability of that character against every such director, member, officer, agent, attorney and employee is, by the execution of this Indenture and as a condition of, and as part of the consideration for, the execution of this Indenture, expressly waived and released.

Section 3.08. Credit Facility.

(a) ***Draws on Credit Facility.*** Except with respect to Bonds registered in the name of any Excluded Person and Credit Provider Bonds (which Bonds shall not be entitled to any benefit of any Credit Facility) at any time a Credit Facility is in effect (i) the Trustee shall draw moneys under such Credit Facility in accordance with the terms of the Credit Facility to the extent necessary to make timely payments of principal, premium, if any (if such Credit Facility provides for payment of such premium), and interest on the Bonds, in accordance with Section 4.01, (ii) the Trustee shall draw moneys, in accordance with Section 2.07(b), under such Credit Facility in accordance with the terms of the Credit Facility to the extent available in order to effect the purchase of Bonds (or portions thereof in Authorized Denominations) on a Mandatory Purchase Date or an Optional Tender Date, and (iii) upon declaration of acceleration of the Bonds pursuant to Section 6.02, the Trustee shall draw on the Credit Facility in accordance with the terms of the Credit Facility to the extent available in an amount equal to the full unpaid principal of and accrued interest on the Bonds. The Paying Agent shall promptly provide notice to the Trustee of any failure to pay principal of, premium, if any, or interest on the Bonds or the Purchase Price thereof.

(b) ***Reduction of Credit Facility.*** Upon any redemption or defeasance of any Bonds or upon cancellation of any Bonds upon purchase thereof as contemplated by Section 2.08, the Trustee shall send notice to the Credit Provider to reduce the amount available to be drawn on the Credit Facility (with written notice of the same to the Borrower) and the Trustee shall, upon request, confirm to the Credit Provider and the Borrower the principal amount of Bonds redeemed, cancelled or defeased.

(c) ***Extensions of Credit Facility.*** In the event that the term of the Credit Facility is extended, unless it is automatically extended by its terms or is extended by amendment, the Trustee shall surrender the instrument evidencing the Credit Facility to the Credit Provider in exchange for a new instrument conforming, in the opinion of Counsel, in all material respects to the instrument evidencing the Credit Facility being surrendered, except that the term thereof shall reflect the new term of the Credit Facility. The Trustee shall promptly surrender the instrument evidencing the Credit Facility to the Credit Provider for cancellation upon discharge of the Indenture pursuant to Section 5.01, subject to Section 3.08(d), or following a Credit Modification Date. If the Bonds are rated by a Rating Agency, notice of any extension of the Credit Facility (unless automatically extended by its terms) shall be furnished to such Rating Agency by the Trustee.

(d) ***Expiration or Termination of Credit Facility.*** If the Credit Facility provides that its term will be extended automatically unless the Credit Provider notifies the Trustee that the term will not be extended, then if the Trustee receives notice from the Credit Provider that the term of the Credit Facility will not be extended the Trustee shall mail a copy of such notice to the Borrower, the Remarketing Agent, if any, the Paying Agent and any Rating Agency then rating the Bonds no later than the Business Day after the Trustee receives such notice. The Trustee shall give notice to the Remarketing Agent and the Paying Agent, in the name of the Credit Provider, of the expiration or earlier termination of any Credit Facility then in effect, which notice shall specify the date of such expiration or earlier termination of the Credit Facility. If the Bonds are rated by a Rating Agency, notice of any such expiration or termination of the Credit Facility shall be furnished to such Rating Agency by the Trustee. On any Credit Modification Date, the Trustee shall not surrender any evidence of the Credit Facility that is expiring or being terminated until the Trustee shall have made such drawings, if any, and taken such other actions, if any, thereunder as shall be required under this Indenture in order to provide sufficient money for payment of the Purchase Price of Bonds tendered or deemed tendered on such Credit Modification Date to the extent necessary pursuant to Section 2.06(g), and shall have received the proceeds of such drawing from the Credit Provider. Notwithstanding any provision hereof to the contrary, the Borrower may not cause any Credit Facility to be terminated prior to its stated expiration date (whether in connection with the delivery of an Alternate Credit Facility or otherwise) during a Flexible Term Rate Period or a Long-Term Rate Period.

(e) ***Delivery of Initial Credit Facility and Alternate Credit Facility.*** At any time, upon at least twenty-five (25) days prior written notice to the Trustee, the Paying Agent, the Rating Agency, if any, rating the Bonds, the Remarketing Agent, if any, Market Agent, if any, and the Calculation Agent, the Borrower may, with the consent of the Remarketing Agent, if any, provide for delivery to the Trustee of an Initial Credit Facility or an Alternate Credit Facility, as the case may be, in accordance with the terms and conditions contained in this Section. Not less than fifteen (15) days prior to the proposed Credit Facility Effective Date (as defined below), which shall be a Credit Modification Date, the Trustee shall give each Holder notice of such Credit Modification Date by first-class mail, postage prepaid, which notice shall be in substantially the form of Exhibit D, appropriately completed; provided, however, that if the proposed Credit

Facility Effective Date is also a Conversion Date, the notice provisions of Section 2.04(d) shall apply.

If the terms and conditions contained in this Section are satisfied, the Trustee shall accept an Initial Credit Facility or an Alternate Credit Facility, and such Initial Credit Facility or Alternate Credit Facility shall become effective, on the date such Initial Credit Facility or Alternate Credit Facility, as applicable, is delivered to the Trustee (the "Credit Facility Effective Date"). During any Weekly Rate Period, the Credit Facility Effective Date may be any Business Day. During any Flexible Term Rate Period, the Credit Facility Effective Date must be a day that would otherwise be an Interest Payment Date for all of the Bonds. The Trustee may accept an Initial Credit Facility or an Alternate Credit Facility on the first day of any Long-Term Rate Period.

An Initial Credit Facility and any Alternate Credit Facility shall be an irrevocable direct-pay letter of credit issued by a commercial bank organized and doing business in the United States of America or a branch or agency of a foreign commercial bank located in the United States of America and subject to regulation by state or federal banking regulatory authorities. On or before the date of the delivery of an Initial Credit Facility or any Alternate Credit Facility to the Trustee, as a condition to the acceptance of such Initial Credit Facility or Alternate Credit Facility by the Trustee, the Borrower shall furnish to the Issuer and the Trustee (i) written evidence that the issuer of such Initial Credit Facility or Alternate Credit Facility is a commercial bank organized and doing business in the United States of America or a branch or agency of a foreign commercial bank located and doing business in the United States of America and subject to regulation by state or federal banking regulatory authorities, (ii) an Approving Opinion, (iii) an Opinion of Counsel satisfactory to the Trustee, the Rating Agency, if any, rating the Bonds, the Issuer, and the Remarketing Agent, if any, to the effect that the Initial Credit Facility or Alternate Credit Facility has been duly executed, issued and delivered by, and is the legal, valid and binding obligation of, the Credit Provider (or, in the case of a branch or agency of a foreign commercial bank, the branch or agency) issuing the same, enforceable in accordance with its terms, that the Initial Credit Facility or Alternate Credit Facility is not subject to the registration requirements of the Securities Act of 1933, as amended, and if required by the Rating Agency, if any, rating the Bonds, that payments of principal, premium, if any, or Purchase Price of or interest on the Bonds from the proceeds of a drawing on the Initial Credit Facility or Alternate Credit Facility will not constitute avoidable preferences under the Bankruptcy Code, and (iv) evidence of the written consent of the Remarketing Agent, if any. In the case of an Initial Credit Facility or Alternate Credit Facility issued by a branch or agency of a foreign commercial bank, there shall also be delivered an Opinion of Counsel licensed to practice law in the jurisdiction in which the head office of such bank is located, satisfactory to the Trustee, the Rating Agency, if any, rating the Bonds, the Issuer and the Remarketing Agent, if any, to the effect that the Initial Credit Facility or Alternate Credit Facility has been duly executed, issued and delivered by and is the legal, valid and binding obligation of such bank enforceable in accordance with its terms. The Trustee shall accept any such Initial Credit Facility or Alternate Credit Facility only in accordance with the terms, and upon the satisfaction of the conditions, contained in this Section and any other provisions

applicable to acceptance of an Initial Credit Facility or Alternate Credit Facility under this Indenture.

(f) **Subrogation.** The Credit Provider shall be subrogated to all of the rights possessed hereunder by the Trustee and the owners of the Bonds against the Issuer and the Borrower to the extent that funds are drawn pursuant to the Credit Facility and used to pay the principal of or interest on the Bonds. For purposes of the subrogation rights of the Credit Provider hereunder, (i) any reference herein to the owners or registered owners of the Bonds, the principal of and interest on which have been paid with moneys collected pursuant to the Credit Facility, shall be deemed to be a reference to the Credit Provider, and (ii) any principal or Purchase Price of, or interest on, the Bonds paid with moneys collected pursuant to the Credit Facility shall be deemed to be unpaid hereunder. The subrogation rights granted to the Credit Provider hereunder are not intended to be exclusive of any other remedy or remedies available to the Credit Provider, and such subrogation rights shall be cumulative and shall be in addition to every other remedy given hereunder or under the Reimbursement Agreement, or any other instrument or agreement with respect to the reimbursement of moneys paid by the Credit Provider pursuant to the Credit Facility, and every other remedy now or hereafter existing at law or in equity or by statute.

Section 3.09. Swaps. If the Borrower enters into a Swap [pursuant to Section 5.09 of the Agreement] with any Swap Provider other than Wells Fargo Bank, National Association, or any of its affiliates, the Borrower shall immediately submit the executed Swap documents to the Bank. Upon receipt of such executed Swap documents, the Bank shall promptly by notice to the Trustee (i) designate the periodic payments on the Swap to be either Parity Periodic Swap Payments or Subordinated Periodic Swap Payments and (ii) designate the termination payments on the Swap to be either Parity Swap Termination Payments or Subordinated Swap Termination Payments. If the Bank fails to make such designation, the periodic and termination payments on the Swap shall be deemed to be Subordinated Periodic Swap Payments and Subordinated Swap Termination Payments, respectively. The payments on any Swap between the Borrower and Wells Fargo Bank, National Association, or any of its affiliates, including without limitation the Initial Swap, shall be Parity Periodic Swap Payments and Parity Swap Termination Payments.

ARTICLE IV

FUNDS

Section 4.01. Establishment and Use of Bond Fund and Current Account. There is hereby created and established with the Trustee the Bond Fund and, while a Credit Facility is in effect, within such fund a special account designated the "Current Account." The Trustee shall establish with the Paying Agent a separate subaccount of the Bond Fund that, while a Credit Facility is in effect, shall be used for depositing moneys drawn by the Trustee under the Credit Facility for the payment of principal, premium, if any, and interest on the Bonds. Neither the Trustee nor the Paying Agent shall commingle proceeds of a drawing under the Credit Facility with any other funds. Subject to the final paragraph of Section 2.02, there shall be deposited in the Bond Fund (a) all Repayments specified in the Agreement to be deposited in the Bond Fund, including all proceeds resulting from the enforcement of the Trust Estate or its realization as

collateral, (b) all other moneys received by the Trustee under the Agreement for deposit by it in the Bond Fund and (c) all moneys drawn under any Credit Facility to pay principal, premium, if any (if the Credit Facility provides for the payment of such premiums), or interest on the Bonds.

While a Credit Facility is in effect, each deposit into the Bond Fund not constituting Eligible Funds described in clause (i) of the definition thereof shall be placed in the Current Account within the Bond Fund and shall not be commingled with other moneys in the Bond Fund. The Trustee shall establish separate subaccounts within the Current Account for each deposit (including any investment income thereon) made into the Bond Fund so that the Trustee may at all times ascertain the date of deposit of the moneys in each subaccount.

Moneys in the Bond Fund shall be held in trust for the Holders and, except as otherwise expressly provided herein, shall be used solely for the payment of the interest on the Bonds and for the payment of principal of and premium, if any, on the Bonds upon maturity, whether stated or accelerated, or upon mandatory or optional redemption.

The Issuer hereby authorizes and directs the Trustee, and the Trustee hereby agrees, to withdraw and make available at the designated office of the Paying Agent sufficient funds from the Bond Fund to pay the principal of, premium, if any, and interest on the Bonds as the same become due and payable, but only in the following order of priority:

FIRST: Amounts drawn by the Trustee under a Credit Facility then in effect (provided, however, that such amounts shall not be used to pay any amounts with respect to any Bonds owned by or for the benefit of any Excluded Person, or any premium on the Bonds unless such Credit Facility provides for the payment of such premium);

SECOND: If a Credit Facility is then in effect, from the moneys constituting Eligible Funds described in clause (i) of the definition thereof; and

THIRD: Any other amounts (whether or not Eligible Funds) in the Bond Fund.

If moneys in the Bond Fund available pursuant to items FIRST and SECOND above are insufficient to make any payment of principal of, premium, if any or interest on the Bonds, whether due by maturity, acceleration, redemption or otherwise, or if the Credit Provider has dishonored its obligations under the Credit Facility, the Trustee, on or after the date such payment is to be made, shall apply any moneys described in item THIRD above.

To the extent that a Credit Facility is drawn on to make a payment of principal, interest or premium on Bonds to any Holder, the Trustee shall use any moneys in the Bond Fund not then needed to make payments to Holders, regardless of whether such moneys constitute Eligible Funds, to reimburse the Credit Provider subject to the parity interests of any Swap Providers to such moneys as provided herein.

If the Trustee shall receive notice from a Swap Provider (a copy of which notice shall be delivered to the Borrower by the Trustee) that any Parity Periodic Swap Payments or Parity Swap Termination Payments remain due and unpaid after the passage of all grace periods applicable to such payments under the terms of the Swap, the Trustee shall pay to the Swap Provider from the Bond Fund such overdue payments in the amounts identified in such notice

within two (2) Business Days after receipt thereof. If the amount available in the Bond Fund shall not be sufficient to pay in full the interest due on any Bond plus any sinking fund payments then due together with the overdue payments as set forth in the notice, then the amounts available in the Bond Fund shall be applied to the ratable payment of all such amounts due on such date.

After payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.02, the termination and payment in full of all Swap obligations (as evidenced by receipt of a certificate from the Borrower, signed by a Borrower Representative) and the payment of all other amounts owing hereunder, any amounts remaining in the Bond Fund shall be paid (a) first (i) to the Credit Provider, if any, if there is then any amount owing by the Borrower to the Credit Provider pursuant to this Indenture or the Reimbursement Agreement or (ii) to the Bank, if any, to the extent of any indebtedness of the Borrower to the Bank pursuant to this Indenture, the Agreement, or the Continuing Covenant Agreement, and (b) second to the Borrower. In making any payment to the Credit Provider or to the Bank under this Section, the Trustee may rely conclusively upon a written statement provided by the Credit Provider or the Bank, as the case may be, as to the amount payable to the Credit Provider hereunder or under the Reimbursement Agreement or to the Bank under this Indenture, the Agreement or the Continuing Covenant Agreement, as applicable.

Each of the Bond Fund, Current Account and its sub-accounts shall at all times constitute an Eligible Account. In the event that an account required to be an Eligible Account no longer complies with the requirement, the Trustee shall promptly (and, in any case, within not more than 30 calendar days) move such account to another financial institution such that the Eligible Account requirement will again be satisfied.

Section 4.02. Establishment and Use of Project Fund. There is hereby created and established with the Trustee the Project Fund. The proceeds of the Bonds shall be delivered to the Trustee for deposit into the Project Fund and will be disbursed in full on the Issue Date in accordance with the terms and conditions of the Agreement and any Continuing Covenant Agreement pursuant to a Requisition.

Section 4.03. Reserved.

Section 4.04. Establishment and Use of Bond Purchase Fund and Current Purchase Account. There is hereby established and created with the Trustee the Bond Purchase Fund and, while a Credit Facility is in effect, within such fund a special account designated the "Current Purchase Account." There shall be deposited in the Bond Purchase Fund all moneys required to be paid by the Borrower to provide for the payment of the Purchase Price of Bonds pursuant to this Indenture, together with any other moneys received by the Trustee pursuant to this Indenture, the Agreement or otherwise (including draws under the Credit Facility pursuant to Section 3.08(a)(ii)) that are required or directed to be paid into the Bond Purchase Fund. The Trustee shall establish with the Paying Agent a separate subaccount of the Bond Purchase Fund into which the proceeds of the remarketing of Bonds to purchasers (other than the Issuer, the Borrower, any other Person obligated (as guarantor or otherwise) to make payments on the Bonds or under the Agreement or under the Reimbursement Agreement or the Continuing Covenant Agreement or any "affiliate" of the Borrower as defined in Bankruptcy Code § 101(2))

will be deposited and a separate subaccount of the Bond Purchase Fund into which all amounts drawn under the Credit Facility pursuant to Section 3.08(a)(ii) will be deposited. Neither the Trustee nor the Paying Agent shall commingle amounts in either of such subaccounts with any other funds.

While a Credit Facility is in effect, each deposit into the Bond Purchase Fund not constituting Eligible Funds shall be placed in the Current Purchase Account within the Bond Purchase Fund and shall not be commingled with other moneys in the Bond Purchase Fund.

Moneys in the Bond Purchase Fund shall be held in trust for the Holders and, except as otherwise expressly provided herein, shall be used solely for the payment of the Purchase Price of the Bonds required to be purchased as set forth in Section 2.06(g).

The Trustee is hereby authorized and directed, and the Trustee hereby agrees, to withdraw and to transfer to the Paying Agent funds from the Bond Purchase Fund as contemplated by Section 2.06(g) by 1:30 p.m., Local Time, on each date that Bonds are to be purchased pursuant to Section 2.06 from the Bond Purchase Fund to pay the Purchase Price of Bonds tendered (or deemed tendered) for purchase pursuant to Section 2.06. The Trustee shall give the Remarketing Agent prompt telephonic notice of each such transfer.

To the extent that a Credit Facility is drawn on to make a payment of Purchase Price to any Holder, the Trustee shall use any moneys in the Bond Purchase Fund not then needed to make payments to Holders, regardless of whether such moneys constitute Eligible Funds, to reimburse the Credit Provider.

After payment in full of the Bonds, or provision having been made for payment of the Bonds pursuant to Section 5.02, and payment of all other amounts required to be paid under this Indenture, any amounts remaining in the Bond Purchase Fund shall be paid (a) first (i) to the Credit Provider, if any, if there is then any amount owing by the Borrower to the Credit Provider pursuant to this Indenture or the Reimbursement Agreement or (ii) to the Bank to the extent of any indebtedness of the Borrower to the Bank pursuant to this Indenture, the Agreement or the Continuing Covenant Agreement, and (b) second to the Borrower. In making any payment to the Credit Provider or to the Bank under this Section, the Trustee may rely conclusively upon a written statement provided by the Credit Provider or the Bank, as the case may be, as to the amount payable to the Credit Provider pursuant to this Indenture or the Reimbursement Agreement or to the Bank pursuant to this Indenture, the Agreement or the Continuing Covenant Agreement, as applicable.

Section 4.05. Deposit of Bond Proceeds. The Bond Proceeds shall be deposited in the Project Fund on the Issue Date.

Section 4.06. Records. The Trustee shall cause to be kept and maintained records pertaining to the Project Fund, the Bond Fund and the Bond Purchase Fund and all disbursements therefrom and shall periodically deliver to the Borrower statements of activity and statements indicating the investments, if applicable, made with moneys in all such funds during the applicable period. Upon written request, the Trustee shall provide the Borrower, within a

reasonable period of time, with a report stating the Principal Amount and a list of the registered owners of the Bonds as of the date specified by the Borrower in its request.

The Trustee shall provide the Borrower with a written report, on a monthly basis through the calendar month in which the last obligation of the Bonds is retired, identifying the Permitted Investments in which the moneys held as part of the Project Fund, the Bond Fund and the Bond Purchase Fund were invested during the preceding period and the dates of such investments, together with such other information as the Trustee ordinarily provides to Persons such as the Borrower in its regular monthly investment reports.

Section 4.07. Investment of Project Fund, Bond Fund and Bond Purchase Fund Moneys. Moneys held by the Trustee as part of the Project Fund, the Bond Fund and Bond Purchase Fund shall not be invested and the Paying Agent shall not invest any moneys it receives under this Indenture.

Section 4.08. Arbitrage; Rebate Fund. The Issuer recognizes that investment of the Bond Proceeds will be at the written direction of the Borrower but agrees that it will commit no act, or omit any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and the applicable regulations thereunder. There is hereby established with the Trustee a Rebate Fund (the "Rebate Fund"). Any provisions in this Indenture to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder.

The Trustee shall deposit in the Rebate Fund the amount paid to the Trustee by the Borrower pursuant to Section [8.09(b)] of the Agreement. Within sixty (60) days after each date on which rebate is required to be computed by the Code, the Trustee, acting on behalf of the Issuer, shall pay to the United States of America in accordance with Section 148(f) of the Code from the moneys then on deposit in the Rebate Fund an amount equal to 90% (or such greater percentage not in excess of 100% as the Borrower may direct the Trustee to pay) of the amount certified by the Borrower to be the required rebate to the United States of America as calculated under Section 148(f)(2) of the Code (hereinafter called the "Rebate Amount"). Within sixty (60) days after the payment in full of all Outstanding Bonds, the Trustee shall pay to the United States in accordance with Section 148(f) of the Code from the moneys then on deposit in the Rebate Fund an amount equal to 100% of the Rebate Amount and any moneys remaining in the Rebate Fund following such payment shall be paid to the Borrower.

The Trustee shall be entitled to rely on the calculations made pursuant to this Section and neither the Issuer nor the Trustee shall be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken in reliance upon such calculations.

The Trustee shall keep those records of the computations made pursuant to this Section that are furnished by the Borrower or the Issuer to the Trustee as required under Section 148(f) of the Code, provided that nothing in this Indenture shall impose any obligation on the Trustee with respect to requesting, preparing, obtaining or verifying any such records or any computations therein.

Moneys in the Rebate Fund may be invested as provided in Section [4.07] for the investment of the Project Fund and the Bond Fund.

Section 4.09. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or at the date fixed for redemption thereof or otherwise, if funds sufficient to pay the principal of, premium, if any, and interest on such Bond shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, payment of such Bond or portion thereof as the case may be, shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee, subject to any applicable escheat laws, to hold such fund or funds uninvested in the Bond Fund, without liability to the Holder of such Bond for interest thereon, for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such fund or funds, for any claim of whatever nature on his/her part on, or with respect to, said Bond, or portion thereof, or premium, if any.

ARTICLE V

DISCHARGE OF LIEN

Section 5.01. Discharge of Lien and Security Interest. Upon payment in full of all of the Bonds and the payment by or on behalf of the Borrower of all amounts outstanding under the Continuing Covenant Agreement or the Reimbursement Agreement, as applicable, and termination and payment of all amounts due under all Swaps, these presents and the Security Interests shall cease, determine and be discharged, and thereupon the Trustee, upon receipt by the Trustee of an Opinion of Counsel stating that all conditions precedent to the satisfaction and discharge of this Indenture have been complied with shall (a) cancel and discharge this Indenture, the lien upon the Trust Estate and the Security Interests; (b) execute and deliver to the Issuer and the Borrower, at the Borrower's expense, such instruments in writing as shall be required to cancel and discharge this Indenture and the Security Interests and reconvey to the Issuer and the Borrower the Trust Estate, and assign and deliver to the Issuer and the Borrower so much of the Trust Estate as may be in its possession or subject to its control, except for moneys and Government Obligations held in the Bond Fund for the purpose of paying Bonds and except for moneys held in the Bond Purchase Fund for the purpose of paying the Purchase Price of the Bonds which have been purchased pursuant to Section 2.06(g); and (c) release the Note and return any Credit Facility to the Credit Provider; provided, however, that the cancellation and discharge of this Indenture pursuant to this Section 5.01, (i) shall be subject to and qualified by the provisions of Section 5.03, (ii) shall not terminate the powers and rights granted to the Trustee, the Registrar and the Paying Agent with respect to the payment, registration of transfer and exchange of the Bonds and (iii) shall not impair or limit the rights of the Issuer, the Trustee, the Registrar and the Paying Agent to indemnity, non-liability and payment of all reasonable fees and expenses, which rights shall survive the cancellation and discharge of this Indenture pursuant to this Section or Section 5.02. If the Bonds are rated by a Rating Agency, notice of payment in full of the Bonds shall be furnished by the Trustee to such Rating Agency.

Section 5.02. Provision for Payment of Bonds. Bonds shall be deemed to have been paid within the meaning of Section 5.01 if:

(a) there shall have been irrevocably deposited in the Bond Fund:

(i) if the Bonds do not bear interest at the Fixed Rate, sufficient Eligible Funds, or

(ii) if the Bonds bear interest at the Fixed Rate, either (1) sufficient Eligible Funds, or (2) Government Obligations purchased with Eligible Funds of such maturities and interest payment dates and bearing such interest as will, in the opinion of a nationally recognized firm of certified public accountants, without further investment or reinvestment of either the principal amount thereof or the interest earnings thereon (said earnings also to be held in trust), be sufficient together with any moneys referred to in clause (1) above,

for the payment at their respective maturities or redemption or tender dates prior to maturity of the principal thereof and the redemption premium, if any, and interest to accrue thereon at such maturity or redemption or tender dates, as the case may be (except during a Direct Purchase Period, assuming that the Bonds bear interest at the Ceiling Rate during any period during which the interest rate on the Bonds may change);

(b) there shall have been paid or provision duly made for the payment of all fees and expenses of the Issuer, the Trustee, the Registrar, the Paying Agent and the Remarketing Agent, if any, due or to become due; and

(c) if any Bonds are to be redeemed on any date prior to their maturity, the Trustee shall have received in form satisfactory to it irrevocable instructions from a Borrower Representative to redeem such Bonds on such date and either evidence satisfactory to the Trustee that all redemption notices required by this Indenture have been given or irrevocable power authorizing the Trustee to give such redemption notices has been granted to the Trustee.

Limitations set forth elsewhere herein regarding the investment of moneys held by the Trustee in the Bond Fund shall not be construed to prevent the depositing and holding in the Bond Fund of the obligations described in Section 5.02(a)(ii) for the purpose of defeasing the lien of this Indenture as to Bonds which have not yet become due and payable. Notwithstanding any other provision of this Indenture to the contrary, all Eligible Funds deposited with the Trustee as provided in this Section may be invested and reinvested, at the direction of the Borrower, in Government Obligations (or, in the case of a deposit of Eligible Funds under Section 5.02(a), in a money market fund that invests solely in Government Obligations and is rated in the highest category by one of Fitch, Moody's or S&P and, if more than one of such rating agencies then rates such money market fund, is rated no less than the highest rating category by each of such rating agencies then rating such money market fund) maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations (or the money market fund) in the hands of the Trustee pursuant to this Section which is not required for the payment of the Bonds and interest and redemption premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund. Notwithstanding the foregoing provisions of this paragraph, if the Bonds are rated by S&P

at the time a deposit of Eligible Funds is made under Section 5.02(a), such Eligible Funds may be invested solely in Government Obligations maturing or to be available to be withdrawn at par no later than the earlier of the Maturity Date, a Mandatory Purchase Date, redemption date or, if the Bonds are in a Weekly Rate Period, the next possible Optional Tender Date.

Notwithstanding any other provision of this Indenture to the contrary, if a Bond has been deemed to be paid under this Section and the Holder or Beneficial Owner of such Bond delivers a tender notice with respect to such Bond that would result in the occurrence of an Optional Tender Date for such Bond prior to its maturity or redemption date: (1) the Remarketing Agent shall not remarket such Bond; (2) the Remarketing Agent shall notify the Trustee and the Paying Agent by the third Business Day prior to such Optional Tender Date for such Bond that it has received a tender notice with respect to such Bond; (3) the Trustee shall transfer to the Paying Agent, not later than 9:30 a.m., Local Time, on such Optional Tender Date for such Bond, Eligible Funds from the deposit made into the Bond Fund under Section 5.02(a)(i) sufficient to pay the Purchase Price of such Bond; (4) the Paying Agent shall purchase such Bond on such Optional Tender Date applicable to such Bond; and (5) such Bond shall be delivered to the Trustee for cancellation and shall be cancelled.

Notwithstanding any other provision of this Indenture to the contrary, during any Rate Period during which a Credit Facility is in effect, if all Bonds have been deemed to be paid because a deposit of Eligible Funds has been made under Section 5.02(a)(i), then if such deposit is made with proceeds of one or more drawings under the Credit Facility, then any excess funds remaining in the Bond Fund after payment of all of the Bonds at their respective maturities or redemption or tender dates shall be returned to the Credit Provider.

Notwithstanding any other provision of this Indenture to the contrary, if all Bonds have been deemed to be paid because a deposit has been made under Section 5.02(a), the Interest Rate Determination Method may not thereafter be changed by the Borrower.

If all Bonds have been deemed to be paid because a deposit has been made under Sections 5.02(a)(i) with proceeds of one or more drawings under the Credit Facility, then the surrender by the Trustee of the Credit Facility to the Credit Provider for cancellation prior to the maturity or redemption date of the Bonds shall not constitute a Credit Modification Date.

At or immediately prior to the time provision for payment shall be made there shall be delivered to the Trustee and any Rating Agency then maintaining a rating on the Bonds (A) in the case of a defeasance with Government Obligations, the opinion of nationally recognized certified public accountants referred to in Section 5.02(a)(ii) and (B) in the case of any defeasance, a written Opinion of Counsel experienced in bankruptcy law matters and in form satisfactory to the Trustee and any Rating Agency that such provision for payment will not constitute or be (w) an avoidable preferential payment pursuant to Section 547 of the Bankruptcy Code, (x) an avoidable post-petition transfer pursuant to Section 549 of the Bankruptcy Code, (y) recoverable from Holders of the Bonds pursuant to Section 550 of the Bankruptcy Code and (z) subject to the automatic stay under Section 362 of the Bankruptcy Code in the event of an Act of Bankruptcy.

Section 5.03. Discharge of this Indenture. This Indenture, the lien upon the Trust Estate, the Security Interests and the rights granted and duties imposed hereby, shall continue and subsist after payment in full of the Bonds under Section 5.01 or the deemed payment in full of the Bonds in accordance with Section 5.02 and payment of all Swap obligations until the Trustee shall have paid to the Bank, if any, or the Credit Provider, if any, as the case may be, or returned to the Borrower, all funds held by the Trustee which the Bank or the Credit Provider, as the case may be, or the Borrower, is entitled to receive pursuant to this Indenture or the other Bond Documents after all Bonds have been paid at maturity or redeemed.

ARTICLE VI

DEFAULT PROVISIONS AND REMEDIES

Section 6.01. Events of Default. Any one of the following shall constitute an Event of Default hereunder:

(a) Failure to pay interest on any Bond when and as the same shall have become due;

(b) Failure to pay the principal of or any premium on any Bond when and as the same shall become due, whether at the stated maturity or redemption date thereof or by acceleration;

(c) Failure to pay the Purchase Price of any Bond required to be purchased hereunder on a Mandatory Purchase Date when and as the same shall become due;

(d) Failure to observe or perform any other of the covenants, agreements or conditions on the part of the Issuer included in this Indenture or in the Bonds and the continuance thereof for a period of thirty (30) days after written notice to the Issuer, the Bank, if any, the Credit Provider, if a Credit Facility is then in effect, and the Borrower has been given by the Trustee, provided that the Credit Provider, if any, or the Bank, if any, shall have consented to the same constituting an Event of Default;

(e) The occurrence of an Event of Default under the Agreement;

(f) If a Credit Facility is in effect, the Trustee shall have received a written notice from the Credit Provider that an event of default under the Reimbursement Agreement has occurred and is continuing and a written request from the Credit Provider that the Bonds be accelerated;

(g) If, during a Direct Purchase Period, the Trustee shall receive a written notice from the Bank that an event of default has occurred under the Continuing Covenant Agreement, which notice may in addition instruct the Trustee to accelerate the Bonds; or

(h) If the Trustee shall receive a written notice from a Swap Provider that any Parity Periodic Swap Payment or Parity Swap Termination Payment is due and has not been paid after taking into account all grace periods applicable thereto under the Swap.

Section 6.02. Acceleration. Subject to the requirement that the consent of the Credit Provider, if any, and the Bank, if any, to any acceleration must be obtained in the case of an Event of Default described in Section 6.01(d) or (e), and further subject to the provisions of Section 6.04, upon the occurrence of any Event of Default hereunder the Trustee may and upon (i) the written request of the Holders of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding or (ii) the occurrence of an Event of Default under Section 6.01(a), (b), (c), (f) or (g), the Trustee immediately shall, by notice in writing sent to the Issuer, the Borrower, the Paying Agent, the Remarketing Agent, the Credit Provider, if any, and during a Direct Purchase Period, the Bank, declare the principal of all Bonds then Outstanding (if not then due and payable) and the interest accrued thereon to be due and payable immediately, and, upon said declaration, such principal and interest shall become and be immediately due and payable. Upon any declaration of acceleration hereunder, the Trustee shall immediately exercise such rights as it may have under the Agreement to declare all payments thereunder to be immediately due and payable and, if a Credit Facility is in effect, the Trustee shall immediately draw upon the Credit Facility as provided in Section 3.08(a)(iii). If the Credit Provider honors the drawing under the Credit Facility upon a declaration of acceleration of the Bonds, interest on the Bonds shall accrue only to the date of such declaration and the Trustee shall pay the principal of and interest on the Bonds to the Holders immediately following the receipt of funds from such drawing. If no Credit Facility is in effect or the Credit Provider fails to honor the drawing under the Credit Facility upon acceleration of the Bonds, interest on the Bonds shall cease to accrue as provided in Section 6.07.

Immediately following any such declaration of acceleration, the Trustee shall cause to be mailed notice of such declaration by first-class mail, postage prepaid, to each Holder of a Bond at his/her last address appearing on the Register. Any defect in or failure to give such notice of such declaration shall not affect the validity of such declaration.

Section 6.03. Other Remedies; Rights of Holders. Upon the happening and continuance of an Event of Default hereunder the Trustee may, only with the prior written consent of the Credit Provider, if any, and the Bank, if any, in the case of an Event of Default described in Section 6.01(d) or (e), with or without taking action under Section 6.02, pursue any available remedy to enforce the performance of or compliance with any other obligation or requirement of this Indenture, any of the Security Documents or the Agreement.

Subject to the requirement that the consent of the Credit Provider, if any, and the Bank, if any, to the exercise by the Trustee of any such available remedy must be obtained in the case of an Event of Default described in Section 6.01(d) or (e), and further subject to the provisions of Section 6.04, upon the happening and continuance of an Event of Default, and if requested to do so by the Holders of at least twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding and if the Trustee is indemnified as provided in Section 7.01(h), the Trustee shall exercise such of the rights and powers conferred by this Section and by Section 6.02 as the Trustee, being advised by Counsel, shall deem most effective to enforce and protect the interests of the Holders and any Swap Provider and, except to the extent inconsistent with the interests of the Holders, the Credit Provider, if any, and the Bank, if any.

No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Holders) is intended to be exclusive of any other remedy, but each and every such remedy

shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Holders hereunder or now or hereafter existing.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time and as often as may be deemed expedient. No waiver of any default or Event of Default hereunder, whether by the Trustee or by the Holders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

The Trustee, as the assignee of substantially all right, title and interest of the Issuer in and to the Agreement, shall be empowered to enforce each and every right granted to the Issuer under the Agreement other than Reserved Rights.

Section 6.04. Right of Holders and Credit Provider to Direct Proceedings. Subject, if a Credit Facility is then in effect, to the rights of the Credit Provider and the Bank, if any, as provided in Sections 6.02 and 6.03, the Holders of a majority in aggregate principal amount of Bonds then Outstanding shall have the right at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture and the Security Documents, or any other proceedings hereunder or thereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law, and this Indenture and the Security Documents, and provided that the Trustee shall be indemnified to its satisfaction and the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Notwithstanding the foregoing or any other provision of this Indenture, during any Direct Purchase Period, the Bank shall be entitled to exercise all of the powers, consents, rights and remedies to which the Holders of a majority in aggregate principal amount of Bonds then Outstanding are entitled hereunder, including the right, at any time, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings on behalf of the Holders available to the Trustee under this Indenture to be taken in connection with the enforcement of the terms of this Indenture or exercising any trust or power conferred on the Trustee by this Indenture.

No Holder shall have the right to institute any proceeding for the enforcement of this Indenture unless such Holder (or the Bank during any Direct Purchase Period) has given the Trustee and the Borrower written notice of an Event of Default, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding (or the Bank during any Direct Purchase Period) shall have requested the Trustee in writing to institute such proceeding, the Trustee shall have been afforded a reasonable opportunity to exercise its powers or to institute such proceeding, there shall have been offered to the Trustee indemnity satisfactory to it against the cost, expense and liability to be incurred in connection with such request and the Trustee shall have thereafter failed or refused to exercise such powers or to institute such proceeding within sixty (60) days after receipt of notice with no inconsistent direction given during such sixty (60) days by the Holders of a majority in aggregate principal amount of the Bonds then Outstanding (or by the Bank during any Direct Purchase Period). Nothing in this Indenture shall

affect or impair any right of enforcement conferred on any Holder by the Act to enforce (i) the payment of the principal of and premium, if any, and interest on Bonds at and after the maturity thereof, or (ii) the obligation of the Issuer to pay the principal of, premium, if any, and interest on Bonds to such Holder at the time, place, from the sources and in the manner as provided in this Indenture. No Holder shall individually have the right to present a draft to, or otherwise make a demand on, the Credit Provider to collect amounts available under the Credit Facility.

Section 6.05. Discontinuance of Default Proceedings. Prior to the drawing on a Credit Facility, if any, pursuant to Section 3.08(a)(iii), in case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Credit Provider, if any, the Bank, if any, and the Trustee shall be restored to their former positions and rights hereunder and all rights, remedies and powers of the Issuer, the Trustee, the Bank and the Credit Provider shall continue as if no such proceedings had been taken subject to the limits of any adverse determination.

Section 6.06. Waiver. The Trustee, with the consent of the Credit Provider, if any, and the Bank, if any, may waive any default or Event of Default hereunder and its consequences and rescind any declaration of acceleration of maturity of principal, and shall do so upon the written request of the Credit Provider, if any, or during a Direct Purchase Period, the Bank; provided, however, that the Trustee shall not cause such a waiver or rescission (a) during a Direct Purchase Period, unless and until the Bank has provided to the Trustee its prior written consent and (b) unless and until the Purchase Price and all principal, premium, if any, and interest on the Bonds in arrears, together with interest thereon (to the extent permitted by law) at the applicable rate of interest borne by the Bonds, all Parity Periodic Swap Payments and Parity Swap Termination Payments in arrears and all fees and expenses of the Trustee and the Issuer shall have been paid or provided for. The Trustee may not waive any default or Event of Default until the Trustee has received notice in writing from the Credit Provider that the amount available to be drawn under any Credit Facility then in effect in respect of the principal and Purchase Price of and interest on the Bonds has been reinstated in full and the notice of the Event of Default has been rescinded by the Credit Provider.

Section 6.07. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Indenture or under any of the other Bond Documents, including any proceeding at law or in equity to enforce the provisions of and foreclose, realize, levy or execute upon all items of collateral thereunder, shall be deposited in the Bond Fund and, after payment (out of moneys derived from a source other than the Credit Facility, moneys held for the purchase of Untendered Bonds, moneys held for the redemption of Bonds and proceeds from the remarketing of Bonds) of (i) the cost and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, including reasonable attorneys' fees, and all other outstanding fees and expenses of the Trustee, and thereafter any fees, expenses, liabilities and advances due to, or incurred or made by, the Paying Agent and the Registrar and (ii) any sums due to the Issuer under the Agreement (other than Repayments), such moneys shall be applied in the order set forth below:

(a) Unless the principal of all Bonds shall have become or been declared due and payable, all such moneys shall be applied:

First: To the ratable payment of (i) all installments of interest then due on the Bonds, and (ii) all Parity Periodic Swap Payments then due, if any, and, if the amount available shall not be sufficient to pay in full all such amounts described in clauses (i) and (ii) of this paragraph, then to the ratable payment of all such amounts so due and the portion thereof allocable to the installments of interest shall be applied in order of priority first to installments past due for the greatest period; and

Second: To the ratable payment of (i) the unpaid principal of and premium, if any, and the Purchase Price of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), (ii) any Parity Swap Termination Payments then due, if any, and (iii) to the payment of any Obligations owing to the Bank under the Continuing Covenant Agreement during any Direct Purchase Period (to the extent not required to be paid at a higher level of priority) and to the payment of any fees and expenses of a Credit Provider due and owing under any Reimbursement Agreement, and, if the amount available shall not be sufficient to pay in full all such amounts described in clauses (i), (ii) and (iii) of this paragraph due on any particular date, then to the ratable payment of all such amounts due on such date; and

Third: To the payment of Subordinated Periodic Swap Payments and Subordinated Swap Termination Payments then payable, if any, and if the amount available shall not be sufficient to pay all such amounts due on any particular date, then to the ratable payment of the amounts due on such date.

(b) If the principal of all the Bonds shall have become or been declared due and payable, all such moneys shall be applied:

First: To the payment of the principal, premium, if any, and interest then due and unpaid upon the Bonds, any Parity Swap Termination Payment then due and any Parity Periodic Swap Payments then due, without preference or priority as between principal, premium, interest, installments of interest or Bonds, ratably according to the amounts due to the persons entitled thereto; and

Second: To the payment of any Obligations owing to the Bank under the Continuing Covenant Agreement during any Direct Purchase Period (to the extent not required to be paid at a higher level of priority) and to the payment of any fees and expenses of a Credit Provider due and owing under any Reimbursement Agreement; and

Third: To the payment of Subordinated Periodic Swap Payments and Subordinated Swap Termination Payments then payable, if any, ratably according to the amounts due to the persons entitled thereto.

(c) If the principal on all Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded under this Article then, subject to Section 6.07(b) in the event that the principal of all the Bonds shall again become or be

declared due and payable, the moneys shall be applied in accordance with Section 6.07(a).

Notwithstanding the foregoing, unless the Credit Facility permits drawings to pay premium with respect to Bonds, the Trustee shall be obligated to apply moneys received under a Credit Facility then in effect only to principal and Purchase Price of, and interest on the Bonds (except Bonds that are not entitled to any benefit of the Credit Facility as provided in Section 3.08). Whenever moneys (other than moneys received under a Credit Facility) are to be applied pursuant to this Section, the Trustee shall fix the date which shall be not more than seven (7) calendar days after such acceleration upon which such application is to be made and upon such date interest on the principal amount of Bonds to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date. As provided in Section 6.02, moneys received under a Credit Facility upon declaration of acceleration are to be applied as soon as is practicable following receipt to pay the principal of and interest on the Bonds to the Holders.

Whenever all of the Bonds and interest thereon have been paid under the provisions of this Section, the termination and payment in full of all Swap obligations and the payment of all other amounts owing hereunder, under any Continuing Covenant Agreement, any Reimbursement Agreement or any Swap, any balance remaining in the Bond Fund and the Project Fund shall be paid as provided in Article IV.

Section 6.08. Rights of a Credit Provider. All rights of any Credit Provider under this Indenture to consent to certain extensions, remedies, waivers, actions and amendments hereunder shall be suspended (i) for so long as the Credit Provider wrongfully dishonors any draft (or other appropriate form of demand) presented in strict conformity with the requirements of the Credit Facility and has not honored a subsequent draft (or other appropriate form of demand), if any, thereunder or (ii) if no Credit Facility is in effect or any Credit Facility terminates in accordance with its terms.

Section 6.09. Right of Sole Holder or Beneficial Owner to Require Assignment by Trustee. At any time during a Direct Purchase Period, upon the occurrence and during the continuance of an Event of Default, the Bank, if it is then the sole Holder or Beneficial Owner of all of the Bonds then Outstanding, shall have the right, at its option, exercised by delivery of a written instrument to the Trustee with a copy to the Borrower, to require the Trustee to assign to the Bank all of the rights, powers, and prerogatives of the Trustee under the Indenture to enforce the provisions of this Indenture, exercise any remedies and otherwise take actions and institute proceedings for the benefit of and on behalf of the Holders and Beneficial Owners and any Swap Provider, and the Trustee covenants and agrees that upon its release and indemnification with respect to any action or failure to act of the Bank subsequent to the aforesaid assignment, it shall execute and deliver all such documents as are necessary to accomplish the foregoing and vest such rights, remedies and title in the Bank.

ARTICLE VII

THE TRUSTEE; THE PAYING AGENT; THE REGISTRAR; THE REMARKETING AGENT

Section 7.01. Appointment of Trustee. The Trustee is hereby appointed and does hereby agree to act in such capacity and to perform the duties of the Trustee under this Indenture, but only upon and subject to the following express terms and conditions (and no implied covenants or other obligations shall be read into this Indenture against the Trustee):

(a) The Trustee may execute any of its trusts or powers hereunder and perform any of its duties by or through attorneys, agents, receivers or employees and shall not be held liable for their actions if such agents are selected with reasonable care. The Trustee shall be entitled to advice of Counsel concerning all matters hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees. The Trustee may act upon the opinion or advice of Counsel, accountants, engineers or surveyors selected by it in the exercise of reasonable care or, if the same are selected by the Issuer, approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein or in the Bonds, or for the recording, re-recording, filing or re-filing of this Indenture or the Security Documents or for insuring the Trust Estate or the Property or collecting any insurance moneys, or for the validity of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value of or title to the Property or otherwise as to the maintenance of the Trust Estate. The Trustee shall have no obligation to perform any of the duties of the Issuer under the Agreement. The Trustee shall not be liable to the Borrower, any Holder, any Beneficial Owner or any other Person for any loss suffered in connection with any investment of funds made by it in accordance with Section [4.07]. The Trustee shall not be liable to the Borrower for any loss suffered as a result of or in connection with any investment of funds made by the Trustee in good faith as instructed by or approved by a Borrower Representative. The Trustee shall have no duty or responsibility to examine or review and shall have no liability for the contents of any documents submitted to or delivered to any Holder in the nature of a preliminary or final placement memorandum, official statement, offering circular or similar disclosure document.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder after such Bonds shall have been delivered in accordance with instructions of the Issuer or for the use by the Borrower of the proceeds of the Bonds or for the use or application of any moneys received by the Paying Agent. The Trustee may become the owner of Bonds secured hereby with the same rights as any other Holder.

(d) The Trustee shall be protected in acting upon Opinions of Counsel and upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Holder of any Bond shall be conclusive and binding upon all future Holders of the same Bond and upon Bonds issued in exchange therefor or in place thereof. The Trustee may conclusively rely upon a certificate furnished by a Credit Provider as to amounts owing under the Reimbursement Agreement.

(e) The permissive right of the Trustee to do things enumerated in this Indenture or the Agreement shall not be construed as duties. The Trustee shall only be responsible for the performance of the duties expressly set forth herein and shall not be answerable for other than its gross negligence or bad faith in the performance of those express duties.

(f) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or non-fulfillment of contracts, relating to the Property.

(g) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trust and powers or otherwise in respect of this Indenture.

(h) Before taking any action requested hereunder by the Holders (except for acceleration of the Bonds as required by Section 6.02, drawing on the Credit Facility as required by Section 3.08(a) and the payment of principal, interest, premium and Purchase Price to Holders), the Trustee may require satisfactory security or indemnity bond for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its own gross negligence or bad faith by reason of any action so taken.

(i) All moneys received by the Trustee or the Paying Agent, until used or applied or invested as herein provided, shall be held as special trust funds for the purposes specified in this Indenture and for the benefit and security of the Holders of the Bonds and the Credit Provider as herein provided. Such moneys need not be segregated from other funds except to the extent required by law or herein provided, and neither the Trustee nor the Paying Agent shall otherwise be under any liability for interest on any moneys received hereunder except such as may be agreed upon. In accepting the trust hereby created, the Trustee acts solely as Trustee for the Holders of the Bonds and not in its individual capacity and all Persons, including, without limitation, the Holders of the Bonds, the Issuer or the Borrower, having any claim against the Trustee arising from this Indenture shall look only to the funds and accounts held by the Trustee hereunder for payment except as otherwise provided herein.

(j) The Trustee shall not be bound to ascertain or inquire as to the performance of the obligations of the Borrower or the Issuer under the Agreement or this

Indenture, and shall not be deemed to have, or be required to take, notice of default under this Indenture (other than under Section 6.01(a), (b) or (c) if notice thereof has been received from the Paying Agent or under Section 6.01(f), (g) or (h)) except (i) if no Credit Facility is in effect, in the event the Borrower fails to pay any Repayment Payment when due, (ii) in the event of an insufficient amount in the Bond Fund (or any account therein) to make a principal or interest or premium, if any, payment on the Bonds, (iii) written notification of such default by any Holder or Swap Provider, or (iv) written notification from the Credit Provider pursuant to Section 6.01(f). The Trustee may nevertheless require the Issuer and the Borrower to furnish information regarding performance of their obligations under the Agreement and this Indenture, but is not obligated to do so.

(k) The Trustee shall, prior to any Event of Default and after the curing of all Events of Default which may have occurred, perform such duties and only such duties of the Trustee as are specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default which has not been cured, exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his/her own affairs. The foregoing shall not limit the Trustee's obligations under Section 3.08(a) or Section 6.02.

(l) The Paying Agent and the Registrar shall each be entitled to the same rights and immunities with respect to their respective duties under this Indenture as the Trustee is under this Section 7.01 with respect to its duties hereunder.

(m) In addition to the Trustee's other duties hereunder, the Trustee shall authenticate and cancel Bonds as provided herein, keep such books and records relating to such duties as shall be consistent with prudent industry practice and make such books and records available for inspection by the Issuer and the Borrower at all reasonable times. All Bonds shall be made available for authentication, exchange and registration of transfer at the designated office of the Trustee.

(n) The Trustee shall have no duty to inspect or oversee the Property.

(o) Without limiting the duties of the Trustee expressly set forth herein, the Trustee shall have no obligation or responsibility whatsoever in connection with (i) any federal or state tax-exempt status of the Bonds or the interest thereon; (ii) the consequences of the investment or non investment of any funds or accounts relating to the Bonds or the Credit Facility under Section 148 of the Code, or (iii) the calculation of any amount required to be rebated to the United States of America under Section 148 of the Code.

(p) No provision of this Indenture, the Agreement or the Bonds shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds.

(q) Whenever in the administration of this Indenture the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may, in the absence of bad faith on its part, rely upon a written certificate of a Borrower Representative or an Issuer Representative.

(r) Except as provided in Section 7.09, in the event that the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders of the Bonds, each representing less than a majority in aggregate principal amount of the Bonds Outstanding, pursuant to the provisions of this Indenture, then the Trustee, in its sole discretion, may determine what action or actions, if any, shall be taken or not taken.

(s) The Trustee's immunities and protections from liability and its rights to indemnification in connection with the performance of its duties under this Indenture shall likewise extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's rights to compensation, shall survive the Trustee's resignation or removal, the discharge of this Indenture and the final payment of the Bonds.

(t) The Trustee, in its commercial banking or in any other capacity, may in good faith buy, sell, own, hold or deal in any of the Bonds and may join in any action that any Holder may be entitled to take with like effect as if it were not the Trustee. The Trustee, in its commercial banking or in any other capacity, may also engage in or be interested in any financial or other transaction with the Borrower, including Swaps, and may act as depository, trustee or agent for any committee of Holders secured hereby or other obligations of the Borrower, as freely as if it were not the Trustee hereunder. The provisions of this paragraph shall extend to the affiliates of the Trustee.

(u) Neither Section 2.04(g) nor any other provision of this Indenture shall require the Trustee to enter into any continuing disclosure agreement or other undertaking or to take any other action as may be required to cause compliance with Rule 15c2-12 under the Securities Exchange Act of 1934, as amended.

(v) The Trustee shall have no responsibility or obligation to Participants, to Indirect Participants, or to the Persons for whom they act as nominees with respect to the Bonds, or to any Beneficial Owner of Bonds in respect of the accuracy of any records maintained by the Securities Depository, the Securities Depository Nominee or any Participant or Indirect Participant, the payment by the Securities Depository, the Securities Depository Nominee or any Participant or Indirect Participant of any amount in respect of the principal or Purchase Price of or interest on the Bonds, any notice which is permitted or required to be given under this Indenture, the selection by the Securities Depository, the Securities Depository Nominee or any Participant or Indirect Participant of any Person to receive payment in the event of a partial redemption of the Bonds, or any consent given or other action taken by the Securities Depository or the Securities Depository Nominee as Holder.

(w) Whether or not expressly so provided, each and every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this Section 7.01.

Section 7.02. Compensation and Indemnification of Trustee, Paying Agent, Remarketing Agent and Registrar; Trustee's Prior Claim. The Agreement provides that the Borrower will pay the reasonable fees and expenses of the Issuer, the Trustee, the Paying Agent, the Remarketing Agent and the Registrar under this Indenture and all other amounts which may be payable to the Trustee, Paying Agent or Registrar under this Section, and the reasonable fees and expenses of the Remarketing Agent and all other amounts which may be payable to the Remarketing Agent under the Remarketing Agreement, such fees and expenses to be paid when due and payable by the Borrower directly to the Trustee, Paying Agent, Registrar and Remarketing Agent, respectively, for their own account.

The Borrower shall (a) pay the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), (b) pay the Paying Agent and the Registrar and any other agent of the Issuer or the Borrower acting hereunder or under the Agreement (the Paying Agent and the Registrar and any other agent of the Issuer being herein referred to as a "Borrower Agent") reasonable compensation, (c) pay or reimburse each of the Trustee and any Borrower Agent upon request for all reasonable expenses, disbursements and advances incurred or made, in accordance with any of the provisions of this Indenture and the Agreement (including the reasonable compensation and the reasonable expenses and disbursements of its Counsel and of all agents and other persons not regularly in its employ), except to the extent that any such expense, disbursement or advance is due to its own gross negligence or bad faith, and (d) indemnify each of the Trustee and any Borrower Agent for, and to hold it harmless against, any loss, liability or expense incurred by it, arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder or the performance of its duties hereunder or under the Agreement, including the reasonable costs and expenses of defending itself against or investigating any claim of liability in the premises, except to the extent that any such loss, liability or expense was due to its own gross negligence or bad faith. The obligations of the Borrower under the Agreement referred to in this Section shall constitute additional indebtedness hereunder and shall survive the satisfaction and discharge of this Indenture. Such additional indebtedness shall be a senior claim to that of the Bonds upon all property and funds held or collected by the Trustee as such, except funds held with respect to Untendered Bonds and unredeemed Bonds for which notice of redemption has been given, and except for any arbitrage rebate fund or account established pursuant hereto or pursuant to any arbitrage regulatory agreement. Notwithstanding the foregoing, neither the Trustee nor any Borrower Agent shall have any claim upon or shall be paid, prior to any Holder, from any Credit Facility or proceeds from the remarketing of Bonds, or the proceeds thereof, with respect to any such compensation, payment, reimbursement or indemnity. "Trustee", "Borrower Agent", "Paying Agent" and "Registrar" for purposes of this Section shall include any predecessor Trustee, Borrower Agent, Paying Agent and Registrar but the gross negligence or bad faith of any Trustee, Borrower Agent, Paying Agent or Registrar shall not affect the indemnification of any other Person. The obligations of the Borrower under this Section shall survive the termination of this Indenture and the resignation or removal of the Trustee.

Section 7.03. Intervention in Litigation. In any judicial proceedings to which the Issuer is a party, the Trustee may intervene on behalf of Holders, and shall intervene if requested in writing by the Credit Provider or the Holders of at least twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding and indemnified as provided in Section 7.01(h).

Section 7.04. Resignation; Successor Trustees. The Trustee and any successor Trustee may resign only upon giving sixty (60) days prior written notice to the Issuer, the Credit Provider, if any, the Borrower and each Holder of Bonds then Outstanding as shown on the Register. Such resignation shall take effect only upon the appointment of a successor Trustee by the Issuer with the written consent of the Borrower, the Bank, if any, and the Credit Provider, if any, and the acceptance of such appointment by the successor Trustee. If no successor is appointed within sixty (60) days after the notice of resignation, the resigning party may appoint a successor or petition any court of competent jurisdiction to appoint a successor. Upon appointment of a successor Trustee, the resigning Trustee shall assign all of its right, title and interest in this Indenture and the Trust Estate (including any Credit Facility then in effect) to the successor Trustee. The successor Trustee shall be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States of America, or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000. Any successor Trustee shall accept in writing its duties and responsibilities hereunder and such writing shall be filed with the Issuer, the Credit Provider, if any, the Borrower and the Bank, if any.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or any material part of the corporate trust business of the Trustee that includes this Indenture, shall be the successor of the Trustee hereunder, without the execution or filing of any instrument or any further act on the part of any Person, anything herein to the contrary notwithstanding, provided that such successor Trustee shall be eligible to serve as Trustee under the provisions of this Indenture. If the Trustee is not the successor corporation in any such merger or consolidation, the Trustee shall give notice of such event to the Borrower and shall take such action as may be required to effect a transfer of the trust included in this Indenture to such successor corporation.

Section 7.05. Removal of Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to the Trustee, the Credit Provider, if any, the Bank, if any, the Issuer and the Borrower and signed by the Holders of a majority in aggregate principal amount of Bonds then Outstanding, but only with the prior consent of the Credit Provider, if any, and the Bank, if any. During such time that no Event of Default has occurred and is continuing under this Indenture, the Trustee may also be removed by an instrument in writing delivered to the Trustee, the Credit Provider, if any, the Issuer and the Bank, if any, and signed by a Borrower Representative. Such removal shall take effect only upon the appointment of a successor Trustee by the Issuer with the written consent of the Borrower, the Bank, if any, and the Credit Provider, if any, and the acceptance of such appointment by the successor Trustee. Upon such removal, the Trustee shall assign to the successor Trustee all of its right, title and interest in this Indenture and the Trust Estate (including any Credit Facility then in effect) in the same manner as provided in Section 7.04. If the Bonds are rated by a Rating

Agency, notice concerning any change in the Trustee shall be furnished by the successor Trustee to such Rating Agency.

Section 7.06. Paying Agent. The Trustee is hereby appointed by the Issuer as the initial Paying Agent. The Issuer, at the direction of the Borrower and with the approval of the Remarketing Agent, if any, and the Credit Provider, if any, shall appoint any successor Paying Agent for the Bonds, subject to the conditions set forth in Section 7.07. The Paying Agent shall designate to the Issuer and the Trustee its designated office for all purposes hereof and signify its acceptance of the duties imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer and the Trustee under which the Paying Agent shall agree, particularly:

(a) to hold all sums held by it for the payment of the principal and Purchase Price of, premium, if any, or interest on the Bonds in trust for the benefit of the Holders of the Bonds until such sums shall be paid to such Holders of the Bonds or otherwise disposed of as herein provided;

(b) to perform its obligations under this Indenture; and

(c) to keep such books and records relating to its duties as Paying Agent as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Issuer, the Trustee and the Borrower at all reasonable times.

The Issuer shall cooperate with the Trustee, the Paying Agent and the Borrower to cause the necessary arrangements to be made and to be thereafter continued whereby:

(i) funds derived from the sources specified in this Indenture will be made available at the designated office of the Paying Agent for the timely payment of principal and Purchase Price of, premium, if any, and interest on the Bonds; and

(ii) the Paying Agent shall be furnished such records and other information, at such times, as shall be required to enable the Paying Agent to perform the duties and obligations imposed upon it hereunder.

In carrying out its responsibilities hereunder the Paying Agent will act for the benefit of the Holders. Notwithstanding anything to the contrary in this Indenture, the Paying Agent shall not invest any moneys it receives from a draw on the Credit Facility, if any.

No purchase of Bonds by the Paying Agent shall constitute a redemption of Bonds or any extinguishment of the debt represented thereby or cause the Paying Agent to be recognized as the owner of such Bonds for any purpose whatsoever. No delivery of Bonds to the Trustee shall constitute a redemption of Bonds or any extinguishment of the debt represented thereby or cause the Trustee to be recognized as the owner of such Bonds for any purpose whatsoever unless the Trustee has purchased such Bonds for its own account.

Section 7.07. Qualifications of Paying Agent. The Paying Agent shall be a bank or trust company with trust powers duly organized under the laws of the United States of America

or any state or territory thereof, having a combined capital stock, surplus and undivided profits of at least \$15,000,000 and authorized by law to perform all the duties imposed upon it by this Indenture. The designated office of the Paying Agent for all purposes hereof shall be the office of the Paying Agent at which all deliveries to it hereunder shall be made and any and all notices and other communications in connection herewith shall be delivered. The Paying Agent may at any time resign and be discharged of its duties and obligations created by this Indenture by giving at least sixty (60) days' notice to the Issuer, the Borrower and the Trustee. The Paying Agent may be removed at any time, at the direction of the Borrower, by an instrument, signed by the Issuer, filed with such Paying Agent and with the Trustee.

Section 7.08. Resignation of Paying Agent; Removal; Successors.

(a) In the event of the resignation or removal of the Paying Agent, the Paying Agent shall deliver any moneys and any related books and records held by it in such capacity to its successor or, if there be no successor, to the Trustee.

(b) In the event that the Paying Agent shall resign or be removed, or be dissolved, or if the property or affairs of the Paying Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and the Issuer shall not have appointed a successor Paying Agent (any appointment by the Issuer shall be with the prior written consent of the Borrower), the Trustee shall ipso facto be deemed to be the Paying Agent for all purposes of this Indenture until the appointment by the Issuer and acceptance of a successor Paying Agent.

Section 7.09. Instruments of Holders. Any instrument required by this Indenture to be executed by Holders may be in any number of writings of similar tenor and may be executed by Holders in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds given in any of the following forms shall be sufficient for any of the purposes of this Indenture:

(a) A certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him/her the execution thereof;

(b) A certificate executed by any trust company or bank stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank, as the property of such party, the Bonds therein mentioned.

The Trustee may rely on such an instrument of Holders unless and until the Trustee receives notice in the form specified in (a) or (b) above that the original such instrument is no longer reliable. In the event that the Trustee shall receive conflicting directions from two (2) or more groups of Holders, each with combined holdings of not less than twenty-five percent (25%) of the principal amount of Outstanding Bonds, the directions given by the group of Holders which holds the largest percentage of Bonds shall be controlling and the Trustee shall follow such directions to the extent required herein.

Section 7.10. Power to Appoint Co-Trustees. At any time or times, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Property may at the time be located, the Issuer and the Trustee shall have power to appoint and, upon the request of the Trustee or of the Holders of a majority of the aggregate principal amount of the Bonds then Outstanding, the Issuer shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint, one or more persons approved by the Trustee and the Borrower either to act as co-trustee or co-trustees, jointly with the Trustee of all or any part of the Property, or to act as separate trustee or separate co-trustees of all or any part of the Property, and to vest in such person or persons, in such capacity, such title to the Property or any part thereof, and such rights, powers, duties, trusts or obligations as the Issuer and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

Any co-trustee or separate trustee shall be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States of America or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000.

The Trustee and co-trustee, if any, may by written instrument between them designate and assign either the Trustee or the co-trustee or both of them to perform all or any part of the responsibilities and duties of the Trustee under this Indenture.

If the Issuer shall not have joined in such appointment within thirty (30) days after the receipt by it of a written request to do so, or in case an Event of Default shall have occurred and be continuing, the Trustee and the Borrower shall have the power to make such appointment.

The Issuer shall execute, acknowledge and deliver all such instruments as may be required by any such co-trustee or separate trustee for more fully confirming such title, rights, powers, trusts, duties and obligations to such co-trustee or separate trustee.

Every co-trustee or separate trustee appointed pursuant to this Section, to the extent permitted by law or any applicable contract, shall be subject to the following terms, namely:

(a) This Indenture shall become effective at the time the Bonds shall be authenticated and delivered, and thereupon such co-trustee or separate trustee shall have all rights, powers, trusts, duties and obligations by this Indenture conferred upon the Trustee in respect of the custody, control or management of moneys, papers, securities and other personal property.

(b) All rights, powers, trusts, duties and obligations conferred or imposed upon the trustees shall be conferred or imposed upon and exercised or performed by the Trustee, or by the Trustee and such co-trustee or co-trustees, or separate trustee or separate trustees, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act

or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(c) Any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee.

(d) Any co-trustee or separate trustee, to the extent permitted by law, may delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise.

(e) The Trustee at any time, by an instrument in writing, with the concurrence of the Borrower and the Issuer evidenced by a resolution, may accept the resignation of any co-trustee or separate trustee appointed under this Section, and, in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Issuer and the Borrower. Upon the request of the Trustee, the Issuer and the Borrower shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section.

(f) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder.

(g) Any moneys, paper, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

Upon the acceptance in writing of such appointment by any such co-trustee or separate trustee, it or he shall be vested with the Security Interest in the Trust Estate and with such rights, powers, duties, trusts or obligations, as shall be specified in the instrument of appointment jointly with the Trustee (except insofar as applicable law makes it necessary for any such co-trustee or separate trustee to act alone) subject to all the terms of this Indenture. Every such acceptance shall be filed with the Trustee.

In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the Security Interest in the Trust Estate and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee unless and until a successor co-trustee or separate trustee shall be appointed in the same manner as provided for with respect to the appointment of a successor Trustee pursuant to Section 7.04.

Section 7.11. Filing of Financing Statements. The Borrower shall file or record or cause to be filed or recorded all Financing Statements that are required in order fully to protect and preserve the Security Interests and the priority thereof and the rights and powers of the Trustee in connection therewith. The Borrower shall file or record or cause to be filed or recorded all continuation statements for the purpose of continuing without lapse the effectiveness

of (i) those Financing Statements which shall have been filed at or prior to the issuance of the Bonds in connection with the security for the Bonds pursuant to the authority of the U.C.C., and (ii) any previously filed continuation statements that shall have been filed as required herein. The Issuer and the Trustee shall sign, if necessary, and the Trustee shall deliver to the Borrower or its designee, all such Financing Statements as may be required for the purposes specified in the preceding sentence. Upon the filing of any such Financing Statement the Borrower shall immediately notify the Issuer and the Trustee that the same has been accomplished.

Section 7.12. Remarketing Agent. At the request of the Borrower, a Remarketing Agent may, and prior to any Conversion Date converting the Bonds to a Weekly Rate Period or a Flexible Term Rate Period, shall, be appointed with the prior written approval of the Issuer, the Bank, if any, and the Credit Provider, if any. The Borrower shall give written notice to the Trustee of such an appointment, and the Trustee, in turn, shall cause written notice of such appointment to be given to the Owners of the Bonds. The Issuer, at the direction of the Borrower, and with the consent of the Credit Provider, if any and the Bank, if any, shall appoint any successor Remarketing Agent for the Bonds (except for assignees permitted under the following sentence), subject to the conditions set forth in Section 7.13. To the extent permitted by any Remarketing Agreement then in effect, the Remarketing Agent may at any time transfer all of its duties and obligations as Remarketing Agent hereunder to an affiliate of such Remarketing Agent that satisfies the conditions set forth in Section 7.13 and, upon such transfer, such affiliate shall automatically become the Remarketing Agent hereunder without any further action.

Any Remarketing Agent shall designate to the Issuer and the Trustee its designated office for purposes hereof, which shall be the office of such Remarketing Agent at which all notices and other communications in connection herewith may be delivered to it, and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer, the Borrower, the Trustee, the Bank, if any, and the Credit Provider, if any, under which such Remarketing Agent shall agree particularly (i) to hold all Bonds delivered to it hereunder in trust for the benefit of the respective Holders of Bonds that delivered such Bonds until moneys representing the Purchase Price of such Bonds are delivered to or for the account of or to the order of such Holders of Bonds; (ii) to hold all moneys delivered to it hereunder for the purchase of Bonds in trust for the benefit of the person or entity that has delivered such moneys until the Bonds purchased with such moneys are delivered to or for the account of such person or entity; and (iii) to keep books and records with respect to its activities hereunder available for inspection by the Issuer, the Trustee, the Borrower, the Bank, if any, and the Credit Provider, if any, at all reasonable times.

Section 7.13. Qualifications of Remarketing Agent; Resignation; Removal. The Remarketing Agent shall be a financial institution or registered broker/dealer authorized by law to perform all the duties imposed upon it by this Indenture. The Remarketing Agent may at any time resign and be discharged of its duties and obligations created by this Indenture by giving at least thirty (30) days' notice to the Issuer, the Borrower, the Paying Agent, the Trustee, the Bank, if any, and the Credit Provider, if any; provided, however, that if no successor Remarketing Agent has been appointed in accordance with Section 7.12 and this Section on or prior to the effective date of such resignation, (i) the resigning Remarketing Agent shall give written notice to Holders on the effective date of such resignation that all optional tender notices under Section 2.06(a) should be delivered to the Trustee until a successor Remarketing Agent has been

appointed and (ii) until a successor Remarketing Agent has been appointed, the Trustee shall have no duty to remarket the Bonds, but shall provide the funds described in clauses (ii), (iii) and (iv) of Section 2.06(g) to the Paying Agent in that order on each Optional Tender Date specified in such notices to pay the Purchase Price of all Bonds tendered. The Remarketing Agent may be removed at any time, upon not less than thirty (30) days' notice, at the direction of the Borrower, by an instrument signed by the Issuer and the Borrower and filed with the Remarketing Agent, the Trustee, the Paying Agent, the Bank, if any, and the Credit Provider, if any; provided that no such removal shall be effective until a successor Remarketing Agent has been appointed in accordance with Section 7.12 and this Section and such successor Remarketing Agent has accepted such appointment.

Section 7.14. Several Capacities. Anything in this Indenture to the contrary notwithstanding, the same entity may serve hereunder as the Trustee, the Credit Provider, the Paying Agent, the Registrar, the Bank, the Calculation Agent, Market Agent and the Remarketing Agent and in any other combination of such capacities, to the extent permitted by law.

Section 7.15. Trustee Not Responsible for Duties of Remarketing Agent, Registrar, Calculation Agent, Market Agent and Paying Agent. Notwithstanding anything to the contrary in this Indenture, the Trustee shall not be liable or responsible for any of the duties or obligations of the Remarketing Agent, the Registrar, the Calculation Agent, Market Agent or the Paying Agent under this Indenture (or be liable or responsible for the acts or omissions of the Paying Agent, the Registrar, the Calculation Agent, the Market Agent or the Remarketing Agent or any action taken by the Trustee or failure to act in reasonable reliance upon any action or failure to act by the Paying Agent, the Registrar, the Calculation Agent, the Market Agent or the Remarketing Agent) except for the duties imposed upon, or the acts and omissions of, (i) the Trustee while deemed to be the Paying Agent pursuant to Section 7.08(b) because a successor Paying Agent has not been appointed by the Issuer and (ii) the Trustee as recipient of optional tender notices after the written notice provided for in Section 7.13 has been given by the resigning Remarketing Agent to Holders to the effect that no successor Remarketing Agent has been appointed. The Trustee shall not be bound to ascertain or inquire as to the truth or accuracy of any information provided to it by the Paying Agent, the Registrar, the Calculation Agent, the Market Agent or the Remarketing Agent but may for any purpose conclusively rely upon any information given to the Trustee by the Paying Agent, the Registrar, the Calculation Agent, the Market Agent or the Remarketing Agent.

Section 7.16. Cooperation of the Issuer. The Issuer shall cooperate with the Trustee, the Paying Agent, the Registrar, the Calculation Agent, the Market Agent, the Remarketing Agent, if any, and the Borrower, if requested to do so by the Trustee or the Borrower and to the extent it may lawfully do so, to cause the necessary arrangements to be made and to be thereafter continued whereby funds from the sources specified in Section 4.04 will be made available to pay the Purchase Price of Bonds presented to the Trustee.

Section 7.17. Cooperation of the Trustee, the Remarketing Agent, the Calculation Agent, the Market Agent, the Registrar and the Paying Agent. The Trustee, the Remarketing Agent, if any, the Calculation Agent, the Market Agent, the Registrar and the Paying Agent shall cooperate in all respects and shall provide to the other in a timely fashion the information and

knowledge each possesses so that the Trustee and each of such parties may faithfully exercise their respective obligations hereunder.

ARTICLE VIII

AMENDMENTS, SUPPLEMENTAL INDENTURES

Section 8.01. Supplemental Indentures. The Issuer and the Trustee, with the consent of the Credit Provider, if any, and the Bank during a Direct Purchase Period, but without the consent of or notice to any Holders during any Short-Term Rate Period or Long-Term Rate Period may enter into an indenture or indentures supplemental to this Indenture that do not materially adversely affect the interest of the Holders for one or more of the following purposes:

(a) to grant to or confer upon the Trustee for the benefit of the Holders and such Credit Provider, if any, any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Holders or the Trustee;

(b) to grant or pledge to the Trustee for the benefit of Holders and such Credit Provider, if any, any additional security other than that granted or pledged under this Indenture; provided that no additional security shall be granted or pledged to the Trustee for the benefit of such Credit Provider unless such Credit Provider agrees that the Trustee shall hold such security in trust for the equal or ratable benefit of such Credit Provider, on the one hand, and the Holders, on the other hand;

(c) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute then in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States of America;

(d) to appoint a successor Trustee, separate trustees or co-trustees in the manner provided in Article VII;

(e) to modify, amend or supplement this Indenture for the purpose of obtaining or retaining a rating on the Bonds from a Rating Agency;

(f) to modify, amend or supplement this Indenture to permit a transfer of Bonds from one Securities Depository to another or the discontinuance of the Book Entry System and issuance of replacement Bonds to the Beneficial Owners;

(g) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture that may be defective or inconsistent with any provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture which shall not materially adversely affect the interest of the Holders or such Credit Provider, if any;

(h) to modify, amend or supplement this Indenture to permit the Paying Agent or the Registrar to assume any administrative duties of the Trustee hereunder (except any

duties of the Trustee with respect to the acceptance, modification, reduction or release of or drawing on, any Credit Facility) or for the Trustee to assume any administrative duties of the Paying Agent or the Registrar hereunder;

(i) to make any change herein necessary, in the opinion of Bond Counsel, to maintain the exclusion of the interest on any Outstanding Bonds from gross income of the Holders thereof for federal income tax purposes; and

(j) to make any change to the administrative provisions hereof, to accommodate the provisions of an Initial Credit Facility, Alternate Credit Facility, bond insurance or a liquidity facility.

When requested by the Issuer, and if all conditions precedent under this Indenture have been met, the Trustee shall join the Issuer in the execution of any such supplemental indenture unless it imposes additional obligations on the Trustee or adversely affects the Trustee's rights and immunities under this Indenture or otherwise. A copy of all such supplemental indentures shall be promptly furnished to the Credit Provider, if any, and the Paying Agent, and the Registrar shall be promptly advised of any modifications of its rights, duties and obligations hereunder.

The Trustee shall file copies of all such supplemental indentures with the Borrower, the Bank, if any, and the Credit Provider, if any, and, if the Bonds are rated by a Rating Agency, shall forward copies of all such supplemental indentures to such Rating Agency.

Section 8.02. Amendments to Indenture; Consent of Holders, the Credit Provider and the Borrower. Exclusive of supplemental indentures covered by Section 8.01 and subject to the terms and provisions contained in this Section, and not otherwise, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding and affected by such indenture or indentures supplemental hereto, with the consent of the Credit Provider, if any, shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and direct the execution by the Trustee of such other indenture or indentures supplemental hereto as shall be consented to by the Issuer in its sole discretion for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided, however, that nothing contained in this Section shall permit, or be construed as permitting, without the consent of the Holders of all Outstanding Bonds, (a) an extension of the maturity of the principal of, or the mandatory redemption date of, or interest on, any Bond, or (b) a reduction in the principal amount of, or the premium or the rate of interest on, any Bond, (c) a preference or priority of any Bond or Bonds over any other Bond or Bonds, (d) the creation of a lien on the Trust Estate prior to or on parity with the lien of this Indenture, or (e) a reduction in the aggregate principal amount of the Bonds required for any consent to any supplemental indenture; provided further, however, that without the written consent of the Trustee, the Trustee shall not be required to join in the execution of any supplemental indenture that affects the rights, duties, obligations or immunities of the Trustee or that imposes additional obligations on the Trustee. The giving of notice to and consent of the Holders to any such proposed supplemental indenture shall be obtained pursuant to Section 8.06.

Anything herein to the contrary notwithstanding, a supplemental indenture, amendment or other document described under this Article that affects any rights or obligations of the Borrower shall not become effective unless and until the Borrower shall have consented to the execution of such supplemental indenture, amendment or other document.

The Trustee shall file copies of all such supplemental indentures with the Borrower and, if the Bonds are rated by a Rating Agency, shall furnish copies of all such supplemental indentures to such Rating Agency.

Section 8.03. Amendments to the Security Documents, the Agreement or the Note Not Requiring Consent of Holders. Neither the Issuer nor the Trustee shall cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to any of the Security Documents, the Note or the Agreement without the prior written consent of the Credit Provider, if any, and during any Direct Purchase Period, the prior written consent of the Bank, but without any other requirement of the consent of or notice to any of the Holders. With the consent of the Credit Provider or the Bank as aforesaid, the Issuer and the Trustee, as the case may be, may enter into or permit (and the Trustee shall consent to) any amendment of the Agreement, the Note or any of the Security Documents acceptable to the Borrower as may be required (i) for the purpose of curing any ambiguity or formal defect or omission that shall not adversely affect the interest of the Holders, (ii) to grant or pledge to the Issuer or Trustee, for the benefit of the Holders or the Credit Provider, if any, any additional security, (iii) to modify, amend or supplement the Agreement, the Note, or any of the Security Documents for the purpose of obtaining or retaining a rating on the Bonds from a Rating Agency, (iv) to make any change therein necessary, in the opinion of Bond Counsel, to maintain the exclusion of interest on any Outstanding Bonds from gross income of the Holders thereof for federal income tax purposes or (v) in connection with any other change therein which, in the judgment of the Trustee acting in reliance upon an Opinion of Counsel, is not materially prejudicial to the interests of the Trustee and the Holders of the Bonds; provided, however, that without the written consent of the Trustee, the Trustee shall not be required to join in the execution of any such amendment that affects the rights, duties, obligations or immunities of the Trustee or that imposes additional obligations on the Trustee.

The Issuer, the Trustee and the Borrower shall file copies of any such amendments to the Agreement, the Note and the Security Documents with the Issuer, the Trustee, the Credit Provider, if any, the Bank, and, if the Bonds are rated by a Rating Agency, the Trustee shall furnish copies of such amendments to such Rating Agency.

Section 8.04. Other Amendment Provisions. The Issuer shall not enter into, and the Trustee shall not consent to, any modification or amendment of the Agreement, any of the Security Documents or the Note, nor shall any such modification or amendment become effective, without the consent of the Credit Provider, if any, and during any Direct Purchase Period, the consent of the Bank, and (except as permitted by Section 8.03) the consent of the Holders of a majority in aggregate principal amount of the Bonds at the time Outstanding, such consent to be obtained in accordance with Section 8.06. No such amendment may, without the consent of the Holders of all the Outstanding Bonds, reduce the amounts or delay the times of payment of Repayments under the Agreement or the Note.

Except as provided in this paragraph, the Issuer shall not enter into, and the Trustee shall not consent to, any modification or amendment of this Indenture, the Agreement or the Security Documents, nor shall any such modification or amendment become effective, without the consent of any Swap Provider for which either Parity Periodic Swap Payments or Parity Swap Termination Payments are payable, if such modification or amendment affects (a) the timing or amount of any payment or payments under such Swap, (b) a preference or priority of any payment with respect to any Bonds or Swap over any Swap, (c) the creation of a lien on the Trust Estate prior to or on a parity with the lien of this Indenture or (d) this paragraph.

The Issuer, the Trustee and the Borrower shall file copies of all such amendments to the Agreement, the Security Documents and the Note with the Issuer, the Trustee, the Credit Provider, if any, the Bank, if any, and, if the Bonds are rated by a Rating Agency, the Trustee shall furnish copies of such amendments to such Rating Agency.

Section 8.05. Amendments, Changes and Modifications to the Credit Facility.

Except as otherwise provided in the Agreement or in this Indenture, subsequent to the initial issuance of the Bonds and prior to payment of the Bonds in full (or provision for the payment thereof having been made in accordance with the provisions of this Indenture), no Credit Facility may be effectively amended, changed or modified without the prior written consent of the Trustee and the Paying Agent. The Trustee may, without the consent of the Holders of the Bonds, consent to any amendment of the Credit Facility as may be required to extend the term thereof or for purposes of curing any ambiguity, formal defect or omission or obtaining or retaining a rating on the Bonds from a Rating Agency that, in the Trustee's and the Paying Agent's judgment, does not prejudice in any material respect the interests of the Holders. Except for such amendments, and as otherwise provided herein, the Credit Facility may be amended only with the consent of the Issuer, the Trustee and the Holders of a majority in aggregate principal amount of Outstanding Bonds, except that no such amendment may be made that would reduce the amounts required to be paid thereunder, change the time for payment of such amounts or accelerate the expiration date of the Credit Facility without the written consent of the Holders of all Outstanding Bonds. The foregoing shall not limit the Trustee's obligation to send notice to the Credit Provider to reduce amounts available to be drawn under a currently effective Credit Facility under the circumstances set forth therein.

The Trustee shall file copies of all such amendments, changes or modifications with the Rating Agency, if any, rating the Bonds.

Section 8.06. Notice to and Consent of Holders. If consent of the Holders is required under the terms of this Indenture for the amendment of this Indenture or any of the other Bond Documents or the Credit Facility or for any other similar purpose, the Trustee shall cause notice of the proposed execution of the amendment or supplemental indenture to be given by first-class mail, postage prepaid, to the Holders of the Outstanding Bonds then shown on the Register. Such notice shall briefly set forth the nature of the proposed amendment, supplemental indenture or other action and shall state that copies of any such amendment, supplemental indenture or other document are on file at the office of the Trustee designated in accordance with Section 9.04 for inspection by all Holders. If, within sixty (60) days or such longer period as shall be prescribed by the Trustee following the mailing of such notice, the Holders of a majority or all, as the case may be, of the principal amount of the Bonds Outstanding (or, during any Direct Purchase

Period, the Bank) by instruments filed with the Trustee shall have consented to the amendment, supplemental indenture or other proposed action, then the Trustee may execute such amendment, supplemental indenture or other document or take such proposed action and the consent of the Holders shall thereby be conclusively presumed. Notwithstanding the foregoing provisions of this Section, the Remarketing Agent shall be deemed to be the Holder of the Outstanding Bonds on any Mandatory Purchase Date for the purpose of giving any consent required under the terms of this Indenture for the amendment of this Indenture, the Agreement, the Security Documents, the Note or the Credit Facility, if notice of such amendment has been given to the Persons to whom the Bonds are proposed to be remarketed.

Section 8.07. Approving Opinion Required. No indenture supplemental or amendment to this Indenture shall become effective without the delivery of an Approving Opinion.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Right of Trustee to Pay Taxes and Other Charges. If any tax, assessment or governmental or other charge upon any part of the Property is not paid as required, the Trustee may, subject to any indemnity required pursuant to Section 7.01(h), pay such tax, assessment or governmental or other charge, without prejudice, however, to any rights of the Trustee hereunder arising in consequence of such failure; and any amount at any time so paid under this Section, with interest thereon from the date of payment until paid at the greater of the rate of interest borne by the Bonds or the per annum rate of interest announced from time to time by the bank serving as Trustee as its "prime rate" shall become so much additional indebtedness secured by this Indenture, shall be given a preference in payment over the Bonds, and shall be paid out of the Trust Estate (other than from funds obtained from the Credit Facility).

Section 9.03. Severability. If any provision of this Indenture is held to be in conflict with any applicable statute or rule of law or is otherwise held to be unenforceable for any reason whatsoever, such circumstances shall not have the effect of rendering the other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatsoever. In any case where the date of maturity of interest on or premium, if any, or principal of the Bonds or the date fixed for redemption or purchase of any Bonds shall not be a Business Day, then payment of such Purchase Price, interest, premium or principal, unless otherwise provided herein, need not be made on such date but shall be made on the next succeeding Business Day, with the same force and effect as if made on the date of maturity or the date fixed for redemption, and, in the case of such payment, no interest shall accrue for the period from and after such date.

Section 9.06. Binding Effect. This instrument shall inure to the benefit of and shall be binding upon the Issuer and the Trustee and their respective successors and assigns, subject, however, to the limitations contained in this Indenture.

Section 9.07. Captions. The captions or headings in this Indenture are for convenience only and in no way define, limit or describe the scope or intent of any provisions or Sections of this Indenture.

Section 9.08. Governing Law. This Indenture shall be governed by and interpreted in accordance with the laws of the State.

Section 9.09. Limited Liability of Issuer. Notwithstanding anything to the contrary, any liability for payment of money and any other liability or obligation which the Issuer may incur under the Bonds, this Indenture[, the Note, the Security Documents] or the Agreement shall not constitute a general obligation of the Issuer but shall constitute limited obligations of the Issuer payable solely from and enforced only against the Trust Estate.

Section 9.10. Notices to Rating Agency. If the Bonds are rated by a Rating Agency, the Trustee shall provide written notice to such Rating Agency with respect to (i) the appointment of any successor Trustee, Remarketing Agent or Paying Agent, (ii) the appointment of any agent by the Trustee to perform any material duties of the Trustee under this Indenture, (iii) the expiration, termination, extension or substitution of any Credit Facility, (iv) any Fixed Rate Conversion Date or any conversion to a Flexible Term Rate or a Long-Term Rate, (v) any Mandatory Purchase Date (except Conversion Dates), (vi) any amendment or supplement to this Indenture, the Credit Facility, the Reimbursement Agreement or the Remarketing Agreement, and (vii) the payment in full of all of the Bonds (whether at stated maturity or upon redemption, acceleration or defeasance). Failure of the Trustee to provide any such notice shall not have any effect on the occurrence of such event.

Section 9.11. Execution in Counterparts. This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 9.12. Attorney's Fees. Except as may be otherwise set forth herein, attorney's fees shall not necessarily be recoverable by the prevailing party in the event this Indenture is subject to litigation.

Section 9.13. Patriot Act Compliance. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. For a

non-individual person such as a business entity, a charity, a trust or other legal entity the Trustee will ask for documentation to verify its formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification, and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

Section 9.14. Certain References Ineffective Except during a Period in which a Credit Facility is in Effect. Except during any period in which a Credit Facility is in effect and during the period immediately succeeding such a period until receipt by the Trustee of a certificate from the Credit Provider stating that all amounts payable to the Credit Provider under the Reimbursement Agreement have been paid in full, all references to the Credit Provider, the Reimbursement Agreement (as defined herein) and the Bonds shall be ineffective. For purposes of the approval and consent rights of the Credit Provider under the Agreement, the Bank shall be deemed to be, and shall be vested with and exercise all of the rights, remedies and prerogatives of, the Credit Provider during any Direct Purchase Period.

Section 9.15. Electronic Signatures. The parties agree that the electronic signature of a party to this Indenture shall be as valid as an original signature of such party and shall be effective to bind such party to this Indenture. The parties agree that any electronically signed document (including this Indenture) shall be deemed (i) to be "written" or "in writing," (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or "printouts," if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule. For purposes hereof, "electronic signature" means a manually signed original signature that is then transmitted by electronic means; "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a "pdf" (portable document format) or other replicating image attached to an e mail message; and, "electronically signed document" means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

AS STATED BELOW	January 1, 2037 <u>2033</u>	_____, 20__	_____

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: DOLLAR AMOUNT (\$_____)

FOR VALUE RECEIVED, PALM BEACH COUNTY, FLORIDA , a political subdivision duly organized and existing under the Constitution and laws of the Florida (the "Issuer"), hereby promises to pay to the Registered Owner specified above, or registered assigns (each, an "Owner"), upon surrender hereof at a designated office of Wells Fargo Bank, National Association, as registrar (the "Registrar"), on the Maturity Date specified above, unless redeemed prior thereto, the Principal Amount specified above, together with interest thereon at the rates determined as set forth herein from the Issue Date specified above, but only from the sources and in the manner hereinafter provided on the first Business Day of each calendar month during any Weekly Rate Period, on each July 1 and January 1 during any Medium-Term Rate Period or Fixed Rate Period, on the first Business Day immediately succeeding the last day of each Flexible Term Rate Period (but only as to Bonds for which such Flexible Term Rate Period is applicable) and on each Conversion Date (each, an "Interest Payment Date") until the principal hereof is paid or duly provided for upon redemption or maturity. Payment of the principal of and redemption premium, if any, and interest on this Bond shall be made in lawful money of the United States of America which on the respective dates of payment thereof shall be legal tender for the payment of public and private debts. Unless other arrangements are made pursuant to the Indenture (hereinafter defined), interest is payable by check or draft drawn upon Wells Fargo Bank, National Association, as Paying Agent (the "Paying Agent"), mailed on the Interest Payment Date (or, if such day is not a Business Day, the next succeeding Business Day) to the

Owner hereof at the close of business on the Record Date immediately preceding each Interest Payment Date at the address of such Owner as it appears on the Register. Interest on this Bond shall be computed on the basis of a 365-day year (366 days in a leap year) for the actual days elapsed during any Weekly Rate Period, a 360-day year consisting of twelve months of thirty days each during any Long-Term Rate Period and a 360-day year for the actual days elapsed during any Flexible Term Rate Period (calculated by multiplying the Principal Amount of Bonds by the interest rate, dividing that sum by 360, and multiplying that amount by the actual days elapsed)]. In any case where the date of maturity of interest on or premium, if any, or principal of this Bond or the date fixed for redemption of this Bond shall not be a Business Day, then payment of such interest, premium or principal need not be made on such date but shall be made on the next succeeding Business Day, with the same force and effect as if made on the date of maturity or the date fixed for redemption, and, in the case of such payment, no interest shall accrue for the period from and after such date.

This Bond shall be a limited obligation of the Issuer, the principal, interest and premium, if any, of which are payable solely from and secured by the Trust Estate described in the Indenture, including the moneys available to be drawn by the Trustee under any Credit Facility (as defined in the Indenture) that may be in effect from time to time to support payments due on or with respect to this Bond, all as described in and subject to limitations set forth in the Indenture, for the equal and ratable benefit of the Owners, from time to time of this Bond. This Bond and the interest thereon, the Purchase Price and redemption premium, if any, shall not be deemed to constitute or create an indebtedness, liability or obligation of the Issuer, the State of Florida or any political subdivision or agency thereof within the meaning of any state constitutional provision or statutory limitation or a pledge of the faith and credit or the taxing power of the State of Florida or any such political subdivision or agency.

THE BONDS AND THE PREMIUM, IF ANY, AND INTEREST THEREON SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR A PLEDGE OF FAITH AND CREDIT OF THE STATE OF FLORIDA, OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE ISSUER. NEITHER THE STATE NOR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE ISSUER SHALL BE OBLIGATED TO PAY PRINCIPAL OF OR PREMIUM, IF ANY, OR INTEREST ON THE BONDS OR OTHER COSTS INCIDENT THERETO EXCEPT FROM THE TRUST ESTATE. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OF FLORIDA OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE ISSUER, IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OR THE PREMIUM, IF ANY, OF THE BONDS OR INTEREST THEREON OR OTHER COSTS INCIDENT THERETO.

This Bond is one of the Bonds of a duly authorized issue of revenue bonds of the Issuer in the aggregate principal amount of \$12,000,000.00 known as Revenue ~~Bond~~Bonds (Palm Beach Day Academy, Inc. Project), Series 2013 (herein called the "Bonds"), dated as of the Issue Date referenced above. All of the Bonds are issued under and pursuant to Chapter 159, Part II, Florida Statutes, Article VIII, Section 1 of the Florida Constitution, and other applicable laws (the "Act"), and an Indenture of Trust (as amended, restated, supplemented or otherwise modified from time to time, the "Indenture"), dated as of April 11, 2013, by and between the Issuer and Wells Fargo Bank, National Association, as Trustee (the "Trustee"). Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and

application of the proceeds of the Bonds, the collection and disposition of revenues, a description of the funds charged with and pledged to the payment of the principal of and redemption premium, if any, and interest on the Bonds, the nature and extent of the security for the Bonds, the terms and conditions under which the Bonds are or may be issued, the rights, duties and obligations of the Issuer and of the Trustee and the rights of the Owners of the Bonds, and, by the acceptance of this Bond, the Owner hereof assents to all of the provisions of the Indenture. Capitalized terms used herein and not defined shall have the meanings ascribed to them in the Indenture.

The Bonds have been issued for the purpose of refinancing the Issuer's Tax-Exempt Adjustable Mode Revenue Bonds (Palm Beach Day Academy, Inc. Project) Series 2006. The Issuer and Palm Beach Day Academy, Inc. (the "Borrower") have entered into a Loan Agreement, dated as of April 11, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "Agreement"), pursuant to which the Issuer has agreed to lend the proceeds of the sale of the Bonds to the Borrower, and the Borrower has agreed to make payments in an amount, corresponding to the Principal Amount of, interest rate on, Purchase Price of and due dates of the Bonds. To evidence its obligation to make such payments, the Borrower has delivered to the Issuer its Promissory Note (the "Note") dated the Issue Date, which has been endorsed without recourse to the Trustee. The Agreement also provides for the payment by the Borrower of certain fees and expenses. Pursuant to the Indenture the Issuer has, for the benefit of the Owners of the Bonds, assigned, without recourse, representation or warranty, to the Trustee in trust the Trust Estate, which includes:

- (a) all Repayments received by the Issuer under the Agreement and the Note, which Repayments are to be paid directly by the Borrower to the Trustee and deposited in the Bond Fund or the Bond Purchase Fund in accordance with this Indenture;
- (b) all moneys in the Project Fund, the Bond Fund and the Bond Purchase Fund, including proceeds of the Bonds pending disbursement thereof;
- (c) all of the Issuer's rights, title and interest in the Agreement and the Note, except Reserved Rights;
- (d) all other rights and interests granted to the Issuer in connection with the Agreement (except Reserved Rights) as set forth herein or granted directly to the Trustee as provided herein;
- (e) all moneys available to be drawn by the Trustee under any Credit Facility that may be in effect from time to time to support payments due on or with respect to the Bonds;
- (f) all of the proceeds of the foregoing (except the amounts payable to or on behalf of the Issuer on account of its Reserved Rights), including without limitation investments thereof; and
- (g) all other property of every name and nature from time to time hereafter by delivery or by writing mortgaged, pledged, delivered or hypothecated as and for

additional security under this Indenture by the Issuer or by anyone on its behalf or with its written consent in favor of the Trustee.

The Bonds are additionally secured by an irrevocable, direct-pay letter of credit (the "Original Credit Facility") from [] (the "Credit Issuer"), in the amount of the aggregate principal amount of the Bonds Outstanding from time to time, plus [COVERAGE] days interest computed at an assumed interest rate of 10% per annum, which Original Credit Facility will expire on [CREDIT EXPIRATION DATE], unless extended or earlier terminated in accordance with its terms. Under certain circumstances described in the Indenture, the Borrower may obtain an Alternate Credit Facility in substitution for the Original Credit Facility.

The Bonds are issuable as fully registered Bonds in the principal amount of \$250,000 and multiples of \$5,000 in excess thereof (an "Authorized Denomination"). This Bond, upon surrender hereof at the designated office of the Registrar with a written instrument of transfer satisfactory to the Registrar executed by the Owner hereof or his/her attorney duly authorized in writing, may, at the option of the Owner hereof, be exchanged for an equal aggregate principal amount of Bonds of the same aggregate principal amount and tenor as the Bond being exchanged and of any Authorized Denomination. This Bond may be registered as transferred as provided in the Indenture, subject to certain limitations therein contained, only upon the Register, and only upon surrender of this Bond for registration of transfer to the Registrar accompanied by a written instrument of transfer (in substantially the form of the assignment attached hereto) duly executed by the Owner hereof or his/her duly authorized attorney. Thereupon, one or more new Bonds of any Authorized Denomination and in the same aggregate principal amount and tenor as the Bond surrendered (or for which registration of transfer has been effected) will be issued to the designated transferee or transferees.

1. Interest Rates on Bonds.

(a) Initial Rate -- General. This Bond shall bear interest as provided in the Indenture. Interest accrued on this Bond shall be paid on each Interest Payment Date (or, if such day is not a Business Day, the next succeeding Business Day) commencing on the earlier of the first Interest Payment Date following the Issue Date or the first Conversion Date. The interest rate on this Bond will be determined as provided in the Indenture; provided, that no Rate shall exceed the lesser of (i) the Ceiling Rate and (ii) the maximum rate permitted by applicable law; provided, however, interest computed on Bonds in a Direct Purchase Period shall not be limited to the Ceiling Rate. The Rate shall be determined by the [Calculation Agent][Remarketing Agent][Market Agent] on the applicable Conversion Date.

(b) Determination of Rate. [ASSUMES WEEKLY INTEREST PERIOD] After the determination of the Weekly Rate for the initial Weekly Interest Period, the applicable Rate shall be determined by the Remarketing Agent at the time and in the manner specified in the Indenture; provided that if for any reason such Rate is not established by the Remarketing Agent, no Remarketing Agent shall be serving as such under the Indenture or the Rate so established is held to be invalid or unenforceable, then the applicable Rate shall be determined as provided in the Indenture. The determination

of any Rate in accordance with the terms of the Indenture shall be conclusive and binding absent manifest error.

2. Tender of Bonds for Purchase. [ASSUMES WEEKLY INTEREST PERIOD]

(a) Optional Tender. Except as set forth in the Indenture, during any Weekly Rate Period, the Owners of the Bonds shall have the right to tender any such Bond (or portion thereof in an Authorized Denomination, provided that any Bond or portion thereof remaining is also in an Authorized Denomination) for purchase on any Optional Tender Date, but only upon:

(1) delivery to the Remarketing Agent at its designated office, not later than 4:00 p.m., Local Time, on the seventh (7th) day (or on the immediately preceding Business Day if such seventh (7th) day is not a Business Day) next preceding such Optional Tender Date, of an irrevocable written, telephonic (followed by written or facsimile confirmation delivered to the Remarketing Agent no later than the close of business on the next succeeding Business Day), facsimile or telegraphic notice (with a written or facsimile copy to the Trustee) stating (i) that such Owner will tender for purchase all or any portion of his/her Bonds in an Authorized Denomination and the amount of Bonds to be tendered, and (ii) the Optional Tender Date on which such Bonds will be tendered; and

(2) delivery of such Bond (with an appropriate instrument of transfer duly executed in blank) to the Trustee at its designated office at or prior to 10:00 a.m., Local Time, on such Optional Tender Date; provided, however, that no Bond (or portion thereof) shall be purchased unless such Bond as delivered to the Trustee shall conform in all respects to the description thereof in the aforesaid notice.

Any election of an Owner to tender a Bond for purchase on an Optional Tender Date in accordance with the Indenture shall be irrevocable and shall be binding on the Owner making such election and on any transferee of such Owner.

(b) Optional Tender By Beneficial Owners. If the Bonds are held in a Book Entry System and bear interest at a Weekly Rate, a purchase notice pursuant to 2(a)(1) above may be delivered by a Beneficial Owner. Such purchase notice must be delivered as set forth in 2(a)(1) above and must state that such Beneficial Owner will cause its beneficial interest (or portion thereof in an Authorized Denomination) to be tendered, the amount of such interest to be tendered, the Optional Tender Date on which such interest will be tendered and the identity of the Participant through which the Beneficial Owner maintains its interest. Upon delivery of such notice, the Beneficial Owner must make arrangements to have its beneficial ownership interest in the Bonds being tendered transferred to the Trustee at or prior to 10:00 a.m., Local Time, on the Optional Tender Date, but need not otherwise comply with 2(a)(2) above.

(c) Certain Required Tenders for Purchase. Bonds are subject to mandatory tender for purchase as provided in the Indenture on any Mandatory Purchase Date (i.e.,

any proposed Conversion Date, any Credit Modification Date, a proposed Credit Facility Effective Date, the first Business Day immediately succeeding the last day of each Flexible Term Rate Period applicable to such Bond then bearing interest at a Flexible Term Rate and certain dates designated by the Credit Issuer or the Borrower) at the Purchase Price thereof.

(d) Bonds Deemed Tendered. If (1) with respect to a Mandatory Purchase Date, an Owner fails to deliver such Bond to the Trustee on or before the Mandatory Purchase Date, or (2) with respect to an Optional Tender Date, an Owner gives notice pursuant to 2(a)(1) above to the Remarketing Agent and thereafter fails to deliver such Bonds (or portion thereof), to the Trustee, as required, then such Bond (or portion thereof) that is not delivered to the Trustee shall be deemed to have been properly tendered (such Bond being hereinafter referred to as an "Untendered Bond") and, to the extent that there shall be on deposit with the Paying Agent on the date purchase thereof is required as provided in the Indenture, an amount sufficient to pay the Purchase Price thereof, such Untendered Bond shall cease to constitute or represent a right to payment of principal or interest thereon and shall constitute and represent only the right to the payment of the Purchase Price payable on such date.

3. Conversion of the Interest Rate Determination Method for the Bonds. The Indenture provides that the Borrower may change the Interest Rate Determination Method for the Bonds, subject to the terms and conditions set forth therein.

4. Issuance of an Initial Credit Facility or Alternate Credit Facility. The Indenture provides that the Borrower may arrange for the issuance of an Initial Credit Facility or an Alternate Credit Facility, subject to the terms and conditions set forth therein.

5. Optional Redemption.

(a) During a Short-Term Rate Period. During any Weekly Rate Period, the Bonds are subject to redemption, at the direction of the Borrower, on behalf of the Issuer, in whole on any Business Day or in part on any Interest Payment Date at a redemption price equal to the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date. During any Flexible Term Rate Period, each of the Bonds is subject to redemption, at the direction of the Borrower, in whole or in part, on any Interest Payment Date applicable to such Bond to be redeemed at a redemption price equal to the principal amount of such Bond plus accrued interest thereon to, but not including, the redemption date.

(b) During a Long-Term Rate Period. During any Long-Term Rate Period, the Bonds are subject to redemption, at the direction of the Borrower, on behalf of the Issuer, in whole or in part, on any Interest Payment Date occurring on or after the First Day of Redemption Period as described below, at a redemption price equal to the principal amount thereof, plus a redemption premium (expressed as a percentage of principal amount) plus accrued interest thereon to, but not including, the redemption date as follows, provided, however, if a Credit Facility is then in effect, such redemption premium shall be paid only from Eligible Funds described in clause (i) of the definition

of Eligible Funds on deposit in the Bond Fund, unless such Credit Facility provides for payment of such premium:

Length of Long-Term Rate Period From Conversion Date Until End of Rate Period (Expressed in Years)	First Day of Redemption Period	Redemption Premium as a Percentage of Principal Amount of Bonds
More than 15	10th anniversary of Conversion Date	3% declining by 1% every year after the 10th anniversary of the Conversion Date until reaching 0%, and thereafter 0%.
More than 10 but not more than 15	7th anniversary of Conversion Date	3% declining by 1% every year after the 7th anniversary of the Conversion Date until reaching 0%, and thereafter 0%
More than 5 but not more than 10	4th anniversary of Conversion Date	2% declining by 1% every year after the 4th anniversary of the Conversion Date until reaching 0%, and thereafter 0%.
5 or less	Bonds not redeemable pursuant to this paragraph.	N/A

The above premiums may be changed upon the conversion to a Long-Term Rate upon the receipt of an opinion of Bond Counsel subject to and in accordance with the provisions of the Indenture.

6. **Extraordinary Optional Redemption.** The Bonds are subject to redemption in whole, at the direction of the Borrower, on behalf of the Issuer, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date, on any date for which the requisite notice of redemption can be given, within one hundred eighty (180) days of the occurrence of certain events specified in the Indenture relating to damage or destruction of the Property or portions thereof, the taking by eminent domain of the Property or portions thereof, changes in law or other events that render continued operation of the Property uneconomical, legal curtailment of the use of the Property or the termination of the Agreement other than because of an event of default thereunder.

7. **Mandatory Sinking Fund Redemption.** The Bonds are not subject to mandatory sinking fund redemption.

8. **Notice of Redemption.** Notice of redemption shall be mailed by the Trustee by first-class mail, postage prepaid, at least thirty (30) days before the redemption date to each Owner of the Bonds to be redeemed in whole or in part at his/her last address appearing on the Register, but no defect in or failure to give such notice of redemption shall affect the validity of the proceedings for the redemption of the Bonds. A notice of optional redemption shall describe

whether and the conditions under which the call for redemption shall be revoked. All Bonds properly called for redemption will cease to bear interest on the date fixed for redemption, provided Eligible Funds for their redemption have been duly deposited with the Trustee pursuant to the Indenture and, thereafter, the Owners of such Bonds called for redemption shall have no rights in respect thereof except to receive payment of the redemption price from the Trustee and a new Bond for any portion not redeemed.

9. **Miscellaneous.** Under certain circumstances as described in the Indenture, the principal of all the Bonds may be declared due and payable in the manner and with the effect provided in the Indenture.

Modifications or alterations to the Indenture, the Agreement or the Credit Facility may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or the Agreement, or to institute action to enforce the covenants therein, or to take any action with respect to a default under the Indenture or the Agreement, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided under certain limited circumstances described in the Indenture and the Agreement; provided, however, that nothing contained in the Indenture shall affect or impair any right of enforcement conferred on the Owner hereof by the Act to enforce (i) the payment of the principal of and premium, if any, and interest on this Bond at and after the maturity hereof, or (ii) the obligation of the Issuer to pay the principal of and premium, if any, and interest on this Bond to the Owner hereof at the time, place, from the source and in the manner as provided in the Indenture.

It is hereby certified that all acts, conditions and things required to happen, exist and be performed under the laws of the State of Florida and under the Indenture precedent to and in the issuance of this Bond have happened, exist and have been performed as so required and that the issuance, authentication and delivery of this Bond have been duly authorized by the Issuer.

Unless the certificate of authentication hereon has been executed by the Trustee by manual signature of one of its authorized signers, this Bond shall not be entitled to any benefit under the Indenture, or be valid or obligatory for any purpose.

REGISTERED OWNER:

FOR VALUE RECEIVED, PALM BEACH COUNTY, FLORIDA , a political subdivision duly organized and existing under the Constitution and laws of the State of Florida (the "Issuer"), hereby promises to pay to the Registered Owner specified above, or registered assigns (each, an "Owner"), upon surrender hereof at a designated office of Wells Fargo Bank, National Association], as registrar (the "Registrar"), on the Maturity Date specified above, unless redeemed prior thereto, an aggregate principal amount equal to \$12,000,000.00 (the "Principal Amount"), together with interest thereon at the rates determined as set forth herein from the Issue Date specified above, but only from the sources and in the manner hereinafter provided on the first Business Day of each calendar month and on each Conversion Date (each, an "Interest Payment Date") until the principal hereof is paid or duly provided for upon redemption or maturity. Payment of the principal of and redemption premium, if any, and interest on this Bond shall be made in lawful money of the United States of America which on the respective dates of payment thereof shall be legal tender for the payment of public and private debts. The Issuer and the Trustee have agreed that all amounts payable to the Owner with respect to any Bond held by the Owner shall be made to the Owner (without any presentment thereof, except upon payment of the final installment of principal, and without any notation of such payment being made thereon) in such manner or at such address in the United States of America as may be designated by the Owner in writing to the Trustee and the Issuer. Interest on this Bond shall be computed on the basis of a 365-day year (366 days in a leap year) for the actual days elapsed during any SIFMA Index Rate Period and a 360-day year for the actual days elapsed during any LIBOR Index Rate Period. In any case where the date of maturity of interest on or premium, if any, or principal of this Bond or the date fixed for redemption of this Bond shall not be a Business Day, then payment of such interest, premium or principal need not be made on such date but shall be made on the next succeeding Business Day, with the same force and effect as if made on the date of maturity or the date fixed for redemption, and, in the case of such payment, no interest shall accrue for the period from and after such date.

This Bond shall be a limited obligation of the Issuer, the principal, interest and premium, if any, of which are payable solely from and secured by the Trust Estate described in the Indenture, all as described in and subject to limitations set forth in the Indenture, for the equal and ratable benefit of the Owners, from time to time of this Bond. This Bond and the interest thereon, the Purchase Price and redemption premium, if any, shall not be deemed to constitute or create an indebtedness, liability or obligation of the Issuer, the State of Florida or any political subdivision or agency thereof within the meaning of any state constitutional provision or statutory limitation or a pledge of the faith and credit or the taxing power of the State of Florida or any such political subdivision or agency.

THE BONDS AND THE PREMIUM, IF ANY, AND INTEREST THEREON SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR A PLEDGE OF FAITH AND CREDIT OF THE STATE OF FLORIDA, OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE ISSUER. NEITHER THE STATE NOR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE ISSUER SHALL BE OBLIGATED TO PAY PRINCIPAL OF OR PREMIUM, IF ANY, OR INTEREST ON THE BONDS OR OTHER COSTS INCIDENT THERETO EXCEPT FROM THE TRUST ESTATE. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE ISSUER, IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OR THE PREMIUM, IF ANY, OF THE BONDS OR INTEREST THEREON OR OTHER COSTS INCIDENT THERETO.

This Bond is one of the Bonds of a duly authorized issue of revenue bonds of the Issuer in the aggregate principal amount of \$12,000,000.00 known as Revenue ~~Bond~~Bonds (Palm Beach Day Academy, Inc. Project), Series 2013 (herein called the "Bonds"), dated as of the Issue Date referenced above. All of the Bonds are issued under and pursuant to Chapter 159, Part II, Florida Statutes, Article VIII, Section 1 of the Florida Constitution, and other applicable laws (the "Act"), and an Indenture of Trust (as amended, restated, supplemented or otherwise modified from time to time, the "Indenture"), dated as of April 11, 2013, by and between the Issuer and Wells Fargo Bank, National Association, as Trustee (the "Trustee"). Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds, the collection and disposition of revenues, a description of the funds charged with and pledged to the payment of the principal of and redemption premium, if any, and interest on the Bonds, the nature and extent of the security for the Bonds, the terms and conditions under which the Bonds are or may be issued, the rights, duties and obligations of the Issuer and of the Trustee and the rights of the Owners of the Bonds, and, by the acceptance of this Bond, the Owner hereof assents to all of the provisions of the Indenture. Capitalized terms used herein and not defined shall have the meanings ascribed to them in the Indenture.

The Bonds have been issued for the purpose of refinancing the Issuer's Tax-Exempt Adjustable Mode Revenue Bonds (Palm Beach Day Academy, Inc. Project) Series 2006. The Issuer and Palm Beach Day Academy, Inc. (the "Borrower") have entered into a Loan Agreement, dated as of April 11, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "Agreement"), pursuant to which the Issuer has agreed to lend the proceeds of the sale of the Bonds to the Borrower, and the Borrower has agreed to make

payments in an amount, corresponding to the Principal Amount of, interest rate on, Purchase Price of and due dates of the Bonds. To evidence its obligation to make such payments, the Borrower has delivered to the Issuer its Promissory Note (the "Note") dated the Issue Date, which has been endorsed without recourse to the Trustee. The Agreement also provides for the payment by the Borrower of certain fees and expenses.

Pursuant to the Indenture the Issuer has, for the benefit of the Owners of the Bonds, assigned, without recourse, representation or warranty, to the Trustee in trust the Trust Estate, which includes:

- (a) all Repayments received by the Issuer under the Agreement and the Note, which Repayments are to be paid directly by the Borrower to the Trustee and deposited in the Bond Fund or the Bond Purchase Fund in accordance with this Indenture;
- (b) all moneys in the Project Fund, the Bond Fund and the Bond Purchase Fund, including proceeds of the Bonds pending disbursement thereof;
- (c) all of the Issuer's rights, title and interest in the Agreement and the Note, except Reserved Rights;
- (d) all other rights and interests granted to the Issuer in connection with the Agreement (except Reserved Rights) as set forth herein or granted directly to the Trustee as provided herein;
- (e) all of the proceeds of the foregoing (except the amounts payable to or on behalf of the Issuer on account of its Reserved Rights), including without limitation investments thereof; and
- (f) all other property of every name and nature from time to time hereafter by delivery or by writing mortgaged, pledged, delivered or hypothecated as and for additional security under this Indenture by the Issuer or by anyone on its behalf or with its written consent in favor of the Trustee.

The Bonds are issuable as fully registered Bonds in the principal amount of \$250,000 and multiples of \$5,000 in excess thereof (an "Authorized Denomination"). This Bond, upon surrender hereof at the designated office of the Registrar with a written instrument of transfer satisfactory to the Registrar executed by the Owner hereof or his/her attorney duly authorized in writing, may, at the option of the Owner hereof, be exchanged for an equal aggregate principal amount of Bonds of the same aggregate principal amount and tenor as the Bond being exchanged and of any Authorized Denomination. This Bond may be registered as transferred as provided in the Indenture, subject to certain limitations therein contained, only upon the Register, and only upon surrender of this Bond for registration of transfer to the Registrar accompanied by a written instrument of transfer (in substantially the form of the assignment attached hereto) duly executed by the Owner hereof or his/her duly authorized attorney. Thereupon, one or more new Bonds of any Authorized Denomination and in the same aggregate principal amount and tenor as the Bond surrendered (or for which registration of transfer has been effected) will be issued to the designated transferee or transferees.

1. Interest Rates on Bonds.

(a) Initial Rate -- General. Interest accrued on this Bond shall be paid on each Interest Payment Date (or, if such day is not a Business Day, the next succeeding Business Day) commencing on the earlier of the first Interest Payment Date following the Issue Date or the first Conversion Date. Except as provided further herein, this Bond shall bear interest at the LIBOR Index Rate; provided that the interest rate on this Bond shall not exceed the maximum rate permitted by applicable law. The Index Interest Rate shall be determined as follows:

(A) During each SIFMA Index Rate Period, this Bond shall bear interest at the SIFMA Index Rate unless a Taxable Date has occurred. The Calculation Agent shall determine the SIFMA Index Rate on each Computation Date during the SIFMA Index Rate Period, and such rate shall become effective on the SIFMA Rate Reset Date next succeeding such Computation Date.

(B) During each LIBOR Index Rate Period, this Bond shall bear interest at the LIBOR Index Rate unless a Taxable Date has occurred. The Calculation Agent shall determine the LIBOR Index Rate on each Computation Date and such rate shall become effective on the LIBOR Index Reset Date next succeeding such Computation Date, and interest at such rate shall accrue each day during such LIBOR Index Rate Period, commencing on and including the first day of such period to but excluding the last day of such period.

From and after any Taxable Date, the interest rate on this Bond shall be established at a rate at all times equal to the Taxable Rate.

(b) Interest Rate Upon Event of Default. Notwithstanding the foregoing but subject to the interest rate limitations of the first sentence of paragraph 1(a) above, upon the occurrence and continuation of an Event of Default, from and after the effective date of such Event of Default, the interest rate for this Bond shall be established at a rate at all times equal to the greater of (i) the Default Rate and (ii) the interest rate that otherwise would be applicable to this Bond but for the provisions of this paragraph, payable on demand to the Owner.

The determination of any Index Interest Rate by the Calculation Agent shall be conclusive and binding upon the Issuer, the Borrower, the Trustee, the Paying Agent, the Remarketing Agent, if any, and the Owner absent manifest error.

2. Tender of Bonds for Purchase.

(a) Certain Required Tenders for Purchase. This Bond is subject to mandatory tender for purchase as provided in the Indenture on any Mandatory Purchase Date (e.g., any proposed Conversion Date, a Bank Purchase Date and certain dates designated by the Owner or the Borrower) at the Purchase Price thereof.

(b) **Bonds Deemed Tendered.** If, with respect to a Mandatory Purchase Date, an Owner fails to deliver such Bond to the Trustee on or before the Mandatory Purchase Date, as required, then such Bond (or portion thereof) that is not delivered to the Trustee shall be deemed to have been properly tendered (such Bond being hereinafter referred to as an "Untendered Bond") and, to the extent that there shall be on deposit with the Paying Agent on the date purchase thereof is required as provided in the Indenture, an amount sufficient to pay the Purchase Price thereof, such Untendered Bond shall cease to constitute or represent a right to payment of principal or interest thereon and shall constitute and represent only the right to the payment of the Purchase Price payable on such date.

3. **Conversion of the Interest Rate Determination Method for the Bonds.** The Indenture provides that the Borrower may change the Interest Rate Determination Method for the Bonds, subject to the terms and conditions set forth therein.

4. **Optional Redemption.** Subject to any limitations set forth in the Continuing Covenant Agreement, the Bonds are subject to redemption, at the direction of the Borrower, on behalf of the Issuer, in whole or in part, on any Interest Payment Date at a redemption price equal to the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date.

5. **Extraordinary Optional Redemption.** The Bonds are subject to redemption in whole, at the direction of the Borrower, on behalf of the Issuer, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date, on any date for which the requisite notice of redemption can be given, within one hundred eighty (180) days of the occurrence of certain events specified in the Indenture relating to damage or destruction of the Property or portions thereof, the taking by eminent domain of the Property or portions thereof, changes in law or other events that render continued operation of the Property uneconomical, legal curtailment of the use of the Property or the termination of the Agreement other than because of an event of default thereunder.

6. **Mandatory Sinking Fund Redemption.** The Bonds are not subject to mandatory sinking fund redemption.

7. **Notice of Redemption.** During any Index Interest Rate Period, the Borrower shall exercise its option to prepay Repayments (and thereby cause a redemption of Bonds) by giving written notice to the Issuer, the Remarketing Agent, if any, the Trustee, the Paying Agent and the Bank not less than forty-five (45) days prior to the date selected for redemption; provided, however, that, if such redemption is pursuant to paragraph 4 or 5 above, the Borrower shall also deliver a certificate of a Borrower Representative certifying that the conditions precedent to such redemption have been met and that any conditions to such redemption set forth in the Continuing Covenant Agreement have been met. On a date no later than the date fixed for redemption in such notice, the Borrower shall pay, on behalf of the Issuer, to the Owner moneys in an amount sufficient, together with other moneys, if any, held by the Owner and available for the redemption of this Bond, to redeem this Bond at the redemption price set forth above.

8. **Miscellaneous.** Under certain circumstances as described in the Indenture, the principal of all the Bonds may be declared due and payable in the manner and with the effect provided in the Indenture.

Modifications or alterations to the Indenture or the Agreement may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or the Agreement, or to institute action to enforce the covenants therein, or to take any action with respect to a default under the Indenture or the Agreement, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided under certain limited circumstances described in the Indenture and the Agreement; provided, however, that nothing contained in the Indenture shall affect or impair any right of enforcement conferred on the Owner hereof by the Act to enforce (i) the payment of the principal of and premium, if any, and interest on this Bond at and after the maturity hereof, or (ii) the obligation of the Issuer to pay the principal of and premium, if any, and interest on this Bond to the Owner hereof at the time, place, from the source and in the manner as provided in the Indenture.

The Issuer and the Trustee have agreed that all amounts payable to the Owner with respect to this Bond may be made by the Borrower to the Owner, upon the Owner's written notice to the Trustee and the Borrower (without any presentment thereof, except upon the payment of the final installment of principal, and without any notation of such payment being made thereon), in such manner or at such address in the United States of America as may be designated by the Owner in writing to the Trustee and the Borrower (the "Bank Direct Payment Period"), including by the Owner debiting an account of the Borrower as may be provided in the Continuing Covenant Agreement. During any Bank Direct Payment Period, (i) any payment made shall be accompanied by sufficient information to identify the source and proper application of such payment, (ii) the Owner shall notify the Trustee in writing of any failure of the Borrower to make any payment of the principal of or interest on this Bond when due, and the Trustee shall not be deemed to have any notice of such failure unless it has received such notice in writing, and (iii) if this Bond is sold or transferred, the Owner shall notify the Trustee and the Borrower in writing of the name and address of the transferee, and it will, prior to delivery of this Bond, make a notation on this Bond of the date to which interest has been paid thereon and of the amount of any prepayments made on account of the principal thereof. Furthermore, to the extent that the Borrower has made the required payments to the Owner during any Bank Direct Payment Period, the Paying Agent shall have no obligations to make payments of the principal of or interest on this Bond, nor shall the Trustee be obligated to collect Repayments pursuant to the Agreement, to act as Registrar or to take any other action in respect thereof, except at the express written direction of the Owner or the Issuer.

It is hereby certified that all acts, conditions and things required to happen, exist and be performed under the laws of the State and under the Indenture precedent to and in the issuance of this Bond have happened, exist and have been performed as so required and that the issuance, authentication and delivery of this Bond have been duly authorized by the Issuer.

Unless the certificate of authentication hereon has been executed by the Trustee by manual signature of one of its authorized signers, this Bond shall not be entitled to any benefit under the Indenture, or be valid or obligatory for any purpose.

LOAN; PAYMENT PROVISIONS

Section 5.01. Loan of Proceeds. The Issuer agrees, upon the terms and conditions contained in this Agreement and the Indenture, to lend to the Company the proceeds received by the Issuer from the sale of the Bonds. The Loan shall be made by depositing the proceeds from the initial sale of the Bonds into the Project Fund in accordance with Section 4.05 of the Indenture. Such proceeds shall be applied as provided in Section 3.02. The Company's obligation to repay the Loan shall be evidenced by the Note.

Section 5.02. Amounts Payable. The Company hereby agrees to repay the Loan by making the following payments:

(a) Subject to Sections 5.05 and 5.09, the Company shall pay or cause to be paid to the Trustee in immediately available funds for the account of the Issuer for deposit into the Bond Fund on or before any Interest Payment Date for the Bonds or any other date that any payment of interest, premium, if any, or principal is required to be made in respect of the Bonds pursuant to the Indenture or pursuant to [Section 2.01(b)(iii)] of the Continuing Covenant Agreement, until the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture, a sum which, together with any Eligible Funds available for such payment in the Bond Fund, will enable the Trustee to pay the amount payable on such date as principal of (whether at maturity or upon redemption or acceleration or otherwise), premium, if any, and interest on the Bonds as provided in the Indenture.

It is understood and agreed that the Note and all payments payable by the Company under this Section 5.02(a) are assigned by the Issuer to the Trustee for the benefit of the Holders. The Company assents to such assignment. The Issuer hereby directs the Company and the Company hereby agrees to pay to the Trustee at the principal corporate trust office of the Trustee all payments payable by the Company pursuant to this Section 5.02(a).

(b) The Company also shall pay or cause to be paid the reasonable fees and expenses of the Issuer, the Trustee, the Paying Agent and the Registrar under the Indenture and all other amounts which may be payable to the Trustee, the Paying Agent or the Registrar under Section 7.02 of the Indenture, and the reasonable fees and expenses of the Remarketing Agent and all other amounts which may be payable to the Remarketing Agent under the Remarketing Agreement, such fees and expenses to be paid when due and payable by the Company directly to the Issuer, the Trustee, the Paying Agent, the Registrar and the Remarketing Agent, respectively, for their own account. The

Company also shall pay (i) to the Bank, any amounts owed to the Bank under any Continuing Covenant Agreement and (ii) to the Credit Provider, any amounts owed to the Credit Provider under any Reimbursement Agreement.

(c) The Company also shall pay or cause to be paid when due and payable the reasonable fees and expenses of the Issuer related to the Project and the issuance of the Bonds, including without limitation, attorneys' fees and expenses.

(d) Subject to Section 5.05, the Company also shall pay or cause to be paid, when due to the Paying Agent, such amounts as shall be necessary to enable the Paying Agent to pay the Purchase Price of Bonds delivered to it for purchase, all as more particularly described in Section 2.06 of the Indenture.

(e) In the event the Company shall fail to make any of the payments required in this Section 5.02, the item or installment so in default shall continue as an obligation of the Company until the amount in default shall have been fully paid.

Section 5.03. Unconditional Obligations. The obligation of the Company to make the payments required by Section 5.02 shall be absolute and unconditional. Except as expressly provided for herein, the Company shall pay all such amounts without abatement, diminution or deduction (whether for taxes or otherwise) regardless of any cause or circumstance whatsoever including, without limitation, any defense, set-off, recoupment or counterclaim that the Company may have or assert against the Issuer, the Trustee, the Paying Agent, the Bank or any other Person.

Section 5.04. Prepayments. The Company may prepay all or any part of the amounts required to be paid by it under Section 5.02, at the times and in the amounts provided in Article XI for redemption of the Bonds, and in any such case, the Company shall cause to be furnished to the Issuer such amounts on or prior to the applicable redemption dates. Prepayment of amounts due hereunder pursuant to this Section 5.04 shall be deposited in the Bond Fund.

Section 5.05. Credits Against Payments. To the extent that principal of, Purchase Price, premium, if any, or interest on the Bonds shall be paid with moneys available under the Credit Facility, if any, from remarketing proceeds (with respect to Purchase Price) or other sources available under the Indenture, the obligation of the Company to make payments required by Section 5.02 shall be satisfied and discharged to the extent of the principal of, Purchase Price, premium, if any, or interest on the Bonds so paid. If the principal of, premium, if any, and interest on the Bonds shall have been paid sufficiently that payment of the Bonds shall have occurred in accordance with Article V of the Indenture, then the obligations of the Company pursuant to Section 5.02, ipso facto, shall be deemed to have been paid in full, and the Company's obligations under Section 5.02 and this Agreement shall be discharged. Notwithstanding anything to the contrary herein, during any Index Interest Rate Period, the obligation of the Company to make any payment hereunder or under the Note of principal, premium (if any) or interest on the Bonds shall be deemed satisfied and discharged to the extent a corresponding payment is made by the Company directly to the Bank pursuant to Section 2.02 of the Indenture.

Section 5.06. Initial Credit Facility and Alternate Credit Facility. The Company shall be entitled to provide an Initial Credit Facility and an Alternate Credit Facility under certain circumstances as provided in the Indenture.

Section 5.07. Interest Rate Determination Method. The Company is hereby granted the right to designate from time to time changes in the Interest Rate Determination Method (as defined in the Indenture) in the manner and to the extent set forth in Section 2.04 of the Indenture, subject to any limitations set forth in the Continuing Covenant Agreement.

Section 5.08. Covenant Regarding Short-Term Rate Period and Medium-Term Rate Period. The Company acknowledges and agrees that the Bonds initially shall not be rated by any Rating Agency. Further, the Company acknowledges that in the event that it shall select a Short-Term Rate Period or Medium-Term Rate Period as the Rate Period, it shall be required to provide a Credit Facility in accordance with Section 3.08 of the Indenture. The Company covenants that, in the event that it shall select a Short-Term Rate Period or a Medium-Term Rate Period, it shall amend or cause the amendment of, this Agreement and the Indenture, respectively, such that the Bonds shall be rated at least investment grade by Moody's, Fitch or S&P, as the case may be.

Section 5.09. Swaps. The Company may enter into a Swap relative to its obligation to pay interest under Section 5.02. The Company shall timely make to the Swap Provider all payments required by the Swap. The Company hereby grants a security interest in and to its interest in any Swap and all payments made thereunder, together with any proceeds thereof, to the Trustee for the benefit of the Bank, the Holders, the Beneficial Owners and the Swap Provider. The Company shall direct the Swap Provider to make all payments pursuant to the Swap directly to the Trustee. To the extent a Periodic Swap Payment made by the Swap Provider is actually received by the Trustee, the Company shall receive a credit on that amount against its obligation to make an interest payment as required by Section 5.02.

ARTICLE VI

MAINTENANCE AND TAXES

Section 6.01. Company's Obligations to Maintain and Repair. The Company agrees that during the term of this Agreement it will keep and maintain the Property in good condition, repair and working order, ordinary wear and tear excepted, at its own cost, and will make or cause to be made from time to time all repairs thereto (including external and structural repairs) and renewals and replacements thereto necessary for the operation thereof.

In case of any damage to or destruction of all or any part of the Property exceeding \$50,000, the Company shall give prompt written notice thereof to the Issuer, the Bank and the Trustee. Notwithstanding the above, (a) so long as a Credit Facility is outstanding, the Company shall comply with the terms of the Reimbursement Agreement relating to the use of Net Proceeds and (b) during any Index Interest Rate Period, the Company shall comply with the terms of the Continuing Covenant Agreement relating to the use of Net Proceeds.

The Company shall cause this Agreement, the Security Documents and all necessary Financing Statements (including continuation statements) to be recorded and filed in such manner and in such places as may be required by law to fully preserve and protect the security of the Holders and Beneficial Owners and the rights of the Trustee and to perfect the security interest created by the Indenture.

Section 8.03. Recording and Filing; Other Instruments. The Company covenants that it will cause continuation statements to be filed as required by law in order fully to preserve and to protect the rights of the Trustee or the Issuer in the assignment of certain rights of the Issuer under this Agreement and otherwise under the Indenture and the Security Documents. The Company and the Issuer shall execute and deliver all instruments and shall furnish all information and evidence deemed necessary or advisable in order to enable the Company to fulfill its obligations as provided in this Section 8.04. The Company covenants and agrees that it will take or cause to be taken all required actions necessary to preserve the exclusion from gross income for federal income tax purposes of interest on the Bonds; and the Issuer covenants and agrees that it will take or cause to be taken all required actions to preserve the exclusion from gross income for federal income tax purposes of interest on the Bonds; provided that the Issuer has no obligation or responsibility to direct or cause the Company to take any action.

If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be

imposed, the Issuer or the Trustee, as the case may be, will give prompt written notice to the Company; provided, however, that the failure to provide such notice will not relieve the Company of the Company's obligations and liability under this Section 8.06 and will not give rise to any claim against or liability of the Issuer or the Trustee. The Company shall have the sole right and duty to assume, and shall assume, the defense thereof, with counsel acceptable to the Person on behalf of whom the Company undertakes a defense, with full power to litigate, compromise or settle the same in its sole discretion.

Section 8.06. Release and Indemnification. The Company shall at all times protect, indemnify and hold the Issuer, the Bank, the Governing Body and the Trustee, and their respective members, directors, officers, employees, attorneys and agents, harmless against any and all liability, losses, damages, costs, expenses, taxes, causes of action, suits, claims, demands and judgments of any nature arising from or in connection with the Property or the financing of the Property, including, without limitation, all claims or liability resulting from, arising out of or in connection with the acceptance or administration of the Bond Documents or the trusts thereunder or the performance of duties under the Bond Documents or any loss or damage to property or any injury to or death of any Person that may be occasioned by any cause whatsoever pertaining to the Property or the use thereof, including without limitation any lease thereof or assignment of any interest in this Agreement, such indemnification to include the reasonable costs and expenses of defending itself or investigating any claim of liability and other reasonable expenses and attorneys' fees incurred by the Issuer, the Governing Body, the Bank and the Trustee, and their respective members, directors, officers, employees, attorneys and agents, in connection therewith, provided that the benefits of this Section 8.07 shall not inure to any Person other than the Issuer, the Bank, the Governing Body, the Trustee, their respective members, directors, officers, employees, attorneys and agents, and provided further that such loss, damage, death, injury, claims, demands or causes shall not have resulted from the negligence or willful misconduct of, the Bank, the Issuer, the Governing Body, the Trustee or such members, directors, officers, employees, attorneys and agents. The obligations of the Company under this Section 8.07 shall survive the termination of this Agreement and the Indenture and the resignation or removal of the Trustee. Notwithstanding any other provision of this Agreement or the Indenture to the contrary, the Company agrees (i) not to assert any claim or institute any action or suit against the Trustee or its employees arising from or in connection with any investment of funds made by the Trustee in good faith in accordance with the provisions of the Indenture as directed by a Company Representative, and (ii) to indemnify and hold the Trustee and its employees harmless against any liability, losses, damages, costs, expenses, causes of action, suits, claims, demands and judgments of any nature arising from or in connection with any such investment.

Section 8.08. Non-Arbitrage Covenant.

(b) In the event that all of the Bond Proceeds are not expended by the date which is six (6) months following the Issue Date, or if for any other reason a rebate is payable to the United States pursuant to Section 148 of the Code, the Company shall calculate, or cause to be calculated, the Rebate Amount. The Company agrees to pay the amount so calculated, together with supporting documentation, to the Trustee so as to permit the Trustee to pay such rebate to the United States at the times required by the Code. The amount paid by the Company to the Trustee shall be deposited into the Rebate Fund. The Company shall maintain or cause to be maintained records of the determinations of the rebate, if any, pursuant to this Section 8.09(b) until six (6) years after the retirement of the Bonds. This Section 8.09(b) shall be construed in accordance with Section 148(f) of the Code, including, without limitation, any applicable tax regulations promulgated under the Code. Nothing contained in this Agreement or in the Indenture shall be interpreted or construed to require the Issuer to pay any applicable rebate, such obligation being the sole responsibility of the Company. The Company shall pay all fees, costs and expenses associated with calculation of the Rebate Amount and upon request from the Issuer provide the Issuer with a copy of such calculation. The Issuer covenants that, if so requested by the Company, it shall execute any form required to be signed by an issuer of tax-exempt bonds in connection with the payment of any rebate or the recovery of overpayment of any rebate amount under the Code (including Internal Revenue Service Form 8038-T and Internal Revenue Service Form 8038-R). The Company shall supply all information required to be stated in such form and shall prepare such form. Except for the execution and delivery of such form upon timely presentation by the Company, the Issuer shall have no responsibility for such form or the information stated thereon.

Section 8.09. Notice of Determination of Taxability. Promptly after the Company first becomes aware of the occurrence of a Taxable Date or an event that could trigger the occurrence of a Taxable Date, the Company shall give written notice thereof to the Issuer, the Remarketing Agent, if any, the Trustee, the Credit Provider, if any, and during any Index Interest Rate Period, the Bank.

Section 8.10. No Purchase of Bonds by Company or Issuer. During the time a Credit Facility is in effect none of the Company, the Issuer and any Affiliates of any of them shall purchase any of the Bonds from the Remarketing Agent except under the circumstances under which the Remarketing Agent may remarket Bonds to the Company or the Issuer as provided in Section 2.07(d) of the Indenture.

Section 8.11. Maintenance of Existence. The Company agrees that it will maintain its organizational existence, will not dissolve or otherwise dispose of all or substantially all of its assets and will not consolidate with or merge into another Person or permit one or more other Persons to consolidate with or merge into it, except in strict compliance with the terms of any Reimbursement Agreement or Continuing Covenant Agreement. Section 8.12. Company Approval of Indenture. The Company understands that the Issuer will, pursuant to the Indenture and as security for the payment of the principal of, premium, if any, and the interest on the Bonds, assign and pledge to the Trustee, and create a security interest in favor of the Trustee in certain of its rights, title and interest in and to this Agreement (including all payments hereunder) reserving, however, the Reserved Rights; and the Company hereby agrees and consents to such assignment and pledge. The Company acknowledges that it has received a copy of the Indenture for its examination and review. By its execution of this Agreement, the Company acknowledges that it has approved, has agreed to and is bound by the provisions of the Indenture. The Company agrees that the Trustee shall be entitled to enforce and to benefit from the terms and conditions of this Agreement that relate to it notwithstanding the fact that it is not a signatory hereto.

The Company covenants and agrees that it will fully and faithfully perform all the duties and obligations that the Issuer has covenanted and agreed in the Indenture to cause the Company to perform and any duties and obligations that the Company is required in the Indenture to perform. The foregoing shall not apply to any duty or undertaking of the Issuer that by its nature cannot be delegated or assigned.

Section 8.14. Notice of Certain Acquisitions of Control. The Company hereby covenants to provide or cause to be provided written notice to the Trustee, the Remarketing Agent, and the Holders thirty (30) days prior, where reasonable, and not more than thirty (30) days subsequent to the consummation of any transaction that would result in the Company controlling or being controlled by the Credit Provider, if any. Section 8.15. Continuing Disclosure. The Company hereby covenants and agrees that on or before any conversion of the Interest Rate Determination Method, the Company shall provide to the Trustee, the Issuer, the Remarketing Agent and, during an Index Interest Rate Period, the Bank, at least two (2) Business Days prior to the proposed Conversion Date, either (a) a copy of a continuing disclosure agreement imposing obligations upon the Company, the Trustee or any other responsible party to comply with the requirements of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to the Bonds, together with such disclosure documents as the Remarketing Agent shall require in order to comply with the Rule, if the Rule will be applicable upon such conversion, or (b) an opinion of counsel that, notwithstanding such conversion, the Rule will not be applicable to the Bonds as of and after the Conversion Date.

In the enforcement of the remedies provided in this Section 10.02, the Issuer and the Trustee may treat all reasonable expenses of enforcement, including, without limitation, legal, accounting and advertising fees and expenses, as additional amounts payable by the Company then due and owing. The determination to take, or not to take, any action or other remedial measure or to exercise any remedy or commence any proceeding or forego, waive or rescind any of the foregoing shall be made pursuant to and in accordance with the provisions of Section 6.04 of the Indenture and any applicable provisions of any Reimbursement Agreement or Continuing Covenant Agreement.

Section 10.05. Agreement to Pay Attorneys' Fees and Expenses. Upon the occurrence of an Event of Default under this Agreement, if the Issuer or the Trustee employs attorneys or incurs other expenses for the collection of amounts payable hereunder or for the enforcement of the performance or observance of any covenants or agreements on the part of the Company herein contained, whether or not suit is commenced, the Company agrees that it will on demand therefor pay to the Issuer or the Trustee or any combination thereof, as the case may be, the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Issuer or the Trustee.

All such prepayments shall be in the amount of the unpaid amount hereunder and under the Note if made pursuant to Section 11.01(a) or in the amount of an Authorized Denomination if made pursuant to Section 11.01(b) and the Company shall furnish additional funds, if necessary, to make such prepayments in such amounts. In order to implement such undertaking of the Company, the Issuer, at the direction of the Company, has set forth in the Indenture the terms and conditions relating to drawings under the Credit Facility to provide moneys for the purchase of Bonds. The Company hereby authorizes and directs the Trustee to draw moneys under the Credit Facility, if any, in accordance with the provisions of the Indenture to the extent necessary to provide moneys payable under Section 2.06 of the Indenture if and when due.

INTEROFFICE MEMORANDUM

TO: Paul King
Assistant County Attorney

FROM: Sherry Howard *Sherry Howard*
Deputy Director, Department of Economic Sustainability

DATE: February 27, 2013

RE: Industrial Development Bond Application For Palm Beach Day Academy, Inc.

The Palm Beach County Department of Economic Sustainability (DES) has reviewed the Industrial Development Bond Application submitted by the Palm Beach Day Academy, Inc. to be used to refinance its existing bond debt that was initially issued in 2006 by Palm Beach County.

The Application requests that Palm Beach County issue \$12,000,000 in Industrial Development Bonds (IDB). The proceeds from the bond sales will be used to refinance existing debt issued in 2006; the original purpose of which was to refinance prior debts and finance capital assets for Palm Beach Day Academy, Inc.

Economic Analysis

Palm Beach Day Academy was founded in 1921 and currently operates out of two separate locations in the Town of Palm Beach and in the City of West Palm Beach. The Application states that when the refinancing is complete, there will be approximately 105 full-time equivalent educational employees. DES conducted a Regional Economic Models Inc. (REMI) analysis showing the following economic impact for the project which reflects direct and indirect jobs as well as GDP which represents both compensation and profits.

REMI Analysis:

Year	2013	2014	2015	2016	2017	Total 5 yr. impact
Employment	135	134	133	131	129	132
Economic Impact: (GDP in \$M)	\$13.8	\$6.2	\$5.8	\$5.5	\$5.3	\$36.6
Taxes	\$0	\$0	\$0	\$0	\$0	\$0

REMI results indicate there is a positive economic impact over the next five years. There is no impact on taxes as the Applicant qualifies as a non-profit organization.

Financial Overview

- Palm Beach Day Academy, Inc. and subsidiary (the School) operates a private school serving approximately 500 students pre-kindergarten through ninth grade.

- The School was formed effective July 1, 2006 by previously separate non-profit schools, The Academy of Palm Beaches, Inc. (Academy) and Palm Beach Day School (Palm Beach Day), which combined and began operating as Palm Beach Day Academy, Inc. (Day Academy). Day Academy and its wholly owned subsidiary, PBDA-Flagler Campus, Inc. (PBDA), retain their non-profit status.
- The school's financial statements are prepared on the accrual basis of accounting and all inter-company accounts, transaction and profits have been eliminated in consolidation.
- The proceeds from the bond sales will be used to retire previously issued bonds from 2006; the new bonds will equal the principal amount of the bonds being retired.

Summary of Financial Statement for the Period Ended June 30, 2012

Palm Beach Day Academy, Inc.'s Financial Statements were audited and they received an unqualified opinion from Templeton & Company Certified Public Accountants and Consultants. For the period ended June 30, 2012, despite an increase of cash on hand of approximately \$500K they had a decrease in net assets of approximately \$2M primarily due to the sale of commercial of property.

The school is obligated under the Series 2006 Tax-Exempt Adjustable Mode Revenue Bonds (issued by Palm Beach County, FL) in the amount of \$12M. Interest is payable monthly and the principal balance is due in 2037. Debt service payments are collateralized by an irrevocable letter of credit per a loan agreement with a bank. Subsequent to the extinguishment of the line of credit in fiscal year 2012, the school is no longer in compliance with its debt covenants thus pursuing the refinancing of its debt.

Contributions of Project to Palm Beach County

Locations: Palm Beach Day Academy, Inc. operates at two complexes in the Town of Palm Beach and the City of West Palm Beach. One of the goals of Palm Beach Day Academy, Inc. is to add an additional 60 students to the two campuses and is planning an athletics and arts center at its main campus in the Town of Palm Beach.

History: Palm Beach Day Academy is the oldest independent school in Florida. Palm Beach Day Academy is and has been committed to providing first class educational opportunities to its students for the past 90 years.

Recommendation

Based on the review of the Application, retained and created jobs, as well as the County's limited obligation, the Department of Economic Sustainability supports the Palm Beach Day Academy, Inc.'s application.
