**PALM BEACH COUNTY  
BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

---

<b>Meeting Date:</b> April 16, 2013	<input checked="" type="checkbox"/> Consent	<input type="checkbox"/> Regular
	<input type="checkbox"/> Workshop	<input type="checkbox"/> Public Hearing

**Department:**

<b>Submitted By:</b>	Engineering & Public Works
<b>Submitted For:</b>	Roadway Production Division

---

**I. EXECUTIVE BRIEF**

**Motion and Title:** Staff recommends motion to approve: A Contract not to exceed the total value of \$5,800,000 for task orders which may be issued for the Annual Pathway & Minor Construction Contract (Contract), Project No. 2013051, with Wynn & Sons Environmental Construction Co., Inc. (Contractor), the lowest, responsive, responsible bidder.

**SUMMARY:** Approval of this Contract will provide for construction and/or resurfacing of pathways and parking areas, construction of speed humps, traffic separators, miscellaneous concrete works and other minor construction projects. The Small Business Enterprise (SBE) goal for the project is 15%. The SBE participation committed for the project by the Contractor is 100% overall. The Contractor is a Palm Beach County company.

Countywide (MRE)

**Background and Justification:** Bids were received by the Board of County Commissioners on February 21, 2013. The above Contract amount is based on the estimated amount to be expended for pathways and miscellaneous minor construction projects throughout Palm Beach County (County) by various County departments. This Contract period is from the date of approval to October 1, 2014 and may be re-bid or extended for a defined period of time, not to exceed 36 months, total contract time.

## ANNUAL CONTRACT

STATE OF FLORIDA )

) SS

COUNTY OF PALM BEACH )

This Contract, made this \_\_\_\_ day of \_\_\_\_\_ A.D. 2013, by and between PALM BEACH COUNTY, a Political Subdivision of the State of Florida, (hereinafter called the County), and Wynn & Sons Environmental Construction Co., Inc. of West Palm Beach, Florida and their heirs, successors, executors, administrators and assigns, (hereinafter called the Contractor):

WITNESSETH: The Contractor agrees with the County, for the consideration herein mentioned at his, its or their own proper cost and expense to do all the work and furnish all necessary labor, materials, equipment, machinery, tools, apparatus, services, state workmen's compensation and unemployment compensation taxes incurred in the performance of the contract, for the:

### ANNUAL PATHWAY AND MINOR CONSTRUCTION ANNUAL CONTRACT – PROJECT NO. 2013051

IN THE AMOUNTS specified in work orders which may be issued by the County. The County is not required to issue any work orders hereunder. The total value of work orders issued under this Contract shall not exceed Five Million Eight Hundred Thousand Dollars (\$5,800,000.00), except as may be increased according to Section 9-11 of the Contract Specifications).

The Contractor further agrees for the consideration herein mentioned to commence the work with adequate forces and equipment within seventy-two (72) hours of the work order being issued for a specific project. After commencement of the work, the work order shall be properly dispatched toward completion, to the satisfaction of the Engineer, and shall be fully complete within the time limit specified in the work order. Should the time limit for completion of the work order exceed the expiration date of the contract, the work order work will continue to completion and the Contractor shall ensure that Bonding and Insurance coverage do not expire until all work orders issued prior to the expiration of this Contract are complete and accepted. It is understood and agreed that the time limit for completion of said work is the essence of the contract and should the Contractor fail to complete the work within the time limit, it is agreed that for such calendar day that any work provided for in these Contract Documents shall remain incomplete after the time limit has expired, including any official extension of the time limit; the sum per day given in the contained schedules shall be deducted from monies due the Contractor, not as a penalty, but as liquidated damages and added expense for supervision.

The Contractor shall take into account all contingent work which has to be done by other parties arising from any cause whatsoever, and shall not plead his want of knowledge of such contingent work as an excuse for delay in his work, or for its non-performance.

IN WITNESS WHEREOF, the parties have caused this Contract to be executed and sealed the day and year first written above.

handicapped symbols, directional arrows and messages, in any or all colors, shall be considered incidental to the pay item.								
12. ITEM 58 - Concrete Curb Type "D" shall include Athletic Field Backstop Curbing.								
13. ITEM 74 - Includes removal of base material or any other material unsuitable for planting which may be located in the traffic separator area.								
14. ITEM 91 - Includes all labor, equipment and materials required for removal of wood fence rails and posts and stockpiling on-site for recovery by County personnel or proper disposal by Contractor.								
15. ITEM 92 - Includes all labor, equipment and materials required for removal of wood fence rails and posts, stockpiling and protecting material and re-installation of posts and double rail wood fence. Furnishing and installing replacement items which have been damaged during removal or storage shall be considered incidental to the pay item.								
16. ITEM 93 - Includes all costs associated with installation of steel bollards at locations designated by the County. All labor and materials, including excavation, concrete foundation, bollard pipe, painting and restoration of the area, are incidental to the pay item.								
17. ITEM 94 - Includes all costs associated with installation of removable bollards at locations designated by the County. All labor and materials, including excavation, rock drain, concrete foundation, bollard pipe, ground sleeve with locking mechanism, painting and restoration of the area, are incidental to the Item.								
18. ITEM 134 - Includes the cost of labor, as well as all parts, such as pipe, heads and fittings.								
19. ITEM 136 - Includes finish grading, filter fabric, installation, etc. All labor and materials, including restoration of the area, are incidental to this item.								
20. ITEM 137 - Piling material shall be PZ27 or equal. All work shall be in accordance with FDOT Standard Specifications, Section 455, Structures Foundations. Per square foot price is for Temporary or Permanent Sheet Piling actually installed and accepted by the County, including all labor, equipment and materials, cutting, splicing, dynamic and static testing, adjustments resulting from testing, removal of temporary piling and restoration of the area.								
21. ITEM 138 - Southern Yellow Pine Lumber shall be pressure treated marine grade southern pine #1, or better, treated to 0.4 pcf retention of ACQ (AWPA UC4A, or better) and shall be paid for by board foot furnished and installed and accepted by the County. Cost per board foot installed shall include all labor, equipment and materials, fasteners, and cutting and shall include a maximum of 10% waste over and above installed material measured in the field.

22.	ITEMS 141 through 143 - Bid Price shall include all costs - equipment, labor, materials, operator(s), delivery, pick-up, maintenance, fuel, etc. are incidental to this item.								
23.	ITEMS 149 and 150 - Include all costs associated with installation of treated Southern Pine pilings at locations shown on plans or as designated by the County. Contractor shall receive detailed design plans for each installation, signed and sealed by a Professional Engineer licensed in the State of Florida. All labor and materials, cutting splicing, dynamic and static testing, adjustments resulting from testing and restoration of the area are incidental to the item. All work shall be in accordance with FDOT Standard Specifications, Section 455, Structures Foundations. Southern Pine timber shall be pressure treated, 2.5cca or better. Per foot price is for Treated Timber Pilings actually installed and accepted by the County.								
24.	ITEM 151 - 10" Treated Timberguard™ Wood Piles shall be paid for by Linear Feet furnished and installed and accepted by the County. Cost per Linear Feet installed shall include all labor, equipment and materials, fasteners, and cutting and shall include a maximum of 10% waste over and above installed material measured in the field.								
25.	ITEMS 152 1nd 153 - Include all costs associated with installation of Pre-stressed Concrete pilings at locations shown on plans or as designated by the County. Contractor shall receive detailed design plans for each installation, signed and sealed by a Professional Engineer licensed in the State of Florida. All labor and materials, cutting, splicing, dynamic and static testing, adjustments resulting from testing and restoration of the area are incidental to the item. All work shall be in accordance with FDOT Standard Specifications, Section 455, Structures Foundations. Per foot price is for Precast Pre-stressed Concrete Pilings actually installed and accepted by the County.								
26.	The cost to construct curb pads shall be included in the unit price for each respective curb item.								
27.	ITEM 154 through 306 - Unit pricing for these items shall be used when Federal CDBG monies are the funding source and shall include all costs associated with compliance with the Federal requirements. In addition, as with all other items in the Bid Proposal, the intent of the contract is to include all labor, materials, transportation, equipment, fuel, and all other items required to complete the item of work, in the unit price for the item. All items incidental to or necessary for the completion of the bid item shall be included in the unit price for the item.								
28.	ITEM 154 through 306 - Notes 1 through 26 above, which apply to Items 1 through 153, also shall apply to the corresponding Item under the heading BID ITEMS FOR FEDERALLY FUNDED PROJECTS.
