I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: a Third Amendment to Agreement (R2004-0458) as amended by (R2007-0278) and as amended by (R2010-0193) with Jupiter Medical Center, Inc. ("Hospital") to retroactively extend the term of the agreement for interoperable radio communications through the countywide common talk groups of the County's 800 MHz Radio System to March 15, 2016.

Summary: The Agreement, which provides the terms and conditions under which Hospital can program its radios and utilize the countywide common talk groups for certain inter-agency communications expired on March 15, 2013. The Agreement provided for three (3) renewal options, each for a period of three (3) years. Both parties must approve the renewal option. Hospital has approved a retroactive renewal to extend the term of the Agreement to March 15, 2016. The renewal now requires Board approval. The terms of the Agreement are standard and have been offered to all municipalities and local branches of State/Federal agencies with 800 MHz trunked radio capabilities. There are no charges associated with this Agreement. Hospital is required to pay all costs associated with the subscriber units and to comply with established operating procedures for the System. The Agreement may be terminated by either party, with or without cause. This Third Amendment retroactively renews the term, updates the notice provisions, modifies the provision on access and release of programming codes, and provides for disclosure of County Ordinance 2011-009 establishing the Office of the Inspector General. Other than the changes set forth herein, all other terms remain the same. (ESS) Countywide (JM)

Background and Justification: On March 16, 2004 the Board approved the Agreement with Hospital for a period of three (3) years expiring on March 16, 2007, which was amended by the First Amendment dated February 27, 2007 (R2007-0278) which extended the term to March 16, 2010 and the Second Amendment (R2010-0193) which extended the term to March 15, 2013. There are no remaining renewal options.
