A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, AUTHORIZING THE COUNTY ADMINISTRATOR OR DESIGNEE TO EXECUTE A STANDARD SPONSORSHIP AGREEMENT ON BEHALF OF THE BOARD OF COUNTY COMMISSIONERS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the Board of County Commissioners (BCC), through its Department of Environmental Resource Management (ERM), is committed to a program of environmental restoration and preservation and associated public awareness, outreach, and education; and

Basis for Modification or Revision
Prescribe Burning was not be able to be applied due to urban communities and restrictions. Brush management was applied in all units in lieu of Prescribe burning to reduce fuel and meet original resource concern. Brush Management was paid by a grant from FFWC, thus client will not request EQIP payment. Items related to three shrub establishment and wetland restoration were completed to the extent that was required in the units. The remaining in these items is not needed, thus client is requesting to delete the remaining of these practices. The original scope of the contract is still being met. Since original scope was met, remaining prescribe burn, three shrub establishment and wetland restoration items will be deleted. Expiration year was extended a year after the last practice was installed.
