I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: a Second Amendment to Interlocal Agreement (R2003-1074) with the Town of Lake Clarke Shores (Town) to extend the term of the Agreement for interoperable radio communications through the countywide common talk groups of the County's 800 MHz Radio System to July 15, 2018.

Summary: The Agreement, which provides the terms and conditions under which the Town can program its radios and utilize the countywide common talk groups for certain inter-agency communications expires on July 15, 2013. The Agreement provides for three (3) renewal options, each for a period of five (5) years. Both parties must approve the renewal option. The Town has approved a renewal to extend the term of the Agreement to July 15, 2018. The renewal now requires Board approval. The terms of the Agreement are standard and have been offered to all municipalities and local branches of State/Federal agencies with 800 MHz trunked radio capabilities. There are no charges associated with this Agreement. The Town is required to pay all costs associated with the subscriber units and to comply with established operating procedures for the System. The Agreement may be terminated by either party, with or without cause. This Second Amendment renews the term, updates the notice provisions, updates the attachments, provides for disclosure of County Ordinance No. 2011-009 establishing the Office of the Inspector General and provides for the exclusion of third party beneficiaries to this Agreement. Other than the changes set forth herein, all other terms remain the same. (ESS) Countywide (JM)

Background and Justification: On July 15, 2003 the Board approved the Agreement with the Town for a period of five (5) years expiring on July 15, 2008. On October 21, 2008 the Board approved a First Amendment to the Interlocal Agreement to extend the Agreement to July 15, 2013. After approval of the Second Amendment, there will be one (1) remaining renewal option.
