I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to: **A) receive and file** a fully executed State of Florida Coastal Zone Management Program Grant Agreement for upland improvements at Jupiter Beach Park; and **B) approve** a Budget Amendment of \$30,000 within the Park Improvement Fund to establish budget for the approved grant.

Summary: On December 4, 2012, the Board authorized submission of a Florida Coastal Partnership Initiative grant application, R2012-1831, for upland improvements at Jupiter Beach Park. This \$30,000 National Oceanic and Atmospheric Administration (NOAA) grant will be matched with \$30,000 from the 2005 \$25 Million Recreational and Cultural Facilities General Obligation Bond Issue. The Board also authorized the County Administrator or his designee to execute the grant funding Agreement, DEP Agreement No. CM239, and other standard state and/or federal grant forms related to this project if the grant was approved. This grant was approved, the DEP Agreement has been fully executed, and is now being submitted to the Board to receive and file. The Florida Coastal Partnership Initiative makes Federal funds from NOAA available to local governments for the protection and effective management of Florida's coastal resources. The grant is administered by the Florida Department of Environmental Protection (FDEP). District 1 (AH)

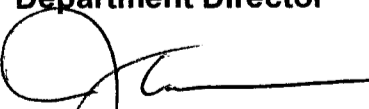

Background and Justification: Jupiter Beach Park is a 46.49 acre oceanfront park located in northern Palm Beach County on the south side of the Jupiter Inlet. This park is located directly east of the 18.69 acre DuBois Park. These two parks function as a single property separated only by a tidal creek, and are among the most popular parks in the County with almost one million visitors annually. The proposed grant project includes planting native vegetation along the dune in order to reduce erosion by wind and waves, installation of over 1,400 linear feet of new concrete sidewalks and asphalt pathways to create interconnectivity, installation of new ADA compliant picnic tables, removal of exotic vegetation, and planting native trees to provide shade along the new pathways and picnic areas. The grant contract requires construction to be completed by June 2014.

DEP AGREEMENT NO. CM239

STATE OF FLORIDA
COASTAL ZONE MANAGEMENT PROGRAM GRANT AGREEMENT
PURSUANT TO THE
NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION COOPERATIVE AWARD

THIS COASTAL ZONE MANAGEMENT PROGRAM GRANT AGREEMENT (hereinafter "Agreement") is entered into between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter "the Department" or "DEP") and the PALM BEACH COUNTY BOARD OF COUNTY COMMISSIONERS, whose address is 301 N. Olive Avenue, West Palm Beach, Florida 33401 (hereinafter "the Grantee" or "Recipient"), a local government, to provide federal funding for JUPITER BEACH PARK RESTORATION/ENHANCEMENT PROJECT.

WHEREAS, the Department is the recipient of federal financial assistance from the National Oceanic and Atmospheric Administration (NOAA), awarded on *July 1, 2011*, pursuant to cooperative annual award #NA11NOS4190073 and, as the result of this Agreement, the Grantee has been determined to be a subrecipient of federal financial assistance from the National Oceanic and Atmospheric Administration; and,

WHEREAS, the Grantee is responsible for complying with the appropriate federal guidelines in the performance of its activities pursuant to this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. TERMS OF AGREEMENT

- A. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement, **Attachment A** (Project Work Plan), and all attachments and exhibits named herein, which are attached hereto and made a part hereof. For purposes of this Agreement, the terms "Contract" and "Agreement" and the terms "Grantee" and "Recipient" are used interchangeably.
- B. The Grantee shall comply with all applicable federal, state and local rules and regulations in performing under this Agreement. The Grantee acknowledges that this requirement includes compliance with all applicable federal, state and local health and safety rules and regulations. The Grantee further agrees to include this provision in all subcontracts issued as a result of this Agreement.
- C. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. Additionally, the State of Florida's performance and obligation to pay under this Agreement is contingent upon receipt of funding from NOAA. The parties hereto understand that this Agreement is not a commitment of future appropriations.
- D. The Grantee acknowledges that receipt of this grant does not imply that the project qualifies for any applicable state permit or approval.

2. PERIOD OF AGREEMENT

This Agreement shall begin upon execution by both parties and end no later than June 4, 2014, inclusive. The Grantee shall be eligible for reimbursement for work performed on or after March 25, 2013. No work may commence and no funds may be expended on this Section 306A funded project until the Florida Coastal Management Program (FCMP) and NOAA have approved the Section 306A checklist. Projects funded with Section 306A funds must comply with Section 306A of the Coastal Zone Management Act, available at <http://coastalmanagement.noaa.gov/about/czma.html#section306a>.

3. FUNDING/CONSIDERATION

- A. As consideration for the services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis an amount not to exceed \$30,000

for all eligible project costs, upon the completion, submittal and approval of the deliverables identified in **Attachment A**. The parties hereto understand and agree that this Agreement requires a cost sharing or match on the part of the Grantee in the amount of \$30,000 in cash, in-kind, or third party in-kind, towards the work funded under this Agreement. The final payment will not be processed until the match requirement has been met. All cost sharing/match shall meet the federal requirements established in 48 CFR Part 31, 15 CFR Part 14.23, 15 CFR 24.24 and OMB Circulars A-87 (2 CFR 225), A-122 (2 CFR 230) and A-21 (2 CFR 220).

- B. Prior written approval from the Department's Grant Manager shall be required for changes within approved task budget categories of up to 10% of the total FCMP task budget amount. The Department Grant Manager will transmit a copy of the written approval and revised budget to the Department Contracts Disbursements Office for inclusion in the Agreement file. Changes greater than 10% of the total FCMP task budget will require a formal change order to the Agreement. Changes that transfer funds from one task to another or that increase or decrease the total funding amount will require a formal amendment to the Agreement.
- C. The Grantee shall submit a properly completed Attachment C, Payment Request Summary Form, upon the completion, submittal, and acceptance by the Department, of each deliverable identified in Attachment A. In addition to the Payment Request Form, the Grantee must provide a completed **Exhibit I**, Schedule of Expenditures; **Exhibit II**, Schedule of Match; copies of canceled checks; copies of invoices and a completed **Attachment B, Quarterly Progress Report**, for the period up to the completion of the deliverable. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. All requests for reimbursement of travel expenses shall be in accordance with Section 112.061, Florida Statutes (hereinafter "F.S."). Failure to provide Attachment B shall result in a delay in processing the payment until such time as the appropriate information is provided to the Department. Each payment request submitted shall document all matching funds and/or match efforts (i.e. in-kind services) provided during the period covered by each request. A final payment request must be submitted to the Department no later than **June 14, 2014**, to assure the availability of funds for payment. The final payment will not be processed until the match requirement has been met.) Failure to comply with these reporting requirements will result in non-payment or termination of this Agreement. To be eligible for reimbursement, costs must be in accordance with the requirements of 15 CFR Parts 14 and 24, as applicable.
- D. In addition to the invoicing requirements contained in paragraphs 4.A, and C, the Department will periodically request, as it deems appropriate in its sole discretion, proof of a transaction (invoice, payroll register, or similar item) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines). This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>; allowable costs for Federal Programs can be found under 48 CFR Part 31 and Appendix E of 45 CFR Part 74, at <http://www.access.gpo.gov/nara/cfr/cfr-table-search.html> and OMB Circulars A-87 (2 CFR 225), A-122 (2 CFR 230), A-21 (2 CFR 220); and administrative requirements can be found in OMB Circulars A-102 and A-110 (2 CFR 215) at <http://www.whitehouse.gov/omb/circulars/index.html#numerical>.
- E. Only project deliverable costs incurred during the grant period identified in paragraph 2 of this Agreement, as shown by project invoices, are eligible for reimbursement. In order to be reimbursed, costs under this Agreement must be obligated and all work completed by the Grantee by the end of the grant period identified in paragraph 2. Ten percent (10%) of the funds eligible for reimbursement under this Agreement may be withheld pending receipt and approval of all work products and deliverables as identified in **Attachment A**.

- F. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. For purposes of this Agreement, the following cost principles are incorporated by reference.

Organization Type	Applicable Cost Principles
State, local or Indian tribal government.	OMB Circular A-87 (2 CFR 225)

Hospital	45 CFR Subtitle A - Appendix E to Part 74-Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals

- G.
1. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
 2. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.
 3. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.
- H. Costs of the Grantee resulting from obligations incurred by the Grantee during a suspension or after termination of the Agreement are not allowable unless the Department expressly authorizes them in the notice of suspension or termination. If expressly authorized such Grantee costs incurred during suspension or after termination are only allowable if necessary and not reasonably avoidable, and are allowable only if both of the following apply:
1. The costs result from obligations which were properly incurred by the Grantee before the effective date of suspension or termination, are not in anticipation of it, and in the case of termination, are non-cancelable; and

2. The cost would be allowable if the Agreement were not suspended or expired normally at the end of the funding period in which the termination takes place.

4. REPORTS

The Grantee shall submit a Progress Report Form, attached hereto and incorporated herein as **Attachment B** on a quarterly basis. Quarterly reports shall be submitted to the Department's Grant Manager no later than ten (10) days following the completion of the quarterly reporting period. The term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30 and December 31. In addition to the final quarterly progress report, the Grantee shall submit a Final Project Report Form, attached hereto and made a part hereof as **Attachment D**. A draft shall be submitted electronically to the Department's Grant Manager for approval. After approval by the Florida Coastal Management Program (FCMP), a hard copy and an electronic copy of the Final Project Report shall be submitted to the Department's Grant Manager. Final payment will be held until receipt and approval of the Final Project Report.

5. INDEMNIFICATION/LIMITS OF LIABILITY

Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, F.S.

6. DEFAULT/TERMINATION

- A. This Agreement shall be executed within ninety (90) days from NOAA approval unless mutually waived by the Department and the Grantee. Failure of timely execution of this Agreement by the Grantee may result in these funds being reallocated to other FCMP needs.
- B. The Department may terminate this Agreement at any time in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to inquire with the Department regarding the reason(s) for termination.
- C. The Department may terminate this Agreement if the work described herein has not commenced within sixty (60) calendar days of the date of execution of this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to inquire with the Department regarding the reason(s) for termination.
- D. The Department may unilaterally terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days written notice.
- E. Records made or received in conjunction with this Agreement are public records. Such records may also be subject to the Freedom of Information Act. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a) of Article I of the State Constitution and Chapter 119, F.S.
- F. The Department will decline reimbursement to the Grantee for services provided under the terms of this Agreement if the Grantee does not submit payment requests and quarterly reports in accordance with the provisions of paragraphs 3 and 4 of this Agreement. Quarterly Progress Reports received by the Department after the 10th calendar day following the completion of any quarterly reporting period will be considered late-filed and render Grantee in default under the terms of this Agreement.
- G. If the Grantee fails to perform in accordance with the terms and conditions set forth in this Agreement, **Attachment A** (Project Work Plan), and all attachments and exhibits, the Grantee shall be ineligible to be considered for funding under the Coastal Partnership Initiative (CPI)

program for two (2) consecutive funding cycles. The Department shall notify the Grantee of ineligibility within thirty (30) days of the grant end date.

7. REMEDIES

If the Grantee materially fails to comply with the terms and conditions of this Agreement, including any Federal or state statutes, rules or regulations applicable to this Agreement, the Department may take one or more of the following actions, as appropriate for the circumstances:

- A. Temporarily withhold cash payments pending correction of the deficiency by the Grantee.
- B. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
- C. Request refund of previously disbursed payments.
- D. Wholly or partly suspend or terminate this Agreement.
- E. Withhold further awards for the project or program.
- F. Take other remedies that may be legally available.
- G. Propose Grantee for Debarment and Suspension in accordance with Executive Orders 12549 and 12689.

8. FINANCIAL CONSEQUENCES

No payment will be made for unsatisfactory deliverables. In the event that a deliverable is deemed unsatisfactory, The Grantee shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the Department, within ten (10) days. If a satisfactory deliverable is not submitted within the specified timeframe, the Department may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the Department's Grant Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Grantee to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) days.

- A. A CAP shall be submitted within ten (10) business days of the date of the letter request from the Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) business days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) business days from receipt of the Department's letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department's approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.
- B. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not alter or amend the Grantee's obligations under this Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by the Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall serve to condone, forgive or stop the Department from asserting subsequent deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be provided to the Department as requested by the Department's Grant Manager.
- C. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Grantee as specified by the Department may result in termination of this Agreement.

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by this Agreement.

9. RECORD KEEPING/AUDIT

- A. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. NOAA, the Department, the State of Florida, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following Agreement completion. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
- B. The Grantee agrees that if any litigation, claim, or audit is started before the expiration of the record retention period established above, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.
- C. Records for real property and equipment acquired with Federal funds shall be retained for five (5) years following final disposition.
- D. The federal funds awarded under this Agreement must comply with *The Federal Funding Accountability and Transparency Act (FFATA) of 2006*. The intent of the FFATA is to empower every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov. Grant Recipients awarded a new Federal grant greater than or equal to \$25,000 awarded on or after October 1, 2010 are subject to the FFATA. The Grantee agrees to provide the information necessary, over the life of this Agreement, for the Department to comply with this requirement.

9. SPECIAL AUDIT REQUIREMENTS

- A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment E (Special Audit Requirements)**, attached hereto and made a part hereof. **Exhibit 1 to Attachment E** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment E**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment that authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grant Manager to request a copy of the updated information.
- B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (Federal and/or state) identified in **Attachment E, Exhibit 1** when making its determination. For Federal financial assistance, the Grantee shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section .210 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs. Vendor Determination" (form #DFS-A2-NS), accessible at: <https://apps.fldfs.com/fsaa/documents/nonstate.doc>. The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.
- C. In addition, the Grantee agrees to complete and submit the **Certification of Applicability to Single Audit Act Reporting, Attachment F**, attached hereto and made a part hereof, within four (4) months following the end of the Grantee's fiscal year. Attachment F should be submitted to

the Department's Grants Development and Review Manager at 3900 Commonwealth Boulevard, Mail Station 93, Tallahassee, Florida 32399-3000. The Grants Development and Review Manager is available to answer any questions at (850) 245-2361.

10. SUBCONTRACTS

- A. The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager. The Grantee agrees to comply with the procurement requirements contained in 15 CFR 24.36 and 15 CFR 14.44, as applicable. The payment terms of subcontracts (other than construction and the purchase of commodities) shall comply with the terms of this Agreement (for example, if payment under this Agreement is being made on a cost reimbursement basis, then the subcontract should also be cost reimbursement). The Grantee shall submit a copy of the executed subcontract to the Department's Grant Manager within ten (10) days after execution. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- B. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

11. LOBBYING PROHIBITION

- A. In accordance with Section 216.347, F.S., the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency.
- B. Pursuant to the terms and conditions of the Federal award supporting this Agreement, no funds used for the payment of membership dues to any entity are to be used by that entity to engage in lobbying activities, as provided in OMB Circulars No. A-87 (2 CFR 225), A-21(2 CFR 220), A-122 (2 CFR 230), A-102 and A-110 (2 CFR 215) and other relevant law and regulation.

All change orders are subject to the mutual agreement of both parties as evidenced in writing. Any change which causes an increase or decrease in the Grantee's cost or time, shall require formal amendment to this Agreement.
17. QUALITY ASSURANCE

Project Location: Identify the location of the project and include the county/counties involved in the project area. If this project affects water, include the watershed and hydrologic unit code.

****Watershed and hydrologic unit codes information can be found at <http://water.usgs.gov/GIS/huc.html>**

County in which project is located: Palm Beach County

Scope of Work: Provide a summary of the project and the justification supporting the need for the Florida Department of Environmental Protection to fund the project. Provide a detailed description of the work to be performed for the project. Project descriptions should include specific tasks and deliverables.

Jupiter Beach is a 46.49-acre county-owned oceanfront park in northern Palm Beach County, located on the south side of the Jupiter Inlet and the eastern terminus of the Loxahatchee River. This park is among the most popular in the county, providing a guarded beach along the Atlantic Ocean. The site is also located adjacent to the Jupiter Inlet Aquatic Preserve and has among the highest number of sea turtle nests in the United States. Palm Beach County requests FCMP funds to enhance public access to the waterfront, expand recreational facilities and protect the dune and surrounding habitat. Specifically, the county will stabilize dunes by planting native species; remove exotic vegetation, including 18 mature Australian pines and replant area with native species (Sabal palms, buttonwood, sea grape); construct over 1400 linear feet of ADA-compliant, 6'-wide concrete sidewalks and 8'-wide asphalt pathways; and install ADA-compliant picnic tables and bicycle racks. A visual inspection of the vegetation being removed will be conducted to avoid impacts to native species, and all dune work will take place after the close of turtle season.

Project Tasks:

1. Dune planting with native species.
2. Removal of exotic vegetation including 18 mature Australian pines.
3. Install native vegetation.
4. Construct 1,400 linear feet of ADA-accessible sidewalks and pathways.
5. Installation of ADA-compliant picnic tables.
6. Installation of bicycle racks.

Project Deliverables:

1. List of plant species and quantities used for beach dune plantings. Photos of beach dune vegetative planting process and completed task.
2. Photos of completed vegetative removal.
3. List of plant species and quantities used to create habitat and tree canopy. Photos of vegetative planting process and completed task.
4. Photos of construction activities and completed sidewalks/pathways.
5. Photos of installed picnic tables.
6. Photos of completed bicycle rack.

Project Related Tasks and Deliverables: Provide detailed tasks for the completion of the project, deliverables specific to the tasks (required reports such as progress reports and final reports are not deliverables as they are required by all agreements and are not project specific), timeline for the completion of the tasks and submittal of the deliverables, the criteria that will be used to evaluate the successful completion of the task and deliverable budget information for each deliverable.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this Agreement indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Agreement indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. 3. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. FREQUENTLY ASKED QUESTIONS**

1. Question: Can I fax the form to you?

Answer: Yes, you can fax the Certification form, the fax number is 850/245-2411.

2. Question: How can I submit the form if our audit is not completed by the due date of this letter?

Answer: You should be able to complete the form from the information in your accounting system. This is just to let our Office of the Inspector General know which entities they should be getting an audit from. If you are under the threshold you do not have to submit a copy of your audit, only the Certification form.

3. Question: Do you only want what we received from DEP?

Answer: No, the Single Audit is the TOTAL AMOUNT of funds that you expended towards all state or federal grants that you receive. You should list those that are specific to DEP on the form.

4. Question: Do I have to submit the completed form and a copy of my audit?

Answer: No, you do not have to submit your audit unless you are over the threshold of \$500,000. If you would prefer to submit your audit (CAFR) instead of the form, that is fine.

5. Question: Our CAFR will not be ready before your due date and we don't have the information necessary to complete the certification. Can we get an extension?

Answer: Yes, just send us an Email letting us know when you will have your CAFR completed and we will place the Email with your letter in our file so that you don't get a 2nd notice.

6. Question: Can I submit my Certification Form or CAFR electronically?

Answer: Yes, you can submit them by Email to Debbie.skelton@dep.state.fl.us
