#### I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Agreements with the following Long-term Care Managed Care organizations allowing the Division of Senior Services (DOSS) to provide In-Home and Community-Based services as a service provider, effective September 1, 2013:

- A. American Eldercare, Inc. (AEC) Service Agreement/Subcontract; and
- B. Independent Living Systems, L.L.C (ILS) Standard Provider Agreement; and
- C. Sunshine State Health Plan, Inc. (Health Plan) Ancillary Services Provider Agreement; and
- **D.** United Healthcare of Florida, Inc. (United) Adult Day Care and Home Health Care Provider Participation Agreement.

Summary: These Agreements are a result of the Federal Medicaid Reform mandate where Florida legislature created a new Long-term Care Managed Care Program (LTCMCP). The State of Florida's Agency for Health Care Administration (AHCA), through a competitive bid process, chose four (4) long-term care managed care plans for Palm Beach County. Managed care allows health care organizations to direct how their enrollees receive health care services. Medicaid recipients who qualify and become enrolled in LTCMCP will receive long-term care services. These agreements will allow DOSS to continue to provide services to Medicaid recipients and to receive payments under LTCMCP. Approval to negotiate these agreements was granted by the BCC on January 15, 2013 (Agenda Item 3.E.6). These agreements are available to other qualified care providers and are non-competitive. (DOSS) Countywide (TKF)

Background and Justification: LTCMCP are contracted with DOEA and licensed under AHCA to provide healthcare and related services. LTCMCP provides frail elders with safe, appropriate In-home and Community-based services. As a Service Provider, DOSS will afford eligible seniors with help to avoid long term placement in a nursing facility. Long-term Care Managed Care plans are required to have a sufficient network to provide covered services and to offer network contracts to all CCE Lead Agencies, which DOSS is one, in their region starting September 1, 2013.
