I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: The renewal of the Construction Materials Testing, Geotechnical Engineering and Inspection Annual Agreements with Ardaman & Associates, Inc., (A&A) R2011-1682, Nodarse & Associates, Inc., A Terracon Company, (N&A) R2011-1683, whose original agreements were dated November 1, 2011, and Nutting Engineers of Florida, Inc., (Nutting) R2011-1556, whose original agreement was dated October 18, 2011.

SUMMARY: Approval of these renewal agreements will extend the required professional services for one year, on a work task order basis. The renewal agreements with A&A and N&A will continue for the period from November 1, 2013 through October 31, 2014. The renewal agreement with Nutting will continue for the period from October 18, 2013 through October 17, 2014. These are the second and final renewals of two possible one year renewals contemplated in the original agreements. Nutting is a Palm Beach County company. A&A and N&A have offices in Palm Beach County. Nutting is a certified small business enterprise.

Countywide (MRE)

Background and Justification: In accordance with Board of County Commissioners adopted procedures pursuant to Florida Statutes 287.055 Consultants Competitive Negotiations Act, the above listed consulting firms were selected to perform professional services relative to Palm Beach County (County) needs, and are presently under agreement with the County on an annual contractual basis. It is the consensus of the user Departments that these consulting firms have, within the provisions of their agreements, provided the professional services requested by the County. Since they remain in good standing and wish to continue to provide the professional services as indicated in their agreements, the County agrees to renew their agreements for one year.

These renewal agreements have been reviewed with the above listed consulting firms, and staff recommends the second and final renewal of the attached consultant annual agreements. This transaction will maintain the continuous process of professional services required by the County.
