## What is Seven50?

Seven50 (“seven counties, 50 years”) is a blueprint for growing a more prosperous, more desirable Southeast Florida during the next 50 years and beyond. The plan is being developed to help ensure a vibrant and resilient economy, and stewardship of the fragile ecosystem in what is quickly becoming one of the world’s most important mega-regions.

Spearheaded by the South Florida and Treasure Coast Regional Planning Councils and the Southeast Florida Regional Partnership (SFRP), a unique collaboration of more than 200 public, private, and civic stakeholders, Seven50 is mapping the strategy for the best-possible quality of life for the more than six million residents of Monroe, Miami-Dade, Broward, Palm Beach, Martin, St. Lucie and Indian River counties.

The plan is being devised through a series of public summits, workshops, online outreach and high-impact studies led by the region’s top thinkers. Seven50 has been made possible by a grant from the US Department of Housing & Urban Development’s Sustainable Communities Initiative.
