LAW ENFORCEMENT TRUST FUND DONATION**

Organization Name: Horses Healing Hearts, Inc.

LETF Funding Request (MUST match total on Financial Application): \$25,000

What service will your organization provide through the use of Law Enforcement Trust Funds?

- Crime Prevention Program
- Drug Abuse Education
- Drug Prevention Program
- Drug Treatment Program
- Safe Neighborhood
- School Resource Officers

**Organization Purpose:**

Horses Healing Hearts is a program for children of parents suffering from substance abuse. Using the horse as an learning vehicle, the participants learn responsibility, confidence and coping mechanisms so they can choose a healthier lifestyle for themselves.

**Provide a brief summary of program's activities/services to be funded:**

Currently, HHH serves approximately 35 children in Palm Beach County. These participants meet weekly or bi-weekly in one of 3 sponsor barns (Wellington, Delray Beach, Boca Raton). Volunteers and Mentors teach them about horse care and a Child Educator, Rhonda Fritzshall, leads them through their curriculum for the day to learn self-care and coping mechanisms. The 2-hour sessions begin and end with circle time allowing the children to share their feelings, followed by 15 minutes of private ride time (when not riding, doing art therapy) and ending in circle time with reading an Al-ateen, meditation and "check in" on how their ride went with the Child Educator leading group.

**What results are you committed to achieving?**

We are committed to ensuring every child understands their parent loves them despite their disease of addiction. We teach the 7 "C"s so they can use these tools in their daily lives at home and at school. (I didn't cause it, can't control it, can't change it, can't cure it. I can care for myself by communicating my feelings and making healthy choices for myself.) Once they memorize these, they use them in many areas of their life and learn to "let go" of feeling responsibility for their parents' disease. 1/4 of our kids have lost a parent to suicide, overdose or jail. They need mentors they can emulate. Our program provides this and horses calm their anxiety/mood and keep them returning. We are the only program in the country at this time providing this service for COA's.
