I. EXECUTIVE BRIEF

Motion and Title: Staff recommends a motion to (A) approve transfer of one (1) full-time vacant position for a Director of Airlift Relations from the Department of Airports to the Tourist Development Council, (B) approve second amendment to the contract (R2012-1320) for Discover Palm Beach County, Inc. to reduce contract by \$250,000 for Airlift Development, (C) approve budget transfer of \$250,000 from other contractual services (used to pay Discover Palm Beach County, Inc.) to TDC Airlift to appropriate funding for the transferred position and (D) adopt the current Travel and Entertainment Policy of Discover Palm Beach County, Inc. to supplement the Palm Beach County PPM CW-F-009 for airline relations position under the Tourist Development Council.

Summary: The active position of airlift development has been under the direction of Discover Palm Beach County, Inc., (Discover) by agreement between Discover and the Department of Airports since May 23, 1995, funded by Department of Airports through a transfer of funds to the Tourism Promotion Fund. This proposed change in oversight to the Tourist Development Council Administration from Discover, allows for a broader more targeted airlift program development providing service to all agencies contracted by the TDC. The cooperative effort between the TDC Administration and Department of Airports will allow this position to be a BCC position but fully funded by the Airport Enterprise Fund. Countywide (DW)

Background and Justification: The change in oversight elevates airline relations to the Tourist Development Council Administration ensuring collaboration for airline relations development in support of Discover as well as the Cultural Council, Sports Commission, Film & Television Commission, and Convention Center, while maintaining In-Bound advertising support from Discover. This requires current Travel and Entertainment Policy of Discover to be adopted as a supplement to the current Palm Beach County PPM CW-F-009 to allow reimbursement of expenses for the airline relations position when meeting with travel writers, tour brokers, or other persons connected with the tourism industry and air service development. Palm Beach County PPM CW-F009 Travel Policy is utilized when Section 125.0104, Florida Statute, does not govern this policy.

TOURIST DEVELOPMENT COUNCIL

TRAVEL & ENTERTAINMENT POLICY

Florida Statute 125.0104 governs the reimbursement of travel expenses incurred in the course of tourism promotion for Palm Beach County. The statute authorizes reimbursement for "actual and reasonable" expenses. All expenses/purchases must have receipts, with the exception of tips to bellman/valets that are less than Ten Dollars (\$10). (See section on Receipts)

Staff of the Tourist Development Council (TDC) is authorized to provide, arrange and make expenditures for transportation, lodging, meals, and other reasonable and necessary items and services for such persons, as determined by the Executive Director, in connection with the performance of promotional, seminars, conferences, and other duties of the Tourist Development Council. However, entertainment expenses shall be authorized only when meeting with airline representatives, travel writers, tour brokers, or other persons connected with the tourism industry. All travel and entertainment-related expenditures in excess of Ten Dollars (\$10) shall be substantiated by paid invoices. Palm Beach County PPM CW-F-009 Travel Policy is utilized when Section 125.0104, Florida Statutes, does not govern this policy.

Tourism Promotion and Airlift relation activities shall include trade shows, familiarization tours, sales missions, and other travel related and entertainment expenses that are incurred by employees of the TDC, other authorized persons, travel writers, tour brokers, or other persons connected with the tourism industry, including the convention meeting industry, in the course of promoting Palm Beach County, Palm Beach International Airport and the Palm Beach County Convention Center.

Travel for staff will be pre-approved by the Executive Director and the Executive Director's travel will be approved by the Deputy County Administrator.

DOMESTIC TRAVEL (Including Florida)

Meal expenses will be deemed to be reasonable if they comply with the per diem limit by city as shown in the Business Travel News Per Diem schedule distributed at the beginning of each fiscal year. If a particular city is not listed in the Per Diem schedule, it may be appropriate to use the next closest city as the guide. However, some resorts are adjacent to a city with a per diem meal schedule that may not be on par with the resort. In that case, "actual and reasonable" meal expenses will be accepted. Any departure from the published rates will be deemed to be excessive unless the reasonableness and necessity of the expenditure is satisfactorily proven by the traveler in a written explanation on the expense reimbursement form. Meal expenditures may be combined such that the daily total does not exceed the per

diem limit, provided, however, that one does not incur entertainment expenses which include a meal during the same day, or during a day when the traveler arrives or departs from a city. The maximum gratuity on any meal is Fifteen Percent (15%); provided, however, that in any case where the gratuity is included in the bill presented for the meal, then the gratuity will be paid in the full amount assessed by the serving establishment. Miscellaneous incidental expenses will be reimbursed upon review and justification. Employees may make one (1) personal call home per day, excepting unusual circumstances which must be explained and will be subject to review.

FOREIGN TRAVEL

Foreign Travel will be reimbursed at the per diem rates as listed in the "Standardized Regulations (Government Civilians Foreign Areas)" publication. This publication breaks down per diem into meals and incidental (MIE), and lodging. The MIE rate is <u>inclusive of tips for meals</u> and other related expenses.

Lodging may exceed the per diem listed provided there is a valid reason as to why the accommodations exceeded the per diem limits. For example, when staff of the TDC attends the ITB trade show in Berlin all hotels increase their rates significantly for this event. Since they have little choice but to pay a rate that is well above the rates published in the guide, it will be reimbursed because it is actual and reasonable under the circumstances.

Foreign Exchange Rate: Expense reports containing a mix of cash and credit card expenses will be reimbursed using (a) the actual rate of exchange shown on the credit card statement for each charge and (b) the average of the Interbank Rate for eligible cash expenditures incurred during the time the traveler was in the country, as published by OANDA.com. The average rate as published by OANDA.com shall be attached to each expense report. Expense reports that have only credit card charges shall be reimbursed at the same rate as shown on the credit card statement of the traveler, which shall be attached to the expense report.

When traveling in several countries on the same trip, please submit an expense report for each country along with the exchange rate in effect at the time of travel.

<u>AIR TRAVEL</u>

For all air travel, the traveler shall obtain the most economical means of travel that is reasonable under the circumstances as approved in advance by the Executive Director or Director of Airports or Deputy County Administrator.

RECEIPTS ARE REQUIRED FOR ALL EXPENDITURES

TIPS: Tips over Ten Dollars (\$10.00) given for porterage of large and/or numerous boxes of material or displays require explanations and receipts. Tips for meals are to be included in the meals column, NOT the tips column of the expense report. The per diem schedule for meals is inclusive of tips.

ENTERTAINMENT

Entertainment expenses are those incurred while meeting with travel writers, tour brokers and other persons connected with the tourism industry. Such expenses shall be limited to the following maximum amounts per person per day, as approved in advance by the Executive Director or Director of Airports.

Breakfast \$30.00 A maximum Twenty Percent (20%) gratuity
Lunch: \$70.00 may be added to these rates

Dinner: \$100.00

The above limits do not include taxes and other expenses associated with the event during which the meal is served. Items such as invitations, entertainment, room rental, beverages served at a reception, photography and special decorations are not included.

In cases where a facility has required payment for a guaranteed minimum number of attendees, such limits shall be calculated based on the guaranteed minimum number. Each reimbursement shall include names and affiliations of those entertained, and the staff in attendance.

EXPENSE REPORTS

Requests for reimbursement for travel and entertainment expenses are to be made utilizing the standard expense report form, as updated from time to time. Requests for reimbursement for mileage shall be done using a mileage expense report form as a backup to the standard expense report. Each expense report must be approved by the Executive Director or his/her designee. The appropriate account code should be shown on the expense report.
