

PALM BEACH COUNTY  
BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY

Meeting Date: February 4, 2014 Consent [X] Regular [ ]  
Public Hearing [ ]

Department: Water Utilities Department

I. EXECUTIVE BRIEF

**Motion and Title:** Staff recommends motion to approve: a Contract with MWH Constructors, Inc. for Water Treatment Plant No. 2 (WTP 2) Filter Replacement in the amount of \$13,896,000.

**Summary:** On November 1, 2013, five (5) bids were received for the WTP 2 Filter Replacement Project to replace the existing filter system and to construct a backwash recovery system. The existing steel fabricated filters were installed as a developer-constructed water treatment facility in 1973 (Phase 1) and 1981 (Phase 2), and are nearing the end of their useful life. The replacement filters will be concrete construction to house the filter media which will provide a longer useful life. The addition of backwash recovery will conserve water resources and reduce operating costs. The low bidder, MWH Constructors, Inc., is the lowest responsive, responsible bidder in the amount of \$13,896,000. The Small Business Enterprise (SBE) participation goal established by the SBE Ordinance (R2002-0064) is 15% overall. MWH Constructors, Inc. has met the goal with a participation of 17.83% overall. MWH Constructors, Inc. is a Palm Beach County company. This project is included in the FY13-14 Capital Improvement plan adopted by the Board of County Commissioners. (WUD Project No. 12-066) District 2 (JM)

**Background and Justification:** On December 4, 2012, the Palm Beach County Board of County Commissioners approved Consultant Services Authorization No. 8 with Carollo Engineers, Inc. for design of the replacement filters and backwash recovery system (R-2012-1817). The existing 14 media filter units at WTP 2 are over 30 years old and are reaching the end of their useful life. The addition of filter backwash recovery has a payback of less than five (5) years and will conserve water resources. On November 1, 2013, five (5) bids were received for the construction of the project. Staff and consultants have reviewed the bids and recommend award to MWH Constructors, Inc. as the lowest responsive, responsible bidder. The summary of bid irregularities for all the proposals is detailed in Attachment 5. The irregularities provide no competitive advantage. There is no protest associated with this item.

**Attachments:**

- 1. Two (2) Original Contracts
- 2. Location Map
- 3. Engineer's Recommendation & Bid Tabulation Sheet
- 4. SBE Compliance Review
- 5. List of Minor Bid Irregularities

## Inter-Office Memorandum

Palm Beach County

Water Utilities Department

**DATE:** November 26, 2013

**TO:** Bevin A. Beaudet, P.E.  
Director

**FROM:** Maurice Tobon, P.E.  
Director of Engineering *mt*

**RE:** Notice of Award Recommendation  
WTP 2 Filter Replacement  
Project No. WUD 12-066

11-26-13P03:47 RCVD

The bid opening for the above referenced project was held on Friday, November 1, 2013. Proposals were received from five (5) contractors. The complete Bid Tabulation is attached. The engineer's opinion of probable construction cost was \$15,152,500 for Bid Item Numbers 1-6. An evaluation of the low bid is as follows:

1. The Bid Form provided in the Contract Documents was properly executed.
2. Bid security equal to 5% of the total base bid was enclosed with the bid.
3. The contractor holds a valid state contractor's license. A copy of the license information is included.
4. MWH Constructors, Inc. has Local Preference and has submitted the required documentation. (see attached Palm Beach County Tax Collector receipt).
5. SBE-M/WBE Schedules #1 and #2 were provided. The low bid submitted ~~did not~~ <sup>did</sup> meet the 15% SBE goal established under the SBE Ordinance, (see attached SBE-M/WBE compliance review stating MWH Constructors, Inc. has 17.83% SBE participation).
6. The County Attorney has reviewed the bid and Bid Review Comments for MWH Constructors, Inc. and determined that the bid is responsive (see attached Bid Review Comments and email).

As a result of this evaluation we recommend MWH Constructors, Inc. as the successful, responsive, low bidder. Contract award is recommended to the lowest responsive bidder in the amount not to exceed \$13,896,000.00 subject to formal approval by the Board of County Commissioners. A copy of this notice has been emailed to all bidders and is posted at the bid opening location and will be left there for a minimum of five (5) business days.

**Subject:** RE: Bid Review comments

As discussed, it appears that Attachment 4 was not clear regarding which pump suppliers were to be listed. As Division 11 of the Specs contains different specifications for pumps that may be considered transfer pumps (Vertical Turbine Pumps 11312D) and backwash pumps (11312K), it appears that the three low bidders only partially completed this section on Attachment 4. It is my opinion that this is a minor irregularity that may be waived, as it does not appear to affect price nor give any of the bidders a competitive advantage. The awardee will be expected to comply with the specifications regarding pump manufacturers.

**Subject:** RE: Bid Review comments

As discussed, it appears that Attachment 4 was not clear regarding which pump suppliers were to be listed. As Division 11 of the Specs contains different specifications for pumps that may be considered transfer pumps (Vertical Turbine Pumps 11312D) and backwash pumps (11312K), it appears that the three low bidders only partially completed this section on Attachment 4. It is my opinion that this is a minor irregularity that may be waived, as it does not appear to affect price nor give any of the bidders a competitive advantage. The awardee will be expected to comply with the specifications regarding pump manufacturers.

**Bid Review Comments**

**WTP 2 Filter Replacement**

**WUD 12-066**

The three (3) lowest bids of the five (5) received for the WTP 2 Filter Replacement have been reviewed. The errors, omissions or irregularities found have been noted below.

**MWH Constructors, Inc.**

1. Attachment No. 4 - Div 11 / Transfer & Backwash Pump Supplier - the transfer pump was not stated.

**Kiriin Florida, LLC**

1. Attachment No. 4 - Div 11 / Transfer & Backwash Pump Supplier listed "F.B. Leopole MTS Environmental" and Div 13 / Filter System Supplier listed "Flowserve Carter & VerPlanck" - these appear to have been transposed. Also the backwash recovery pump was not stated.

**Poole & Kent Company of Florida**

1. Attachment No. 4 - Div 11 / Transfer & Backwash Pump Supplier - the backwash recovery pump was not stated.
