Project No. WUD 12-015

01-15-14P03:24 ARIN

01-23-14A1:53 FLVD

The bid opening for the above referenced project was held on Wednesday, December 18, 2013. Proposals were received from five (5) contractors. The complete Bid Tabulation is attached. The engineer's opinion of probable construction cost was \$2,000,000 for Bid Item Numbers 1 through 2. An evaluation of the low bid is as follows:

1. The Bid Form provided in the Contract Documents was complete.
2. Bid security equal to 5% of the total base bid was enclosed with the bid. The officer titles are not filled out.
3. The contractor holds a valid state contractor's license. A copy of the license information is included.
4. Intercounty Engineering, Inc. does not have Local Preference.
5. SBE-M/WBE Schedules #1 and #2 were provided. The low bid submitted has met the 15% SBE goal established under the SBE Ordinance, (see attached SBE-M/WBE compliance review stating Intercounty Engineering, Inc. has 16.04% SBE participation).
6. The second low bidder has met the SBE goal for this project, but does not fall within the range for ranking of responsive bidders, (see attached SBE-M/WBE compliance review stating Globaltech, Inc. has 76.75% SBE participation).
7. The County Attorney has reviewed the bid and Bid Review Comments for Intercounty Engineering, Inc. and determined that the bid is responsive (see attached Bid Review Comments and email).

As a result of this evaluation we recommend Intercounty Engineering, Inc. as the successful, responsive, low bidder. Contract award is recommended to the lowest responsive bidder in the amount not to exceed \$1,930,000.00 subject to formal approval by the Board of County Commissioners. A copy of this notice has been emailed to all bidders and is posted at the bid opening location and will be left there for a minimum of five (5) business days.

In addition to not filling in the titles on Bid Form-7, it appears that the attestation is signed by the same individual that signed for the company, Maurice Hynes. He appears to be the only officer of the company from Sunbiz, so I guess he is acting as both the sec'y and the president for this signature. I don't think this is a major issue, because the surety information/signature is all properly completed, and Mr. Hynes is the president of Intercounty and has signed the bid bond. Even there was an issue with the attestation, I think the bond is still valid. I think these are waiveable minor irregularities.
