This Agreement is made as of the 9th day of __anuary, 2014, by and between Palm Beach County, a Political Subdivision of the State of Florida, by and through its Board of Commissioners, hereinafter referred to as the COUNTY, and City of Palm Beach Gardens, a Florida municipal corporation located in Palm Beach County, Florida.(hereinafter referred to as "MUNICIPALITY").

WHEREAS, COUNTY, through its Drowning Prevention Coalition's ("DPC") Learn to Swim Program, distributes vouchers to the public which may be redeemed for swimming lessons at designated aquatic facilities within Palm Beach County; and

WHEREAS, the parties desire to enter into this Agreement for MUNICIPALITY to provide swimming lessons as part of the DPC Learn to Swim Program, and to define the parties' responsibilities relating thereto.

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969," authorizes local governments to make the most efficient use of their power by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities.

NOW THEREFORE, in consideration of the mutual covenants and promises contained herein, the COUNTY and the MUNICIPALITY agree as follows:

ARTICLE 1 - SERVICES

MUNICIPALITY shall offer and provide swimming lesson classes to individuals who present vouchers issued by the DPC Learn to Swim Program. Each class to be offered and provided shall consist of a series of at least six swimming lessons and shall be identified in **Exhibit A**, attached hereto and incorporated herein. Exhibit A shall set forth the name, type, swimming level, dates, location, minimum participation requirements, if any, and MUNICIPALITY's usual and customary fee for each class. MUNICIPALITY shall not charge voucher holders for any swim class for which MUNICIPALITY's usual and customary fee is \$50.00 or less. If MUNICIPALITY's usual and customary fee for a swim class is more than \$50.00, then the maximum fee that MUNICIPALITY may charge voucher holders for said class is its usual and customary fee minus \$50.00. Said classes may be open to the public and are not restricted to voucher holders.

The swimming lesson classes shall be provided at MUNICIPALITY'S aquatic facility. MUNICIPALITY agrees to provide and maintain its facility in a safe, clean and hygienic manner and in accordance with all safety and health standards and all other applicable laws and regulations. MUNICIPALITY agrees to provide and maintain in proper working order all equipment necessary to provide and maintain the services and facility as provided herein.

MUNICIPALITY represents and warrants that its aquatic facility is in compliance, and shall continue to be in compliance, with Section 514.031, Florida Statutes, all applicable rules and requirements of the State and County Health Departments, and all other applicable laws, rules and regulations. Prior to execution of this Agreement, MUNICIPALITY must provide to COUNTY copies of the facility's current operating permit and most current inspection report, which must evidence a satisfactory inspection.

MUNICIPALITY shall perform the services set forth herein in accordance with all applicable laws, rules and regulations, and in a competent, professional, safe and responsible manner with full regard for the safety of the participants. MUNICIPALITY agrees and warrants that all swimming instructors utilized by MUNICIPALITY to provide lessons hereunder shall be certified as required by Section 514.071, Florida Statutes, and any other applicable laws, rules and regulations. MUNICIPALITY shall provide proof of such certifications to COUNTY'S representative upon request. MUNICIPALITY represents and warrants that it has in place, and shall continue to maintain, a drug-free workplace policy.

ARTICLE 2 – COMMENCEMENT AND TERM

This Agreement shall commence on October 1, 2013 and shall remain in effect until September 30, 2014.

As provided in Resolution No. R-2005-1906, the total payments to all swimming lesson providers utilized in the DPC Learn to Swim Program for each fiscal year shall not exceed the amount budgeted by COUNTY for this purpose for said fiscal year.
- B. MUNICIPALITY shall invoice COUNTY monthly based on the number of swimming lesson classes provided hereunder. Invoices shall include a list of the names and contact information of students to whom lessons were actually provided, the name, dates, and times of the classes provided, and any other documentation deemed necessary by COUNTY to verify that services have been rendered in conformity with this Agreement and any applicable DPC Learn to Swim Program criteria, policies and procedures.

ARTICLE 6 - SUBCONTRACTING

MUNICIPALITY may not, without written approval of COUNTY, subcontract any rights, responsibilities or obligations under this Agreement.

In the event MUNICIPALITY maintains third-party Commercial General Liability and Business Auto Liability in lieu of exclusive reliance of self-insurance under s.768.28 f.s, MUNICIPALITY shall agree to maintain said insurance policies at limits not less than \$500,000 combined single limit for bodily injury or property damage.

MUNICIPALITY agrees to maintain or to be self-insured for Worker's Compensation & Employer's Liability insurance in accordance with Chapter 440, Florida Statutes.

ARTICLE 12 - CONFLICT OF INTEREST

If, in the opinion of the COUNTY, the prospective business association, interest or circumstance would not constitute a conflict of interest by the CONTRACTOR, the COUNTY shall so state in the notification and the CONTRACTOR shall, at its option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the COUNTY by the CONTRACTOR under the terms of this Agreement.

ARTICLE 18 - INDEPENDENT CONTRACTOR RELATIONSHIP

The CONTRACTOR is, and shall be, in the performance of all work services and activities under this Agreement, an Independent Contractor, and not an employee, agent, or servant of the COUNTY. Swim Lesson Levels and Descriptions

PARENT / TOT AND PRE-SCHOOL LEVELS

(For children 6 months – 5 years of age)

Each skill level builds upon the preceding level, covering all strokes, diving fundamentals and safety skills:

SHRIMP - PERCH (6 mos. - 36 mos.)

Parent and child work together to provide the child with a positive first experience in the water. Fundamental skills will be introduced through songs, games and activities. This level will prepare the child for group lessons without a parent or guardian.

PIKE

At this level, children attend classes without their parents in the water. It helps build confidence, develop safe behavior and water adjustment. It focuses on teaching basic paddle stroke, kicking skills, pool safety and increasing comfort ability putting face in the water while blowing bubbles.

EEL

A little more advanced than PIKE, this level is for children who can put their face in the water with more ease. They are taught to flutter kick, surface dive, and float while continuing stroke development. Children are able to swim the width of the pool at the end of this level.

RAY

Children review previous skills while improving stroke development, build endurance swimming on their front and back, learn to tread water and perform more progressive diving skills. Children are able to swim across the pool on their front and back at the end of this level.

STARFISH

Children continue to develop endurance, refine stroke mechanics, improve their floating skills, and review aquatic and boating safety. They are also introduced to underwater swimming skills. By the end of this level, children are able to swim the length of the pool on their fronts and backs

PROGRESSIVE LEVELS

(For children 6 – 11 years of age)

Each skill level builds upon the preceding level, covering all strokes, diving fundamentals and safety skills:

POLLIWOG

This level is the school – aged child's first experience in a structured swim lesson class. In this class, the child gets acquainted with the pool, floatation devices, floating and getting their heads wet. By the end of this level, they should know the front paddle stroke, back and side strokes and some synchronized swimming. Wet ball movements are also introduced, which leads up to water polo strategies.

GUPPY Children continue to practice and build upon basic skills without aid of floatation devices. They are introduced to front and back crawl, sidestroke, breaststroke and elementary backstroke. More synchronized swimming and wet ball skills are taught. Diving skills are being taught as well.

MINNOW

Children further refine the lead strokes they have learned previously. They continue to learn synchronized swimming with more advanced features, wet ball strategies, boating safety and enhanced diving skills.

FISH

Students learn to perform all strokes with the appropriate flip-turns. The butterfly stoke is introduced along with the use of masks and fins. Diving skills are refined and stroke mechanics are focused on a bit more here.

INTERLOCAL AGREEMENT FOR SWIMMING LESSONS

This Agreement is made as of the 30⁴⁷ day of 150 day, 2014, by and between Palm Beach County, a Political Subdivision of the State of Florida, by and through its Board of Commissioners, hereinafter referred to as the COUNTY, and City of Boynton Beach, a Florida municipal corporation located in Palm Beach County, Florida. (hereinafter referred to as "MUNICIPALITY").

WHEREAS, COUNTY, through its Drowning Prevention Coalition's ("DPC") Learn to Swim Program, distributes vouchers to the public which may be redeemed for swimming lessons at designated aquatic facilities within Palm Beach County; and

WHEREAS, the parties desire to enter into this Agreement for MUNICIPALITY to provide swimming lessons as part of the DPC Learn to Swim Program, and to define the parties' responsibilities relating thereto.

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969," authorizes local governments to make the most efficient use of their power by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities.

NOW THEREFORE, in consideration of the mutual covenants and promises contained herein, the COUNTY and the MUNICIPALITY agree as follows:

ARTICLE 1 - SERVICES

MUNICIPALITY shall offer and provide swimming lesson classes to individuals who present vouchers issued by the DPC Learn to Swim Program. Each class to be offered and provided shall consist of a series of at least six swimming lessons and shall be identified in **Exhibit A**, attached hereto and incorporated herein. Exhibit A shall set forth the name, type, swimming level, dates, location, minimum participation requirements, if any, and MUNICIPALITY's usual and customary fee for each class. MUNICIPALITY shall not charge voucher holders for any swim class for which MUNICIPALITY's usual and customary fee is \$50.00 or less. If MUNICIPALITY's usual and customary fee for a swim class is more than \$50.00, then the maximum fee that MUNICIPALITY may charge voucher holders for said class is its usual and customary fee minus \$50.00. Said classes may be open to the public and are not restricted to voucher holders.

The swimming lesson classes shall be provided at MUNICIPALITY'S aquatic facility. MUNICIPALITY agrees to provide and maintain its facility in a safe, clean and hygienic manner and in accordance with all safety and health standards and all other applicable laws and regulations. MUNICIPALITY agrees to provide and maintain in proper working order all equipment necessary to provide and maintain the services and facility as provided herein.

MUNICIPALITY represents and warrants that its aquatic facility is in compliance, and shall continue to be in compliance, with Section 514.031, Florida Statutes, all applicable rules and requirements of the State and County Health Departments, and all other applicable laws, rules and regulations. Prior to execution of this Agreement, MUNICIPALITY must provide to COUNTY copies of the facility's current operating permit and most current inspection report, which must evidence a satisfactory inspection.

MUNICIPALITY shall perform the services set forth herein in accordance with all applicable laws, rules and regulations, and in a competent, professional, safe and responsible manner with full regard for the safety of the participants. MUNICIPALITY agrees and warrants that all swimming instructors utilized by MUNICIPALITY to provide lessons hereunder shall be certified as required by Section 514.071, Florida Statutes, and any other applicable laws, rules and regulations. MUNICIPALITY shall provide proof of such certifications to COUNTY'S representative upon request. MUNICIPALITY represents and warrants that it has in place, and shall continue to maintain, a drug-free workplace policy.

ARTICLE 2 - COMMENCEMENT AND TERM

This Agreement shall commence on October 1, 2013 and shall remain in effect until September 30, 2014.

ARTICLE 3 - PAYMENTS TO MUNICIPALITY

- A. For swimming classes provided by MUNICIPALITY in exchange for DPC Learn to Swim Program vouchers, COUNTY shall pay MUNICIPALITY its usual and customary fee per class as set forth in Exhibit A hereto, up to a maximum of \$50.00 per class series provided to a voucher holder. As provided in Resolution No. R-2005-1906, the total payments to all swimming lesson providers utilized in the DPC Learn to Swim Program for each fiscal year shall not exceed the amount budgeted by COUNTY for this purpose for said fiscal year.
- B. MUNICIPALITY shall invoice COUNTY monthly based on the number of swimming lesson classes provided hereunder. Invoices shall include a list of the names and contact information of students to whom lessons were actually provided, the name, dates, and times of the classes provided, and any other documentation deemed necessary by COUNTY to verify that services have been rendered in conformity with this Agreement and any applicable DPC Learn to Swim Program criteria, policies and procedures.
