Department: Planning, Zoning, and Building Department

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to: **A) adopt** a resolution of the Board of County Commissioners (BCC) of Palm Beach County, Florida, granting a County tax exemption for four historic properties located within the City of West Palm Beach; and **B) approve** the restrictive covenants for the historic properties requiring the qualifying improvements be maintained during the period that the tax exemption is granted.

Summary: The resolution will authorize a County tax exemption for the following historic properties located within the City of West Palm Beach:

- Address: 219 Avila Road, West Palm Beach (Residential)
- Address: 333 Pilgrim Road, West Palm Beach (Residential)
- Address: 211 Plymouth Road, West Palm Beach (Residential)
- Address: 3001 Washington Road, West Palm Beach (Residential)

If granted, the tax exemption will take effect January 1, 2014, and remain in effect for 10 years, or until December 31, 2023. The exemption will apply to 100 percent of the assessed value of all improvements to the historic properties, which resulted from restoration, renovation, or rehabilitation of the properties. Actual exemption amounts will be based upon the Countywide Millage rate on a yearly basis. It is estimated that approximately \$11,476 tax dollars will be exempted annually based on the 2014 Countywide Millage rate. Accompanying each resolution is a restrictive covenant, which requires the qualifying improvements be maintained during the period that each tax exemption is granted. District 2 (RPB)

Background and Policy Issues: On October 17, 1995, the BCC adopted a historic property tax exemption ordinance, Ordinance No. 95-41, applicable countywide. The ordinance allows a qualifying local government to enter into an interlocal agreement with the County to perform review functions necessary to implement the ordinance within its municipal boundary. An Interlocal Agreement was approved by the BCC on April 2, 1996, R 96 442 D, authorizing the City of West Palm Beach Historic Preservation Board to perform the required review to implement the tax exemption ordinance on improvements to historic landmark properties within the City.

The historic properties have filed preconstruction applications and final applications with the City of West Palm Beach Historic Preservation Board. Following review of the completed improvements, the City's Historic Preservation Board determined the improvements were consistent with the U.S. Secretary of Interior's Standards for Rehabilitation and recommended approval for tax exemption. The West Palm Beach City Commission then granted an ad valorem City tax exemption to the historic properties.

The properties are privately owned residences.

Copies of the City of West Palm Beach Historic Preservation Board Application and other backup information for the four properties are available for review at the County's Planning Division.

B. Recommended Sources of Funds/Summary of Fiscal Impact:

There is no direct fiscal impact on the Planning, Zoning and Building Department from granting a tax exemption for each property. The overall County impact is a reduction of collectable taxes. Tax revenue is to be reduced at most by the tax on the improvements made to the structure. The estimated improvement costs attributed solely to work on the historic building totals **\$2,400,000**. Estimated exemption will be based upon the Countywide Millage Rate (4.7815), it is estimated that approximately \$11,476 tax dollars will be exempted annually.

The estimated total tax exempted for the ten years ending December 31, 2023 is \$114,760 (\$11,476 X 10).

3. [Only for properties of archaeological significance] The Owner agrees to ensure the protection of the site against willful damage or vandalism. Nothing in this Covenant shall prohibit the Owner from developing the site in such a manner that will not threaten or damage the archaeological resource, provided that permission for alteration of the site is obtained pursuant to 2. above.

4. The Owner agrees that the Local Historic Preservation Office and appropriate representatives of the Local Government, their agents and designees shall have the right to inspect the Property at all reasonable times in order to ascertain whether or not the conditions of this covenant are being observed.

5. In the event of the non-performance or violation of the maintenance provision of the Covenant by the Owner or any successor-in-interest during the term of the Covenant, the Local Historic Preservation Office will report such violation to the Property Appraiser and Tax Collector who shall take action pursuant to s. 196.1997 (7), F.S. The Owner shall be required to pay the difference between the total amount of taxes which would have been due in March in each of the previous years in which the Covenant was in effect had the property not received the exemption and the total amount of taxes actually paid in those years, plus interest on the difference calculated as provided in s. 212.12 (3) F.S.

6. If the Property is damaged by accidental or natural causes during the Covenant period, the Owner will inform the Local Historic Preservation Office in writing of the damage to the Property, including (1) an assessment of the nature and extent of the damage; and (2) an estimate of the cost of restoration or reconstruction work necessary to return the Property to the condition existing at the time of project completion. In order to maintain the tax exemption, the Owner shall complete the restoration or reconstruction work necessary to return the Property to the condition existing at the time of project completion on a schedule agreed upon by the Owner and the Local Historic Preservation Office.

7. If the Property has been destroyed or severely damaged by accidental or natural causes, that is, if the historical integrity of the features, materials, appearance, workmanship, and environment, or archaeological integrity which made property eligible for listing in the National Register of Historic Places or designation under the terms of the local preservation ordinance have lost or so damaged that restoration is not feasible, the Owner will notify the Local Historic Preservation Office in writing of the loss. The Local Historic Preservation Office will evaluate the information provided and notify the Owner in writing of its determination regarding removal of the Property from eligibility for tax exemption. If the Local Historic Preservation Office determines that the property should be removed from eligibility for tax exemption, it will notify the Property Appraiser of the county in which the Property is located in writing so that the tax exemption can be canceled for the remainder of the Covenant period. In such cases, no penalty or interest shall be assessed against the Owner.

8. If it appears that the historical integrity of the features, materials, appearance, workmanship, and environment, or archaeological integrity which made the Property eligible for listing in the National Register of Historic Places or designation under the terms of the local preservation ordinance have been lost or damaged deliberately or through gross negligence of the Owner, the Local Historic Preservation Office shall notify the Owner in writing. For the purpose of this Covenant, "gross negligence" means omission of

care which even inattentive and thoughtless persons never fail to take of their own property. The Owner shall have 30 days to respond indicating any circumstances which show that the damage was not deliberate or due to gross negligence. If the Owner cannot show such circumstances, he shall develop a plan for restoration of the Property and a schedule for completion of the restoration. In order to maintain the tax exemption, the Owner shall complete the restoration work necessary to return the Property to the condition existing at the time of project completion on a time schedule agreed upon by the Owner and the Local Historic Preservation Office. If the Owner does not complete the restoration work on the agreed upon time schedule, the Local Historic Preservation Office will report such violation to the Property Appraiser and Tax Collector who shall take action pursuant to s. 196.1997 (7), F.S. The Owner shall be required to pay the differences between the total amount of taxes which would have been due in March in each of the previous years in which the Covenant was in effect had the property not received the exemption and the total amount of taxes actually paid in those years, plus interest on the difference calculated as provided in s. 212.12 (3), F.S.

9. The terms of this Covenant shall be binding on the current Property owner, transferees, and their heirs, successors, or assigns.

This Covenant shall be enforceable in specific performance by a court of competent jurisdiction.
