**I. EXECUTIVE BRIEF**

**Motion and Title:** Staff recommends motion to: Receive and File two Interlocal Agreements with the City of Greenacres and the City of Riviera Beach for reimbursement from Emergency Medical Services (EMS) grant funding for medical equipment.

**Summary:** The County was awarded \$255,137 during FY2013-2014 from the State of Florida Department of Health, Bureau of Emergency Medical Services (EMS), to improve and expand the EMS systems. The grant funding may be used by the County or municipal agencies to purchase EMS equipment and accordingly, the County has agreed to reimburse the City of Greenacres for the purchase of three (3) Zoll E-Series Biphasic 12 lead heart monitors in an amount not to exceed \$68,000. This equipment allows paramedics to effectively monitor a patient's heart activity and electronically transfer the information to the hospital Emergency Room for quicker patient care. The County has also agreed to reimburse the City of Riviera Beach in an amount not to exceed \$41,325 for the purchase of four (4) Stryker Power Stretchers to decrease the amount of back injuries to their employees as well as ensure the safety of their patients. The remaining EMS grant funding will be used to purchase EMS equipment for the benefit of the citizens of the County and surrounding municipal agencies. On August 13, 2013 the County Administrator or his designee was authorized to execute these standard agreements between the County and various governmental and non-governmental/private entities and make non-substantive and ministerial changes on behalf of the Board of County Commissioners, after approval of legal sufficiency by the County Attorney's Office, and within budgeted allocations. There is no ad valorem funding required. **Countywide (PGE)**

**Background and Justification:** Pursuant to F.S. 401, Part II, the State of Florida Department of Health, Bureau of Emergency Medical Services has established an Emergency Medical Services Trust Fund funded through a portion of every municipal and county moving violation fine including DUI convictions. The licensed EMS providers within Palm Beach County submit a proposal for training or equipment and reimbursement is provided by the County from their EMS Grant Fund. The proposals are reviewed by the staff of the Division of Emergency Management, Office of Emergency Medical Services, and Grant Review Committee of the EMS Advisory Council of Palm Beach County.

**WITNESSETH**

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969" authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, Part I of Chapter 163, Florida Statutes, permits public agencies as defined therein to enter into interlocal agreements with each other to jointly exercise any power, privilege, or authority which such agencies share in common and which each might exercise separately; and

WHEREAS, The Department of Health, Bureau of Emergency Medical Services (DOHEMS) is authorized by Chapter 401, Part II, Florida Statutes, to dispense grant funds. Forty-five percent (45%) of these funds are made available to the 67 Boards of County Commissioners (BCCs) throughout the State to improve and expand pre-hospital Emergency Medical Services (EMS) in their county; and

WHEREAS, DOHEMS County grants are only awarded to Boards of County Commissioners (BCC), however, each BCC is encouraged to assess its countywide EMS needs and establish priorities before submitting a grant application; and

WHEREAS, the COUNTY may reimburse and disburse the State trust funds to licensed emergency medical providers; and

WHEREAS, the COUNTY agrees to reimburse the CITY from its FY2013-2014 EMS State grant funds for the purchase of three (3) Zoll E-Series Cardiac Monitors ("EQUIPMENT" or "EMS equipment") and the CITY agrees to accept said reimbursement under the terms and conditions of the EMS State grant and this Agreement.
