I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: the donation and title transfer of a surplus vehicle (Asset No. 10154107) to the Palm Beach County Sheriff's Office for emergency response, contingent upon receipt of the Acceptance of Fire-Rescue Vehicle(s) and/or Equipment form duly executed by the Sheriff.

Summary: Pursuant to Section 274.05, Florida Statutes, Fire Rescue is donating a surplus Rescue Unit (model year 2004) to be housed and maintained by the Sheriff's Office. The unit will be refurbished at the Sheriff's expense and equipped with tactical equipment, specialized communications equipment and protective gear, which can be utilized for a joint response to domestic terrorist activities. The Emergency Service Response Teams will use this equipment for law enforcement response such as hostage situations, civil disturbances, and terrorist type events. The donation of this equipment will greatly enhance the Sheriff's ability to provide services to the citizens of the County for special tactical incidents. The estimated value of this donation is \$35,000.
Countywide (SB)

Background and Policy Issues:

The Sheriff and Fire Rescue have maintained a long standing working relationship. Both have responsibilities for responding to special tactical incidents within their jurisdiction and share an interest in conducting a successful operation. This donation of equipment enhances the Sheriff's Emergency Response Team by providing additional field units as part of the initial deployment to special tactical incidents, including domestic terrorism.
