BOARD OF COUNTY COMMISSIONERS
AGENDA ITEM SUMMARY

Meeting Date: July 1, 2014

Consent Regular
 Ordinance Public Hearing

Department

Submitted By: Environmental Resources Management

Submitted For: Environmental Resources Management

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

A) Approve a License Agreement (License) with the State of Florida Department of Transportation (FDOT) for the discharge of treated stormwater onto Pine Glades Natural Area, subject to all of the terms and conditions set forth in the License; and

B) Authorize the County Administrator, or his designee, to sign all future time extensions, task assignments, certifications, and other forms associated with this License, and necessary minor amendments that do not substantially change the scope of work, terms or conditions.

Summary: FDOT is preparing to widen SR 710 from 2 to 4 lanes from approximately 2500 feet north of Innovation Drive northward to the Martin County line and on to Indiantown. To widen the road, FDOT must address stormwater runoff from the widened road. The County's Pine Glades Natural Area is immediately adjacent to the SR 710 right of way for much of the length of the proposed construction in Palm Beach County. FDOT requests approval to discharge treated stormwater into wetlands on the Pine Glades Natural Area. The level of stormwater pretreatment necessary, the flow rate of the discharge, and the location and design of the discharge structures are stipulated in the conditions of the proposed License. There is no cost to the County for this item. District 1 (SF)

Background and Justification: The western portions of the Pine Glades Natural Area contain large depressional wetlands that have historically been drained by a large borrow ditch that runs parallel to the east side of SR 710. Accepting the pretreated stormwater discharge from the widened SR 710 will help restore the hydrology to several of the wetlands near the SR 710 right of way.

LICENSE AGREEMENT
BETWEEN
PALM BEACH COUNTY
AND
STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION

THIS LICENSE AGREEMENT (this "License") made and entered into this ____ day of _____, 2014, by and between Palm Beach County, a political subdivision of the State of Florida, hereinafter referred to as (the "County") and the State of Florida Department of Transportation, hereinafter referred to as (the "Department"), both collectively referred to as the "parties".

WITNESSETH:

Whereas, Palm Beach County owns certain public lands along S.R. 710 from the Martin County/Palm Beach County line to the Pratt & Whitney entrance, as depicted in Exhibit "A", attached hereto and incorporated herein (the Premises); and

Whereas, the Department has a project underway for the widening of a portion of S.R. 710 within the area of the Premises; and

Whereas, the proposed roadway widening will require that stormwater management be provided in order for an Environmental Resource Permit (ERP) through the South Florida Water Management District (SFWMD) to be issued; and

Whereas, the Department desires to discharge its treated stormwater into the Premises in order to comply with the ERP and SFWMD requirements; and

Whereas, the County has agreed to allow the Department to discharge its treated stormwater into the Premises at the locations and under the conditions set forth below; and

Whereas, the parties agree this License is in the best interest of the public;

NOW THEREFORE, in consideration of the covenants and agreements hereinafter set forth on the part of the Department to be observed and performed, the County hereby grants the Department a non-exclusive, revocable License to use the Premises (as hereinafter defined) upon the following terms and conditions:

1. The recitals above are true and correct and are incorporated herein.
2. County hereby grants to Department a License to discharge onto the Premises through approved outfall structures stormwater that has been previously treated in roadside swales along S.R. 710, subject to all of the terms and conditions herein. The proposed stormwater management will be provided in roadside swales along S.R. 710 that will discharge once treated, via outfall structures, to the adjacent Premises in accordance with the Concept Plans, attached hereto as Exhibit "B", and incorporated herein.
3. All stormwater discharged through the referenced structures shall be treated so as to meet state water quality criteria contained as set forth in Chapter 62-302, Florida Administrative Code, as well as the additional water quality treatment

criteria describe in Section 4.2.2(b) of the Environmental Resource Permit Applicant's Handbook Volume II for the South Florida Water Management District Effective October 1, 2013.

4. The locations of the outfall structures, which have been coordinated between the Department and the Palm Beach County Department of Environmental Resource Management (PBC ERM) shall be as shown in Exhibit "C", attached hereto and incorporated herein.

5. The discharge velocity at each outfall shall not exceed two (2) feet per second (fps).

6. Any deviation from the discharge locations identified in Exhibit "C" or any discharge velocities greater than 2 fps shall require written approval from the Director of PBC ERM and shall cease upon the written notice of the Director of PBC ERM.

7. Term. This License shall commence upon execution by both parties ("the Commencement Date"). The term of this License shall continue until modified in accordance to the terms of this License.

8. Modification. The County may modify this License for convenience at any time upon twelve months written notice to the Department, and the County shall work with the Department to modify any of the outfall locations as identified by the County. The Department may terminate this License upon written notice to the County. Notwithstanding such termination, the Department shall remain obligated to restore the Premises as required by this License and for any obligations arising prior to such termination.

9. Waste or Nuisance. The Department shall not commit or suffer to be committed any waste upon the Premises or any nuisance or other act or thing which may result in damage or depreciation of value of the Premises or which may affect County's fee interest in the Premises.

10. Governmental Regulations. The Department shall, at the Department's sole cost and expense, secure any required permits and comply with all applicable regulations of all county, municipal, state, federal and other appropriate governmental authorities, now in force, or which may hereafter be in force, pertaining to the Department or its use of the Premises, and shall faithfully observe in the use of the Premises all applicable municipal and county ordinances and state and federal statutes now in force or which may hereafter be in force and all applicable association/governing body rules and regulations pertaining to the Department's use of the Premises. The Department shall not store or dispose of any contaminants including, but not limited to, hazardous or toxic substances, chemicals or other agents, including any petroleum products, used or produced in the Department's activity, on the Premises or in any manner not permitted by law.

11. Non-Discrimination. The Department assures and certifies that it shall comply with Title VII of the Civil Rights Act of 1964, as amended, and Palm Beach County Resolution No. R92-13, and shall not discriminate against any individual on the basis of its race, color, national origin, religion, ancestry, sex, age, marital status, familial status, sexual orientation, disability, gender identity or expression or genetic information with respect to their use of the Premises.

12. Surrender of Use of Premises. Upon termination of this Agreement, the Department shall cease to use any connection to the Premises if requested in writing by the Director of PBC ERM and shall leave the Premises to the County in at least the same condition the Premises were in immediately prior to execution of this Agreement.

13. Maintenance and Repair. The Department shall maintain and repair all stormwater treatment swales or outfall structures required under this Agreement. In the event the Department fails to maintain the above-cited stormwater treatment swales or outfall structures to the County's satisfaction, the County shall provide written notice to the Department. The Department shall have ten days from the County's notice to correct the deficiency cited in the notice. In the event the deficiency is not corrected within ten days, the County may enter upon any property of the Department and may take whatever steps are necessary to correct the deficiency and shall bill the Department for all actual and reasonable costs incurred to correct the deficiency. The Department shall then have forty days to reimburse the County for such costs incurred.

14. Hold Harmless. To the extent permitted by law, the Department shall be responsible for any actions, claims, or damages arising out of Department's negligence and Department's exercise of the rights granted by this Agreement. The foregoing shall not constitute a waiver of sovereign immunity beyond the limits set forth in Section 768.28, Florida Statutes, nor shall the same be construed to constitute an agreement by the Department to be responsible for the County's negligence.

15. Insurance.

A. If the Department is a government entity, the Department acknowledges, without waiving the right to sovereign immunity as provided by Section 768.28, Florida Statutes, that the Department is self-insured for general liability under Florida sovereign immunity statutes with coverage limits of \$200,000 per person and \$300,000 per occurrence, or such monetary waiver limits that may change and be set forth by the legislature.

B. In the event that the Department maintains third-party commercial general liability in lieu of exclusive reliance on self-insurance under Section 768.28, Florida Statutes, the Department shall maintain said insurance policy at limits not less than \$500,000 each occurrence. The Department shall add the County to the commercial general liability as an "additional insured" with a CG 2026 Additional Insured-Designated Person or Organization endorsement or similar endorsement. The additional insured endorsement shall read "Palm Beach County Board of County Commissioners, a political subdivision of the State of Florida, its officers, employees and agents, c/o Facilities Development & Operations Department. The additional insured endorsement shall provide coverage on a primary basis.

C. The Department shall maintain or be self-insured for Worker's Compensation & Employer's Liability insurance in accordance with Chapter 440 Florida Statutes.

D. If requested, the Department shall provide a statement or certificate of insurance evidencing insurance, self-insurance and/or sovereign immunity status which the County agrees to recognize as acceptable for the above mentioned

coverages.

E. Compliance with the foregoing insurance requirements shall not relieve the Department of its obligations under this License.

F. The Department's self-insurance or general liability insurance shall be primary with respect to any coverage afforded to or maintained by the County.

16. Rules of the Premises. The Department shall strictly adhere to the Rules and Ordinances that govern the Premises at all times. The Department also acknowledges that any violation of the Rules and Ordinances governing the use of the Premises may result in the suspension or termination of this License, after the Department has been given notice and an opportunity to respond.

17. Subcontracting. The Department may not subcontract or assign any rights, responsibilities or obligations of this License unless approved by the County in writing.

18. Entire Agreement. This License and any Exhibits attached hereto and forming a part thereof as if fully set forth herein, constitute all agreements, conditions and understandings between County and the Department. All representations, either oral or written, shall be deemed to be merged into this License. Except as herein otherwise provided, no subsequent alteration, waiver, change or addition to this License shall be binding upon County or the Department unless reduced to writing and signed by them.

19. Notices. All notices and elections (collectively, "Notices") to be given or delivered by or to any party hereunder shall be in writing and shall be (as elected by the party giving such notice) hand delivered by messenger, courier service, or national overnight delivery service, telecopied or faxed, or alternatively shall be sent by United States Certified Mail, with Return-Receipt Requested. The effective date of any Notice shall be the date of delivery of the Notice if by personal delivery, courier services, or national overnight delivery service, or on the date of transmission with confirmed answer back if by telecopier or fax if transmitted before 5PM on a business day and on the next business day if transmitted after 5PM or on a non-business day, or if mailed, upon the date which the return receipt is signed or delivery is refused or the notice designated by the postal authorities as non-deliverable, as the case may be. The parties hereby designate the following addresses as the addresses to which Notices may be delivered, and delivery to such addresses shall constitute binding notice given to such party:

(a) If to the County at:

Department of Environmental Resources Management
2300 North Jog Road, 4th Floor
West Palm Beach, FL 33411-2743
Fax: (561) 233-2414

with a copy to:

Palm Beach County

Attn: County Attorney
301 North Olive Avenue
West Palm Beach, FL 33401
Fax: (561) 355-6461

(b) If to the Department at:

State of Florida Department of Transportation
District Drainage Engineer
3400 West Commercial Blvd.
Fort Lauderdale, Florida 33309-3421
Fax: (954) 777-4408

With a copy to:

State of Florida Department of Transportation
Palm Beach Operations Engineer
7900 Forest Hill Blvd.
WestPalmBeach,Florida33413
Fax: (561) 963-3189

And

State of Florida Department of Transportation
District Chief Counsel
3400 West Commercial Blvd.
Fort Lauderdale, Florida 33309-3421
Fax: (954) 777-4528

Either party hereto may change the address for service of Notices required or permitted hereunder upon three (3) days' prior written notice to the other party.

20. Severability. If any term or provision of this License shall be held invalid or unenforceable, the remainder of this License shall not be affected and every other term and provision of this License shall be deemed valid and enforceable to the extent permitted by law.

21. Governing Law and Venue. This License shall be governed by and interpreted according to the laws of the State of Florida and venue shall be in a state court of competent jurisdiction in Palm Beach County.

22. Time of Essence. Time is of the essence with respect to the performance of every provision of this License in which time of performance is a factor.

23. Palm Beach County Office of the Inspector General. Pursuant to Palm Beach County Code, Sections 2-421 through 2-440, as amended, Palm Beach County's Office of Inspector General is authorized to have the power to review past, present and proposed County contracts, transactions, accounts and records.

24. No Third Party Beneficiary. No provision of this License is intended to, or shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a party to this License, including but not limited to any citizen or employees of the County and/or The Department.

IN WITNESS WHEREOF, County and Department have executed this License, or have caused the same to be executed as of the day and year first above written.
