SECTION 4 - PERIODS OF SERVICE

4.1. This is an Annual Contract for professional traffic signal design services. This Contract will commence on the date of Board approval and shall remain in effect for a period of one (1) year from that date. At the option of the **COUNTY**, this Contract can be renewed for two (2) additional one (1) year terms commencing on the anniversary date of the original contract approval, if agreed by both parties.

4.2 The period of service shall continue until completion of all phases or any outstanding additional service authorizations issued within the period of this Contract, unless otherwise terminated as provided herein.

SECTION 5 - PAYMENTS TO ANNUAL CONSULTANT

5.1. Methods of Payment for Services and Expenses of the **ANNUAL CONSULTANT**.

5.1.1. Basic Services: The **COUNTY** will pay the **ANNUAL CONSULTANT** an hourly not-to-exceed fee, and/or a lump sum fee, as may be required for each project. The Basic Services (broadly outlined in Exhibit "A") for each project shall be negotiated in accordance with the fees/rates shown in Exhibit "B". The **COUNTY** shall authorize each project task order fee in writing prior to commencement of the work.

5.1.2. Additional Services: To the extent that additional services under Section 2 hereof are specifically authorized in writing by the **COUNTY'S** representative, the **COUNTY** will pay for such additional services in accordance with the following:

5.1.2.1. Actual Salary costs times a factor of 3.0 for services rendered by principals and employees assigned to the **PROJECT** plus all reimbursable expenses.

5.1.2.2. **(DELETED)**

5.1.2.3. For services rendered by the **ANNUAL CONSULTANT'S** principals and employees as consultants or witnesses in any litigation, arbitration or other legal or administrative proceeding in accordance with Paragraph 2.1.8. at the rate of **\$800.00** per day or any portion thereof (but compensation for time spent in preparing to appear in any such litigation, arbitration or proceeding will be on the basis provided in Paragraph 5.1.2.1).

5.1.3. Reimbursable Expenses: The **COUNTY** will pay the **ANNUAL CONSULTANT** the actual costs of all reimbursable expenses incurred in the provision of these services when authorized in writing by the **COUNTY**.

5.1.4. The terms "Salary Costs" and "Reimbursable Expenses" have the meanings assigned to them in Paragraph 5.4.

5.1.5. Additional services and reimbursable expenses authorizations shall be issued in accordance with Board policy per Resolution Number R-89-633 adopted April 4, 1989.

5.2. Payments

5.2.1. Progress payments to the **ANNUAL CONSULTANT** shall be due and payable monthly in proportion to the percentage of engineering services approved and accepted by the **COUNTY** based on said lump sum fee until 90% of the project is completed. There will be no additional payments for Basic Services until all services are completed and accepted by the **COUNTY** (including permits).

5.2.2. Final payment shall be due and payable to the **ANNUAL CONSULTANT** upon satisfactory completion of the services described in this Contract and approval and acceptance of the plans by the **COUNTY**.

5.2.3 Due to the nature of the work flow and the small size of expected projects to be performed by the **ANNUAL CONSULTANT**, the **COUNTY** recognizes that the purpose of withholding retainage may not be applicable for all projects and the **COUNTY** may waive the requirement upon written request from the **ANNUAL CONSULTANT**.

5.3. **Other Provisions Concerning Payments**

5.3.1. Records of the **ANNUAL CONSULTANT'S** Salary Costs pertinent to the **ANNUAL CONSULTANT'S** compensation under this Contract will be kept in accordance with generally accepted accounting practices. Copies will be made available to the **COUNTY** on request prior to final payment for the **ANNUAL CONSULTANT'S** services.

5.3.2 At the end of each one (1) year period and during the renewal process, the unburdened (raw) rates may be adjusted by negotiation as an "equitable adjustment", if the cost of living index (Consumer Price Index (CPI)) supports an increase. However, the multiplier agreed to under the original contract SHALL NOT be changed.

5.3.3 If the proposed adjustments to the unburdened rates include inflationary increases, the percentage of such increase must be justified as being consistent with prior increases to the employees. This may be accomplished by providing a certified schedule of the employee's wage rates which show annual increases for the TWO (2) previous years, including the "anniversary" date of the increase. This schedule shall clearly distinguish between raises given as a result of promotions, change of job, etc., and other increases (inflationary, cost-of-living, and merit). Wage rate verification should be current payroll registers certified by an Officer of the Company, stating that the rates are accurate. The wage rate information must reference the **ANNUAL CONSULTANT'S** employee names and job classification to those contained in the proposal.

5.4. **Definitions**

5.4.1. The Salary Costs used as a basis for payment shall mean the actual salaries and wages paid to principals and employees engaged on the **PROJECT**. Time spent on this **PROJECT** by stenographers, typists and clerk skills shall not be charged to the **PROJECT** nor shall any fringe benefits such as social security contributions, unemployment, excise and payroll taxes, workman's compensation, etc., be included in the Salary Costs.

5.4.2. Reimbursable Expenses shall mean the actual expenses of soils testing, printing and similar **PROJECT** related items when authorized by the **COUNTY**.

SECTION 6 - CONSTRUCTION COST AND OPINIONS OF COST

6.1. **Opinions of Cost**

Since **ANNUAL CONSULTANT** has no control over the cost of labor, materials, equipment or services furnished by others, or over the contractor(s)' methods of determining prices, or over competitive bidding or market conditions, the **ANNUAL CONSULTANT'S** opinions of probable construction cost provided for herein are to be made on the basis of the **ANNUAL CONSULTANT'S** experience and qualifications and represent the **ANNUAL CONSULTANT'S** best judgment as an experienced and qualified professional engineer, familiar with the construction industry; but the **ANNUAL CONSULTANT** cannot and does not guarantee that proposals, bids or actual construction costs will not vary from opinions of probable cost prepared by the **ANNUAL CONSULTANT**. If prior to the Bidding or Negotiating Phase, the **COUNTY** wishes greater assurance as to construction costs, the **COUNTY** shall employ an independent cost estimator.

SECTION 7 - GENERAL CONSIDERATION

7.1. **Termination**

This Contract may be canceled by the **ANNUAL CONSULTANT** upon thirty (30) days prior written notice to the **COUNTY** if, through no fault of the **ANNUAL CONSULTANT**, the **COUNTY** fails to cure any material

default by the **COUNTY** in its performance of the terms of this Contract. This Contract may also be terminated, in whole or in part, by the **COUNTY**, with or without cause, immediately upon written notice to the **ANNUAL CONSULTANT**. Unless the **ANNUAL CONSULTANT** is in breach of this Contract, the **ANNUAL CONSULTANT** shall be paid for services rendered to the **COUNTY'S** satisfaction through the date of cancellation or termination. In the event of cancellation by the **ANNUAL CONSULTANT** or termination by the **COUNTY**, **ANNUAL CONSULTANT** agrees to waive and make no claim for lost profits or other consequential damages. After receipt of a Termination Notice and except as otherwise directed by the **COUNTY**, the **ANNUAL CONSULTANT** shall:

- A. Stop work on the date and to the extent specified.
- B. Terminate and settle all orders and subcontracts relating to the performance of the terminated work.
- C. Transfer all work in process, completed work, and other materials related to the terminated work to the **COUNTY**.

Should a termination for breach later be declared wrongful, said termination shall be considered and treated as a termination without cause.

7.2. DISCLOSURE AND OWNERSHIP OF DOCUMENTS

7.2.1. Upon completion and acceptance of the final work, the **ANNUAL CONSULTANT** shall furnish to the **COUNTY** the original drawings, field notes and all documents and materials prepared by and for the **COUNTY** under this Contract. The **ANNUAL CONSULTANT** may keep a reproducible set of the original drawings and shall keep all other data collected during the provision of the services. The **COUNTY** may, at its expense, obtain copies of any data which the **ANNUAL CONSULTANT** has accumulated in the process of providing the services on this project tasks. Any reuse without written verification or adaptation by the **ANNUAL CONSULTANT** for the specific purpose intended will be at the **COUNTY'S** sole risk and without liability or legal exposure to the **ANNUAL CONSULTANT**.

7.2.2. All written and oral information not in the public domain or not previously known, and all information and data obtained, developed, or supplied by the **COUNTY** or at its expense will be kept confidential by the **ANNUAL CONSULTANT** and will not be disclosed to any other party, directly or indirectly, without the **COUNTY'S** prior written consent unless required by a lawful order. 7.2.4. All covenants, agreement, representations and warranties made herein, or otherwise made in writing by any party pursuant hereto, including but not limited to any representations made herein relating to disclosure or ownership of documents, shall survive the execution and delivery of this Contract and the consummation of the transactions contemplated hereby.

7.3 Reuse of Documents

Notwithstanding any breach of this Contract by either party nor the status of payment to the **ANNUAL CONSULTANT**, nor the **COUNTY'S** exercise of its rights of termination, it is hereby agreed between the parties that copies of any and all property, work product, documentation, reports, computer systems and software, schedules, graphs, outlines, books, manuals, logs, files, deliverables, photographs, videos, tape recordings or data relating to this

7.7.3. Nothing under this Contract shall be construed to give any rights or benefits in this Contract to anyone other than the **COUNTY** and the **ANNUAL CONSULTANT**, and all duties and responsibilities undertaken pursuant to this Contract will be for the sole and exclusive benefit of the **COUNTY** and the **ANNUAL CONSULTANT** and not for the benefit of any other party.

The **ANNUAL CONSULTANT** further agrees to provide the SBE Office with a copy of the **ANNUAL CONSULTANT'S** contract with the SBE subcontractor or any other related documentation upon request.

The **ANNUAL CONSULTANT** understands the requirements to comply with the tasks and proportionate dollar amounts throughout the term of the contract as it relates to the use of SBE firms. Any SBE's which, for any reason, no longer remain associated with the Project shall be replaced by the **ANNUAL CONSULTANT** with other certified SBE's, unless approval to the contrary is granted by the **COUNTY**.

The **ANNUAL CONSULTANT** understands that he/she is prohibited from making any agreements with the SBE in which the SBE promises not to provide subconsultant quotations to other bidders or potential bidders.

The **ANNUAL CONSULTANT** agrees to maintain all relevant records and information necessary to document compliance with the Palm Beach County Code and will allow the **COUNTY** to inspect such records.

The **ANNUAL CONSULTANT** shall certify in writing that all subcontractors, subconsultants and suppliers have been paid for work and materials from previous progress payments received, less any retainage, by the **ANNUAL CONSULTANT** prior to receipt of any further progress payments. During the term of the contract and upon completion of the contract, the **COUNTY** may request documentation to certify payment to subcontractors, subconsultants or suppliers. This provision in no way creates any contractual relationship between any subcontractor, subconsultant, or supplier and the **COUNTY** or any liability on the **COUNTY** for the **ANNUAL CONSULTANT'S** failure to make timely payment to the subcontractor, subconsultant or supplier.

7.9. **Personnel**

The **ANNUAL CONSULTANT** represents that it has, or will secure at its own expense, all necessary personnel required to perform the services under this Contract.

Such personnel shall not be employees of or have any contractual relationship with the **COUNTY**. All of the services required herein shall be performed by the **ANNUAL CONSULTANT** or under its supervision, and all personnel engaged in performing the services shall be fully qualified and, if required, authorized or permitted under state and local law to perform such services.

The **ANNUAL CONSULTANT** warrants that all services shall be performed by competent personnel in accordance with all applicable national, federal, state, and local professional and technical standards.

7.10. **Availability of Funds**

The **COUNTY'S** performance and obligation to pay under this Contract is contingent upon an annual appropriation for its purpose by the Board of County Commissioners.

7.11. **Conflict of Interest**

The **ANNUAL CONSULTANT** represents that it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance or services required hereunder, as provided for in Chapter 112, Part III, Florida Statutes, and the Palm Beach County Code of Ethics. The **ANNUAL**

CONSULTANT further represents that no person having any interest shall be employed for said performance of services.

The **ANNUAL CONSULTANT** shall promptly notify the **COUNTY'S** representative, in writing, by certified mail, of all potential conflicts of interest for any prospective business association, interest or other circumstance which may influence or appear to influence the **ANNUAL CONSULTANT'S** judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the **ANNUAL CONSULTANT** may undertake and request an opinion of the **COUNTY** as to whether the association, interest or circumstance would, in the opinion of the **COUNTY**, constitute a conflict of interest if entered into by the **ANNUAL CONSULTANT**. The **COUNTY** agrees to notify the **ANNUAL CONSULTANT** of its opinion by certified mail within thirty (30) days of receipt of notification by the **ANNUAL CONSULTANT**. If, in the opinion of the **COUNTY**, the prospective business association, interest or circumstance would not constitute a conflict of interest by the **ANNUAL CONSULTANT**, the **COUNTY** shall so state in the notification and the **ANNUAL CONSULTANT** shall, at its option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the **COUNTY** by the **ANNUAL CONSULTANT** under the terms of this Contract.

7.12. **Independent Contractor Relationship**

The **ANNUAL CONSULTANT** and subconsultants are, and shall be, in the performance of all work services and activities under this Contract, Independent Contractors, and not employees, agents, or servants of the **COUNTY**. The **ANNUAL CONSULTANT** does not have the power or authority to bind the **COUNTY** in any promise, agreement or representation other than specifically provided for in this Contract. The **ANNUAL CONSULTANT** shall be responsible to the **COUNTY** for all the work or services performed by the **ANNUAL CONSULTANT** or any person or firm engaged as a subcontractor to perform work in fulfillment of this Contract.

7.13. **Access and Audits**

The **ANNUAL CONSULTANT** shall maintain adequate records to justify all charges, expenses, and costs incurred in estimating and performing the work for at least three (3) years after completion or termination of this Contract. The **COUNTY** shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours, at the **ANNUAL CONSULTANT'S** place of business.

7.14 **Severability**

If any term or provision of this Contract, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, the remainder of this Contract, or the application of such terms or provisions, to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected, and every other term and provision of this Contract shall be deemed valid and enforceable to the extent permitted by law.

7.15 **Entirety of Contractual Agreement**

The **COUNTY** and the **ANNUAL CONSULTANT** agree that this Contract sets forth the entire agreement between the parties, and that there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this Contract may be added to, modified, superseded or otherwise altered, except by written instrument executed by the parties hereto.

During the term of this Contract, the **COUNTY** may require professional services that are the same or similar to those described in this Contract. The **COUNTY** may, at its sole discretion, obtain said services in accordance with the State of Florida Consultants' Competitive Negotiation Act. If the **COUNTY** so elects, it is mutually understood that the relationship between the **ANNUAL CONSULTANT** and the **COUNTY** under this Contract shall be considered as neither barring the **ANNUAL CONSULTANT** from, nor granting special consideration to the **ANNUAL CONSULTANT**, in participating in the selection process for a consultant to provide such additional services.

7.16 **Office of the Inspector General**

Palm Beach County has established the Office of the Inspector General in Palm Beach County Code Section 2-421 – 2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and audit, investigate, monitor, and inspect the activities of the **ANNUAL CONSULTANT**, its officers, agents, employees, and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud.

Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be in violation of Palm Beach County Code, Section 2-421 – 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

Signature of this Contract by the **ANNUAL CONSULTANT** shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the contract and no higher than those charged the **ANNUAL CONSULTANT'S** most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the **COUNTY** determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside consultants. The **COUNTY** shall exercise its rights under this section within three (3) years following final payment.

SECTION 15 - REMEDIES

This Contract shall be governed by the laws of the State of Florida. Any legal action necessary to enforce the contract will be held in Palm Beach County. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity, by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

No provision of this Contract is intended to, or shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a party to this Contract, including but not limited to any citizen or employees of the **COUNTY** and/or **CONSULTANT**.

SECTION 16 - EXCUSABLE DELAYS

The **ANNUAL CONSULTANT** shall not be considered in default by reason of any failure in performance if such failure arises out of causes reasonably beyond the control of the **ANNUAL CONSULTANT** or its subcontractors and without their fault or negligence. Such causes include, but are not limited to, acts of God, force majeure, natural or public health emergencies, labor disputes, freight embargoes, and abnormally severe and unusual weather conditions.

Upon the **ANNUAL CONSULTANT'S** request, the **COUNTY** shall consider the facts and extent of any failure to perform the work and, if the **ANNUAL CONSULTANT'S** failure to perform was without it or its subcontractors fault or negligence, the Contract Schedule and/or any other affected provision of this Contract shall be revised accordingly, subject to the **COUNTY'S** rights to change, terminate, or stop any or all of the work at any time.

SECTION 17 - CONTINGENT FEES

The **ANNUAL CONSULTANT** warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the **ANNUAL CONSULTANT** to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the **ANNUAL CONSULTANT**, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Contract.

The **COUNTY** reserves the right to make changes in Scope of Work, including alterations, reductions therein or additions thereto. Upon receipt by the **ANNUAL CONSULTANT** of the **COUNTY'S** notification of a contemplated change, the **ANNUAL CONSULTANT** shall, in writing: (1) provide a detailed estimate for the increase or decrease in cost due to the contemplated change, (2) notify the **COUNTY** of any estimated change in the completion date, and (3) advise the **COUNTY** if the contemplated change shall affect the **ANNUAL CONSULTANT'S** ability to meet the completion dates or schedules of this Contract.

If the **COUNTY** so instructs in writing, the **ANNUAL CONSULTANT** shall suspend work on that portion of the Scope of Work affected by a contemplated change, pending the **COUNTY'S** decision to proceed with the change.

If the **COUNTY** elects to make the change, the **COUNTY** shall initiate a Contract Amendment and the **ANNUAL CONSULTANT** shall not commence work on any such change until such written amendment is signed by the **ANNUAL CONSULTANT** and approved and executed on behalf of Palm Beach County.

SECTION 20 - SCRUTINIZED COMPANIES (when contract value is greater than \$1 million)

As provided in F.S. 287.135, by entering into this Contract or performing any work in furtherance hereof, the **CONSULTANT** certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Scrutinized Companies With Activities in Sudan List or Scrutinized Companies With Activities in The Iran Petroleum Energy Sector List created pursuant to F.S. 215.473.

**EXHIBIT A
PALM BEACH COUNTY
TRAFFIC SIGNAL DESIGN ANNUAL SERVICES CONTRACT**

SCOPE OF WORK

McMahon Associates, Inc. (McMahon) will prepare traffic signalization plans on a work task order basis, as assigned by Palm Beach County. Plans will be prepared in accordance with Palm Beach County guidelines regarding traffic signal design. The various tasks required in conjunction with the development of the traffic signal plans are as follows:

TASK 1 – TRAFFIC SIGNAL PLAN PREPARATION

Signalization plans will be prepared in MicroStation, in a standard plan format suitable for plotting at 1" = 20' on 22" x 34" sheets. Basic information presented on the plan shall include, but shall not be limited to, roadway geometry, pavement markings, traffic regulatory signs and street names. Roadway geometry to be provided by the Client. If appropriate for the assignment, detailed information will include signal head type and locations, pedestrian actuation, signal pole locations, pedestrian crosswalks, traffic lane lines, regulatory signs and other appropriate details. McMahon will make every effort to design the traffic signal to avoid any existing utilities. This scope assumes that Palm Beach County will conduct any necessary utility coordination. McMahon will, if requested by the County, send one set of plans to each affected utility company in order to obtain current utility information to be included on the plans. It is assumed in this scope of work that the mast arm design will be in conformance with the Florida Department of Transportation (FDOT) Standard Indices. However, if specific task assignments require it, McMahon will provide special mast arm designs. The calculations will consider the loads placed on the supports, which include the foundation, signal heads, signing, light standards and wind loads. These details and calculations will be provided by McMahon, and will be included with the plans and submitted to the County and FDOT for approval. McMahon will coordinate with Palm Beach County staff to identify the interconnect connection needs for the project. The plans will depict the interconnect equipment necessary to link the proposed controller cabinet to adjacent intersections. McMahon will be available to coordinate with the FDOT for approvals of traffic signal plans at intersections of State Roads.

TASK 2 – SURVEY SERVICES – BROWN & PHILLIPS, INC.

As requested by Palm Beach County, Brown & Phillips will provide topographic and location surveys at the intersections. Relevant survey information usually includes right-of-way and easements, horizontal location of roadways, signage, sidewalks, curbs, gutters, pavement markings, utilities and landscaping within the project limits. Topographic data is typically needed at the signal pole foundation locations and roadway crowns under the mast arm locations to ensure adequate signal head clearance.

TASK 3 – GEOLOGICAL & GEOPHYSICAL STUDIES & MATERIALS TESTING SERVICES – TIERRA SOUTH FLORIDA

As requested by Palm Beach County, Tierra South Florida will be available for all geotechnical investigations for signal designs performed under this contract. Soil data is sometimes needed to verify the soil angle of friction and unit weight to assist with the determination of whether standard foundation designs are sufficient.

TASK 4 – STRUCTURAL ENGINEERING SERVICES – ALAN GERWIG & ASSOCIATES, INC.

Standard drilled shaft foundation designs are typically used in traffic signal design. In some cases, the equipment loading exceeds the standard loading trees, and special foundation designs are required. In most of these cases, McMahon uses FDOT approved analysis software (Mathcad) to determine the special foundation design criteria. In the event that the software does not present a sufficient design, Alan Gerwig & Associates is available to provide special foundation design. In yet other cases, the presence of utilities eliminates the possibility of drilled shaft foundations. Alan Gerwig & Associates will be able to provide alternate foundation designs.

TASK 5 – SUBSURFACE UTILITY LOCATES SERVICES – KEITH & ASSOCIATES, INC.

Information regarding existing utilities obtained from survey and available plans is not always accurate. When utilities are in the vicinity of proposed drilled shafts, "soft dig" investigation is recommended to ensure utilities will not be disturbed. As requested by Palm Beach County, Keith and Associates will provide this type of exploration.

SECTION 4 - PERIODS OF SERVICE

4.1. This is an Annual Contract for professional traffic signal design services. This Contract will commence on the date of Board approval and shall remain in effect for a period of one (1) year from that date. At the option of the **COUNTY**, this Contract can be renewed for two (2) additional one (1) year terms commencing on the anniversary date of the original contract approval, if agreed by both parties.

4.2. The period of service shall continue until completion of all phases or any outstanding additional service authorizations issued within the period of this Contract, unless otherwise terminated as provided herein.

SECTION 5 - PAYMENTS TO ANNUAL CONSULTANT

5.1. Methods of Payment for Services and Expenses of the **ANNUAL CONSULTANT**.

5.1.1. Basic Services: The **COUNTY** will pay the **ANNUAL CONSULTANT** an hourly not-to-exceed fee, and/or a lump sum fee, as may be required for each project. The Basic Services (broadly outlined in Exhibit "A") for each project shall be negotiated in accordance with the fees/rates shown in Exhibit "B". The **COUNTY** shall authorize each project task order fee in writing prior to commencement of the work.

5.1.2. Additional Services: To the extent that additional services under Section 2 hereof are specifically authorized in writing by the **COUNTY'S** representative, the **COUNTY** will pay for such additional services in accordance with the following:

5.1.2.1. Actual Salary costs times a factor of 3.0 for services rendered by principals and employees assigned to the **PROJECT** plus all reimbursable expenses.

5.1.2.2. **(DELETED)**

5.1.2.3. For services rendered by the **ANNUAL CONSULTANT'S** principals and employees as consultants or witnesses in any litigation, arbitration or other legal or administrative proceeding in accordance with Paragraph 2.1.8. at the rate of \$800.00 per day or any portion thereof (but compensation for time spent in preparing to appear in any such litigation, arbitration or proceeding will be on the basis provided in Paragraph 5.1.2.1).

5.1.3. Reimbursable Expenses: The **COUNTY** will pay the **ANNUAL CONSULTANT** the actual costs of all reimbursable expenses incurred in the provision of these services when authorized in writing by the **COUNTY**.

5.1.4. The terms "Salary Costs" and "Reimbursable Expenses" have the meanings assigned to them in Paragraph 5.4.

5.1.5. Additional services and reimbursable expenses authorizations shall be issued in accordance with Board policy per Resolution Number R-89-633 adopted April 4, 1989.

5.2. Payments

5.2.1. Progress payments to the **ANNUAL CONSULTANT** shall be due and payable monthly in proportion to the percentage of engineering services approved and accepted by the **COUNTY** based on said lump sum fee until 90% of the project is completed. There will be no additional payments for Basic Services until all services are completed and accepted by the **COUNTY** (including permits).

5.2.2. Final payment shall be due and payable to the **ANNUAL CONSULTANT** upon satisfactory completion of the services described in this Contract and approval and acceptance of the plans by the **COUNTY**.

5.2.3 Due to the nature of the work flow and the small size of expected projects to be performed by the ANNUAL CONSULTANT, the COUNTY recognizes that the purpose of withholding retainage may not be applicable for all projects and the COUNTY may waive the requirement upon written request from the ANNUAL CONSULTANT.

5.3. **Other Provisions Concerning Payments**

5.3.1. Records of the ANNUAL CONSULTANT'S Salary Costs pertinent to the ANNUAL CONSULTANT'S compensation under this Contract will be kept in accordance with generally accepted accounting practices. Copies will be made available to the COUNTY on request prior to final payment for the ANNUAL CONSULTANT'S services.

5.3.2 At the end of each one (1) year period and during the renewal process, the unburdened (raw) rates may be adjusted by negotiation as an "equitable adjustment", if the cost of living index (Consumer Price Index (CPI)) supports an increase. However, the multiplier agreed to under the original contract SHALL NOT be changed.

5.3.3 If the proposed adjustments to the unburdened rates include inflationary increases, the percentage of such increase must be justified as being consistent with prior increases to the employees. This may be accomplished by providing a certified schedule of the employee's wage rates which show annual increases for the TWO (2) previous years, including the "anniversary" date of the increase. This schedule shall clearly distinguish between raises given as a result of promotions, change of job, etc., and other increases (inflationary, cost-of-living, and merit). Wage rate verification should be current payroll registers certified by an Officer of the Company, stating that the rates are accurate. The wage rate information must reference the ANNUAL CONSULTANT'S employee names and job classification to those contained in the proposal.

5.4. **Definitions**

5.4.1. The Salary Costs used as a basis for payment shall mean the actual salaries and wages paid to principals and employees engaged on the PROJECT. Time spent on this PROJECT by stenographers, typists and clerk skills shall not be charged to the PROJECT nor shall any fringe benefits such as social security contributions, unemployment, excise and payroll taxes, workman's compensation, etc., be included in the Salary Costs.

5.4.2. Reimbursable Expenses shall mean the actual expenses of soils testing, printing and similar PROJECT related items when authorized by the COUNTY.

SECTION 6 - **CONSTRUCTION COST AND OPINIONS OF COST**

6.1. **Opinions of Cost**

Since ANNUAL CONSULTANT has no control over the cost of labor, materials, equipment or services furnished by others, or over the contractor(s)' methods of determining prices, or over competitive bidding or market conditions, the ANNUAL CONSULTANT'S opinions of probable construction cost provided for herein are to be made on the basis of the ANNUAL CONSULTANT'S experience and qualifications and represent the ANNUAL CONSULTANT'S best judgment as an experienced and qualified professional engineer, familiar with the construction industry; but the ANNUAL CONSULTANT cannot and does not guarantee that proposals, bids or actual construction costs will not vary from opinions of probable cost prepared by the ANNUAL CONSULTANT. If prior to the Bidding or Negotiating Phase, the COUNTY wishes greater assurance as to construction costs, the COUNTY shall employ an independent cost estimator.

SECTION 7 - **GENERAL CONSIDERATION**

7.1. **Termination**

This Contract may be canceled by the ANNUAL CONSULTANT upon thirty (30) days prior written notice to the COUNTY if, through no fault of the ANNUAL CONSULTANT, the COUNTY fails to cure any material

default by the **COUNTY** in its performance of the terms of this Contract. This Contract may also be terminated, in whole or in part, by the **COUNTY**, with or without cause, immediately upon written notice to the **ANNUAL CONSULTANT**. Unless the **ANNUAL CONSULTANT** is in breach of this Contract, the **ANNUAL CONSULTANT** shall be paid for services rendered to the **COUNTY'S** satisfaction through the date of cancellation or termination. In the event of cancellation by the **ANNUAL CONSULTANT** or termination by the **COUNTY**, **ANNUAL CONSULTANT** agrees to waive and make no claim for lost profits or other consequential damages. After receipt of a Termination Notice and except as otherwise directed by the **COUNTY**, the **ANNUAL CONSULTANT** shall:

- A. Stop work on the date and to the extent specified.
- B. Terminate and settle all orders and subcontracts relating to the performance of the terminated work.
- C. Transfer all work in process, completed work, and other materials related to the terminated work to the **COUNTY**.

Upon completion and acceptance of the final work, the **ANNUAL CONSULTANT** shall furnish to the **COUNTY** the original drawings, field notes and all documents and materials prepared by and for the **COUNTY** under this Contract. The **COUNTY** may, at its expense, obtain copies of any data which the **ANNUAL CONSULTANT** has accumulated in the process of providing the services on this project tasks. Any reuse without written verification or adaptation by the **ANNUAL CONSULTANT** for the specific purpose intended will be at the **COUNTY'S** sole risk and without liability or legal exposure to the **ANNUAL CONSULTANT**.

7.2.2. 7.2.4. All covenants, agreement, representations and warranties made herein, or otherwise made in writing by any party pursuant hereto, including but not limited to any representations made herein relating to disclosure or ownership of documents, shall survive the execution and delivery of this Contract and the consummation of the transactions contemplated hereby.

7.3 Reuse of Documents

Notwithstanding any breach of this Contract by either party nor the status of payment to the **ANNUAL CONSULTANT**, nor the **COUNTY'S** exercise of its rights of termination, it is hereby agreed between the parties that copies of any and all property, work product, documentation, reports, computer systems and software, schedules, graphs, outlines, books, manuals, logs, files, deliverables, photographs, videos, tape recordings or data relating to this

7.7.3. Nothing under this Contract shall be construed to give any rights or benefits in this Contract to anyone other than the **COUNTY** and the **ANNUAL CONSULTANT**, and all duties and responsibilities undertaken pursuant to this Contract will be for the sole and exclusive benefit of the **COUNTY** and the **ANNUAL CONSULTANT** and not for the benefit of any other party.

The **ANNUAL CONSULTANT** further agrees to provide the SBE Office with a copy of the **ANNUAL CONSULTANT'S** contract with the SBE subcontractor or any other related documentation upon request.

The **ANNUAL CONSULTANT** understands the requirements to comply with the tasks and proportionate dollar amounts throughout the term of the contract as it relates to the use of SBE firms. Any SBE's which, for any reason, no longer remain associated with the Project shall be replaced by the **ANNUAL CONSULTANT** with other certified SBE's, unless approval to the contrary is granted by the **COUNTY**.

The **ANNUAL CONSULTANT** understands that he/she is prohibited from making any agreements with the SBE in which the SBE promises not to provide subconsultant quotations to other bidders or potential bidders.

The **ANNUAL CONSULTANT** agrees to maintain all relevant records and information necessary to document compliance with the Palm Beach County Code and will allow the **COUNTY** to inspect such records.

The **ANNUAL CONSULTANT** shall certify in writing that all subcontractors, subconsultants and suppliers have been paid for work and materials from previous progress payments received, less any retainage, by the **ANNUAL CONSULTANT** prior to receipt of any further progress payments. During the term of the contract and upon completion of the contract, the **COUNTY** may request documentation to certify payment to subcontractors, subconsultants or suppliers. This provision in no way creates any contractual relationship between any subcontractor, subconsultant, or supplier and the **COUNTY** or any liability on the **COUNTY** for the **ANNUAL CONSULTANT'S** failure to make timely payment to the subcontractor, subconsultant or supplier.

7.9. **Personnel**

The **ANNUAL CONSULTANT** represents that it has, or will secure at its own expense, all necessary personnel required to perform the services under this Contract.

Such personnel shall not be employees of or have any contractual relationship with the **COUNTY**. All of the services required herein shall be performed by the **ANNUAL CONSULTANT** or under its supervision, and all personnel engaged in performing the services shall be fully qualified and, if required, authorized or permitted under state and local law to perform such services.

The **ANNUAL CONSULTANT** warrants that all services shall be performed by competent personnel in accordance with all applicable national, federal, state, and local professional and technical standards.

7.10. **Availability of Funds**

The **COUNTY'S** performance and obligation to pay under this Contract is contingent upon an annual appropriation for its purpose by the Board of County Commissioners.

7.11. **Conflict of Interest**

The **ANNUAL CONSULTANT** represents that it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance or services required hereunder, as provided for in Chapter 112, Part III, Florida Statutes, and the Palm Beach County Code of Ethics. The **ANNUAL**

CONSULTANT further represents that no person having any interest shall be employed for said performance of services.

The ANNUAL CONSULTANT shall promptly notify the COUNTY'S representative, in writing, by certified mail, of all potential conflicts of interest for any prospective business association, interest or other circumstance which may influence or appear to influence the ANNUAL CONSULTANT'S judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the ANNUAL CONSULTANT may undertake and request an opinion of the COUNTY as to whether the association, interest or circumstance would, in the opinion of the COUNTY, constitute a conflict of interest if entered into by the ANNUAL CONSULTANT. The COUNTY agrees to notify the ANNUAL CONSULTANT of its opinion by certified mail within thirty (30) days of receipt of notification by the ANNUAL CONSULTANT. If, in the opinion of the COUNTY, the prospective business association, interest or circumstance would not constitute a conflict of interest by the ANNUAL CONSULTANT, the COUNTY shall so state in the notification and the ANNUAL CONSULTANT shall, at its option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the COUNTY by the ANNUAL CONSULTANT under the terms of this Contract.

7.12. **Independent Contractor Relationship**

The ANNUAL CONSULTANT and subconsultants are, and shall be, in the performance of all work services and activities under this Contract, Independent Contractors, and not employees, agents, or servants of the COUNTY. The ANNUAL CONSULTANT does not have the power or authority to bind the COUNTY in any promise, agreement or representation other than specifically provided for in this Contract. The ANNUAL CONSULTANT shall be responsible to the COUNTY for all the work or services performed by the ANNUAL CONSULTANT or any person or firm engaged as a subcontractor to perform work in fulfillment of this Contract.

7.13. **Access and Audits**

The ANNUAL CONSULTANT shall maintain adequate records to justify all charges, expenses, and costs incurred in estimating and performing the work for at least three (3) years after completion or termination of this Contract. The COUNTY shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours, at the ANNUAL CONSULTANT'S place of business.

7.14 **Severability**

If any term or provision of this Contract, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, the remainder of this Contract, or the application of such terms or provisions, to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected, and every other term and provision of this Contract shall be deemed valid and enforceable to the extent permitted by law.

7.15 **Entirety of Contractual Agreement**

The COUNTY and the ANNUAL CONSULTANT agree that this Contract sets forth the entire agreement between the parties, and that there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this Contract may be added to, modified, superseded or otherwise altered, except by written instrument executed by the parties hereto.

During the term of this Contract, the COUNTY may require professional services that are the same or similar to those described in this Contract. The COUNTY may, at its sole discretion, obtain said services in accordance with the State of Florida Consultants' Competitive Negotiation Act. If the COUNTY so elects, it is mutually understood that the relationship between the ANNUAL CONSULTANT and the COUNTY under this Contract shall be considered as neither barring the ANNUAL CONSULTANT from, nor granting special consideration to the ANNUAL CONSULTANT, in participating in the selection process for a consultant to provide such additional services.

7.16 **Office of the Inspector General**

Palm Beach County has established the Office of the Inspector General in Palm Beach County Code Section 2-421 – 2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and audit, investigate, monitor, and inspect the activities of the **ANNUAL CONSULTANT**, its officers, agents, employees, and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud.

Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be in violation of Palm Beach County Code, Section 2-421 – 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

The **ANNUAL CONSULTANT** shall not be exempted from paying sales tax to its suppliers for materials used to fulfill contractual obligations with the **COUNTY**, nor is the **ANNUAL CONSULTANT** authorized to use the **COUNTY'S** Tax Exemption Number in securing such materials.

The **ANNUAL CONSULTANT** shall be responsible for payment of its own and its share of its employees' payroll, payroll taxes, and benefits with respect to this Contract.

8.2. The following Exhibits are attached to and made a part of this Contract.

SECTION 9 - CRIMINAL HISTORY RECORDS CHECK

If **ANNUAL CONSULTANT'S** employees or subcontractors are required under this contract to enter a "critical facility," as identified in Resolution R-2003-1274, the **ANNUAL CONSULTANT** shall comply with the provisions of Chapter 2, Article IX of the Palm Beach County Code ("Criminal History Records Check" section). The **ANNUAL CONSULTANT** acknowledges and agrees that all employees and subcontractors who are to enter a "critical facility" will be subject to a fingerprint based criminal history records check. Although **COUNTY** agrees to pay for all applicable FDLE/FBI fees required for criminal history record checks, the **ANNUAL CONSULTANT** shall be solely responsible for the financial, schedule, and staffing implications associated in complying with this section of the Palm Beach County Code.

SECTION 10 - REGULATIONS; LICENSING REQUIREMENTS

The **ANNUAL CONSULTANT** shall comply with all laws, ordinances and regulations applicable to the services contemplated herein, to include those applicable to conflict of interest and collusion. **ANNUAL CONSULTANT** is presumed to be familiar with all federal, state and local laws, ordinances, codes and regulations that may in any way affect the services offered.

SECTION 11 - ARREARS

The **ANNUAL CONSULTANT** shall not pledge the **COUNTY'S** credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness. The **ANNUAL CONSULTANT** further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Contract.

SECTION 12 - NONDISCRIMINATION

The **ANNUAL CONSULTANT** warrants and represents that all of its employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, gender identity and expression, or genetic information.

SECTION 13 - AUTHORITY TO PRACTICE

The **ANNUAL CONSULTANT** hereby represents and warrants that it has and will continue to maintain all licenses and approvals required to conduct its business, and that it will at all times conduct its business activities in a reputable manner. Proof of such licenses and approvals shall be submitted to the **COUNTY's** representative upon request.

SECTION 14 - TRUTH-IN-NEGOTIATION CERTIFICATE

Signature of this Contract by the **ANNUAL CONSULTANT** shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the contract and no higher than those charged the **ANNUAL CONSULTANT'S** most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the **COUNTY** determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside consultants. The **COUNTY** shall exercise its rights under this section within three (3) years following final payment.

SECTION 15 - REMEDIES

This Contract shall be governed by the laws of the State of Florida. Any legal action necessary to enforce the contract will be held in Palm Beach County. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity, by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

No provision of this Contract is intended to, or shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a party to this Contract, including but not limited to any citizen or employees of the **COUNTY** and/or **CONSULTANT**.

SECTION 16 - EXCUSABLE DELAYS

The **ANNUAL CONSULTANT** shall not be considered in default by reason of any failure in performance if such failure arises out of causes reasonably beyond the control of the **ANNUAL CONSULTANT** or its subcontractors and without their fault or negligence. Such causes include, but are not limited to, acts of God, force majeure, natural or public health emergencies, labor disputes, freight embargoes, and abnormally severe and unusual weather conditions.

Upon the **ANNUAL CONSULTANT'S** request, the **COUNTY** shall consider the facts and extent of any failure to perform the work and, if the **ANNUAL CONSULTANT'S** failure to perform was without it or its subcontractors fault or negligence, the Contract Schedule and/or any other affected provision of this Contract shall be revised accordingly, subject to the **COUNTY'S** rights to change, terminate, or stop any or all of the work at any time.

SECTION 17 - CONTINGENT FEES

The **ANNUAL CONSULTANT** warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the **ANNUAL CONSULTANT** to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the **ANNUAL CONSULTANT**, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Contract.

SECTION 18 - PUBLIC ENTITY CRIMES

As provided in F.S. 287.132-133, by entering into this Contract or performing any work in furtherance hereof, the **ANNUAL CONSULTANT** certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the 36 months immediately preceding the date hereof. This notice is required by F.S. 287.133(3)(a).

SECTION 19 - MODIFICATIONS OF WORK

The **COUNTY** reserves the right to make changes in Scope of Work, including alterations, reductions therein or additions thereto. Upon receipt by the **ANNUAL CONSULTANT** of the **COUNTY'S** notification of a contemplated change, the **ANNUAL CONSULTANT** shall, in writing: (1) provide a detailed estimate for the increase or decrease in cost due to the contemplated change, (2) notify the **COUNTY** of any estimated change in the completion date, and (3) advise the **COUNTY** if the contemplated change shall affect the **ANNUAL CONSULTANT'S** ability to meet the completion dates or schedules of this Contract.

If the **COUNTY** so instructs in writing, the **ANNUAL CONSULTANT** shall suspend work on that portion of the Scope of Work affected by a contemplated change, pending the **COUNTY'S** decision to proceed with the change.

If the **COUNTY** elects to make the change, the **COUNTY** shall initiate a Contract Amendment and the **ANNUAL CONSULTANT** shall not commence work on any such change until such written amendment is signed by the **ANNUAL CONSULTANT** and approved and executed on behalf of Palm Beach County.

SECTION 20 - SCRUTINIZED COMPANIES (when contract value is greater than \$1 million)

As provided in F.S. 287.135, by entering into this Contract or performing any work in furtherance hereof, the **CONSULTANT** certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Scrutinized Companies With Activities in Sudan List or Scrutinized Companies With Activities in The Iran Petroleum Energy Sector List created pursuant to F.S. 215.473.

If the **COUNTY** determines, using credible information available to the public, that a false certification has been submitted by **CONSULTANT**, this Contract may be terminated and a civil penalty equal to the greater of \$2 million or twice the amount of this Contract shall be imposed, pursuant to F.S. 287.135.

IN WITNESS WHEREOF, the parties have made and executed this Contract as of the day and year first above written.

SCOPE OF SERVICES

Simmons and White, Inc. will provide all services necessary to support Palm Beach County in improving and maintaining their traffic signal system. These services will include, but are not limited to, traffic engineering analysis, traffic signal system design, geotechnical evaluation, structural analysis and design, permitting, utility coordination, shop drawing review, and construction coordination. In the event of an emergency, such as a wind event or any other man-made or natural disaster, the Consultant will have staff available to assist Palm Beach County in assessing potential impacts to its traffic signal system and then evaluating viable alternatives for restoring or maintaining public safety as it relates to the traffic signal system. The Consultant will also be responsible for managing and coordinating with the appropriate subconsultants, which best fit the individual task requirements.

Signalization Plans

Signalization plans will be prepared in the standard plan format 11" x 17", and at a scale of 1" = 40'. Basic information presented on the plans shall include, but not be limited to, intersection geometrics, pavement markings, street names, construction stationing, drainage inlets, sidewalks, right-of-way lines and conflicting underground and overhead utilities.

Traffic signals will be designed in accordance with the current FDOT and Palm Beach design criteria in conjunction with criteria established in the Manual on Uniform Traffic Control Devices (MUTCD). Detailed information will include signal head type and locations, signal phasing/sequencing diagram, preemption timing chart, vehicle detection chart, pedestrian actuation, signal pole locations, stop bars, pedestrian crosswalks, traffic lane lines, and other appropriate details.

Exhibit "A" – Page 2 of 2

Utility coordination will be required for proposed traffic signal installation. The Consultant will contact Sunshine One Call System to determine the utility operators within the project vicinity. Correspondence and plans will be sent to all involved utilities describing the planned improvements and the construction schedule. Verification will be obtained from the utility operators on locations and depth of their facilities.

The following sheets will comprise the signalization construction plan set:

- Key Sheet
- Quantities Sheet
- General Notes
- Signalization Plans
- Mastarm Tabulation Sheets or Strain Pole Tabulation Sheets
- Guidesign Details
- FDOT and Palm Beach County Special Details

Structural Analysis

Standard FDOT structures will be utilized unless conditions make their use unreasonable. Details and calculations will be included with the plans and submitted for approval.

In addition to providing structural analysis, the Consultant will verify that shop drawings for the mast arms meet the design's intention.

Signal Permit Approval Process and Submittals

The Signalization Plans will be submitted as required to the maintaining agency and a traffic signal permit application will be submitted to FDOT when needed. The Consultant will monitor the status of the permit application through the approval phase.
