I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt: a Resolution approving a standard form Interlocal Agreement for law enforcement services within the Lake Worth Lagoon during manatee season.

Summary: Pursuant to the Manatee Protection Plan (MPP) approved by the Board on August 21, 2007 (R2007-1420), the County has committed to provide funding for on-water law enforcement activities in the County's waterways. On December 18, 2007, the Board of County Commissioners approved a Resolution (R2007-2277) adopting a standard form Interlocal Agreement with law enforcement agencies for an increased presence in the estuarine waters of Palm Beach County. A revised standard form Interlocal Agreement for law enforcement services was approved on July 19, 2011, but expired on April 30, 2014. The new Agreement includes updated County contract provisions. Countywide (SF)

Background and Justification: The approval of the standard form will expedite contract execution and streamline the process. The program has been highly effective, with approximately 12,140 hours of enhanced manatee patrols conducted since its inception. Manatee mortalities in PBC have also significantly decreased since this program has been in place. The enforcement activities will take place during manatee season (November 15 through March 31).

WHEREAS, the parties wish to enter into an agreement for the provision of an increased level of marine law enforcement services during manatee season, as provided herein.

NOW THEREFORE, in consideration of the mutual covenants and promises of the parties hereto, the Contractor and the County agree as follows:

The recitals set forth above are true and correct and form a part of this Agreement.

2) Purpose.

The law enforcement services provided herein are intended to be in addition to the level of law enforcement services already provided by the Contractor and are not a replacement for said services.

3) Location of Law Enforcement Services

The Contractor shall provide marine law enforcement services, hereinafter referred to as 'services', within the geographical area over which it has jurisdiction to enforce the law, such shall be hereafter referred to as the "Enforcement Area" and is included within the estuarine waters of Palm Beach County which are more specifically described in Exhibit "A".

4) Responsibility of Contractor

Requests for the provision of law enforcement services on a day or days in addition to the regularly scheduled days or times shall be made in writing prior to the date when such services are needed.

C. The Contractor shall furnish and supply all labor, supervision, equipment (including but not limited to a vessel), insurance, and supplies necessary to perform under this Agreement.

If it appears that the Contractor is not providing sufficient law enforcement services to expend the funds set aside for the Contractor per the Award Letter, the Director may issue an amended award letter ("Amended Award
