I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to: A) adopt resolutions of the Board of County Commissioners (BCC) of Palm Beach County, Florida, granting a County tax exemption for four historic properties located within the Town of Palm Beach; and B) approve restrictive covenants for the historic properties, requiring the qualifying improvements be maintained during the period that the tax exemption is granted.

Summary: The resolutions will authorize a County tax exemption for the following historic properties located within the Town of Palm Beach:

Address: 235 Sunrise Avenue (Commercial Hotel & Condominium)

Address: 252 El Bravo Way (Residential)

Address: 350 Worth Avenue (Commercial)

Address: 319 El Vedado Road (Residential)

If granted, the tax exemption shall take effect January 1, 2015, and shall remain in effect for 10 years, or until December 31, 2024. The exemption shall apply to 100 percent of the assessed value of all improvements to each historic property, which resulted from restoration, renovation, or rehabilitation of the property. Actual exemption amounts will be based upon the Countywide Millage rate on a yearly basis. It is estimated that approximately \$43,625 tax dollars will be exempted annually based on the 2014 Countywide Millage Rate. Accompanying each resolution is a restrictive covenant, which requires the qualifying improvements be maintained during the period that each tax exemption is granted. Districts 1 & 7 (RPB)

Background and Policy Issues: On October 17, 1995, the BCC adopted a historic property tax exemption ordinance, Ordinance No. 95-41, applicable countywide. The ordinance allows a qualifying local government to enter into an interlocal agreement with the County to perform review functions necessary to implement the ordinance within its municipal boundary. An Interlocal Agreement was approved by the BCC on April 2, 1996, R 96 442 D, authorizing the Town of Palm Beach Historic Preservation Board to perform the required review to implement the tax exemption ordinance on improvements to historic landmark properties within the Town.

The historic property has filed preconstruction applications and final applications with the Town of Palm Beach Historic Preservation Board. Following review of the completed improvements, the Town's Historic Preservation Board determined the improvements were consistent with the U.S. Secretary of Interior's Standards for Rehabilitation, and recommended approval for tax exemption. The Town of Palm Beach Commission then granted an ad valorem town tax exemption to the historic property.

The properties are privately owned for commercial and residential use.

Copies of the Town of Palm Beach Landmarks Preservation Commission and other backup information for the properties are available for review at the County's Planning Division.

B. Recommended Sources of Funds/Summary of Fiscal Impact:

There is no direct fiscal impact on the Planning, Zoning and Building Department from granting a tax exemption for each property. The overall County impact is a reduction of collectable taxes. Tax revenue is to be reduced at most by the tax on the improvements made to the structure. The estimated improvement costs attributed solely to work on these historic building totals \$9,123,710. Estimated exemption will be based upon the Countywide Millage Rate (4.7815), it is estimated that approximately \$43,625 tax dollars will be exempted annually.

The estimated total tax exempted for the 10 years ending December 31, 2024, is \$436,250 (\$43,625 x 10).
