I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to: Receive and File an agreement with the Norton Museum of Art, Inc. utilizing the Norton Progressive After School Arts Community Education (PACE) Agreement Form for the period October 1, 2014 through September 30, 2015 to provide after school arts community education for at-risk youth attending the Highridge Family Center at no cost to the County.

Summary: Highridge Family Center has been selected by the Norton Museum of Art as one of four sites to participate in the PACE program for the FY2014-2015. The PACE program provides free weekly art classes to at-risk youth by a local professional artist. In exchange for art classes conducted at Highridge, County staff must assist with the annual assessment of the program and the instruction artist, as well as be responsible for the general maintenance and cleaning of the meeting room. There are no costs associated with this agreement. Resolution number R2013-0309 authorizes the County Administrator or his designee to execute any Agreements, or amendments with the Norton Museum of Art for educational art classes or programs at the Highridge Family Center on behalf of the Board of County Commissioners. Countywide (PGE)

Background and Justification: The Norton Museum of Art PACE program is a community based partnership that offers creative arts activities to at-risk children in underserved neighborhoods in an effort to foster creativity and stimulate critical thinking skills in a supportive after school environment at no charge to the partnering organizations. The Norton Museum of Art performs a background check through FDLE prior to installing any instructor on site. Classes are held once per week for 2 hours throughout the year. in light of the significant budget cuts to arts programs in general, and the school system in particular, this may be the only opportunity for our at-risk youth to be exposed to in-depth cultural and arts activities, culminating in a complimentary transportation, admission, tours, and lunch at the Norton Museum of Art.
