LET Fund Request (MUST match total on Financial Application): \$3,585.00

What service will your organization provide through the use of Law Enforcement Trust Funds?

- ☒ Crime Prevention Program
- ☐ Drug Abuse Education
- ☒ Drug Prevention Program
- ☐ Drug Treatment Program
- ☒ Safe Neighborhood
- ☐ School Resource Officers

Organization Purpose:

PBCFF's goals are educational outreach needs and issues related to fishing and the health of marine resources, and to engage children in fishing as a healthy alternative to passive indoor activities such as video games, excessive television, and negative influences from peer pressure or gangs.

Provide a brief summary of program's activities/services to be funded:

2015 Kids Fishing Day event is scheduled 7/28-30/14 (subj to school calendar changes). About 400 kids age 8-12, most from disadvantaged inner-city PBC neighborhoods, will attend in scheduled shifts of about 30 each throughout each day. Kids rotate between displays and educational programs by FL Fish and Wildlife Conservation Commission (touch tank), and WPB Fishing Club (knot-tying, casting). PBSO Gang Prevention Coordinator will be provided a tented booth for presentations on avoiding gang activity (15 minutes each, handouts encouraged). Then kids will fish from the seawall before casting off for 2-hours of ocean fishing on a chartered drift boat. Each child receives a brand new spinning rod to continue developing his or her new hobby when returning home.

What results are you committed to achieving?

Over its 26-year history, Kids Fishing Day has exposed over 11,400 disadvantaged children to the benefits of getting outdoors, enjoying the natural environment through fishing, respecting the environment, and experiencing their own self worth through wholesome activities. This represents a wonderful opportunity for PBSO to engage with vulnerable youth in a positive, fun, and exciting environment, and for PBSO to impart valuable lessons in safety, security, and trust. After the 2012 event, PBSO's Gang Prevention Coordinator Marcia Bahia said "This is the perfect age to reach out to the kids and let them know what the warning signs are and why they should stay away from gangs. Going fishing is a great use of their time and programs like this serve as a wonderful introduction."

LETF Funding Request (MUST match total on Financial Application): \$2,802.00

What service will your organization provide through the use of Law Enforcement Trust Funds?

- ☐ Crime Prevention Program
- ☐ Drug Abuse Education
- ☒ Drug Prevention Program
- ☐ Drug Treatment Program
- ☐ Safe Neighborhood
- ☐ School Resource Officers

Organization Purpose:

The Palm Beach County Substance Abuse Coalition's mission is "Uniting Palm Beach County by strengthening children, families and neighborhoods in their resolve to reduce and prevent alcohol and drug use, creating a drug free community".

Provide a brief summary of program's activities/services to be funded:

The Palm Beach County Substance Awareness Coalition, partnering with the School District of Palm Beach County, Adobe, Allstate, Rotary Club of Wellington, South Florida Fair, Hanley Center and the Palm Beach County Sheriff's Office, will host the annual county-wide Alcohol Prevention Poster Contest. Students in grades K-12 are invited to create an educational, underage drinking prevention poster for school buses. The anti-alcohol message will be extended to the community during the online voting. Six winners (two each from elementary, middle, and high schools) will be honored at a community event before the posters are placed on the district's 1,000 school buses and viewed by 60,000 daily school bus riders. Over 300 of the top entries are displayed at the South FL Fair.

What results are you committed to achieving?

As a result of this project, over 60,000 Palm Beach County students and a minimum of 10,000 area adults will be educated on the risks and dangers of underage drinking. This knowledge will in turn help to:

- Increase the number of youth believing that alcohol use is harmful to their health.
- Increase the number of youth disapproving of alcohol use.
- Increase the number of parents and caregivers who believe giving alcohol to those underage is harmful to their health.
- Decrease the number of youth who binge drink.

What service will your organization provide through the use of Law Enforcement Trust Funds?

- ☒ Crime Prevention Program
- ☐ Drug Abuse Education
- ☐ Drug Prevention Program
- ☐ Drug Treatment Program
- ☒ Safe Neighborhood
- ☐ School Resource Officers

Organization Purpose:

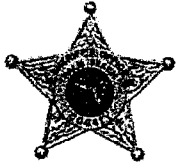

Provide emergency financial assistance to eligible disabled veterans from Iraqi and Afghanistan. We work with eight Veterans Administrations Medical Facilities who refer veterans to us that are in financial distress. The bills that are causing this PTSD stress are normally paid within 48 hours.

Provide a brief summary of program's activities/services to be funded:

We provide eight VA facilities with \$18,000 in Master Cards per month for their post deployment teams to distribute to veterans that require short term financial help; gas, food, transportation, state id cards etc. WWofSF pays referred veterans bills for an average of amount of between 15,000 to 20,000 per month.

What results are you committed to achieving?

By reducing a major stress factor in PTSD we assist in getting the veteran back on his or her feet. This not only reduces the veterans stress but the entire family units stress. Many times this results in the veteran not being desperate enough to commit a crime to provide for his family. Reducing hardships for these veterans is paramount for reducing alcoholism, drug use and mental illnesses, which can have a direct correlation with domestic abuse and other violations of the law. WWofSF is focused on enhancing these veterans quality of life to help move them back into society as working members of the community and proud law abiding citizens.

LAW ENFORCEMENT TRUST FUND DONATION

Organization Name: FSU Foundation - College of Criminology & Criminal Justice

LETF Funding Request (MUST match total on Financial Application): \$25,000.00

What service will your organization provide through the use of Law Enforcement Trust Funds?

- ☒ Crime Prevention Program
- ☐ Drug Abuse Education
- ☐ Drug Prevention Program
- ☐ Drug Treatment Program
- ☐ Safe Neighborhood
- ☐ School Resource Officers

Organization Purpose:

The FSU College of Criminology & Criminal Justice's Law Enforcement Academy Partnerships combine the nation's #1 Criminology education with the state's best training facilities to train and educate the very best students so that they enter the workforce ready to serve and protect their community.

Provide a brief summary of program's activities/services to be funded:

With a one-time commitment of \$25,000, Palm Beach County will join Leon, Sarasota, Jacksonville, and Walton Counties with a permanently endowed scholarship in the FSU LEAP program. Palm Beach County averages 125 students per year enrolled in the College of Criminology at Florida State. This scholarship ensures that Palm Beach County's commitment to its citizens extends to those training in law enforcement with the nation's top ranked Criminology program. Students participating in the FSU LEAP program are motivated to succeed, but are faced with the additional burden of self-sponsoring through the academy while paying regular tuition. This scholarship will help offset the costs of the program and ensure the best students are motivated to succeed.

What results are you committed to achieving?

The FSU LEAP program averages 8-10 students per semester, but would like to grow into an FSU Academy Cohort of 20-25 students at a time. Unfortunately, paying dual tuition to FSU and to the Pat Thomas Law Enforcement Academy is cost-prohibitive to some students. By offering a scholarship for students who enter the program, FSU hopes to increase financial access, encourage ever better students to apply, and ensure graduating seniors the best opportunity for employment. Creating this endowment will ensure that every year in perpetuity, a Palm Beach County citizen has the opportunity to learn and train with the best, increasing their chances for advancement, and the safety of our communities.
