Summary: The Shelter Plus Care Renewal Grants provide sponsor based rental assistance for up to 49 disabled single adults suffering from mental illness. There is no County cash match requirement for this grant, but an in-kind match is provided by the partner agency, The Jerome Golden Center for Behavioral Health, Inc., in the form of supportive services. These agreements were executed by delegated authority. On March 11, 2014, the Board of County Commissioners authorized the County Administrator, or his designee to execute agreements for this purpose. These agreements are being submitted in accordance with Countywide PPM No. CW-O-051 to allow the Clerk's Office to note and receive this item. (Human Services) <u>Countywide</u> (TKF)

Background and Justification: Since 1996, the Division of Human Services (DHS) has received funds from HUD for its Supporting Housing Program and Shelter Plus Care grants which have been renewed annually. Since 2006 the DHS has acted as the lead agency for the local Continuum of Care. DHS has started monitoring all HUD Continuum of Care award recipients in collaboration with HUD. The Jerome Golden Center for Behavioral Health, Inc. is the sponsor that carries out the activities funded by these projects.
