I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: First Addendum to Authorized Provider Agreement, R2013-0288 dated March 12, 2013, with the American National Red Cross ("Red Cross") to allow the County to participate as one of 50 communities nationwide in the Red Cross Aquatic Centennial Initiative program to provide swimming lessons to underserved populations.

Summary: The Red Cross is celebrating 100 years of Water Safety and has set a goal to reduce the number of drownings in the United States by 50% in 50 key markets. Palm Beach County has been selected as one of those markets. This is a three-year initiative to work in partnership to teach children and adults to swim, who would not otherwise participate in swimming lessons. This First Addendum to the Authorized Provider Agreement R2013-0288 allows Palm Beach County to participate in Red Cross's Centennial Campaign to reduce drowning by 50% in 50 key markets. Participation in this initiative will help generate and retain enrollment in our swimming lessons, provide hands-on CPR and rescue skills to parents and caregivers, and ultimately help reduce the number of drownings in our community. As a participant in the initiative, the County will receive support for program fees for participants in swimming lessons as well as lifeguard training and water safety instructor programs. The Red Cross will also provide the teaching and marketing materials at no cost to the County. Countywide (AH)

Background and Justification: The Parks and Recreation Department entered into an Authorized Provider Agreement with the American Red Cross on March 12, 2013, R2013-0288, to provide Red Cross swimming lessons at the six traditional swimming pools and two waterparks, as well as Lifeguarding, First Aid, CPR, AED, and Oxygen Administration certifications for all Aquatics staff. Palm Beach County has been identified by the Red Cross as a target market for their Aquatic Centennial Initiative to reduce the number of drowning in America. This program is designed to promote awareness of and access to the Red Cross Water Safety education and training in identified communities where the drowning rate is above the national average. This First Addendum allows Palm Beach County to participate in the Red Cross Aquatics Centennial Initiative. In accordance with Chapter 2, Article III, Division 2, Part A, Section (f) of the County Code, the purchasing code shall not apply to agreements between the Board of County Commissioners and nonprofit organizations. The County has the right to terminate the Agreement for any reason upon thirty days written notice.

**American
Red Cross**

**FIRST ADDENDUM TO
AUTHORIZED PROVIDER AGREEMENT**

This **FIRST ADDENDUM TO AUTHORIZED PROVIDER AGREEMENT, R2013-0288** ("Addendum") is effective as of _____, 2015 ("Addendum Date") by and between the American National Red Cross ("Red Cross") and Palm Beach County, a Political Subdivision of the State of Florida, by and through its Board of Commissioners ("AP").

WHEREAS, Red Cross and AP are parties to an Authorized Provider Agreement, R2013-0288 dated as of March 12, 2013 (the "Agreement") (capitalized terms used in this Addendum and not otherwise defined herein shall have the meaning assigned to them in the Agreement);

WHEREAS, in addition to the courses AP has historically been permitted to teach under the Agreement, AP would now like to participate in a program in connection with the American Red Cross Aquatics Centennial celebration designed to promote awareness of and access to the American Red Cross Water Safety education and training in identified communities ("Aquatics Centennial Program"). The Aquatics Centennial Program is intended to teach people to swim in identified communities where drowning rate is above national average; motivate children and families to "come to the water" to become competent in the water and learn about water safety at a local facility; and create a sustainable ecosystem of water safety to help make communities safer.

WHEREAS, Red Cross and AP desire to add the following terms to the Agreement in order to facilitate AP's participation in the Aquatics Centennial Program and to memorialize each party's rights and responsibilities in connection therewith;

NOW THEREFORE, in consideration of the foregoing recitals and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. In connection with the Aquatics Centennial Program, AP agrees that it will:
 - a. Expand its existing Learn-to-Swim program ("LTS") and Junior Lifeguarding offerings to reach additional program participants who are not otherwise receiving aquatics lessons ("Program Participants");
 - b. Expand its existing Water Safety Instructor and Lifeguarding training to develop the infrastructure to offer the additional LTS and Junior Lifeguarding offerings;
 - c. Provide Program Participants opportunities to take LTS courses through at least Red Cross Learn-to-Swim Level 3;
 - d. Provide opportunities for parents of Program Participants to participate in Red Cross water safety and CPR/AED training courses;
 - e. Engage in promotional and media opportunities to inform the local community of the goals of the Aquatics Centennial Program, including the importance of swimming and water safety training; provided that AP will obtain Red Cross's prior consent to any promotional or media opportunities involving use of the Red Cross name or emblem pursuant to Section 6 of this Addendum;
 - f. Agree to participate in, and provide information in support of, a research study to evaluate the effectiveness of the Aquatics Centennial Program education and training;
 - g. Report the progress and results of the Aquatics Centennial Program education and training courses to the Red Cross in the manner and format reasonably requested by the Red Cross; and
 - h. Provide accurate and timely documentation of costs related to the expanded programming as a result of the Aquatics Centennial Program, including providing invoices if requested by the Red Cross.
-

2. Red Cross agrees that it will:
 - a. Assist in offsetting additional expenses for expanded programming as a result of AP's participation in the Aquatics Centennial Program and fulfillment of its obligations to Program Participants described in Section 1. AP's expenses that will be funded by the Red Cross for the first year of participation in the Aquatics Centennial Program are listed on Exhibit C attached to this Addendum. The Parties will meet on at least an annual basis to mutually determine and agree upon the scope and amount of Aquatics Centennial funding assistance, if any, to be provided by the Red Cross to AP in subsequent years;
 - b. Provide training materials required to allow Program Participants to complete the Red Cross training contemplated under this Addendum;
 - c. Provide promotional materials to inform the local community of the Aquatics Centennial Program;
 - d. Provide requirements, processes and mechanisms to report the process and results of the Aquatics Centennial Program education and training courses; and
 - e. Provide tools, resources and staff training required to implement the research study intended to evaluate the effectiveness of the Aquatics Centennial education and training.
 3. Term and Termination. Unless terminated consistent with this Section 3, the term of this Addendum shall begin on the Addendum Date and shall continue thereafter for thirty-six (36) months. Either party may terminate this Addendum without cause upon thirty (30) calendar days advance written notice to the other party. Either party may immediately terminate this Addendum upon the other party's breach of its obligations under this Addendum. Termination of this Addendum will not automatically terminate the Agreement, but in the event the Agreement is terminated by either party, this Addendum will automatically terminate.
 4. Compliance, Representations and Warranties:
 - a. The Parties will comply with all applicable laws and regulations during performance under the Agreement. Neither Party will discriminate against any employee, applicant or Program Participant in connection with this Agreement because of any characteristic protected by applicable law or regulations.
 - b. AP represents, warrants and certifies: (i) compliance with all U.S. economic sanctions, anti-terrorism laws and anti-money laundering laws, including but not limited to the USA PATRIOT Act, the laws administered by the United States Treasury Department's Office of Foreign Assets Control, Executive Order 13224, and any local laws that apply in the jurisdiction in which AP is operating and (ii) no child, indentured or forced labor or unauthorized workers will be used in any aspect of the provision of the Red Cross Courses or Aquatics Centennial Program hereunder.

During the course of pursuing contracts with Red Cross and while performing services in accordance with this Addendum, AP agrees to maintain business ethics standards which are aimed at avoiding any real or apparent improprieties or conflict of interest which could be construed to have an adverse impact on the dealing with the Red Cross. AP shall take reasonable actions to prevent any actions or conditions which could result in a conflict with Red Cross's best interests. This training seeds a lifelong passion for aquatics and helps aquatic facilities thrive. Now, we invite you to join us as we launch a new initiative designed to save lives and create stronger, safer communities.

Together, We Can Reduce Drownings

To mark 100 years of Aquatics, the Red Cross has set a goal to reduce the number of drownings in the United States by 50% in 50 key markets. Kicking off this summer, the Centennial Campaign will create an aquatics ecosystem that benefits our facility partners and the community you serve. In partnership with aquatics facilities like yours, this 3-5 year initiative will focus on 50 markets where drowning rates are higher than the national average.

It All Begins with Learn to Swim

Working in partnership with facilities like yours, the Centennial Campaign will:

- Teach 50,000 kids and adults across the country to swim who would not otherwise participate.
- Help generate and retain enrollment for your facility's swim classes.
- Teach the Circle of Drowning Prevention and Chain of Drowning Survival.
- Disseminate water safety information to parents and caregivers.
- Teach hands-on CPR and rescue skills to parents and caregivers.
- Help position your facility as an authority on learning how to swim and save lives.

Market facts:

Palm Beach County, FL

Between 2004 and 2010—

227 people died from drowning, which is a rate of 2.51 per 100,000 population.

Market Facts: National

- Approximately 10 people in the U.S. drown every day and 2 are under age 14.
- For every child who drowns, another 5 receive emergency department care for nonfatal submersion injuries.

2013 Learn-to-Swim Pricing Structure

The Aquatics Team is pleased to announce the new pricing structure for our 2013 Learn-to-Swim program. It consists of an annual fee per facility, based on projected 2013 enrollees at each facility. No additional student learning fees will be assessed for participants in the Learn-to-Swim program for 2013. As in 2012, discounts are offered for facilities that also teach the American Red Cross Lifeguarding Program.

The 2013 Learn-to-Swim pricing for American Red Cross Aquatics Partners is as follows:

Annual Volume of Enrollees	Facilities that offer Red Cross Lifeguarding	Facilities that <u>do not</u> offer Red Cross Lifeguarding	Completion Cards Included
0 - 75	\$200	\$240	75
76 - 500	\$300	\$360	500
501 - 999	\$650	\$780	999
1,000 +**	\$975	\$1170	1500

**Additional completion cards are available for a nominal fee plus shipping (details to be announced)

Each participating facility also receives:

- Access to a dedicated aquatics online store, offering the convenience of one-stop shopping for training and other pool supplies, with exclusive offers and promotions for our partners throughout the year
- Simplified registration, ordering, and fulfillment processes
- Educational swim stroke posters and temporary tattoos
- Samples of the new Learn-to-Swim Achievement Booklets (additional copies will be available for purchase)

Enrollment in the 2013 Learn-to-Swim package will begin in late December, 2012, with materials shipping in early January, 2013. You will receive an e-mail notification when enrollment is open, along with information on how to contact your Aquatics Representative should you have any questions.

Be sure to sign up before June 1, 2013, to have your 2013 Course Records accepted by the Training Support Center.

We appreciate your continued partnership and look forward to helping more Americans enjoy the water safely.
