Motion and Title: Staff recommends motion to approve: Contract with Carrick Contracting Corporation for the Job Order Contract (JOC) Annual 2015 with a maximum value of \$2,500,000 as one (1) of a pool of five (5) general contractors to perform on an as-needed basis for projects throughout the County.

Summary: This contract is for one (1) year and is an indefinite-quantity, fixed unit price contract that has a minimum value of \$35,000 and a maximum cumulative value of \$2,500,000 across all five (5) contracts. Job Order Contracts are competitively bid, firm, fixed price indefinite quantity contracts that include a collection of detailed repair and construction tasks and specifications that have established unit prices. The original contracts provide for an initial one (1) year term with four (4) - one (1) year renewal options at the sole option of the County. Staff will review the status of the contractor's certifications annually, prior to renewal, to ensure the firm remains qualified and in good standing. The specific magnitude of the work will be determined by individual work orders issued. 1.0175 Project requires work to be performed during normal working hours; and
1.0275 Project requires work to be performed outside normal working hours

The Small Business Enterprise (SBE) goal established for this contract is 15% and will be tracked cumulatively for each issued work order. Carrick Contracting Corporation is a Palm Beach County based company. (Capital Improvements Division) Countywide (JM)

Background and Justification: Bids were opened on December 11, 2014 for JOC Annual 2015 with Carrick Contracting Corporation submitting one of the five lowest responsive, responsible bids. The contract is effective for a period of twelve (12) months or when the total value of work reaches the maximum potential contract amount of \$2,500,000. Five (5) contracts will be established through this solicitation due to the projected work load.
