Re: **Urban High-Crime Area Job Tax Credit Program Re-ranking Status**

Dear Mayor Taylor:

The Division of Strategic Business Development of the Florida Department of Economic Opportunity (“DEO”) has concluded the re-ranking process required by section 212.097(1)(e) of the Florida Statutes. Based on the 2014 Crime Statistics Request Package that was submitted by Palm Beach County and other information provided to us, we have determined that the Palm Beach County’s Urban High-Crime Area UA-5001 shall be re-ranked as a Tier One (I) Urban High-Crime Area.

This designation will provide qualified businesses that create a required number of new jobs within your Urban High-Crime Area the opportunity to apply for credits against their corporate income tax or sales tax obligations. The effective date of this designation will be January 1, 2015, and will be in effect until December 31, 2017. We are scheduled to conduct another re-ranking process of the thirteen designated Urban High-Crime Areas in calendar year 2017.

We hope the Urban High-Crime Area Job Tax Credit Program will enhance your economic development efforts within Palm Beach County. If you have any questions please call our Special Programs Manager, Burt Von Hoff, at (850) 717-8974.

Sincerely,

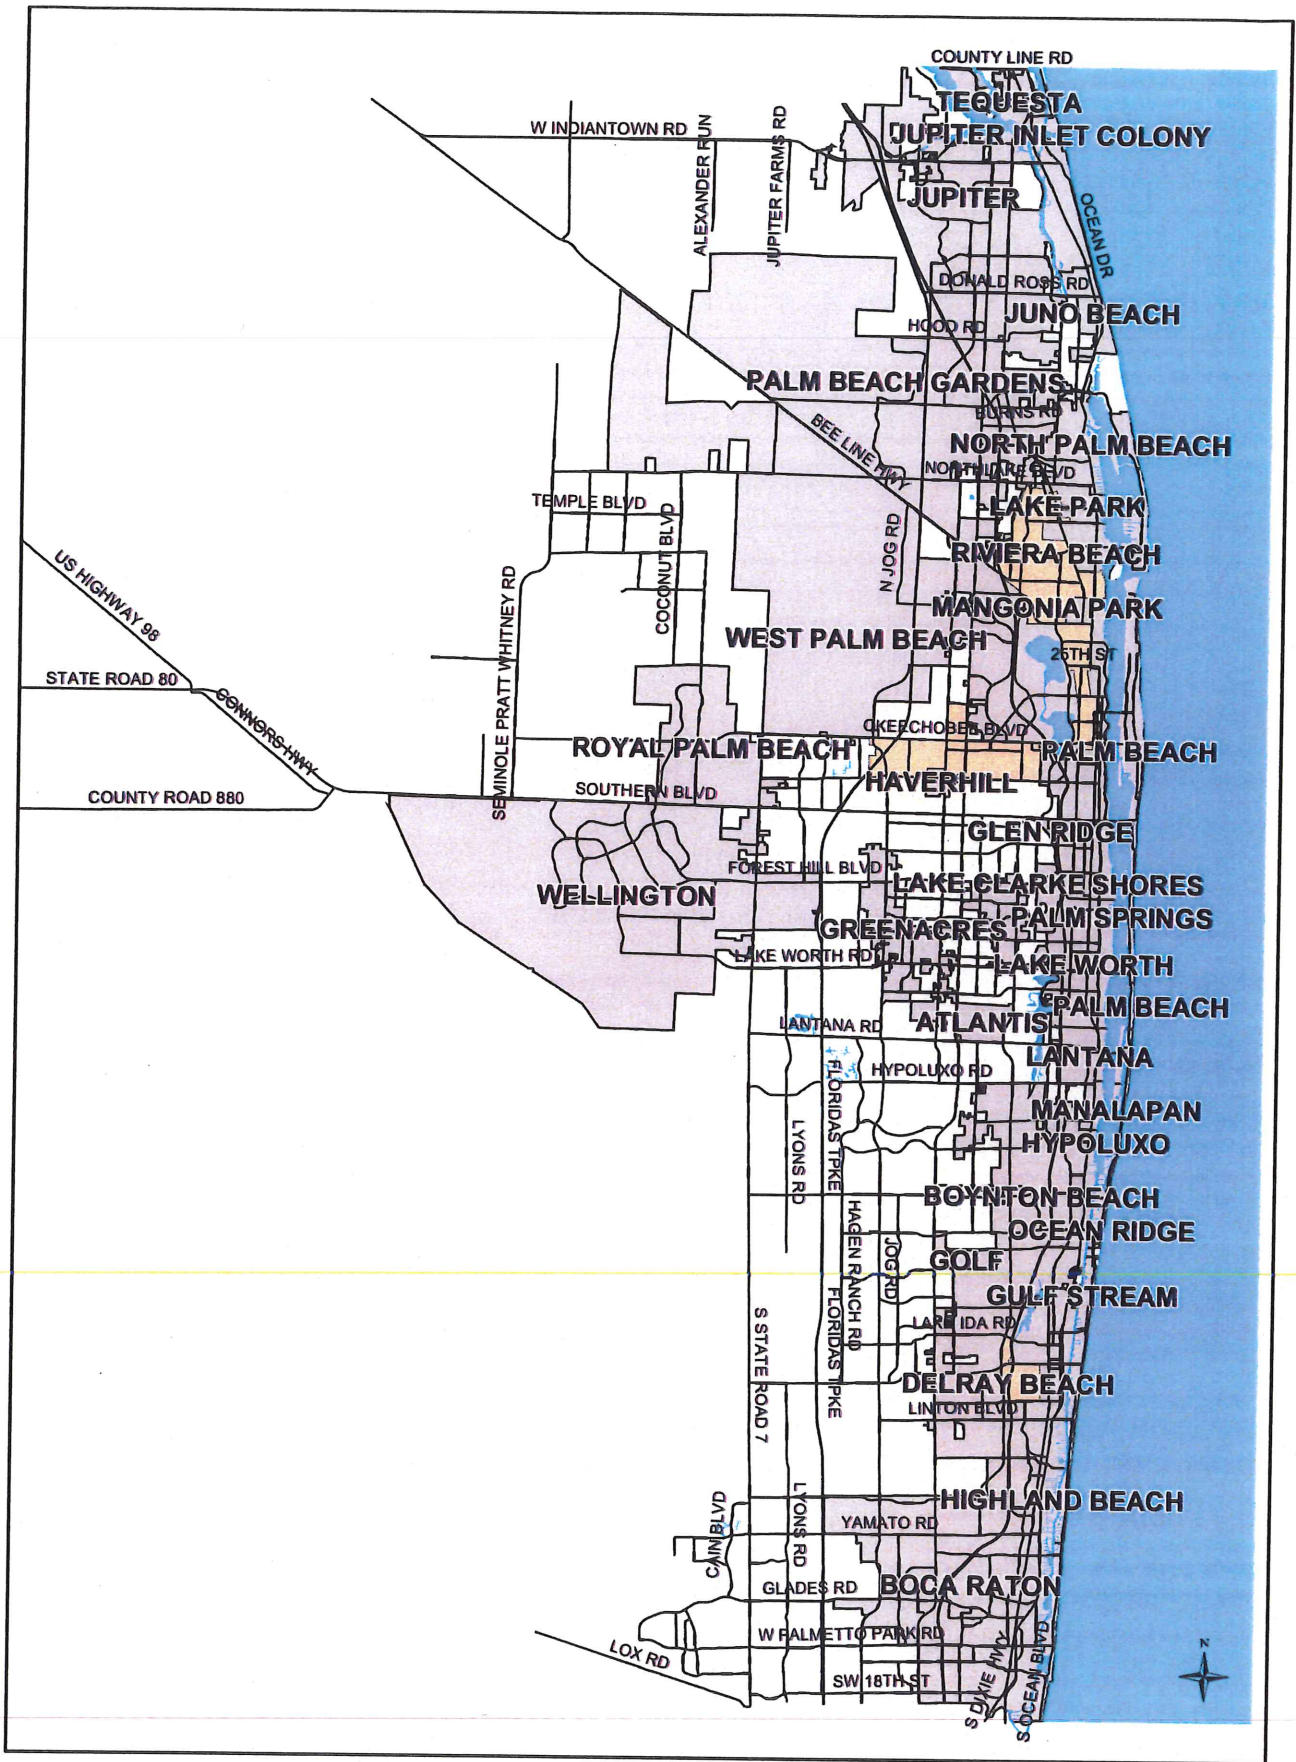

Cissy Proctor,
Director of Strategic Business Development

URBAN HIGH-CRIME AREA JOB TAX CREDIT PROGRAM

**FLORIDA DEPARTMENT OF ECONOMIC OPPORTUNITY
DIVISION OF STRATEGIC BUSINESS DEVELOPMENT
107 EAST MADISON STREET; MSC 80
TALLAHASSEE, FLORIDA 32399
850/717-8974**

The Florida Legislature created the Urban High-Crime Area Job Tax Credit Program in 1997 to encourage the creation of new jobs in designated urban areas of Florida (section 212.097, Florida Statutes). The Program provides up to \$5.0 million of tax credits annually to eligible businesses who are located within one of the 13 Urban High-Crime Areas designated by the Department of Economic Opportunity (DEO) and hire a specific number of employees.

WHAT IS AN URBAN HIGH-CRIME AREA JOB TAX CREDIT?

An Urban High-Crime Area Job Tax Credit is an incentive for eligible businesses located within one of the 13 designated urban high-crime areas to create new jobs. The credit ranges from \$500 to \$2,000 per qualified job and can be taken against either the Florida Corporate Income Tax or the Florida Sales and Use Tax. The credit can only be taken against only one of these two taxes.

These tax credits are provided to encourage meaningful employment opportunities that will improve the quality of life of those employed and to encourage economic expansion of new and existing businesses in designated urban areas of Florida.

HOW MANY TAX CREDITS WILL BE AWARDED?

Five million dollars of tax credits may be approved in a calendar year. One million dollars of tax credits will be exclusively reserved for businesses located within Tier One designated areas.

HOW WERE THE AREAS DESIGNATED?

DEO designated the 13 high-crime areas for participation based on applications submitted by units of local governments.

WHEN WILL THE DESIGNATIONS BE EFFECTIVE?

The re-designation of the Urban High-Crime Areas became effective on **January 1, 2015**, and will remain in effect until December 31, 2017. The areas will be re-ranked with an effective date of January 1, 2018.

WHICH AREAS HAVE BEEN DESIGNATED?

The nominated areas located within the following jurisdictions have been designated as eligible areas to participate in the Urban High-Crime Job Tax Credit Program. A listing of the contact persons (with telephone numbers and e-mail addresses) is found on page 5 of this overview.

Each contact person will be able to provide information (maps and/or boundary descriptions) on the designated area within their jurisdiction. Designated areas range from 3 to 20 square miles.

These designated areas are listed in alphabetical order within each of the three tiers.

Mangonia Park, Riviera Beach and West Palm Beach to the State of Florida requesting the designation of such areas as eligible to participate in the Urban Job Tax Credit Program pursuant to Section 212.097, Florida Statutes.
