I. EXECUTIVE BRIEF

Motion and Title:

Staff recommends motion to receive and file: A list of Clerk & Comptroller (Clerk) Finance Department records which have been converted to an electronic format.

Summary:

Pursuant to Florida Statute 119 "Public Records", Florida Statute 257.36 "Records and Information Management", Florida Administrative Code, Chapter 1B-24 and Florida Administrative Code, Chapter 1B-26, the Clerk & Comptroller's office has partnered with the County's Information Systems Services (ISS) Department to convert Clerk & Comptroller (Clerk) Finance Department records into an electronic format. ISS maintains an in-house scanning service which the Clerk's office elected to use instead of contracting with an outside vendor. After the paper format of the record is converted into an electronic format, and the completeness and accuracy of the electronic version has been verified, the paper format will be destroyed.

Each quarter, the Clerk's Office will provide the Board with a list of those records converted from paper to an electronic format. The electronic records will be maintained according to their required retention schedule under the State of Florida's General Records Schedule GSI-SL for State and Local Government Agencies. Once the electronic records have met the required retention schedule of the Florida Division of Library and Information Services, the Clerk's Records Management Liaison Officer (RMLO) will ensure proper disposition of eligible records upon receiving a written approval of certificate of destruction from the Clerk Finance Department's appointed custodian. Annually, the Clerk's Office will provide the Board with a list of electronic documents destroyed.
