| Background and Justification: This time extension will allow for the completion of bidding services associated with the Golfview Infrastructure Improvement project. This project was one of the few elements of the overall Airfield Improvement Project that was approved by the Federal Aviation Administration through the Environmental Impact Statement (EIS). Bidding has been delayed pending final approval of the project on a Passenger Facility Charge application for Palm Beach International Airport anticipated to be obtained in May 2015.
