Background and Policy Issues (continued):

A portion of the lands purchased have been leased for agricultural production. Since it was necessary for the lands to be managed to insure that the goals of the purchase and lease program were met, the County entered into an Agricultural Land Management Interlocal Agreement with PBSWCD dated June 5, 2012 with an effective date of July 1, 2012. That Agreement will expire June 30, 2015. This Agreement allows for PBSWCD to continue managing the agricultural lands.

Since PBSWCD has the expertise and experience needed to manage the agricultural lands described in the Agreement, and has been managing the same lands for the County for the past nine years, staff is recommending that this Agreement be approved. The relationship PBSWCD has with the agricultural community and their understanding of agricultural practices have given them the ability to meet the needs of the County and assist in enhancing the agricultural industry's ability to stay productive in the Ag Reserve. This has relieved the County of the need to hire permanent staff to manage the agricultural lands. Palm Beach County Property and Real Estate Management Division (PREM) has handled the leasing of land, collected the lease fees, interfaced with the PBSWCD, received reports from them on the lease management, and received and processed invoices from PBSWCD for management services pursuant to the Agreement. The Cooperative Extension Service Department has assisted in the process by providing input as needed or requested to PREM and PBSWCD on issues related to the management of the agricultural lands for specific crops.

It is necessary for PBSWCD to charge a fee to cover the cost of their management oversight. PREM will continue to monitor the expenditure of funds through this program. The annual fee the County will pay the PBSWCD for managing the property, pursuant to the Agreement, is \$57,234. PBSWCD is including in the Agreement, at no additional cost, the development and management of the Florida Department of Agriculture and Consumer Services Best Management Practices for a proposed wholesale nursery operation at the Falowski property, if approved by the County at a later date. A special revenue fund has been established to receive lease revenue and provide for the costs associated with PBSWCD Management fees and a reserve balance for other BCC approved fund expenditures. This fund has been set up in the financial records where the Agreement and corresponding management fee is established.

BETWEEN PALM BEACH COUNTY
AND
PALM BEACH SOIL & WATER CONSERVATION DISTRICT**

This LAND MANAGEMENT INTERLOCAL AGREEMENT is entered into on this _____ day of _____ 2015, between Palm Beach County, a political subdivision of the State of Florida, by and through its Board of County Commissioners, hereinafter referred to as "County" and Palm Beach Soil & Water Conservation District, a special district created by the Legislature of the State of Florida, hereinafter referred to as "PBSWCD", herein referred to collectively as the "Parties".

WITNESSETH:

WHEREAS, the PBSWCD was created by the Florida Legislature and given those powers and responsibilities enumerated in Chapter 582, Florida Statutes which include entering into agreements, with public agencies, private corporations or other persons; and

WHEREAS, Chapter 125, Florida Statutes, authorizes the County to convey rights in County owned lands to governmental entities under terms and conditions to be determined by the County; and

WHEREAS, a portion of lands purchased by the County with funds from the March 1999 Conservation Lands Bond Referendum have been or will be leased to persons for agricultural production; and

WHEREAS, it is necessary that these lands be managed to insure that the goals of the purchase and lease program are met; and

WHEREAS, the PBSWCD is empowered to manage lands or interests in land to which the County has acquired title, pursuant to Section 582.20, Florida Statutes; and

WHEREAS, the PBSWCD desires to manage certain County property as further described in Exhibit "A", attached hereto and made a part of, and hereinafter referred to as "the Premises", and

WHEREAS, the County hereby authorizes the management of these lands by the PBSWCD; and

WHEREAS, PBSWCD represents that it is qualified to perform these services, and can be awarded an agreement, therefore in compliance with law and in conformity with the policies and procedures of the County.

NOW, THEREFORE, the County and the PBSWCD, for and in consideration of the mutual covenants and agreements flowing from each to the other, do hereby agree as follows:

ARTICLE 1 – GRANT OF AUTHORITY TO AND RESPONSIBILITIES OF PBSWCD

- 1.1 The Premises, located in the area more commonly referred to as “The Agricultural Reserve,” subject to this Agreement is situated in Palm Beach County, State of Florida, and is more particularly described in Exhibit “A”.
- 1.2 The PBSWCD shall manage that portion of the Premises, which will be leased for agricultural production.
- 1.3 PBSWCD, in cooperation with the County, will prepare a three (3) year management plan that addresses each parcel on the Premises based on the crop being grown by the lessee. This plan will provide ongoing reasonable assurance that acceptable agricultural practices are being conducted in the form of verified implementation of best management practices (BMPs) agreed to by the lessee and PBSWCD minimizing any impact to the land or offsite water quality. These BMPs and their implementation should be consistent with acceptable agricultural practices, the recommendations of the University of Florida Institute of Food and Agricultural Sciences (IFAS) and those of USDA Natural Resources Conservation Service (NRCS).
- 1.4 County shall reimburse PBSWCD a total annual not-to-exceed contract amount of \$57,234. PBSWCD shall invoice County monthly for payment for the performance of management services based on one-twelfth of the annual fee of \$57,234.
- 1.5 PBSWCD shall provide a quarterly report to County on the status of the Premises including change in crops, status of implementation of BMPs, (water management, nutrient, soil erosion-sediment control, pest management and other BMPs as agreed to) and notations of variations in agricultural or other practices that have the potential of degrading the land for continued agricultural purposes. On the latter, a memo of notification shall be sent by PBSWCD to the County within 30 days from the time the practice is noted by PBSWCD, with a record of how PBSWCD has communicated with the lessee to have the agricultural practice of concern modified to stop any potential property degradation. PBSWCD will provide an annual report to the County and note any suggested changes to the properties on the Premises that have the potential for enhancing the lease program and overall management of the properties on the Premises for agricultural purposes.
- 1.6 PBSWCD, by mutual agreement with the County, may assume management of other agricultural leases within the Agricultural Reserve in Palm Beach County as part of this Agreement by written amendment.
- 1.7 The PBSWD shall comply with all its obligations under Florida Statutes at all times during the terms of this Agreement.

ARTICLE 2 – TERM OF THE AGREEMENT

- 2.1 This Agreement is for a three (3) year term beginning upon execution of this Agreement by both Parties.

ARTICLE 4 – LIMITATION OF LIABILITY

- 4.1 The PBSWCD assumes any and all risks of personal injury, bodily injury and property damage attributable to the acts or omissions of the PBSWCD and the officers, employees, servants, and agents thereof. The PBSWCD, as a state entity, represents that it is self-funded for liability insurance, or has liability insurance, both public and property, with such protection being applicable to PBSWCD officers, employees, servants and agents while acting within the scope of their employment with PBSWCD.
- 4.2 PBSWCD and the County further agree that nothing contained herein shall be construed or interpreted as (1) denying to either party any remedy or defense available to such party under the laws of the State of Florida; (2) the consent of the State of Florida or its agents and agencies to be sued; (3) a waiver of sovereign immunity of the State of Florida beyond the waiver provided in Section 768.28, Florida Statutes.

In the event PBSWCD maintains third-party commercial General Liability and Business Auto Liability in lieu of exclusive reliance on self-insurance under Section 786.28 Florida Statutes, PBSWCD's insurance certificate is attached hereto and incorporated herein as Exhibit "B". In addition, nothing contained herein shall be construed as a waiver of limitations of liability which may be enjoyed by the County as a landowner, or any other law providing limitations on claims against the landowner.

ARTICLE 6 – TERMINATION/REMEDIES

- 6.1 Termination for cause will be provided by written notice with thirty (30) calendar days to correct the deficiency. If PBSWCD fails to correct the deficiency within this time, or within a cure period agreed to by the Parties, the County will have the option to terminate this Agreement at the expiration of said time period. The County may terminate this Agreement without cause by providing thirty (30) calendar days notice to PBSWCD. Should this Agreement be terminated for any reason, legitimate obligations shall be paid during the cure period with prior approval of the County Project Manager so as to provide continuity of the business activities and maintain the PBSWCD's credit standing. Termination of this Agreement by PBSWCD must be based on a super majority vote of no less than 4 out of 5 Supervisors of PBSWCD.

ARTICLE 7 – RECORDS RETENTION/OWNERSHIP

- 7.1 The PBSWCD shall maintain records and the County shall have inspection and audit rights as follows:
- A. Maintenance of Records: The PBSWCD shall maintain all financial and non-financial records and reports directly or indirectly related to the negotiation or performance of this Agreement including supporting documentation for any service rates, expenses, research or reports. Such records shall be maintained and made available for inspection for a period of five years from completing performance and receiving final payment under this Agreement.
 - B. Examination of Records: The County or its designated agent shall have the right to examine in accordance with generally accepted governmental auditing standards all records directly or indirectly related to this Agreement. Such examination may be made only within five years from the date of final payment under this Agreement and upon reasonable notice, time and place.
 - C. Extended Availability of Records for Legal Disputes: In the event that the County should become involved in a legal dispute with a third party arising from performance under this Agreement, the PBSWCD shall extend the period of maintenance for all records relating to this Agreement until the final disposition of the legal dispute, and all such records shall be made readily available to the County.

ARTICLE 8 – STANDARDS OF COMPLIANCE

- 8.1 The PBSWCD, its employees, subcontractors or assigns, shall comply with all applicable federal, state, and local laws and regulations, relating to the performance of this Agreement. The County undertakes no duty to ensure

such compliance, but will attempt to advise the PBSWCD, upon request, as to any such laws of which it has present knowledge.

- 8.2 The laws of the State of Florida shall govern all aspects of this Agreement. In the event it is necessary for either party to initiate legal action regarding this Agreement, venue shall be in the Fifteenth Judicial Circuit in and for Palm Beach County for claims under state law and in the Southern District of Florida for any claims which are justifiable in federal court.
- 8.3 The PBSWCD shall allow public access to all project documents and materials in accordance with the provisions of Chapter 119, Florida Statutes. Should the PBSWCD assert any exemptions to the requirements of Chapter 119 and related statutes, the burden of establishing such exemption, by way of injunctive or other relief as provided by law, shall be upon the PBSWCD.
- 8.4 The PBSWCD shall obtain, at its sole expense, all necessary licenses, authorizations and permits from the appropriate private party or federal, state, municipal or local agency, and other governmental approvals, prior to commencing performance of this Agreement.
- 8.5 Palm Beach County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 – 2-440, as may be amended. The Inspector General's authority includes, but is not limited to, the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of the PBSWCD, its offers, agents, employees, and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud.

Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be in violation of Palm Beach County Code, Section 2-421 – 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

ARTICLE 9 – RELATIONSHIP BETWEEN THE PARTIES

- 9.1 The PBSWCD is an independent contractor and is not an employee or agent of the County. Nothing in this Agreement shall be interpreted to establish any relationship other than that of an independent contractor, between the County and the PBSWCD, its employees, agents, subcontractors, or assigns, during or after the performance of this Agreement. The PBSWCD is free to provide similar services for others.
- 9.2 The PBSWCD shall not assign or sublease, delegate, or otherwise transfer its rights, duties, and obligations as set forth in this Agreement, without the prior written approval of the County. Any attempted assignment in violation of this provision shall be void.
- 9.3 In the event a dispute arises which the Project Managers cannot resolve between themselves, the parties shall have the option to submit to non-binding mediation. The mediator or mediators shall be impartial, shall be selected by the Parties, and the cost of mediation shall be borne equally by the Parties. The mediation process shall be confidential to the extent permitted by law.

ARTICLE 10 – GENERAL PROVISIONS

- 10.1 Notwithstanding any provisions of this Agreement to the contrary, the Parties shall not be held liable for any failure or delay in the performance of this Agreement that arises from fires, floods, strikes, embargoes, acts of the public enemy, unusually severe weather, outbreak of war, restraint of

Government, riots, civil commotion, force majeure, act of God, or for any other cause of the same character which is unavoidable through the exercise of due care and beyond the control of the parties. Failure to perform shall be excused during the continuance of such circumstances, but this Agreement shall otherwise remain in effect. This provision shall not apply if this Agreement specifies that performance by PBSWCD is specifically required during the occurrence of any of the events herein mentioned.

- 10.2 In the event any provisions of this Agreement shall conflict, or appear to conflict, this Agreement, including all exhibits, shall be interpreted as a whole to resolve any inconsistency.
- 10.3 Failures or waivers to insist on strict performance of any covenant, condition, or provision of this Agreement by the Parties, their successors and assigns shall not be deemed a waiver of any of its rights or remedies, nor shall it relieve the other party from performing any subsequent obligations strictly in accordance with the terms of this Agreement. No waiver shall be effective unless in writing and signed by the party against whom enforcement is sought. Such waiver shall be limited to provisions of this Agreement specifically referred to therein and shall not be deemed a waiver of any other provision. No waiver shall constitute a continuing waiver unless the writing states otherwise.
- 10.4 Should any term or provision of this Agreement be held, to any extent, invalid or unenforceable, as against any person, entity or circumstance during the term hereof, by force of any statute, law, or ruling of any forum of competent jurisdiction, such invalidity shall not affect any other term or provision of this Agreement, to the extent that this Agreement shall remain operable, enforceable and in full force and effect to the extent permitted by law.
- 10.5 This Agreement may be amended only with the written approval of the Parties hereto.
- 10.6 This Agreement states the entire understanding and agreement between the Parties and supersedes any and all written or oral representations, statements, negotiations, or agreements previously existing between the parties with respect to the subject of this Agreement. The PBSWCD recognizes that any representations, statements or negotiations made by County staff do not suffice to legally bind the County in a contractual relationship unless they have been reduced to writing and signed by an authorized County representative. This Agreement shall inure to the benefit of and shall be binding upon the Parties, their respective assigns, and successors in interest. The PBSWCD acknowledges that it is solely responsible for ensuring its compliance and the compliance of its subcontractors, agents, assigns, invitees and employees with the terms of this Agreement. The provisions of this paragraph shall survive the termination or expiration of this Agreement.
- 10.7 The Parties agree that time is of the essence in the performance of each and every obligation under this Agreement.
- 10.8 The County's performance and obligation to pay under this Agreement for subsequent fiscal years is contingent upon annual appropriations for its purpose by the Board of County Commissioner.

- 10.9 PBSWCD warrants and represents that all of its employees, and participants in the programs it serves, are treated equally during employment and/or services and shall comply with Title VII of the Civil Rights Act of 1964, as amended, and Palm Beach County Resolution No. R92-13, as amended and shall not discriminate against any individual on the basis of their race, color, religion, sex, age, disability, national origin, ancestry, marital status, familial status, sexual orientation, gender identity or expression or genetic information.

PBSWCD has submitted to County a copy of its non-discrimination policy which is consistent with the above paragraph, as contained in Resolution R-2014-1421, as amended, or in the alternative, if PBSWCD does not have a written non-discrimination policy or one that conforms to the County's policy, it has acknowledged through a signed statement provided to County that PBSWCD will conform to the County's non-discrimination policy as provided in R-2014-1421, as amended.

- 10.10 No provision of this Agreement is intended to, or shall be construed to create any third party beneficiary or to provide any rights to any person or entity not a party to this Agreement, including, but not limited to, any citizen or employees of County and/or PBSWCD.

IN WITNESS WHEREOF, the Parties or their duly authorized representatives hereby execute this AGREEMENT on the date first written above.

RE: Renewal of Interlocal Agreement # R2012-0839

Dear Mrs. Norman:

On behalf of the Palm Beach Soil & Water Conservation District Board and Staff, I am pleased to request that the Interlocal Agreement between Palm Beach County Board of County Commissioners and Palm Beach Soil & Water Conservation District be renewed. The purpose of this agreement has been to monitor the implementation of Best Management Practices on county property leased for agricultural production in the Ag Reserve.

During the March Board meeting the Board decided to renew the contract at the rate of \$57,234 per year for the next three years. The Board is requesting to increase the current rate 6% in order to assist with rising costs such as insurance and fuel, as this is the only increase the Board has requested in nine years.

We look forward to our continued work with PBC Commissioners and the Cooperative Extension Service. Please feel free to contact our office, should you have any questions or concerns or need additional information.

Sincerely,

Eva Webb, Chair
