**I. EXECUTIVE BRIEF**

**Motion and Title:** Staff recommends motion to approve: On preliminary reading and advertise for public hearing on AUGUST 18, 2015 AT 9:30 AM: AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, TO BE KNOWN AS THE "FLOATING STRUCTURE ORDINANCE"; PROVIDING FOR A TITLE; PROVIDING FOR APPLICABILITY; PROVIDING FOR DEFINITIONS; PROVIDING FOR THE PROHIBITION OF FLOATING STRUCTURES; PROVIDING FOR ENFORCEMENT; PENALTIES; PROVIDING FOR INCLUSION IN THE CODE ENFORCEMENT CITATION ORDINANCE OF PALM BEACH COUNTY, FLORIDA; PROVIDING FOR REPEAL OF LAWS IN CONFLICT; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE OF LAWS AND ORDINANCES; PROVIDING CAPTIONS AND PROVIDING FOR AN EFFECTIVE DATE.

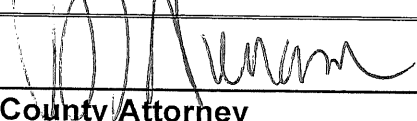

**Summary:** This Ordinance will prohibit the anchoring or mooring of floating structures in waters within the jurisdiction of the County or on County-owned property unless anchored or moored at a marina, dock or on privately owned property. The Ordinance will not encompass waters within the jurisdiction of a municipality unless the County owns the submerged land. The Ordinance will primarily be enforced by Palm Beach County Code Enforcement or the Palm Beach County Sheriff's Office. **Unincorporated County (SF)**

**Background and Policy Issues:** The County has recently experienced an increase in the anchoring and mooring of floating structures in the waters of the County. These structures generally serve purposes and provide services typically associated with land based activities and are more appropriately located on land or directly connected thereto where they can more easily connect to water, sewer and waste disposal. These floating structures pose navigational and safety hazards since they are not self propelled and cannot quickly relocate during an emergency or weather event. This Ordinance will not regulate the anchoring or mooring of any vessel in the Florida Intracoastal Waterway as such regulation is preempted to the state.

6 **Section 1. TITLE.**

7 This Ordinance shall be titled the Palm Beach County Floating Structure Ordinance.

8

9 **Section 2. APPLICABILITY.**

10 This Ordinance shall be applicable within the unincorporated areas of the county and on all  
11 property owned by the County, including all submerged lands.

12

13 **Section 3. DEFINITIONS.**

14 “Anchor” means the act of temporarily securing a floating structure in the water by  
15 means of an anchor or other device and associated tackle that is carried on the floating structure  
16 and cast or dropped overboard.

17 “Floating structure” means a floating entity, with or without accommodations built  
18 thereon, which is not primarily used as a means of transportation on water but which serves  
19 purposes or provides services typically associated with a structure or other improvement to real  
20 property. The term includes, but is not limited to, an entity used as a residence, place of  
21 business or office with public access; a hotel or motel; a restaurant or lounge; a clubhouse; a  
22 meeting facility; a storage or parking facility; or similar facility or entity represented as such.  
23 Floating structures are expressly excluded from the definition of the term “vessel” as defined in  
24 Section 327.02, Florida Statutes. Incidental movement upon water or resting partially or  
25 entirely on the bottom does not, in and of itself, preclude an entity from classification as a  
26 floating structure. Registration of the entity as a vessel in accordance with Chapter 327,  
27 Florida Statutes, shall not preclude an entity from classification as a floating structure.

28 “Moor” means the act of securing a floating structure in the water by means of a  
29 permanent or semi-permanent mooring system affixed to the bottom of the water body.

30

31 **Section 4. PROHIBITION OF FLOATING STRUCTURES.**

32 No floating structure shall be anchored or moored in the waters lying within the jurisdiction of  
33 the County or on any property owned by the County, including any submerged lands.

1 Notwithstanding the foregoing, nothing in this Ordinance shall prohibit a floating structure  
2 from anchoring or mooring at a public or private marina within a berth or slip, a public or  
3 private dock with permission from the property owner or on privately owned property,  
4 including submerged lands.
