Motion and Title: Staff recommends motion to approve: Contract for Provision of Financial Assistance with Seagull Industries for the Disabled, Inc. in the amount of \$200,400 for one-way trips for disabled and transportation disadvantaged individuals for the two (2) year period of October 1, 2015 through September 30, 2017.

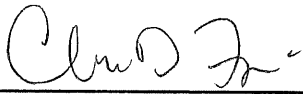

Summary: This Contract for Provision of Financial Assistance will provide partial reimbursement for the costs of transportation services for life sustaining services being provided by Seagull Industries for the Disabled, Inc. (Seagull) for their transportation of disadvantaged clients during FY 2016 and FY 2017. This award is not to exceed \$100,200 per fiscal year. Palm Tran has been providing this funding since June 1999, most if not all of the customers served by Seagull would be eligible for Palm Tran Connection service. Seagull provides 10,200 annual trips, serving approximately 100 clients per month. The projected cost savings from having Seagull provide the service is \$207,915 per year. Trip services include adult day training, medical appointments, employment and life sustaining functions. Funding for this contract is included in Palm Tran's FY 2016 budget. Countywide (DR)

Background and Justification: For the previous 16 years Palm Beach County, in its role as the Community Transportation Coordinator, using a mix of State and County funding, has provided financial assistance to Seagull Industries for the Disabled, Inc. for transportation of their disadvantaged clients to life sustaining services. This is a continuation of service previously secured through annual contracts. The previous contract was approved by the Board of County Commission on October 21, 2014 (R2014-1625). As there is no State funding available to offset the cost of this contract, the source of funds will be gas taxes which are included in Palm Tran's FY 2016 budget.

ARTICLE 30 –STANDARDS OF CONDUCT FOR EMPLOYEES

The AGENCY must establish safeguards to prevent employees, consultants, or members of governing bodies from using their positions for purposes that are, or give the appearance of being, motivated by a desire for private financial gain for themselves or others such as those with whom they have family, business, or other ties. Therefore, the Agency must have written policy guidelines on conflicts of interest and the avoidance thereof. These guidelines should reflect State and local laws and must cover financial interest, gifts, gratuities and favors, nepotism, and other areas such as political participation and bribery. These rules must also indicate the conditions under which outside activities, relationships, or financial interest are proper or improper, and provide for notification of these kinds of activities, relationships, or financial interests to a responsible and objective institution official.

The rules of conduct must contain a provision for prompt notification of violations to a responsible AGENCY official and must specify the type of administrative action that may be taken against an individual for violations. Administrative actions, which would be in addition to any legal penalty(ies), may include oral admonishment, written reprimand, reassignment, demotion, suspension, or separation. Suspension or separation of a key official must be reported promptly to the COUNTY.

A copy of the rules of conduct must be given to each officer, employee, board member, and consultant of the AGENCY and the rules must be enforced to the extent permissible under State and local law or to the extent to which the AGENCY determines it has legal and practical enforcement capacity.

The rules need not be formally submitted to and approved by the COUNTY; however, they must be made available for a review upon request, for example, during a site visit.

ARTICLE 31 - ENTIRETY OF CONTRACTUAL AGREEMENT

The COUNTY and the AGENCY both further agree that this Contract sets forth the entire agreement between the parties, and that there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this Contract

may be added to, modified, superseded or otherwise altered, except by written instrument executed by the parties hereto.

ARTICLE 32 – SCRUTINIZED COMPANIES

In accordance with the requirements of Section 287.135, F.S., by entering into this Contract or performing any work in furtherance hereof, the AGENCY certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Scrutinized Companies with Activities in Sudan List or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Section 215.473, F.S.

If the COUNTY determines, using credible information available to the public, that a false certification has been submitted by AGENCY, this Contract may be terminated and a civil penalty equal to the greater of 2 million dollars or twice the amount of this Contract shall be imposed, pursuant to Section 287.135, F.S.

ARTICLE 33 – NO THIRD PARTY BENEFICIARIES

No provision of this Agreement is intended to, nor shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a party to this Agreement, including, but not limited to, any citizen, employee or volunteer of the COUNTY, AGENCY or Palm Tran, Inc.

ARTICLE 34 - CRIMINAL HISTORY RECORDS CHECK

Pursuant to Palm Beach County Code Sections 2-371 through 2-377, also known as the Palm Beach County Criminal History Records Check Ordinance ("Ordinance"), the COUNTY will conduct fingerprint based criminal history record checks on all persons not employed by the COUNTY who repair, deliver, or provide goods or services for, to, or on behalf of the COUNTY. A fingerprint based criminal history record check shall be conducted on all employees of contractors and subcontractors of contractors, including repair persons and delivery persons, who are unescorted when entering a facility determined to be either a critical facility ("Critical Facilities") or a criminal justice information facility ("CJI Facilities"), which are critical to the public safety and security of the COUNTY. County facilities that require this heightened level of security are identified in Resolution R- 2003-1274, as it may be amended or superseded from time to time. In October 2013, compliance with the requirements of the U.S. Federal Bureau of Investigations CJI Security Policy was added to the Ordinance, which includes a broad list of disqualifying offenses. The AGENCY is solely responsible for understanding the financial, schedule, implications, and/or staffing implications of this Ordinance.

ARTICLE 35 – E-VERIFY

The COUNTY has agreements with Florida's Department of Transportation (FDOT) which

require the COUNTY to agree and assure FDOT that the U.S. Department of Homeland Security's E-Verify System (System) will be used to verify the employment eligibility of AGENCY's employees and the employees of AGENCY's subcontractors. Accordingly, AGENCY agrees that it will utilize the System to verify the employment eligibility of its employees, and that it will require any subcontractor used in the performance of the Contract to verify the employment eligibility of its employees. AGENCY shall provide evidence that it and its subcontractors have so verified the employment eligibility of all employees to COUNTY and FDOT on forms and in the manner required by the COUNTY.

AGENCY acknowledges that the COUNTY has received and will seek funds from FDOT, and that such funds may be used to pay AGENCY for the services it provides under this Contract. AGENCY further acknowledges that FDOT has advised recipients of FDOT funds that it will consider a AGENCY's employment of unauthorized aliens to be a violation of the Immigration and Nationality Act. AGENCY affirms to the COUNTY that it will not employ unauthorized aliens or take any other act, including acts related to the use of independent contractors , which may cause the COUNTY to be in violation of any law, or term or condition of any agreement between the COUNTY and FDOT.

ARTICLE 36 – NATIONAL TRANSIT DATABASE AND ANNUAL OPERATING REPORTS

The AGENCY is required to provide data to assist Palm Tran in compiling and completing required monthly, quarterly and annual reports. Specific reports for which the AGENCY shall be required to provide information and assistance shall include, but are not limited to:

1. National Transit Database (NTD) report: A template will be provided and the completed report will be due by the 15th of each month for the prior month's data.
2. Transportation Disadvantaged Annual Operating Report (TDAOR): A template will be provided and the completed report will be due by the 15th of each quarter for the prior quarter's data.

(Remainder of Page Intentionally Left Blank)

IN WITNESS WHEREOF, the Board of County Commissioners of Palm Beach County, Florida has made and executed this Contract on behalf of the COUNTY and AGENCY has hereunto set his/her hand the day and year above written.
