4. **GENERAL COMPLIANCE**

The Municipality shall comply with the requirements of Title 24 of the Code of Federal Regulations, Part 570 (the U.S. Housing and Urban Development regulations concerning Community Development Block Grants (CDBG)), including subpart K of these regulations, except that (1) the Municipality does not assume the County's environmental responsibilities described in 24 CFR 570.604 and (2) the Municipality does not assume the County's responsibility for initiating the review process under the provisions of 24 CFR Part 52. The Municipality shall implement this Agreement in accordance with applicable Federal, State, County and Local laws, ordinances, and codes and with the applicable procedures outlined in DES Policies and Procedures Memoranda, and amendments and additions thereto as may from time to time be made. The Federal, State, County and Local laws, ordinances, and codes are minimal regulations which may be supplemented by more restrictive guidelines set forth by DES. No reimbursements will be made without evidence of appropriate insurance required by this Agreement on file with DES. No payments for projects funded by more than one funding source will be made until a cost allocation plan has been approved by the DES Director or designee.

In compliance with the County's requirements as contained in Resolution R2014-1421, the Municipality has either submitted a copy of its written non-discrimination policy which is consistent with the policy detailed above, or has submitted an executed statement affirming that its non-discrimination policy is in conformance with the policy detailed above.

In furtherance of such policy, the Municipality shall not, on the basis of race, color, ancestry, disability, national origin, religion, age, familial status, marital status, sex, gender, sexual orientation, gender identity and expression, or genetic information, exclude any person from the benefits of, or subject any person to discrimination under, any activity carried out by the performance of this Agreement. To the maximum extent feasible these small business and minority/women-owned business enterprises shall be located in or

If during the year, the Municipality expends over \$500,000 of Federal awards, the Municipality shall comply with the Provision of OMB Circular A-133. The Municipality shall submit a single audit, including any management letter, made in accordance with the general program requirements of OMB Circulars A-110, A-122, A-133, and other applicable regulations within the earlier of thirty (30) days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period in which DES-administered funds were expended. Said audit shall be made by a Certified Public Accountant of the Municipality's choosing, subject to the County's approval. In the event the Municipality anticipates a delay in producing such audit, the Municipality shall request an extension in advance of the deadline. The cost of said audit shall be borne by the Municipality. In the event the Municipality is exempt from having an audit conducted under A-133, the Municipality will submit audited financial statements and/or the County reserves the right to conduct a "limited scope audit" of the Municipality as defined by A-133. The County will be responsible for providing technical assistance to the Municipality, as deemed necessary by the County.

15. UNIFORM ADMINISTRATIVE REQUIREMENTS

The Municipality agrees to comply with the applicable uniform administrative requirements as described in CDBG Regulations 24 CFR 570.502.

16. REVERSION OF ASSETS

Upon expiration of this Agreement, the Municipality shall transfer to the County any CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds. Any real property under the Municipality's control upon expiration or early termination which was acquired or improved, in whole or part, with CDBG funds in the excess of \$25,000 must either be used to meet one of the national

objectives in Federal Community Development Block Grant Regulations 24 CFR 570.508 for a minimum of five (5) years after expiration of the Agreement, or, the Municipality shall pay the County an amount equal to the current market value attributable to expenditures of non-CDBG funds for the acquisition and/or improvement to the property.

17. DATA BECOMES COUNTY PROPERTY

All reports, plans, surveys, information, documents, maps, and other data procedures developed, prepared, assembled, or completed by the Municipality for the purpose of this Agreement shall become the property of the County without restriction, reservation, or limitation of their use and shall be made available by the Municipality at any time upon request by DES. Upon completion of all work contemplated under this Agreement, copies of all documents and records relating to this Agreement shall be surrendered to DES if requested. In any event, the Municipality shall keep all documents and records for five (5) years after expiration of this Agreement.

18. INDEMNIFICATION

The Municipality shall protect, defend, reimburse, indemnify and hold the County, its agents, employees and elected officers harmless from and against all claims, liability, expense, loss, cost, damages or causes of action of every kind or character, including attorney's fees and costs, whether at trial or appellate levels or otherwise, arising during performance of the terms of this Agreement or due to the acts or omissions of the Municipality. Municipality's aforesaid indemnity and hold harmless obligation, or portion or applications thereof, shall apply to the fullest extent permitted by law. The Municipality will hold the County harmless and will indemnify the County for funds which the County is obligated to refund the Federal Government arising out of the conduct of activities and administration of Municipality.

19. INSURANCE

Without waiving the right to sovereign immunity as provided by s.768.28 F.S., the Municipality acknowledges to be self-insured for General Liability and Automobile Liability under Florida sovereign immunity statutes with coverage limits of \$200,000 Per Person and \$300,000 Per Occurrence; or such monetary waiver limits that may change and be set forth by the legislature. In the event the Municipality maintains third-party Commercial General Liability and Business Auto Liability in lieu of exclusive reliance of self insurance under s.768.28 F.S., the Municipality shall agree to maintain said insurance policies at limits not less than \$500,000 combined single limit for bodily injury or property damage.

The Municipality agrees to maintain, or be self-insured for Workers' Compensation & Employer's Liability insurance in accordance with Florida Statute, Chapter 440.

When requested, the Municipality shall agree to provide an affidavit or Certificate of Insurance evidencing insurance, self-insurance and/or sovereign immunity status, which County agrees to recognize as acceptable for the above mentioned coverage. Compliance with the foregoing requirements shall not relieve the Municipality of its liability and obligations under this Agreement.

20. MAINTENANCE OF EFFORT

The intent and purpose of this Agreement is to increase the availability of the Municipality's services. This Agreement is not to substitute for or replace existing or planned projects or activities of the Municipality. The Municipality agrees to maintain a level of activities and expenditures, planned or existing, for projects similar to those being assisted under this Agreement which is not less than that level existing prior to this Agreement.

21. CONFLICT OF INTEREST

The Municipality shall comply with 24 CFR 570.611 which requires, at a minimum, that no person who presently exercises any functions or responsibilities in connection with the project has any personal financial interest, direct or indirect, in the activities provided under this Agreement which would conflict in any manner or degree with the performance of this Agreement and that no person having any conflict of interest shall be employed by or subcontracted by the Municipality. Any possible conflict of interest

on the part of the Municipality or its employees shall be disclosed in writing to DES, provided, however, that this paragraph shall be interpreted in such a manner so as to not to unreasonably impede the statutory requirement that maximum opportunity be provided for employment and participation of low and moderate-income residents of the project target area.

22. CITIZEN PARTICIPATION

The Municipality shall cooperate with DES in the implementation of the Citizen Participation Plan by establishing a citizen participation process to keep residents and/or clients informed of the activities the Municipality is undertaking in carrying out the provisions of this Agreement. Representatives of the Municipality shall attend meetings and assist in the implementation of the Citizen Participation Plan, as requested by DES.

23. RECOGNITION

All facilities purchased or constructed pursuant to this Agreement should be clearly identified as to funding source.
