**Continued from page 1**

**Background and Justification:** The EMPG grant is provided by the Department of Homeland Security to the State of Florida in a lump sum. This sum is equally distributed to all Florida counties. EMPG funding is used to enhance organizational activities, fund planning, training, and equipment costs. The EMPA Trust Fund provides grant funds to all counties in the State of Florida on the basis of population. Funding comes from a surcharge on property insurance policies. The funding provides assistance to counties to enhance their ongoing Emergency Management Programs in accordance with the requirements of F.S. 252, The Emergency Management Act. As a condition of the grant funds, each county agrees to complete work items approved by the State. These work items not only address the general programmatic areas of Emergency Management (i.e.; preparedness, response, mitigation, and recovery), but also include important areas of planning, training, exercises, logistics, and maintenance of mutual aid agreements. Each of these areas are already addressed by the Division of Emergency Management and the funding will be utilized to enhance and improve these existing plans and programs.

**STATE-FUNDED SUBGRANT AGREEMENT**

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and **Palm Beach County**, (hereinafter referred to as the "Recipient").

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

- A. The Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein; and

- C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Recipient agree to the following:

(1) SCOPE OF WORK

The Recipient shall perform the work in accordance with the Program Budget and Scope of Work, Attachment A and B of this Agreement.

The Recipient and the Division shall be governed by applicable State and Federal laws, rules and regulations, including those identified in Attachment F.

(3) PERIOD OF AGREEMENT

This Agreement shall begin on July 1, 2015 and shall end June 30, 2016, unless terminated earlier in accordance with the provisions of Paragraph (12) of this Agreement.

(4) MODIFICATION OF CONTRACT

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(5) RECORDKEEPING

(a) As applicable, Recipient's performance under this Agreement shall be subject to the federal Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. Part 200.

(b) The Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, and the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five years from the date the audit report is issued, and shall allow the Division or its designee, the State Chief Financial Officer or the State Auditor General access to the records upon request. The Recipient shall ensure that audit working papers are available to them upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Division. The five year period may be extended for the following exceptions:

- 1. If any litigation, claim or audit is started before the five year period expires, and extends beyond the five year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.
- 2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time it is acquired shall be retained for five years after final disposition.
- 3. Records relating to real property acquired shall be retained for five years after the closing on the transfer of title.

(c) The Recipient shall maintain all records for the Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

(d) The Recipient, its employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to the Division, its employees, and agents. "Reasonable" shall ordinarily mean during normal business hours of 8:00 a.m. to 5:00 p.m., local time, on Monday through Friday. "Agents" shall include, but not be limited to, auditors retained by the Division.

(6) AUDIT REQUIREMENTS

(a) The Recipient agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.

(b) These records shall be available at reasonable times for inspection, review, or audit by state personnel and other personnel authorized by the Division. "Reasonable" shall ordinarily mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

(d) If the Recipient is a nonstate entity as defined by Section 215.97, Fla. Stat., it shall comply with the following:

If the Recipient expends a total amount of State financial assistance equal to or more than \$500,000 in any fiscal year of such Recipient, the Recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Fla. Stat.; applicable rules of the Executive Office of the Governor and the Chief Financial Officer; and Chapters 10.550 (local government entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Agreement shows the State financial assistance awarded by this Agreement. In determining the State financial assistance expended in its fiscal year, the Recipient shall include all sources of State financial assistance, including State funds received from the Division, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

In connection with the audit requirements addressed in this Paragraph 6(d) above, the Recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Fla. Stat. This includes submission of a reporting package as defined by Section 215.97(2)(e), Fla. Stat. and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

If the Recipient expends less than \$500,000 in State financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Fla. Stat., is not required. In the event that the Recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Fla. Stat., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the Recipient's resources obtained from other than State entities). "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

(e) The Recipient shall provide additional program updates or information that may be required by the Division.

(f) The Recipient shall provide additional reports and information identified in Attachment E.

(8) MONITORING.

The Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement, and reported in the quarterly report.

In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Division to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement, and shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

(b) Any Recipient which is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT.

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall, if the Division elects, terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (11). However, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement, and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(11) REMEDIES.

If an Event of Default occurs, then the Division shall, after thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

1. request additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

2. issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

3. advise the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

4. require the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

(f) Exercise any other rights or remedies which may be available under law.

(g) Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Recipient.

(12) TERMINATION.

(a) The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Division from the Recipient is determined.

### Scope of Work

Base Grant funding from the Emergency Management Preparedness and Assistance Trust Fund is provided to enhance county emergency management plans and programs that are consistent with the State Comprehensive Emergency Management Plan and Program (reference Rule Chapter 27P-6, Florida Administrative Code and Chapter 252, Florida Statutes). Eligible activities are outlined below in the Categories and Eligible Activities. This Scope of Work recognizes that each recipient is at a varying level of preparedness, and it is understood that each county has a unique geography, faces unique threats and hazards, and serves a unique population.

The intent of the EMPA Base Grant Agreement is to provide each county with the means to successfully manage and operate an Emergency Management Program. **Counties must be able to prepare for, respond to, recover from, and mitigate against natural and man-made disasters/ emergencies. Each Emergency Management staff person must work the number of hours and assume the responsibilities for the duties in their official position description as well as provide the coordination and support for all incidents within their jurisdiction.**

**The minimum acceptable standard for payment is to maintain a 24-7 operation.** To maintain a minimum level of capability, submit current EMAP accreditation certification OR certificates for the following training via SharePoint for each emergency management position.

- IS 100 – Introduction to Incident Command System
- IS 200 – ICS for Single Resources and Initial Action Incidents
- IS 700 – National Incident Management Systems (NIMS)
- IS 800 – National Response Framework

This includes any service related to the “Categories and Eligible Costs” listed below, as well as completing the Program Goals (Attachment C). Items listed in Attachment C are to be reviewed during the mid-year and end-of year progress report prepared in conjunction with the Division’s Regional Coordinator to ensure county compliance.

In addition, the County is to achieve the following emergency management Program Goals throughout the contract period to ensure county compliance and coordination with the state emergency management: Coordination and Collaboration, Training and Exercise, Geographical Information, Logistics, and Shelter Survey and Retrofit Program.

By signing this Agreement the Recipient certifies that it will use the award to enhance its Emergency Management Program.

**Monitoring:** Monitoring may be accomplished through either a desk-based review or on-site monitoring visits, or both. Monitoring will involve the review and analysis of the financial, programmatic, performance, compliance and administrative processes, policies, activities, and other attributes of each county and will identify areas where technical assistance, corrective actions and other support may be needed.

Desk monitoring is the review of projects, financial activity and technical assistance between the Division and the applicant via e-mail and telephone. On-Site Monitoring are actual visits to the recipient agencies by a Division representative who examines records, procedures and equipment.

The Division may request additional monitoring/information if the activity, or lack thereof, generates questions from the region, the sponsoring agency or Division leadership. The method of gathering this information will be determined on a case-by-case basis.

**Piggy-backing:** The practice of procurement by one agency using the agreement of another agency is called piggybacking. The existing contract must contain language or other legal authority authorizing third parties to make purchases from the contract with the vendor's consent. The terms and conditions of the new contract, including the scope of work, must be substantially the same as those of the existing contract. The piggyback contract may not exceed the existing contract in the scope of volume of goods or services. An agency may not use the preexisting contract merely as a "basis to begin negotiations" for a broader or materially different contract.

Federally funded projects must be competitively solicited offering open competition. Piggy-backing off existing agreements is not allowed unless justified by additional quotes demonstrating cost benefit of contract vendor. This includes the use of State Term Contracts (STC), State Alternate Contract Sources (ACS), General Services Administration (GSA) contracts, and local agreements. Each award under this grant is a 'new' project and must be competitively awarded. FDEM requires suspension and debarment forms for each vendor and justification of vendor selection. FDEM must pre-approve all scopes of work for projects funded under this agreement. FDEM may require solicitation documents and responses, at its discretion.

27P-19.011 Match Requirements.

(1) Base Grants shall be matched at an amount either equal to the average of the previous three years' level of county general revenue funding of the County Emergency Management Agency or the level of funding for the County Emergency Management Agency for the last fiscal year, whichever figure is lower. County general revenue funding for 911 services, emergency medical services, law enforcement, criminal justice, public works or other services outside the emergency management responsibilities assigned to the County Emergency Management Agency by Section 252.38, Florida Statutes, shall not be included in determining the "level of county funding of the County Emergency Management Agency." Each county shall certify compliance with this rule chapter and this rule, as a condition precedent to receipt of funding.

(2) If the Base Grant recipient demonstrates that exceptional financial circumstances prevent the Base Grant recipient from complying with the match requirements in subsection 27P-19.011(1), F.A.C., then the Base Grant recipient may request that the Division authorize a reduction in the amount of match required. The match required shall not be reduced by a percentage amount in excess of reductions in funding for county 911 services, emergency medical services, law enforcement, criminal justice, public works or other emergency management related services, and shall not be reduced below twenty-five (25) percent of the Base Grant award. To be eligible for any reduction, the Base Grant recipient shall demonstrate and certify that the reduction is due to reductions in county general revenue funding and that the amount of the requested reduction is equivalent to across the board reductions in all county budgets. County requests for reduction shall be signed by the county's chief elected officer and the certification of reduction in county budget funding shall be signed by the county's chief financial officer. Requests shall certify the intent to return to pre-reduced funding as soon as practicable, and shall provide an estimate of the date at which the county will return to the current level of funding. Requests for reduction shall also be accompanied by financial data for the previous three years indicating: the level of county funding for the County Emergency Management Agency budget; budget detail regarding all individual items of the County Emergency Management Agency budget; and the proposed level of funding, for all budget items, if the reduction is authorized by the Division. All requests for match reduction shall be submitted no later than forty-five (45) days prior to the beginning of the county fiscal year, or the opportunity to request shall be waived.

This form is to be completed and sent along with the signed agreements for execution. Required with this form the county needs to provide a copy of the current Emergency Management Local Budget (General Revenue).

27P-19.011 Match Requirements.

(1) Base Grants shall be matched at an amount either equal to the average of the previous three years' level of county general revenue funding of the County Emergency Management Agency or the level of funding for the County Emergency Management Agency for the last fiscal year, whichever figure is lower. County general revenue funding for 911 services, emergency medical services, law enforcement, criminal justice, public works or other services outside the emergency management responsibilities assigned to the County Emergency Management Agency by Section 252.38, Florida Statutes, shall not be included in determining the "level of county funding of the County Emergency Management Agency." Each county shall certify compliance with this rule chapter and this rule, as a condition precedent to receipt of funding.

(2) If the Base Grant recipient demonstrates that exceptional financial circumstances prevent the Base Grant recipient from complying with the match requirements in subsection 27P-19.011(1), F.A.C., then the Base Grant recipient may request that the Division authorize a reduction in the amount of match required. The match required shall not be reduced by a percentage amount in excess of reductions in funding for county 911 services, emergency medical services, law enforcement, criminal justice, public works or other emergency management related services, and shall not be reduced below twenty-five (25) percent of the Base Grant award. To be eligible for any reduction, the Base Grant recipient shall demonstrate and certify that the reduction is due to reductions in county general revenue funding and that the amount of the requested reduction is equivalent to across the board reductions in all county budgets. County requests for reduction shall be signed by the county's chief elected officer and the certification of reduction in county budget funding shall be signed by the county's chief financial officer. Requests shall certify the intent to return to pre-reduced funding as soon as practicable, and shall provide an estimate of the date at which the county will return to the current level of funding. Requests for reduction shall also be accompanied by financial data for the previous three years indicating: the level of county funding for the County Emergency Management Agency budget; budget detail regarding all individual items of the County Emergency Management Agency budget; and the proposed level of funding, for all budget items, if the reduction is authorized by the Division. All requests for match reduction shall be submitted no later than forty-five (45) days prior to the beginning of the county fiscal year, or the opportunity to request shall be waived.

**FEDERALLY-FUNDED SUBGRANT AGREEMENT**

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and **Palm Beach County**, (hereinafter referred to as the "Recipient").

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

- A. The Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein; and
- B. The Division has received these grant funds from the State of Florida, and has the authority to subgrant these funds to the Recipient upon the terms and conditions below; and
- C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Recipient agree to the following:

(1) SCOPE OF WORK.

The Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(2) INCORPORATION OF LAWS, RULES, REGULATIONS AND POLICIES

The Recipient and the Division shall be governed by applicable State and Federal laws, rules and regulations, including those identified in Attachment F.

(3) PERIOD OF AGREEMENT.

This Agreement shall begin on July 1, 2015 and end June 30, 2016, unless terminated earlier in accordance with the provisions of Paragraph (12) of this Agreement.

(4) MODIFICATION OF CONTRACT

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(5) RECORDKEEPING

(a) As applicable, Recipient's performance under this Agreement shall be subject to the federal Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. Part 200.

(b) The Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, and the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five years from the date the audit report is issued, and shall allow the Division or its designee, the State Chief Financial Officer or the State Auditor General access to the records upon request. The Recipient shall ensure that audit working papers are available to them upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Division. The five year period may be extended for the following exceptions:

- 1. If any litigation, claim or audit is started before the five year period expires, and extends beyond the five year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.
- 2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time it is acquired shall be retained for five years after final disposition.
- 3. Records relating to real property acquired shall be retained for five years after the closing on the transfer of title.

(c) The Recipient shall maintain all records for the Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program

costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

(d) The Recipient, its employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to the Division, its employees, and agents. "Reasonable" shall ordinarily mean during normal business hours of 8:00 a.m. to 5:00 p.m., local time, on Monday through Friday. "Agents" shall include, but not be limited to, auditors retained by the Division.

**(6) AUDIT REQUIREMENTS**

(a) The Recipient agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.

(b) These records shall be available at reasonable times for inspection, review, or audit by state personnel and other personnel authorized by the Division. "Reasonable" shall ordinarily mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

(c) The Recipient shall provide the Division with the records, reports or financial statements upon request for the purposes of auditing and monitoring the funds awarded under this Agreement.

(d) If the Recipient is a State or local government or a non-profit organization as defined in 2 C.F.R. Part 200, and in the event that the Recipient expends \$750,000 or more in Federal awards in its fiscal year, the Recipient must have a single or program-specific audit conducted in accordance with the provisions of 2 C.F.R. Part 200. EXHIBIT 1 to this Agreement shows the Federal resources awarded through the Division by this Agreement. In determining the Federal awards expended in its fiscal year, the Recipient shall consider all sources of Federal awards, including Federal resources received from the Division. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by 2 C.F.R. Part 200. An audit of the Recipient conducted by the Auditor General in accordance with the provisions of 2 C.F.R. Part 200, will meet the requirements of this paragraph.

In connection with the audit requirements addressed in this Paragraph 6 (d) above, the Recipient shall fulfill the requirements for auditee responsibilities as provided in 2 C.F.R. Part 200.

If the Recipient expends less than \$750,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of 2 C.F.R. Part 200, as revised, is not required. In the event that the Recipient expends less than \$500,000 in Federal awards in its fiscal year and chooses to have an audit conducted in accordance with the provisions of 2 C.F.R. Part 200, as revised, the cost of the audit must be paid from non-Federal funds.

#### **(7) REPORTS**

(a) The Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Recipient and all subrecipients and subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

(b) Quarterly reports are due to the Division no later than 30 days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are September 30, December 31, March 31 and June 30.

(c) The close-out report is due 60 days after termination of this Agreement or 60 days after completion of the activities contained in this Agreement, whichever first occurs.

(d) If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (11) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

(e) The Recipient shall provide additional program updates or information that may be required by the Division.

(f) The Recipient shall provide additional reports and information identified in Attachment E.

(8) MONITORING.

The Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement, and reported in the quarterly report.

In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Division to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement, and shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

(b) Any Recipient which is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT.

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall, if the Division elects, terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (11). However, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement, and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(11) REMEDIES.

If an Event of Default occurs, then the Division shall, after thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

1. request additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

2. issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

3. advise the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

4. require the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

(f) Exercise any other rights or remedies which may be available under law.

(g) Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Recipient.

#### (12) TERMINATION.

(a) The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Division from the Recipient is determined.

(17) FUNDING/CONSIDERATION

(a) This is a cost-reimbursement Agreement. The Recipient shall be reimbursed for costs incurred in the satisfactory performance of work hereunder in an amount not to exceed **\$262,003.00**, subject to the availability of funds.

(b) Any advance payment under this Agreement is subject to Section 216.181(16), Fla.Stat., and is contingent upon the Recipient's acceptance of the rights of the Division under Paragraph (12)(b) of this Agreement. The amount which may be advanced may not exceed the expected cash needs of the Recipient within the first three (3) months of the contract term. For a federally funded contract, any advance payment is also subject to federal 2 C.F.R. Part 200 and the Cash Management Improvement Act of 1990. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment.

(c) After the initial advance, if any, payment shall be made on a reimbursement basis as needed. The Recipient agrees to expend funds in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(d) Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. Invoices shall be accompanied by a statement signed and dated by an authorized representative of the Recipient certifying that "all disbursements made in accordance with conditions of the Division agreement and payment is due and has not been previously requested for these amounts." ## Attachment B

### Scope of Work

The Emergency Management Performance Grant (EMPG) funding agreement is provided to perform eligible activities as identified in the Program Funding Opportunity Announcement (FOA). Eligible activities are outlined below in the Categories and Eligible Activities. The intent of the EMPG Base Grant Agreement is to provide each county with the means to successfully manage and operate an Emergency Management Program by enhancing county emergency management plans and programs that are consistent with the State Comprehensive Emergency Management Plan and Program (reference Rule Chapter 27P-6, Florida Administrative Code and Chapter 252, Florida Statutes).

**Counties must be able to prepare for, respond to, recover from, and mitigate against natural and man-made disasters/ emergencies. Each Emergency Management staff person must work the number of hours and assume the responsibilities for the duties in their official position description as well as provide the coordination and support for all incidents within their jurisdiction.**

**The minimum acceptable standard for payment is to maintain a 24-7 operation.** This includes any service related to the "Categories and Eligible Activities" listed below, as well as completing the Program Goals (Attachment C). Items listed in Attachment C are to be reviewed during the mid-year and end-of year progress report prepared in conjunction with the Division's Regional Coordinator to ensure county compliance.

By signing this Agreement the Recipient certifies that it will use these funds to enhance the county's Emergency Management Program.

**Monitoring:** Monitoring will be accomplished through desk-based review, on-site monitoring visits, or both. Monitoring will involve the review and analysis of the financial, programmatic, performance, compliance and administrative processes, policies, activities, and other attributes of each county and will identify areas where technical assistance, corrective actions and other support may be needed.

Desk monitoring is the review of projects, financial activity and technical assistance between the Division and the applicant via e-mail and telephone. On-Site Monitoring are actual visits to the recipient agencies by a Division representative who examines records, procedures and equipment.

The Division may request additional monitoring/information if the activity, or lack thereof, generates questions from the region, the sponsoring agency or Division leadership. The method of gathering this information will be determined on a case-by-case basis.

**Piggy-backing:** The practice of procurement by one agency using the agreement of another agency is called piggybacking. The existing contract must contain language or other legal authority authorizing third parties to make purchases from the contract with the vendor's consent. The terms and conditions of the new contract, including the scope of work, must be substantially the same as those of the existing contract. The piggyback contract may not exceed the existing contract in the scope of volume of goods or services. An agency may not use the preexisting contract merely as a "basis to begin negotiations" for a broader or materially different contract.

Federally funded projects must be competitively solicited offering open competition. Piggy-backing off existing agreements is not allowed unless justified by additional quotes demonstrating cost benefit of contract vendor. This includes the use of State Term Contracts (STC), State Alternate Contract Sources (ACS), General Services Administration (GSA) contracts, and local agreements. Each award under this grant is a 'new' project and must be competitively awarded. FDEM requires suspension and debarment forms for each vendor and justification of vendor selection. FDEM must pre-approve all scopes of work for projects funded under this agreement. FDEM may at its discretion require solicitation documents and responses.

## **I. Categories and Eligible Activities**

The 2015 Emergency Management Performance Grants (EMPG) Program Guidance allowable costs are divided into the following categories: **organizational, planning, training, exercise, equipment, and management and administration.**

### **A. Organization**

The quarterly minimum acceptable standard is to have the qualified staffing level for the county based upon Rules 27P-11.004 and 27P-11.0061 (definition below). Each Emergency Management staff person must be available to work the number of hours and assume the responsibilities for the duties in their official position description as well as provide the coordination and support for all incidents within the jurisdiction on a 24 hour basis.

Per the *Robert T. Stafford Disaster Relief and Emergency Assistance Act*, as amended, 42 U.S.C. 5121-5207, EMPG Program funds may be used for all-hazards emergency management operations, staffing, and other day-to-day activities in support of emergency management.

Personnel costs, including salary, overtime, compensatory time off, and associated fringe benefits, are allowable costs with FY 2015 EMPG Program funds. These costs must comply with 2 C.F.R. Part 200.

Personnel costs 27P-11.004, 27P-11.0061

Counties with populations of less than 75,000 or party to an interjurisdictional emergency management agreement entered into pursuant to Section 252.38(3)(b), F.S., that is recognized by the Governor by executive order or rule, are encouraged to have a full time director, but, must, as a minimum, have an emergency management coordinator who works at least 20 hours a week in that capacity. "Full-time Emergency Management Director" means a single professional emergency management program Administrator working full-time as identified in the position description established by the governing body of the jurisdiction.

Program approval will require: compliance with appropriate federal and state laws, rules and regulations; satisfactory completion of work elements of the previous year; and, a current proposal containing work elements commensurate with the needs of that county and a proposed budget. Eligible County Emergency Management Agencies in the state shall be allocated annual Federal Emergency Management Agency (FEMA) Emergency Management Performance Grant (EMPG) funding based on the following factors: an amount initially allocated to the county under its Fiscal Year 1994-95 Emergency Management Assistance agreement with the Division of Emergency Management (Division), a base amount distributed equally to each county and an amount commensurate with each county's proportionate share of the state's total population based on the most recent official population estimates. These amounts shall be increased or

decreased to reflect additions or reductions in the availability of FEMA EMPG funds to the Division and the Division's distribution of funds to local governments. After providing for the initial allocation and the base amount allocation as described above, each county's increase or decrease shall be commensurate with its proportionate share of the state's total population based on the most recent official population estimates. Federal funds shall be used by the county for personnel, travel and operational expenses. Each county must be able to provide a non-federal match for federal funds on a dollar for dollar basis.

establishes a framework for roles and responsibilities. Planning provides a methodical way to engage the whole community in the development of a strategic, operational, and/or community-based approach to preparedness.

FY 2015 EMPG Program funds may be used to develop or enhance emergency management planning activities. Eligible "Planning" activities include, but not limited to:

- Supply preparation

#### Evacuation planning

- Developing/enhancing evacuation plans, including plans for: alerts/warning, crisis communications, pre-positioning of equipment for areas potentially impacted by mass evacuations sheltering, and re-entry.

#### Pre-disaster and post-disaster Recovery planning

Preparedness and pre-disaster planning was given special attention within the NDRF with specific guidance: *Planning for a Successful Disaster Recovery* (pages 63-70). For more information on the NDRF see <http://www.fema.gov/pdf/recoveryframework/ndrf.pdf>.

Unless the recipient receives advance written approval from FDEM for the number of participants, the Division will reduce the amount authorized for reimbursement or a pro-rata basis for or deny the entire reimbursement. ***A request must be submitted and approved by DEM no later than 25 days prior to the training session.***

FY 2015 EMPG Program funds may be used for a range of emergency management-related training activities to enhance the capabilities of local emergency management personnel through the establishment, support, conduct, and attendance of training. Training activities shall align to a current, Multi-Year TEP developed through an annual TEPW. Training should foster the development of a community oriented approach to emergency management that emphasizes engagement at the community level, strengthens best practices, and provides a path toward building sustainable resilience.

To ensure the professional development of the emergency management workforce, the grantee must continually assess the capabilities of staff through the implementation of the MYTEP.

Additional types of training include, but are not limited to, the following:

- Developing/enhancing systems to monitor training programs
- Conducting all hazards emergency management training
- Attending Emergency Management Institute (EMI) training or delivering EMI train-the-trainer courses

Allowable training-related costs include the following:

- *Funds Used to Develop, Deliver, and Evaluate Training.* Includes costs related to administering the training: planning, scheduling, facilities, materials and supplies, reproduction of materials, and equipment. Training should provide the opportunity to demonstrate and validate skills learned, as well as to identify any gaps in these skills. Any training or training gaps, including those for children and individuals with disabilities or access and functional needs, should be identified in the AAR/IP and addressed in the training cycle.

- **Overtime and Backfill.** The entire amount of overtime costs, including payments related to backfilling personnel, which are the direct result of attendance at FEMA and/or approved training courses and programs are allowable. These costs are allowed only to the extent the payment for such services is in accordance with the policies of the State or unit(s) of local government and has the approval of the State or the awarding agency, whichever is applicable. In no case is dual compensation allowable. That is, an employee of a unit of government may not receive compensation from their unit or agency of government AND from an award for a single period of time (e.g., 1:00 p.m. to 5:00 p.m.), even though such work may benefit both activities.
- **Travel.** Travel costs (e.g., airfare, mileage, per diem, hotel) are allowable as expenses by employees who are on travel status for official business related to approved training.
- **Hiring of Full or Part-Time Staff or Contractors/Consultants.** Full- or part-time staff may be hired to support direct training-related activities. Payment of salaries and fringe benefits must be in accordance with the policies of the State or unit(s) of local government and have the approval of the State or awarding agency, whichever is applicable.
- **Certification/Recertification of Instructors.** Costs associated with the certification and re-certification of instructors are allowed. States are encouraged to follow the FEMA Instructor Quality Assurance Program to ensure a minimum level of competency and corresponding levels of evaluation of student learning. This is particularly important for those courses which involve training of trainers.

EMPG Program funds used for training shall support the nationwide implementation of NIMS. The NIMS Training Program establishes a national curriculum for NIMS and provides information on NIMS courses; grantees are encouraged to place emphasis on the core competencies as defined in the NIMS Training Program. The NIMS Training Program can be found at

[http://www.fema.gov/pdf/emergency/nims/nims\\_training\\_program.pdf](http://www.fema.gov/pdf/emergency/nims/nims_training_program.pdf).

The NIMS *Guideline for Credentialing of Personnel* provides guidance on the national credentialing standards. The NIMS Guidelines for Credentialing can be found at

[http://www.fema.gov/pdf/emergency/nims/nims\\_cred\\_guidelines\\_report.pdf](http://www.fema.gov/pdf/emergency/nims/nims_cred_guidelines_report.pdf).

#### **D. Exercises**

Exercises have essential capability for Emergency Management to be able to respond to emergencies.

**All EMPG Program funded personnel are REQUIRED to participate in no less than three exercises in a 12 month period. One real world event can count towards meeting this requirement. (see Attachment C, #2)**

Allowable exercise-related costs include:

- **Funds Used to Design, Develop, Conduct and Evaluate an Exercise.** This includes costs related to planning, meeting space and other meeting costs, facilitation costs, materials and supplies, travel, and documentation. Grantees are encouraged to use free public space/locations/facilities, whenever available, prior to the rental of space/locations/facilities. Exercises should provide the opportunity to demonstrate and validate skills learned, as well as to identify any gaps in these skills. Any exercise or exercise gaps, including those for children and individuals with disabilities or access and functional needs, should be identified in the AAR/IP and addressed in the exercise cycle.
- **Hiring of Full or Part-Time Staff or Contractors/Consultants.** Full- or part – time staff may be hired to support direct exercise activities. Payment of salaries and fringe benefits must be in accordance with the policies of the State or unit(s) of local government and have the approval of the State or the

awarding agency, whichever is applicable. The services of contractors/consultants may also be procured to support the design, development, conduct and evaluation of exercises.

- **Overtime and Backfill.** The entire amount of overtime costs, including payments related to backfilling personnel, which are the direct result of time spent on the design, development and conduct of exercises are allowable expenses. These costs are allowed only to the extent the payment for such services is in accordance with the policies of the State or unit(s) of local government and has the approval of the State or the awarding agency, whichever is applicable. In no case is dual compensation allowable. That is, an employee of a unit of government may not receive compensation from their unit or agency of government AND from an award for a single period of time (e.g., 1:00 p.m. to 5:00 p.m.), even though such work may benefit both activities.
- **Travel.** Travel costs (e.g., airfare, mileage, per diem, hotel) are allowable as expenses by employees who are on travel status for official business related to the planning and conduct of the exercise activities
- **Supplies.** Supplies are items that are expended or consumed during the course of the planning and conduct of the exercise activities (e.g., gloves, non-sterile masks, and disposable protective equipment)
- **Implementation of HSEEP.** This refers to costs related to developing and maintaining a self-sustaining State HSEEP which is modeled after the national HSEEP
- **Other Items.** These costs are limited to items consumed in direct support of exercise activities such as the rental of space/locations for planning and conducting an exercise, rental of equipment, and the procurement of other essential nondurable goods. **E. Equipment**

Allowable equipment categories for the EMPG Program are listed on the web-based version of the Authorized Equipment List (AEL) on the Responder Knowledge Base (RKB), which is sponsored by FEMA at <http://www.llis.dhs.gov/knowledgebase>. Unless otherwise stated, equipment must meet all mandatory regulatory and/or FEMA-adopted standards to be eligible for purchase using these funds. In

addition, counties will be responsible for obtaining and maintaining all necessary certifications and licenses for the requested equipment.

The select allowable equipment includes equipment from the following AEL categories:

- Information Technology (Category 4)
- Cyber-Security Enhancement Equipment (Category 5)
- Interoperable Communications Equipment (Category 6)
- Detection Equipment (Category 7)
- Power Equipment (Category 10)
- Chemical, Biological, Radiological, Nuclear, and Explosive (CBRNE) Reference Materials (Category 11)
- CBRNE Incident Response Vehicles (Category 12)
- Physical Security Enhancement Equipment (Category 14)
- CBRNE Logistical Support Equipment (Category 19)
- Other Authorized Equipment (Category 21)

In addition, general purpose vehicles (such as sports utility vehicles) are allowed to be procured in order to carry out the responsibilities of the EMPG Program. Written approval from the Director of the Division must be obtained prior to the purchase of any motor vehicle with funds provided under this Agreement. In the absence of such approval, the Division has no obligation to honor such reimbursement request. Any trade-in or resale funds received relating to any vehicle purchased under this subgrant is program income and must be applied toward the Recipient's Emergency Management Performance Grant (EMPG) Base Grant expenditures. If State agencies and/or local governments have questions concerning the eligibility of equipment not specifically addressed in the AEL, they should contact their contract manager who will coordinate with the FEMA Regional Program Analyst for clarification.

## **II. Management and Administration (M&A)**

M&A is a function of the "Categories and Eligible Activities" (A-E) above. These activities are defined as directly relating to the management and administration of EMPG Program funds, such as financial management and monitoring. It should be noted that salaries of State and local emergency managers are not typically categorized as M&A, unless the State or local EMA chooses to assign personnel to specific M&A activities.

## **III. Environmental and Historic Preservation (EHP)**

Recipients must comply with all applicable EHP laws, regulations, and Executive Orders (EOs) in order to request FY 2015 EMPG Program grant funds. Any project with the potential to impact natural resources or historic properties cannot be initiated until FEMA has completed the required FEMA EHP review. Recipients that implement projects prior to receiving EHP approval from FEMA risk de-obligation of funds. For these types of projects, Recipients must complete the FEMA EHP Screening Form (OMB Number 1660-0115/FEMA Form 024-0-01) and submit it, with all supporting documentation to their Contract Manager. Recipients should submit the FEMA EHP Screening Form for each project as soon as possible upon receiving their grant award. The Screening Form must be submitted prior to funds being expended. Refer to IBs 329, 345, and 356.

EHP Policy Guidance can be found in FP 108-023-1, *Environmental Planning and Historic Preservation Policy Guidance*, at <http://www.fema.gov/media-library/assets/documents/85376>.

The following types of EMPG projects are to be submitted to FEMA for compliance review under EHP laws and requirements prior to initiation of the project:

- Any involvement with the installation of equipment,
- Ground-disturbing activities,
- New construction (installation and renovation), including communication towers, or modification/renovation of existing buildings or structures
- Proposed construction or renovation projects that are part of larger projects funded from a non-FEMA source (such as an EOC that is part of a larger proposed public safety complex)
- Renovation of and modification to buildings and structures that are 50 years old or older
- Any other construction or renovation efforts that change or expand the footprint of a facility or structure including security enhancements to improve perimeter security
- Physical Security Enhancements, including but not limited to:
  - Lighting
  - Fencing
  - Closed-circuit television (CCTV) systems
  - Motion detection systems
  - Barriers, doors, gates and related security enhancements
- Field based training and exercises including activities that involve ground disturbance, use of explosives, toxic agents or otherwise have the potential to cause impact to the environment or historical resources. This is only a requirement if the exercise or field training is not being conducted by a certified professional or at an existing facility with established procedures.
- Communication tower projects

The following activities do not require the submission of the FEMA EHP Screening Form: planning and development of policies or processes; management and administration; classroom-based training; tabletop exercises and functional exercises; and, acquisition of mobile and portable equipment (no installation).

All recipients of financial assistance will comply with the requirements of the NEPA, as amended, 42 U.S.C. §4331 et seq., which establishes national policy goals and procedures to protect and enhance the environment, including protection against natural disasters. To comply with NEPA for its grant-supported activities, DHS requires the environmental aspects of construction grants (and certain non-construction projects as specified by the component and awarding office) to be reviewed and evaluated before final action on the application.

#### **IV. Construction and Renovation**

Construction and renovation activities for a local government's EOC as defined by the SAA are allowable under the EMPG Program.

Written approval must be provided by FEMA prior to the use of any EMPG Program funds for construction or renovation. Requests for EMPG Program funds for construction of an EOC must be accompanied by an EOC Investment Justification (FEMA Form 089-0-0-3; OMB Control Number: 1660-0124 ([http://www.fema.gov/pdf/government/grant/2011/fy11\\_eoc\\_inv.pdf](http://www.fema.gov/pdf/government/grant/2011/fy11_eoc_inv.pdf)) to their Grant Program Manager for review. Additionally, grantees are required to submit a SF-424C Budget and Budget detail citing the project costs.

When applying for funds to construct communication towers, grantees and sub-grantees must submit evidence that the FCC's Section 106 review process has been completed and submit all documentation resulting from that review to GPD prior to submitting materials for EHP review. Grantees and sub-grantees are also encouraged to have completed as many steps as possible for a successful EHP review in support of their proposal for funding (e.g., coordination with their State Historic Preservation Office to identify potential historic preservation issues and to discuss the potential for project effects, compliance with all State and EHP laws and requirements). Projects for which the grantee believes an Environmental Assessment (EA) may be needed, as defined in 44 CFR 10.8 and 10.9, must also be identified to the FEMA Program Analyst within six months of the award and completed EHP review materials must be submitted no later than 12 months before the end of the period of performance. EHP review packets should be sent to [gpdehpinfo@fema.gov](mailto:gpdehpinfo@fema.gov).

EMPG Program grantees using funds for construction projects must comply with the *Davis-Bacon Act* (40 U.S.C. 3141 *et seq.*). Grant recipients must ensure that their contractors or subcontractors for construction projects pay workers employed directly at the work-site no less than the prevailing wages and fringe benefits paid on projects of a similar character. Additional information, including Department of Labor (DOL) wage determinations, is available from the following website: <http://www.dol.gov/compliance/laws/comp-dbra.htm>.

## **V. Maintenance and Sustainment**

The use of FEMA preparedness grant funds for maintenance contracts, warranties, repair or replacement costs, upgrades, and user fees are allowable under all active and future grant awards, unless otherwise noted.

EMPG Program grant funds are intended to support the Goal and fund activities and projects that build and sustain the capabilities necessary to prevent, protect against, mitigate the effects of, respond to, and recover from those threats that pose the greatest risk to the security of the Nation. In order to provide grantees the ability to meet this objective, the policy set forth in GPD's IB 379 (Guidance to State Administrative Agencies to Expedite the Expenditure of Certain DHS/FEMA Grant Funding) allows for the expansion of eligible maintenance and sustainment costs which must be in 1) direct support of existing capabilities; (2) must be an otherwise allowable expenditure under the applicable grant program; (3) be tied to one of the core capabilities in the five mission areas contained within the National preparedness Goal, and (4) shareable through the Emergency Management Assistance Compact. Additionally, eligible costs must also be in support of equipment, training, and critical resources that have previously been purchased with either Federal grant or any other source of funding other than DHS/FEMA preparedness grant program dollars.

### **Unallowable Costs**

- Expenditures for weapons systems and ammunition
- Costs to support the hiring of sworn public safety officers for the purposes of fulfilling traditional public safety duties or to supplant traditional public safety positions and responsibilities

- Activities unrelated to the completion and implementation of the EMPG Program

In general, recipients should consult with their contact manager; who will coordinate with the FEMA Regional Program Analyst prior to making any Investment that does not clearly meet the allowable expense criteria established in this Guidance.
