**SUMMARY: (Continued from page 1)**

amendments with AGA, RJB and WGI will also adjust the fee schedules as allowed in the original contracts. To date, tasks in the amount of \$914,925.08 have been authorized for AGA with 94.28% Small Business Enterprise (SBE) participation which does not meet their commitment of 100%. To date, tasks in the amount of \$531,771.99 have been authorized for RJB with 20.55% SBE participation which exceeds their commitment of 15%. To date, tasks in the amount of \$312,286.34 have been authorized for WGI with 58.98% SBE participation which does not meet the original BDA commitment of 100%. As WGI is not an SBE, staff will be carefully monitoring future WGI individual task orders to encourage the use of SBE sub-consultants as appropriate. The consultants are all Palm Beach County companies. AGA is certified as an SBE. RJB is a minority/woman business enterprise.

**Background & Justification: (Continue from page 1)**

wish to continue to provide the professional services as indicated in their contracts, the County agrees to renew their contracts for one year. These second amendments to the contracts have been reviewed with AGA, RJB and WGI, and staff recommends the second renewal of the attached consultant annual contracts. These transactions will maintain the continuous process of professional services required by the County.
