I. EXECUTIVE BRIEF

Motion and Title: **Staff recommends motion to approve:** a tri-party Emergency Services Agreement for Mutual Assistance, Automatic Aid, and Dispatch Services with the City of Palm Beach Gardens and the Village of North Palm Beach, effective retroactively to November 1, 2015, through October 31, 2025.

Summary: In an effort to enhance the provision of fire-rescue services, the Board of County Commissioners authorized the Fire Rescue Department to provide countywide communications services effective June 1, 2005. This Agreement provides for contractual commitment for dispatch services to the City of Palm Beach Gardens and the Village of North Palm Beach as part of the Countywide Common Dispatch program along with providing the mechanism for implementing mutual assistance/automatic aid (closest unit response). This agreement further authorizes the parties' respective Fire Chiefs to enter into Letter(s) of Understanding to develop automatic aid/closest unit response and Common Dispatch plans and procedures. This Agreement with the City of Palm Beach Gardens and the Village of North Palm Beach is for a ten-year period. District 1 (SB)

Background and Justification: The County currently has agreements for automatic aid and mutual assistance with qualified municipalities for the provision of emergency services throughout Palm Beach County. Mutual Assistance/Automatic Aid agreements provide an improved level of emergency services to all residents of Palm Beach County regardless of jurisdiction. The Board of County Commissioners approved the use of countywide ad valorem tax revenue to fund countywide common fire-rescue dispatch services to be offered and provided by Palm Beach County Fire-Rescue to any fire-rescue provider in Palm Beach County that desires said services from the County. The Countywide Common Dispatch program provides a real and substantial benefit to all residents and property throughout Palm Beach County.

**EMERGENCY SERVICES AGREEMENT
FOR MUTUAL ASSISTANCE, AUTOMATIC AID, AND DISPATCH SERVICES
BETWEEN PALM BEACH COUNTY, THE CITY OF PALM BEACH GARDENS
AND THE VILLAGE OF NORTH PALM BEACH**

THIS EMERGENCY SERVICES AGREEMENT FOR MUTUAL ASSISTANCE, AUTOMATIC AID, AND DISPATCH SERVICES (the "Agreement") is made and entered into on _____, by and between PALM BEACH COUNTY, FLORIDA, a political subdivision of the State of Florida (hereinafter the "County"), by and through its Board of County Commissioners, the CITY OF PALM BEACH GARDENS, a Florida municipal corporation located in Palm Beach County, Florida (hereinafter the "City") and the VILLAGE OF NORTH PALM BEACH, a Florida municipal corporation located in Palm Beach County, Florida (hereinafter the "Village").

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969," authorizes local governments to make the most efficient use of their power by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, each of the parties to this Agreement presently maintains a fire-rescue department with fire rescue equipment, fire fighting personnel, emergency medical equipment, emergency medical personnel, and other emergency capabilities; and

WHEREAS, it is deemed mutually advantageous to enter into this Agreement providing for mutual assistance/automatic aid in times of emergency where the need created may be too great for either party to deal with unassisted or where a closest unit response is agreeable and in the public interest; and

WHEREAS, the County has approved funding from countywide revenues for countywide common fire-rescue dispatch services (hereinafter "Countywide Common Dispatch" or "Common Dispatch") to be offered and provided by Palm Beach County Fire-Rescue for any fire-rescue providers in Palm Beach County that desire said services from the County, including the City and the Village; and

WHEREAS, the Countywide Common Dispatch program will provide a real and substantial benefit to the residents and property throughout Palm Beach County, including the residents and property within the City and the Village. This real and substantial benefit includes, but is not limited to, the ability to implement a closest unit response system; a more efficient deployment of mutual aid resources; enhanced emergency and disaster coordination between service providers; a more consistent

recording and tracking of response time elements; and the ability to avoid confusion in dispatching calls received from mixed service areas with complex jurisdictional boundaries; and

WHEREAS, the City, the Village and the County desire to enter into this Agreement as a means to further enhance the fire-rescue services that they currently provide within their respective jurisdictions.

NOW, THEREFORE, in consideration of the terms and conditions set forth herein and the benefits following from each to the other, the County, the City and the Village do hereby agree as follows:

ARTICLE I: MUTUAL ASSISTANCE AND AUTOMATIC AID

Section 1. Request for Assistance/Aid. The County, the City and the Village agree to provide emergency mutual assistance and automatic aid to each other for Fire Suppression, Emergency Medical Services, and Technical Rescue, within the terms and conditions set forth by this Agreement, and to formulate automatic aid plans and procedures under Section 2 of this Article. The assistance/aid provided for by this Agreement shall extend to areas served by the parties through service agreements. Emergency mutual assistance/automatic aid will be given when properly requested unless the party from whom assistance is requested determines in accordance with Section 4 of this Article that it is unable to respond. The party requesting assistance and/or aid shall provide the following information at the time the request is made:

- A. The type and quantity of equipment and/or personnel needed; and
- B. The name and rank of the person making the request; and
- C. Party or parties from whom assistance is requested.

All requests shall be directed through the County's emergency communications center. The following officials of the participating parties are authorized to request assistance and aid under this Agreement: the respective Fire Chiefs, Assistant or Deputy Fire Chiefs, or Incident Commanders.

Section 2. Command Authority. In the event of an emergency which requires additional assistance, the Fire Chief of the jurisdiction in which the incident is located, or in his absence, the Assistant or Deputy Fire Chief or the Incident Commander, will direct the activities at the scene where the emergency exists, but personnel responding to the call will remain under the command of their own officers at all times. Each party shall retain control over its personnel and the rendition of services, standards of performance, discipline of officers and employees, and other matters incidental to the performance of services. Each party authorizes its Fire Chief or his designee to meet with the other parties' Fire Chiefs or their designees and develop automatic aid/closest unit response plans and procedures, including but not limited to details regarding areas to be serviced and type and/or level of

response, when the Fire Chiefs have determined that improved response times or other forms of efficiency within their respective jurisdictions and/or service areas may be achieved. Such automatic aid/closest unit response plans and procedures shall be set forth in a Letter(s) of Understanding between the Fire Chiefs, and the Fire Chiefs are hereby authorized to enter into and amend said Letter(s) of Understanding on behalf of their respective parties, consistent with this Agreement and policies and procedures, if any, of the respective parties. The Fire Chiefs are also authorized to promulgate necessary administrative regulations and orders to implement and administer these plans and procedures.

Section 3. Remuneration. All costs associated with providing mutual assistance and automatic aid services under this Agreement shall be the responsibility of the agency rendering assistance/aid. Neither agency shall seek reimbursement of cost associated with rendering mutual assistance and/or automatic aid services from the other agencies.

The parties further agree that the agency rendering assistance/aid may request reimbursement for any expenditure of goods or services directly from the persons, parties, or company involved in, causing, or responsible for, the incident at the sole discretion of the agency rendering aid or assistance. If the agency rendering assistance/aid for emergency medical services provides transport service, then that transporting agency may request reimbursement for the transport service from the patient to the extent permitted by law. The agency rendering service will handle billing, insurance claims and collection in accordance with their policies and procedures and any applicable laws and regulations, including the latest Federal Medicare guidelines if applicable.

If the rendering agency invoices the responsible party for the incident for reimbursement of the goods and services provided, a copy of such invoice shall be forwarded to the requesting agency as a matter of courtesy, provided however that the parties will not be required to provide copies of transport fee invoices to the other party and shall not otherwise use or disclose Protected Health Information ("PHI") or Electronic Protected Health Information ("e-PHI") except as permitted by the Health Insurance Portability and Accountability Act ("HIPAA"), the regulations promulgated thereunder, and any other applicable laws and regulations, all as may be amended from time to time.

Section 4. Ability to Respond. Each party may refuse to respond to a request for assistance/aid in the event it does not have the required equipment or manpower available or if, in its sole judgment, compliance with the request would jeopardize the protection of its own jurisdiction or personnel. Notwithstanding anything herein that may be construed to the contrary, the parties understand and agree that it is not the intention of the parties to subsidize the normal day-to-day operations or shortages in staffing or equipment of the other party and that the mutual assistance/automatic aid provided hereunder is intended to be mutual in nature.

ARTICLE II: COMMON DISPATCH

Section 1. Common Dispatch. The City and the Village are currently included within the Countywide Common Dispatch program implemented by the County. The County (through its Fire-Rescue Department) has and will provide the necessary equipment and services to implement and provide Common Dispatch and related communication services for the City and the Village as detailed herein. Each party hereby authorizes its Fire Chief or his designee to meet with the other parties' Fire Chiefs or their designees to develop and revise Common Dispatch plans and procedures, including but not limited to a list of necessary equipment, a time-line for Common Dispatch implementation, geographical response boundaries, and other operational details. These plans and procedures are and shall be set forth in a Letter(s) of Understanding between the Fire Chiefs, and the Fire Chiefs are hereby authorized to enter into and amend such Letter(s) of Understanding on behalf of their respective parties, consistent with this Agreement and policies and procedures, if any, of the respective parties. The Fire Chiefs are also authorized to promulgate necessary administrative regulations and orders to implement and administer these plans and procedures. The Letter(s) of Understanding shall specifically identify the City's and the Village's level of participation in the Countywide Common Dispatch program and the equipment that has been or will be provided by the County to the City and the Village relating to the dispatch services provided by County hereunder (hereinafter the "Equipment"). The County shall maintain ownership of all said Equipment. The County's Countywide Common Dispatch program provided for by this Agreement shall extend to areas to which the City and the Village provide fire rescue services through service agreements.
