I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: an agreement with BAR Education, Inc., d/b/a Southeastern College for clinical field experience for the period February 9, 2016 through April 30, 2016.

Summary: This agreement allows Palm Beach County Fire Rescue to provide clinical field experience to Paramedic and EMT students of the Southeastern College that will be completing their training program this spring. Paramedic and EMT students will respond with County paramedics to observe and assist in delivering emergency medical care under actual emergency conditions. This clinical field experience is a component of the Paramedic and EMT training required for State certification, and will enhance the available job pool of qualified personnel. Countywide (SB)

Background and Justification: Southeastern College is completing their final phase of providing approved Paramedic and EMT training programs, as they are no longer offering these programs. As a component of the Paramedic and EMT coursework, students are required to receive clinical field experience to observe and assist licensed Paramedics in the delivery of emergency medical services. The remaining students currently enrolled in these programs need to complete their clinical field experience in order to qualify for certification, and Palm Beach County Fire Rescue is willing to provide the necessary facilities and personnel for these students to complete their required experiences.

WITNESSETH:

WHEREAS, the COUNTY and the COLLEGE desire that the public interest be served by insuring a continuing source of competent health care professionals; and

WHEREAS, the COLLEGE offers duly approved paramedic and emergency medical technician ("EMT") training programs; and

WHEREAS, Section 401.2701, Florida Statutes, requires that paramedic and EMT training programs contract with a Florida-licensed emergency medical services provider to conduct the field experience portion of the education program; and

WHEREAS, the COLLEGE desires that students enrolled in its paramedic and EMT training programs obtain clinical field experience with the COUNTY; and

WHEREAS, the COUNTY desires to provide the necessary facilities and personnel, through its Fire Rescue Department, for said clinical field experience and hereby determines that doing so furthers the public health, safety and welfare.

NOW, THEREFORE, for and in consideration of the promises and mutual covenants and agreements herein contained, the parties hereto agree as follows:

Section 1. REPRESENTATIVE AND CONTRACT MONITOR

The COUNTY's representative and contract monitor during the performance of this Agreement is the Fire Rescue Administrator, whose telephone number is 561-616-7000. The COLLEGE's representative and contract monitor during the performance of this Agreement is the EMS Program Coordinator whose telephone number is 561-433-2330.

Section 2. CLINICAL FIELD EXPERIENCE PROVIDED BY COUNTY

A. COUNTY agrees to make available, as practical, its ALS responder units and other units used by COUNTY in the emergency care of the sick or injured in order to provide clinical field experience for students enrolled in the COLLEGE's duly approved paramedic and EMT training programs. Under the supervision of Palm Beach County Fire Rescue paramedic personnel designated by the COUNTY, clinical field experiences will consist, as practical, of those activities and/or

procedures outlined in section 401.23(1), Florida Statutes, for paramedic students or section 401.23(7), Florida Statutes, for EMT students, and other procedures required as part of the clinical field experience by the DOT EMT-Paramedic National Standard Curriculum for paramedic students or the DOT EMT-Basic National Standard Curriculum for EMT students, as applicable. Clinical field experiences shall be limited to those identified activities and procedures. At all times during the clinical field experience with the COUNTY, the students will act under the direction of the designated COUNTY personnel, who shall always be primary care givers. Students shall follow all applicable laws, rules and regulations, and all COUNTY policies, procedures and protocols, relating to such training programs, emergency medical services and patient care.

B. COUNTY reserves the right to refuse its facilities and services to any student, faculty member or instructor who, in the COUNTY's sole discretion, does not meet the professional or other requirements of the COUNTY, or any other appropriate authority controlling, directing or affecting the COUNTY in its delivery of emergency medical services. COUNTY further reserves the right to refuse its facilities and services to any student, faculty member or instructor, which it, in its sole discretion, believes has engaged in any conduct which is unprofessional or contrary to or inconsistent with the terms and conditions of this Agreement or any applicable COUNTY rules, regulations or policies.

Section 3. PROVISIONS FOR INSTRUCTION AND SUPERVISION OF STUDENTS

A. The COLLEGE has undertaken to educate and train students in its duly approved Paramedic and EMT Programs (hereinafter "students"). The control of this program shall reside with the COLLEGE.

B. The COLLEGE shall inform its students, faculty members and instructors of all applicable rules, regulations, policies, procedures, and medical protocols of Palm Beach County Fire Rescue. The COLLEGE shall ensure that its students, faculty members and instructors are familiar with and that they comply with such rules, regulations, policies, procedures, and medical protocols at all times during the performance of this Agreement. Notwithstanding the oversight, supervision and/or direction of students by COUNTY personnel during the clinical field experiences or any other provisions in this Agreement, the COLLEGE shall have sole and ultimate responsibility and liability for the instruction, training, oversight, supervision, actions and omissions of its students while they are participating in the clinical experiences provided by the COUNTY under this Agreement. The COLLEGE shall assure that its students, while obtaining the clinical field experience provided hereunder, act in the best interests of the patients and in accordance with the terms and conditions of this Agreement.

C. The schedule for the clinical field experiences provided for by this Agreement shall be established, and may be amended, by mutual agreement of the parties' Contract Monitors. The schedule may be altered from time to time by the COUNTY in its sole discretion if appropriate responder units or personnel are not available or for any other reason that might negatively impact the COUNTY's services, as determined solely by the COUNTY. The COLLEGE shall provide the COUNTY with a list of participating students, including whether each student is participating as an Emergency Medical Technician (EMT) student or a Paramedic student.

D. Prior to scheduling students for clinical experiences with COUNTY, the COLLEGE shall provide COUNTY with written documentation verifying that all students have been trained in and have demonstrated, through clinical skills labs, proficiency in all of the activities and procedures referenced in

Section 2. The COLLEGE shall be responsible for assuring that its students, while participating in the clinical field experiences with the COUNTY, conduct only those activities and procedures for which the COLLEGE has verified the student's training and demonstrated proficiency. The COLLEGE warrants that all students scheduled for clinical experiences with COUNTY shall be fully qualified and authorized or permitted under state and local law to engage in the clinical experiences contemplated under this Agreement. All students while on COUNTY premises, in COUNTY vehicles, or otherwise participating in the clinical experiences hereunder, shall comply with all COUNTY requirements and policies governing conduct, safety and security.

E. Prior to scheduling students for clinical experiences, the COLLEGE shall provide COUNTY with written verification that all students have been trained and demonstrated proficiency in body substance isolation and infection control procedures, including but not limited to the use of gloves, masks, and eye and respiratory protection.

F. For use during the clinical field experiences, the COLLEGE shall provide each student with an obvious means of identifying themselves as a student to be worn as part of their required uniform, as well as a stethoscope to obtain patient vital signs and the appropriate eye protection to protect the student from blood borne pathogens. The COLLEGE shall also provide each student with the appropriate respiratory protection equipment, properly fit-tested by the COLLEGE, in accordance with 29 CFR 1910.134, Occupational Safety & Health Administration, to protect against airborne pathogens. The COLLEGE assumes full responsibility for assuring that its students have and use the appropriate, properly fitted, protection equipment. COUNTY assumes no responsibility relating to the equipment, including for assessing or assuring that the equipment is property fitted and used.

G. The COLLEGE shall provide the forms and methodologies to be utilized by COUNTY personnel to evaluate student performances during the clinical field experiences. However, the COLLEGE shall be fully responsible for evaluating its students' progress and determining grades of the students. The COLLEGE's program supervisor will make regular calls to COUNTY in order to assess the effectiveness of the clinical field experience program. While on COUNTY premises, the program supervisor shall comply with all COUNTY requirements and policies governing conduct, safety and security.

H. Prior to scheduling students for clinical experiences, the COLLEGE shall provide COUNTY with written verification that all students have been determined to be fit to engage in the clinical experiences and activities contemplated under this Agreement, including that all students are current on all necessary immunizations and otherwise in compliance with any applicable regulations and COLLEGE and COUNTY policies.

I. Prior to scheduling students for clinical experiences, the COLLEGE shall provide COUNTY with a duly executed written release, from each student, as attached hereto as **Exhibit A**, as may be amended by the County from time to time.

J. All students' meals and all transportation to and from the designated clinical location shall be provided by the students or the COLLEGE. The COUNTY shall have no responsibility for meals and/or transportation.

K. COUNTY and the COLLEGE will comply with any applicable provisions of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the

Rehabilitation Act of 1973, and any other applicable laws and regulations. Each party warrants and represents that it does not, and agrees that it will not, discriminate against any student, employee, or applicant for employment or registration in the course of study because of race, sex, sexual orientation, gender identity and expression, color, religion, disability, age, marital status, familial status, national origin, ancestry or genetic information.

L. The COLLEGE acknowledges and agrees that the COUNTY's provision of emergency medical services is subject to the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act ("HITECH"), and the regulations promulgated thereunder (including privacy and security rules) (collectively herein referred to as "HIPAA"), all as may be amended from time to time; and that the COLLEGE's students who participate in the clinical experiences provided by the COUNTY hereunder may receive and have access to protected health information, including electronic protected health information, that is protected by HIPAA. Accordingly, the parties agree that no student shall participate in the clinical experiences provided by COUNTY hereunder unless and until the student completes a HIPAA training program approved by Palm Beach County Fire Rescue and executes a HIPAA confidentiality and training acknowledgment agreement as attached hereto as **Exhibit B**, as may be amended by the County from time to time. Prior to scheduling any students for clinical experiences, the COLLEGE shall provide COUNTY with a duly executed confidentiality and training acknowledgment agreement from each student.

Furthermore, the COLLEGE specifically acknowledges and agrees that students participating in the clinical experiences hereunder shall not be authorized to disclose any protected health information to the COLLEGE, including its program supervisors, faculty members and instructors, for any purpose whatsoever, except to the extent necessary for the COLLEGE to assess and confirm the skills practiced by its students during their clinical field experiences hereunder, or as required by law. Any protected health information provided to the COLLEGE from its students shall be strictly limited to the minimum necessary to accomplish the limited purpose of assessing and confirming the students' skills. The COLLEGE shall instruct its students, faculty members, instructors and program supervisors as to this limitation and assure their compliance with such, including redaction of all individually identifiable patient information that is not required to accomplish the limited purpose of assessing and confirming the students' skills. The COLLEGE agrees that any faculty member, instructor or program supervisor who may need to receive or review any protected health information for the limited purpose of assessing and confirming students' skills shall execute a HIPAA confidentiality and training acknowledgment agreement as attached hereto as **Exhibit C**, as may be amended by the County from time to time, and provide the executed agreement to the COUNTY. The COLLEGE, including its faculty members, instructors and program supervisors, shall not request or receive protected health information from COUNTY personnel.

The COLLEGE recognizes that any protected health information disclosed to the COLLEGE or its students under this Agreement is disclosed as part of the COUNTY's health care operations in its role of providing paramedic and EMT students with clinical field experience, as required by Section 401.2701, Florida Statutes. The COLLEGE and its students shall maintain the confidentiality of any protected health information provided to them hereunder, and shall not use or disclose such protected health information, except as part of the students' clinical experiences hereunder and the COLLEGE's assessment and confirmation of the skills practiced by its students during said clinical experiences, or as required by law. The COLLEGE shall develop and maintain appropriate safeguards to protect the confidentiality and security of such protected health information and to prevent

its use or disclosure except as permitted herein. Should any unauthorized protected health information be disclosed to the COLLEGE or any student, the COLLEGE and student shall not use or further disclose said information and shall immediately notify the Palm Beach County Fire Rescue HIPAA Compliance Officer and return the protected health information to said Compliance Officer without maintaining any copies thereof. The provisions of this paragraph shall survive the expiration or earlier termination of this Agreement.

Section 4. RELATIONSHIP OF EMPLOYEES AND STUDENTS

This Agreement does not, and shall not be construed to, make any officer, employee or agent of the COUNTY an officer, employee or agent of the COLLEGE for any purpose whatsoever; nor to make any officer, employee, agent, faculty member, instructor, or student of the COLLEGE an officer, employee, agent, faculty member, instructor, or student of the COUNTY for any purpose whatsoever. Should the COUNTY report to the COLLEGE any violation of its rules and regulations or other inappropriate conduct by a COLLEGE student during a clinical experience, the COLLEGE shall be responsible for determining any disciplinary action to be taken with respect to the student's participation in the COLLEGE's program. However, the COUNTY maintains the right to prohibit any student from participating in the clinical experiences offered by COUNTY as set forth in Section 2B of this Agreement, and such shall not be deemed to be discipline of non-County employees by the COUNTY.

Neither party is authorized to make or enter into any contract, agreement, promise, representation or warranty on behalf of the other, unless the parties to this Agreement have entered into a written agreement expressly authorizing such.

Section 5. INSURANCE

A. The COLLEGE shall not allow students to engage in any clinical field experience with COUNTY until evidence of required insurance for both the COLLEGE and its students has been provided to COUNTY.

B. The COLLEGE shall, at no cost to COUNTY, maintain, and require and assure that each student maintains, in effect at all times during the life of this Agreement EMT/Paramedic Errors & Omissions Liability insurance coverage, or similar Medical Malpractice Liability insurance coverage, at a limit of liability not less than \$1,000,000 per occurrence \$2,000,000 annual aggregate. This coverage shall be provided on a primary basis. The student coverage may be maintained by the COLLEGE on behalf of each student. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced; or any other event triggering the right to purchase a Supplemental Extended Reporting Period (SERP) during the life of this contract, COLLEGE shall agree to purchase a SERP with a minimum reporting period not less than two (2) years. The requirement to purchase a SERP shall not relieve COLLEGE of the obligation to provide replacement coverage.

C. The COLLEGE shall, at its sole expense, maintain in effect at all times during the life of this Agreement Commercial General Liability insurance coverage at a limit of liability not less than \$1,000,000 Per Occurrence. The COLLEGE warrants said coverage does not include any endorsement excluding Contractual Liability nor Cross Liability; and the coverage shall be endorsed with a 2026 Additional Insured - Designated Person or Organization, or similar Additional Insured endorsement, in

favor of Palm Beach County, Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, Agents, and Employees. This coverage shall be provided on a primary basis.

D. The COLLEGE hereby waives any and all rights of Subrogation against the COUNTY, its officers, employees and agents for each required policy. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then COLLEGE shall agree to notify the insurer and request the policy be endorsed with a Waiver of Transfer of rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy, which a condition to the policy specifically prohibits such an endorsement, or voids coverage should COLLEGE enter into such an agreement on a pre-loss basis.

E. The COLLEGE shall agree to maintain Workers' Compensation Insurance & Employers' Liability in accordance with Florida Statute Chapter 440. The COLLEGE agrees this coverage shall be provided on a primary basis.

F. The COLLEGE shall deliver to COUNTY Certificate(s) of Insurance evidencing the required coverage for both the COLLEGE and its students. The Certificate(s) of Insurance shall provide a minimum of ten (10) day endeavor to notify due to cancellation or non-renewal of coverage. The Certificate Holder address shall be: Palm Beach County, Fire Rescue Department, 405 Pike Road, West Palm Beach, Florida 33411.

G. COUNTY, by and through its Risk Management Department, in cooperation with the contracting/monitoring department, reserves the right to review, modify, reject or accept any required policies of insurance, including limits, coverages, or endorsements, herein from time to time throughout the term of this Agreement. COUNTY reserves the right, but not the obligation, to review and reject any insurer providing coverage because of its poor financial condition or failure to operate legally.

Section 6. INDEMNIFICATION

The COLLEGE shall protect, defend, reimburse, indemnify, release, and hold harmless COUNTY, its agents, employees and elected officers from and against all claims, liability, expense, loss, cost, damages or causes of action of every kind or character, including attorney's fees and costs whether at trial or appellate levels or otherwise, arising during and as a result of the performance of the terms of this Agreement by the COLLEGE, its agents, employees, officers, faculty members, instructors, and/or students, including but not limited to claims relating to patient care or treatment and claims relating to the use or disclosure of protected health information; or otherwise arising from the acts or omissions of the COLLEGE, its agents, employees, officers, faculty members, instructors, and/or students; and/or arising from any and all negligent acts or omissions of the COUNTY, its officers, employees, and agents, relating in any way to the direction, supervision or instruction of any student during the performance of this Agreement.

Section 7. NOTICE OF SUIT

If, in the opinion of the COUNTY, the prospective business association, interest or circumstance would not constitute a conflict of interest by the COLLEGE, the COUNTY shall so state in the notification and the COLLEGE shall, at its option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to the COLLEGE's performance under the terms of this Agreement.

Section 12. SUCCESSORS AND ASSIGNS
