A. CONTRACTOR'S Responsibility

CONTRACTOR shall:

1. Operate a call center with local and toll free telephone numbers, and an online customer referral database to provide golf course tee time sales services.
2. Promote COUNTY golf courses in a prominent place on their website, and in their emails to customers.
3. Market COUNTY golf courses on a regular basis to its local and national customers.
4. Work closely with the respective golf course manager to fill vacant tee times at the golf course facility.
5. Not advertise rates for COUNTY golf in any local publication or local publications websites outside of their place of business or their business website. Prohibited local publications and local publication websites shall include but not be limited to The Palm Beach Post, The Sun Sentinel, The West Boca Times, The Wellington Town Crier, The Tee Times magazine, The Boca News, Lake Worth Herald, etc.
6. Have a local representative that will be available to meet with golf course management staff to resolve issues related to the scope of work and CONTRACTOR's reservations.

B. Reservations:

Golfers that book tee times directly with the COUNTY, via telephone, in person, or on the COUNTY's website are the priority for COUNTY's golf operations. CONTRACTOR's access to COUNTY tee times is secondary and is only intended to augment the normal COUNTY tee time sales. The following parameters for reserving tee times have been developed based upon historical use information; however, there may be times when normal use changes and as a result the golf courses may be able to accommodate more or less of the CONTRACTOR's customers. Golf course managers will work closely with the CONTRACTOR to inform them of how many tee times are available for CONTRACTOR's customers and when they are available.

1. CONTRACTOR shall reserve tee times at off peak times a maximum of 60 days in advance directly with the golf course manager only when they are made available by the golf course manager. Off peak tee times are defined as times when normal bookings are typically less than 50% of available tee times per hour based on historic tee time reservations for the period. Off peak times are generally before 8:00 a.m. Monday through Friday and after 11:30 a.m. Monday through Friday during the months of May through December. During the months of January through March, off peak times are significantly reduced and are only available at times and on days designated by the golf course manager.

2. CONTRACTOR shall reserve tee times at peak times a maximum of three (3) days in advance. Peak tee times are defined as times when normal bookings are typically greater than 50% of available tee times per hour based on historic tee time reservations for the period. Peak times are between 8:00 a.m. and 11:30 a.m. Monday through Friday and on Saturdays, Sundays, and holidays. During the months of January through March, the number of available tee times is significantly reduced and are only available at times and on days designated by the golf course manager.
3. CONTRACTOR shall not book more than 50% of the available tee times per hour until three (3) days in advance of the playing day unless a specific approval, event or league has been organized in advance with the golf course manager.
4. CONTRACTOR may cancel booked small groups of up to fifteen (15) players with no penalty up until one (1) day in advance of the scheduled day of play before 5pm. Any cancellations within one (1) day of the scheduled day of play will be considered a no show, except in cases where the majority of the golf courses booked tee times are cancelled due to weather conditions. At the sole discretion of the COUNTY, the COUNTY may require partial prepayment for large groups of sixteen (16) or more players or for special events. In the event a large group or special event is cancelled within four (4) days of the scheduled day of play the prepaid amount may be forfeited.

C. No Shows:

1. CONTRACTOR shall use its best efforts to prevent no shows, and shall implement a no show policy that prevents habitual no shows at COUNTY golf facilities. CONTRACTOR shall only book the number of tee times that corresponds to the size of their party.
2. For reservations made by the CONTRACTOR for its customers during the months of December through April and on weekend mornings before noon May through November, except in cases where the majority of the golf courses booked tee times are no shows due to weather conditions or if the tee time is resold, if the number of golfers that are checked in for each tee time is greater than one less than the number booked for each tee time, the CONTRACTOR's commission will be reduced by an amount equivalent to the applicable golf fees each absent golfer would have paid, or the vendor shall pay the COUNTY the applicable fee. Golf course staff shall notify the CONTRACTOR within one (1) business day of this occurrence so that the CONTRACTOR may charge the golfer the applicable golf fees.
3. For reservations made by the CONTRACTOR for its customers during the months of May through November the CONTRACTOR will advise any of its no showing customers that their ability to book tee times at County golf courses will be impacted if they continue to no show. If the customer no shows a second time, the CONTRACTOR will stop booking tee times for the offending customer at County golf courses for 90 days.

D. Commission Distribution:

1. CONTRACTOR shall provide the golf course with a daily summary of bookings which will include the names of the golfers and the day and time they played golf. The summary will ensure that there are no discrepancies between the CONTRACTOR's and the golf courses records.
2. CONTRACTOR shall invoice the COUNTY on a monthly basis for its commission. Invoices will include commissions for CONTRACTOR's customer reservations where the golfer identified themselves as CONTRACTOR's customer and paid the applicable rate for golf. CONTRACTOR will not be paid a commission for no shows, rain checks, and refunds.

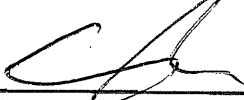

CBS

3. Under no circumstances will the rate charged or advertised to the CONTRACTOR's customers be lower than the best available rate to COUNTY Frequent Player Card holders. CONTRACTOR may advertise/provide its individual customers and small groups with a 5% discount on standard golf fees. When applicable, the nonresident fee of \$5.00 will be waived for CONTRACTOR's customers. For large groups and special events, with Department approval, the golf course manager may provide additional incentives such as range balls and food and beverage packages to CONTRACTORS's customers, and/or the Department may authorize additional discounts to target times and dates that are going unsold.
4. If a golfer referred by the CONTRACTOR arrives at the golf course and has a COUNTY Frequent Player Card, rain check, or discount coupon, the customer will be charged the applicable Frequent Player Card or coupon rate and the CONTRACTOR will not be paid a commission on the customer's round of golf.

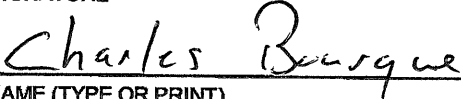

E. COUNTY'S Responsibility:

1. COUNTY will review the summary of bookings submitted by the CONTRACTOR and will identify and amend the summary for any no shows, errors, or refunds. If there is a discrepancy between the CONTRACTOR's summary and the COUNTY's point of sales system reports, the COUNTY's point of sale reports shall prevail unless the CONTRACTOR can clearly demonstrate that the discrepancy is in the COUNTY's point of sale report.
2. COUNTY will return a copy of the amended summary to the CONTRACTOR for inclusion in their monthly billing.
