I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

(A) **Approve** an Agreement for Purchase and Sale for the following property at a total cost of \$125,000 by a supermajority vote. Said property is located West of Runway 10L at Palm Beach International Airport (PBIA):

Leslie B. Taylor	
4723 Wallis Road	
West Palm Beach, FL 33415	Parcel W – 41
Sales Price	\$ 125,000
Replacement Housing	\$ N/A

(B) **Accept** a Memorandum of Agreement to be recorded in the public records to provide notice of this Agreement.

Summary: The above property is being acquired in accordance with Palm Beach International Airport's approved Part 150 Noise Compatibility Study, which recommended the acquisition of property. In 1997, the Department of Airports initiated a voluntary land acquisition program west of PBIA. The subject parcel is a 10,454 square feet vacant site on the northwest corner of Wallis Road and the unimproved right of way of Victor Road. It's location was previously in an area that was developed with residential properties. Nearly all the property in the neighborhood has been acquired by the airport. An offer to purchase was presented to the seller on February 11, 2016 at the appraised fair market value of \$125,000. All purchases, sales and exchanges of real estate must be approved by a supermajority vote (5 Commissioners) pursuant to the PREM Ordinance. **Countywide (HJF)**

Background and Policy Issues: The Department of Airports has executed an Agreement for Purchase and Sale as part of the BCC approved Airport Master Plan, which establishes recommendation for the acquisition of property. The proposed acquisition is consistent with the approved plan. Exhibit B of the Purchase and Sale Agreement contains a Memorandum of Agreement which provides notice of this agreement. The property is a vacant lot containing .24 acres and is located on the north side of Wallis Road. The Agreement is subject to the provisions of Public Law 91-646 (Uniform Act) and to review and audit by the FAA; therefore, it is exempt from review by the Property Review Committee pursuant to the PREM Ordinance.

5. **INSPECTION OF PROPERTY.** During the Inspection Period, County and its engineers, surveyors, agents and representatives shall have unrestricted access to the Property for purposes of survey, testing and inspection thereof. All surveys, testing and inspections shall be conducted by County at its expense, and shall be performed by licensed persons or firms dealing in the respective areas or matters tested. All testing shall be done in the least intrusive manner reasonably practical. In the event County elects not to close upon its purchase of the Property, County shall restore the Property to the condition in which it existed prior to such inspections, using materials of like kind and quality. Nothing contained herein shall be construed to prohibit County from disclosing the results of said inspections as may be required by applicable law. In the event that such inspections shall reveal a deficiency in the Property, as determined by County in its sole and absolute discretion, County shall have the right to terminate this Agreement at any time during the Inspection Period by giving written notice thereof to Seller, whereupon the parties shall be relieved of all further obligations hereunder.

6. **EVIDENCE OF TITLE.**

6.1 During the Inspection Period, County may obtain an owner's title insurance commitment, issued by a title insurance company acceptable to County, agreeing to issue to County upon the recording of the Warranty Deed to the Real Property, an owner's title insurance policy in the amount of the Purchase Price, insuring the marketability of the fee title of County to the Real Property, subject only to the Permitted Exceptions.

County shall have until the end of the Inspection Period in which to review same. In the event the title insurance commitment shall show as an exception any matter other than the Permitted Exceptions, County shall notify Seller of County's objection thereto, and Seller shall act with reasonable effort, including bringing suit, to remove such exception(s), which exceptions shall be deemed to constitute title defects. Seller shall be entitled to ninety (90) days

from the date of notification by County (with adjournment of the Closing Date, if necessary) within which to cure such defects or to make arrangements with the title insurer for deletion of any such title defects from the title insurance commitment without the inclusion of any additional exceptions to coverage. Notwithstanding the foregoing, Seller shall have the option of discharging any such matters at closing with the closing proceeds. If the defect(s) shall not have been so cured or removed from the title insurance commitment by endorsement thereto at the termination of the said ninety (90) day period, County shall have the option of: (a) accepting title to the Property as it then exists; or (b) terminating this Agreement, by giving written notice thereof to Seller, provided, however, County shall not thereby waive any rights or remedies available to County due to such default by Seller, including an action for damages.

6.2 County may request, prior to the Closing, an endorsement of the title insurance commitment making it effective to within fifteen (15) days of the Closing Date. At Closing, Seller shall cause the title insurance commitment to be endorsed to remove, without the inclusion of any additional exceptions to coverage, any and all requirements or preconditions to the issuance of an owner's title insurance policy, and to delete any exceptions for: (a) any rights or claims of parties in possession not shown by the public records; (b) encroachments, overlaps, boundary line disputes and any other matters which would be disclosed by an accurate survey and inspection of the Property (provided County obtains a survey in accordance with Section 7 hereof); (c) easements or claims of easement not shown by the public records (provided County obtains a survey in accordance with Section 7 hereof); (d) any lien, or right to a lien, for services, labor or material heretofore or hereinafter furnished, imposed by law and not shown by the public records; (e) taxes for the year of Closing and all prior years, and taxes or special assessments which are not shown as existing liens by the public records; (f) matters arising or attaching subsequent to the effective date of the title insurance commitment but before the acquisition of record of title to the Property by County; and (g) any general or specific title exceptions other than the Permitted Exceptions.

6.3 From and after the Effective Date of this Agreement, Seller shall take no action which would impair or otherwise affect title to any portion of the Property, and shall record no documents in the Public Records which would affect title to the Real Property, without the prior written consent of County.

7. **SURVEY.** County shall have the right, within the time period provided in Section 6 for delivery and examination of title, to obtain a current survey of the Real Property and all improvements thereon. If the survey reveals any encroachments, overlaps, boundary disputes, or other defects, or any matters other than the Permitted Exceptions, the same shall be treated as title defects as described in Section 6 of this Agreement, and County shall have the same rights and remedies as set forth therein.

8. **MAINTENANCE.** Between the Effective Date and Closing, Seller shall maintain the Property in the condition in which it existed as of the Effective Date. Notwithstanding the foregoing, Seller shall deliver the Property at Closing free of any trash, refuse or other debris, and in full compliance with all governmental regulations. Seller shall bear the risk of any loss, damage or casualty to the Property prior to Closing. County shall have access to the Property at any reasonable time prior to Closing to verify Seller's compliance herewith.

9. **CONDITION PRECEDENT TO CLOSING.** The following are conditions precedent to County's obligation to close upon its purchase of the Property: (1) Seller shall have performed all of the covenants and obligations under this Agreement that it is obligated to perform at or prior to Closing, on or prior to the dates such performance is required hereby; (2) Seller's representations and warranties identified in this Agreement shall be true and correct; and (3) there shall have been no change in the condition of the Property or the status of title to the Property, other than as specifically permitted by this Agreement. The foregoing conditions precedent are for the exclusive benefit of County and may be unilaterally waived by County.

10. **CLOSING.** The parties agree that the Closing upon the Property shall be consummated as follows:

10.1 **Place of Closing.** The Closing shall be held at County's Property and Real Estate Management Division office, 2633 Vista Parkway, West Palm Beach, Florida.

10.2 **Closing Date.** The Closing shall take place within thirty (30) days after expiration of the Inspection Period, or at such earlier date as is mutually agreed upon by the parties, unless extended by mutual agreement or as otherwise provided for in this Agreement.

10.3 **Closing Documents.** County shall be responsible for preparation of the following Closing documents, which Seller shall deliver, or cause to be delivered to County, at Closing, each fully executed and acknowledged as required.

10.3.1 **Statutory Warranty Deed.** A Statutory Warranty Deed conveying good and marketable fee simple title to the property, subject only to the Permitted Exceptions.

10.3.2 **Seller's Disclosure of Beneficial Interests.** A Seller's Disclosure of Beneficial Interests if required by Section 286.23, Florida Statutes, or County policy, which accurately discloses the name and address of any person or entity having a 5% or greater beneficial interest in the ownership of the Property as of the date of Closing. The foregoing shall be in addition to any Disclosure or notice of change thereto previously provided to County, and in the same form as previously provided to County.

10.3.3 **Affidavit of Seller.** A Seller's Affidavit stating that the Property is free and clear of all encumbrances, mortgages, liens, leases, licenses, contracts or claim of rights in a form sufficient to permit the title insurer to delete the "Gap" and "Standard Exceptions" from the title insurance policy and insure County's title to the Property in accordance with Section 6 of this Agreement, subject only to the Permitted Exceptions.

10.3.4 **Non-Foreign Affidavit.** Seller represents and warrants to County that Seller is not a "foreign person" as defined by the Federal Foreign Investment in Real Property Tax Act (the "Act"). At Closing, Seller shall execute and deliver to County a "Non-Foreign Affidavit," as required by the Act. Seller acknowledges that in the event Seller fails to deliver the Non-Foreign Affidavit, County shall be authorized to withhold from the closing proceeds an amount equal to ten percent (10%) of the gross amount of the purchase price, and to remit same to the Internal Revenue Service, as required by the Act.

10.3.5 **Closing Statement.** A Closing Statement prepared in accordance with the terms hereof.

10.3.6 **Additional Documents.** Seller shall also deliver and/or execute such other instruments as are necessary or reasonably required to consummate the transactions herein contemplated including, without limitation, if applicable, such documents as County or the title company may require evidencing Seller's existence, good standing, power and authority to enter into and consummate the transaction herein contemplated, and a Receipt of Real Estate Brokerage Commission and Release ("Broker's Release") in a form acceptable to County.

10.4 **Possession.** At Closing, Seller shall deliver full, complete, and exclusive possession of the Property to County.

10.5 **County's Obligations.** At Closing, County shall deliver, or cause to be delivered, to Seller the following:

10.5.1 **Cash due at Closing.** The required payment due in Current Funds as provided elsewhere herein.

10.5.2 **Closing Statement.** A Closing Statement prepared in accordance with the terms hereof.

11. **EXPENSES.**

11.1 County shall pay the following expenses at Closing.

11.1.1 The cost of recording the deed of conveyance.

11.1.2 Documentary Stamps required to be affixed to the deed of conveyance.

11.1.3 All costs and premiums for the owner's title insurance commitment and policy.

11.2 Seller shall pay the following expenses at Closing:

11.2.1 All costs necessary to cure title defect(s) or encumbrances, other than the Permitted Exceptions, and to satisfy or release of record all existing mortgages and liens upon the Property.

11.3 Seller and County shall each pay their own attorney's fees.

12. **PRORATIONS.**

12.1 **Taxes.** On or before the Closing Date, Seller shall establish an escrow fund with the Palm Beach County Tax Collector pursuant to Florida Statutes Section 196.295, and shall pay into such escrow Seller's prorata portion of ad valorem and non-ad valorem real property taxes and assessments for the year of Closing and any prior years as determined by the Tax Collector. Seller's prorata share of all taxes and assessments shall include the day of Closing.

12.2 **Assessments.** If as of the Closing Date, assessments or charges have been imposed against the Property or any part thereof which are, or which may become payable in annual installments, the first installment of which is then a charge or lien, or has been paid, then for the purposes of this Agreement, all of the unpaid installments of any such assessments, including those which become due and payable after the Closing Date, shall be deemed to be due and payable and to be a lien upon the premises affected thereby, and shall be paid and discharged by Seller on or before the Closing Date. Any other assessments not deemed to be due and payable as aforesaid which burden County owned property shall be deemed to be payable on a calendar year basis in arrears and prorated accordingly.

13. **CONDEMNATION.** In the event that all or any part of the Property shall be acquired or condemned for any public or quasi-public use or purpose, or if any acquisition or condemnation proceedings shall be threatened or begun prior to Closing, County shall have the option to either terminate this Agreement, and the obligations of all parties hereunder shall cease, or to proceed, subject to all other terms, covenants, conditions, representations, and warranties of this Agreement, to Closing, receiving, however, any and all damages, awards, or other compensation arising from or attributable to such acquisition or condemnation proceedings. County shall have the right to participate in any such proceedings.

14. **REAL ESTATE BROKER.** Seller represents and warrants to County that it has not dealt with any broker, salesman, agent or finder in connection with this transaction, except AECOM ("Broker") whose commissions and fees shall be payable by County pursuant to separate written agreement. Without limiting the effect of the foregoing, Seller agrees to indemnify, defend save and hold County harmless from the claims and demands of any real estate broker, salesman, agent or finder, other than Broker, claiming to have dealt with Seller. Such indemnity shall include, without limitation, the payment of all costs, expenses and attorneys fees incurred or expended in defense of such claims or demands. In the event Seller's warranties and representations under this Section 14 shall prove to be untrue, County shall, in addition to any other remedy provided for herein, have the right to require Seller to provide a brokerage release, in a form and substance acceptable to County, prior to Closing. The terms of this Section 14 shall survive the Closing or termination of this Agreement.

I have completed my review of the above-referenced parcel. My opinion is based on the following.

This value estimate may be used in conjunction with a Federal Aid project.

As part of the appraisal review, there has been a field inspection of the parcel to be acquired and the comparable sales.

The purpose of the appraisal is to estimate the market value of the fee simple estate. Market value is defined in the narrative report.

The intended use is to assist the client in establishing an acquisition price for the subject property. The client is CH2M Hill, Inc. as agent for Palm Beach County Department of Airports.

I have no direct or indirect present or contemplated future personal interest in such property or in any monetary benefit from its acquisition.

My estimate has been reached independently without collaboration or direction and is based on appraisals and other pertinent factual data.

Unless otherwise stated, this value estimate contains no items compensable under state law but not eligible under federal reimbursement. Any non-compensable items are listed below together with their appraised value followed by the notation ("non-compensable").

Unless otherwise stated, the reviewer agrees with the identification or listing of the buildings, structures, and other improvements on the land, as well as the fixtures, which the appraiser considered to be part of the real property to be acquired.

The date of the appraisal report is December 10, 2015. The date of value is November 24, 2015.

It is my opinion that the market value of the land and improvements appraised, as of November 24, 2015 is \$125,000.

This estimate of market value is based upon an appraisal report prepared by Robert B. Banting, MAI, and Michelle Jackson, of Anderson & Carr, Inc. Both appraisers are state certified general appraisers.

The subject property is a 10,454 square feet (.24 acres) vacant site on the north side of Wallis Road. It is located at the northwest corner of Wallis Road and the unimproved right of way of Victor Road. Its location was previously in an area that was developed with residential properties. Nearly all the property in the neighborhood has been acquired by the airport. It is currently zoned RM with a land use designation for utilities and transportation. It is in the boundaries of the Palm Beach International Airport Overlay District (PBAO). This also permits using the property for industrial uses. The site is level and cleared. The appraisers concluded

that due to its location near the airport in an Overlay District its highest and best use would be for a light industrial type use.

The appraisal relied on five smaller lighter light industrial sales that bracketed the size of the subject property. The sales occurred between February 2014 and February 2015. Only the oldest sale required a small positive adjustment for market conditions. After that adjustment the range of values was from \$11.82 per square foot to \$13.96 per square foot. Three of the sales also required small location adjustments. After applying these adjustments the indicated value was in the range from \$11.48 per square foot to \$12.57 per square foot. The appraisal concludes to a value of \$12.00 per square foot which is supported by the market data and the analysis. Applying this unit value to the site's 10,454 square feet indicates a value of \$125,000 (rounded).

Unless otherwise stated in this report, the existence of hazardous substances including, without limitation, asbestos, polychlorinated biphenyls, petroleum leakage, or agricultural chemicals which may or may not be present on the property, or other environmental conditions were not called to the attention of the appraiser, nor did the appraiser become aware of such during the appraiser's inspection. The appraiser has no knowledge of the existence of such materials on or in the property unless otherwise stated. However, the appraiser is not qualified to test such substances or conditions. If the presence of such substances as asbestos, ureaformaldehyde foam insulation, or other hazardous substances or environmental conditions which may affect the value of the property, the value estimated is predicated on the assumption that there is no such condition on or in the property or in such proximity thereto that it would cause a loss of value. No responsibility is assumed for any such condition or for any expertise or engineering knowledge required to discover them.

The appraisers' sales and analysis are reasonable. The appraisers' value conclusion is considered appropriate. Therefore, the market value of the subject property is, as of November 24, 2015, estimated at \$125,000.
