I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- A) an Interlocal Agreement (Agreement) with the City of South Bay (City) in the amount of \$115,000 for the Construction Inspection (Inspection) for the improvement of the City's Dr. Martin Luther King Jr. Boulevard from Rosenwald Elementary School to US 27 (Project); and
- B) a Budget Amendment of \$115,000 in the Transportation Improvement Fund to recognize the Agreement with the City and appropriate it to the Project.

SUMMARY: Approval of this Agreement and budget amendment will allow Palm Beach County (County) to assist the City with the inspection for the Project which has a current estimated inspection cost of \$115,000. The City is receiving a federal grant administered through the Florida Department of Transportation (FDOT) for the Project. The City will reimburse the County for inspection services rendered as they receive grant funds from FDOT. The term of the Agreement will be from the date of Board of County Commissioners (Board) approval until the Project's construction is complete.

District 6 (MRE)

Background and Justification: A federal agreement administered by FDOT will grant the City funding for the Project. The City has requested County assistance for inspection services. The City will reimburse the County for inspection services rendered as the City receives grant funds from FDOT. In the event additional inspection and/or funding is required for the Project, beyond that originally anticipated, the City shall be responsible for the additional costs. This Agreement will provide a mechanism for the County to assist the City by providing inspection services, and be reimbursed for said services.
